

Bossy President & Superstar Girlfriend

C10

She had been in a bad mood recently, and now she felt even more like a person without happiness or a future.

Those once vigorous dreams were all shattered by that night. Even when they were faced with someone they liked, they wanted to hide far away.

"Miss Tang, has anyone ever said that you are beautiful when you cry?" Qin Gaoning looked at her face with interest. Even though she tried her best to hide her crying face, she still let him see that soft beauty that only women possess.

No wonder he could distract her. This girl had a very comfortable temperament. She had a low-key, classical elegance. She was like an ancient woman, giving people a sense of belonging.

Especially when she cried, she was as weak as a pool of spring water, making men wish they could drown in her tears.

It was a pity that the so-called artistic boys were all too blind to discover the hidden beauty around them.

"I hate crying." Tang Xiao Yi tried her best to keep her voice steady as she wiped away the tears on her face. Her heart was still throbbing in pain.

Ever since she was young, she didn't like to cry, because when she cried, she received even more fists and whites of her eyes.

"But you were crying just now, do you want me to lend you my shoulder?"

Qin Junning revealed a harmless smile as he asked.

"No, thank you." Tang Xiao Ai felt very sad. Originally, that sweet first kiss with the boy she secretly loved should have been the happiest moment in the world. However, she thought of the night when she had lost her body after drinking too much.

"Why are you crying? The person who kissed you just now is said to be the most outstanding boy in this academy ... Are you guys in a dispute?" Qin Junning was probing with a tone of abduction.

"What can I do for you?" Tang Xiao Ai's heart was once again stung. She took a deep breath and turned around. Her eyes, which had already contained the tears, were red and swollen, carrying a pitiful luster.

"Oh, this is my business card. Last time at the cafe, I accidentally saw you playing the piano and felt that you were very suitable for a role. So I found your information and wanted to ask if you were interested in acting." Qin Jun saw that she was unwilling to speak, so he immediately changed the topic. He did not want to leave a bad impression of Tang Xiao Ai from the start.

Tang received the business card, which said, "Esco Media CEO, Qin Jun."

"Sorry, I don't have acting experience." Tang Xiao Ai didn't know if the person in front of her was a swindler or not. She was very vigilant. Perhaps it was because of her childhood experiences, but she felt a sense of distance from the people outside.

"It's alright, the company can send you guys to train for further education." Qin Junning saw the vigilance in her eyes and smiled to make her relax. "Besides, how do you know if you have talent or not if you don't try?"

"But I don't like it." Tang Xiaoyi looked at the man in front of her again. He was very young, no more than thirty years old. She had heard of the Escrow

Media, but such a young CEO made people suspicious.

Tang Xiao Ai spent all her free time on part-time work and studying. She didn't like to read gossip, didn't like to see anything useless to her profession and her future, so she didn't know the famous Qin Junning.

If she paid a little attention to entertainment gossip, she would be able to recognize this elegant man in front of her. He was the famous handsome director, Qin Junning.

"Don't refuse so quickly." Qin Junning smiled as he patted his assistant who was sitting in the front passenger seat, and took a document from him, "We are currently looking for the MV heroine for Li Xi Yi. You should have heard of Li Xi Yi, right? "Well, it's the man on the billboard."

Tang Xiao Ei looked in the direction that Qin Jun was pointing. She was an international celebrity with a pair of enchanting eyes that could kill people with a single glance.

She was not interested in celebrities, but every day, she would be forced to listen to the news of famous celebrities. She knew that this person was a newcomer two years ago, and was originally a singer.

No matter where he went, he could hear his songs in the speakers. Even if he went to a small supermarket to buy a bottle of water, he would still be able to hear this person's voice.

"We are doing a warm-up for Li Xiyi's next album. You should know that recently you have been selecting the MV female lead, the DL cosmetics title of the female lead for him, right?" Seeing the doubt and distrust in her eyes, Qin Junning immediately asked.

Tang Xiaoyi pursed her lips. There was no such thing as a pie falling from the sky. She had a nagging feeling that this matter was somewhat fishy.

"As long as he is elected as the female lead, he will have 100,000 yuan in cash. He will also sign the DL's skincare advertisement, and there will be

professional producers who will produce the female lead." Qin Junning was using his name and interests to tempt the girls around him. "That is to say, you will evolve from an ordinary student to a popular celebrity."

"I'll think about it." After saying that, Tang Xiao Ai turned to the driver in front and said, "Please stop here, thank you."

At first glance, she seemed to be a very polite girl, so polite that it was difficult to get close to her.

"You're not going to directly go to our company to audition?" Qin Gaoning slightly creased his brow. Under this girl's cute and tranquil appearance, there was an abnormally stubborn heart.

If he didn't tame her as soon as possible, even if he signed on for her in the future, it would be hard for her to tame him.

"I'll get in touch with you if I think it through." Tang Xiao Yi jumped out of the car, as polite and obedient as before.

Qin Gaoning rubbed his chin and watched her walk quickly along the sidewalk with the book in her arms. He had to find the girl's weakness and hold on to it so that he could control her heart.
