

Bossy President & Superstar Girlfriend

C13

Tang Xiao Ai wanted to retract her hand. What was he going to use to take care of her? That strong family background?

If she could just be his girlfriend and solve all her problems, she wouldn't hesitate.

"You can't take care of me." Tang Xiaoxiao was unable to retract her hand, so she could only speak in a dry voice.

His family would not tolerate a family like hers that was wrong, and he did not know that she was lost.

"How do you know I can't take care of you? "Don't come back to this place and play the piano. I can buy you a piano room and give it to you. You don't have to suffer any grievances ..." Shen Mo had long understood that her family was poor, which was why she worked so hard to make money to support her family.

Originally, he had only paid attention to this unusual girl and hadn't expected that he would fall in love with her.

It was only on New Year's Day, when he saw her slightly red eyes in the library, did he finally realize that the reason he had been quietly paying attention to her was because of love.

Only then did he understand everything about her. The more he understood, the more he wanted to protect her. Thus, he slowly approached her to express his liking for her.

"No, thank you." All these years, Tang Xiao Ai had probably said these three words the most.

"Don't say thank you to me. I want to be your closest person, someone you can rely on." Shen Mo suddenly pressed her against the wall, breathing heavily as he approached her.

She was a girl with a very sweet taste. As long as she had tasted it, she would never forget.

The little girl was so scared that her hands loosened up and she ran in the direction of her home.

Tang Xiao Ai's scalp went numb as her entire body started to tremble. Being able to be liked by someone she had a crush on for a long time was a very happy thing, but she didn't dare to love it.

That handsome face was getting closer and closer, the breathing through his nose was intertwined, as if they couldn't be separated.

Tang Xiao Ai involuntarily closed her eyes. It was unknown whether she was trying to dodge or compromise.

Her lips were soft and cool, as soft as the wings of a butterfly.

Tang Xiao Ai almost held her breath. The first time she was kissed by him was too unexpected; it made her lose all feeling. This time, she clearly felt her heartbeat and the softness of his lips.

Shen Mo was also extremely nervous. Even though he had told many romantic stories to many girls, she was the first person he wanted to officially proclaim as his girlfriend, so she was especially cherished.

He moved slowly to her lips and took her lower lip in his, licking and sucking gently, gently luring her to open her mouth.

Tang Xiaoyi had never been treated like this before. She only felt her heart beating faster and her blood rushing up, as if a acupoint had been pressed against her. She was unable to move as she stiffly accepted his kiss.

The tip of Shen Mo's tongue pried open her helpless teeth, and gradually became tyrannical. He began to indiscriminately absorb her fragrance, and Shen Mo's breathing became heavier and heavier. He pressed her tightly against the wall, as if he wanted to rub her into his body.

It was only when Tang Xiaoyi was about to faint from the lack of oxygen that he finally stepped back a bit. With a low and hoarse voice, he whispered into her ear, "Your reaction is really cute. You haven't received a kiss from anyone yet, right?"

Tang Xiaoyi's chest heaved up and down as she heard his words. It was as if she had been struck by lightning. She suddenly came to her senses.

He thought that he was an extremely pure girl, so his curiosity was aroused. He wanted to date her, right?

When he knew that he had already lost his first time, would he still say something like "cute"?

"Shen Mo, I'm not the kind of girl you want." Tang Xiao Yi immediately stretched out her hand to push him away as she tried to escape in a sorry state.

If she kissed him like this a few more times, she would probably be obsessed with him forever.

"Tang Xiao Ai, what are you afraid of? You obviously like me too, don't you? " Shen Mo did a despicable thing last night ... Buying her roommate girl, he found her diary and saw the hidden feelings in her heart.

Therefore, if he was rejected again, he wouldn't be able to forgive himself.

"Try it. If we really aren't suitable, I promise I won't bother you." Shen Mo saw that she was a little flustered as he lowered his eyes. He immediately tightened his grip on her hands as he spoke urgently.

It was unknown whether it was the best for a man or not. Thus, the more Shen Mo rejects it, the more special it is for her.

"But, I've already ..." Tang Xiao Ai really liked him. She was not a little dragon girl nor was she a dead master. Ever since Shen Mo's first confession, her heart had been half in pain and half in joy.

For her, first love was the most beautiful scenery she had seen in the past twenty years. Thus, even if she pushed him away, even if she rejected him with her wrong words, no one would be able to understand the pain and struggle in her heart.

"Don't try to lie to me, I know that your life is very simple. I also know that you live in a small town, you can't just accept my feelings because of this. You don't have a good relationship with anyone, you only like it." Shen Mo interrupted her and looked deeply at her bashful and nervous face, "Xiao E, just tell me if you like me or not."

Tang Xiaoyi closed her eyes as her mind once again became a mess.

She was a person who had a clear goal in mind. Thus, she would never do something ambiguously.

However, only feelings ... This was the first time she had encountered something like this, and she didn't know how to grasp it.

How can I not like it? She had a crush on Shen Mo for so long that when she was confessing, she was scared silly. She had never lost her composure like this before. She even hid in a stranger's car and cried. Those tears were not only tears of sadness, but also tears of happiness.
