

## Bossy President & Superstar Girlfriend

C21

The normally tightly wrapped skin had an unbelievably soft and smooth touch. It felt like it was made of silk and was almost able to suck his fingers.

Anyone who touched her would definitely fall in love with such a touch.

Tang Xiao Ai's mind boomed and her body couldn't help but tremble ... Because she thought of that night, that terrible black night.

Today was different from that night. The one kissing and stroking her was a boy who secretly liked her, but his hands and body still made Tang Xiaosi afraid.

Deep in her heart, there was already a shadow, but she didn't know it.

At this moment, Tang Xiao Yi's entire body was trembling like a sieve. Her blood became ice-cold, and even the strength to resist and speak was drawn out. Her mind was muddled as the terrible events of that night flashed through her mind: an unfamiliar man, a pitch-black room, and the pain of her body. Shen Mo who was immersed in his passion had already lost all sense of reason. He did not notice her abnormality and pushed away her clothes, his dark red eyes staring intently at her pure white body.

"Shen Mo ..." Tang Xiao Yi silently called out his name. She didn't want to experience nightmares again, even if it was with the boy she liked.

No, nothing could happen.

Shen Mo's mother's words were definitely not a joke, and she was currently unable to accept such a thing.

"I knew it... "You're so beautiful." Shen Mo muttered to himself as he lowered his head, "Xiao Ai, I will protect you. As long as you are with me, you don't have to be afraid of anything ..."

"No ..." "No way!" Tang Xiao Yi finally found her voice and twisted her body, wanting to escape. She couldn't have any further development with Shen Mo, she couldn't.

"Shen Mo, stop!" Tang Xiao Ai's words did not elicit any response. Shen Mo had turned even more intense, leaving behind many red marks. It was as if he was infatuated with this kind of game as his entire body was boiling hot and he tightly embraced her.

"Shen Mo, I'm no longer a virgin! I have long been someone else's man..."  
"Really ..." Tang Xiao Yi had long since panicked. When she said these words, tears rolled down her face. She could no longer control her sorrowful mood.

Shen Mo finally stopped and raised his head to look at the large teardrops that were rolling down in her clear and limpid eyes.

He had never seen her cry so close.

In Shen Mo's eyes, Tang Xiaoyi was a person who did not have much sadness or joy. She would never forget happily, nor would she shed tears from sadness.

There was always a calm and indifferent expression on her face. It was as if she was on a calm sea, and no one could see the undercurrents within.

However, at this moment, her eyes that were filled with sparkling and translucent tears, which were so resplendent and enchanting, were completely different from her usual calm demeanor. Her appearance of wanting to cry

yet forcing herself to remain calm, was able to arouse the desire of all men to protect her.

"Sorry ..." I can't be with you ... " Tang Xiao Ai reached out her hand to cover her eyes. She didn't want to cry like this in front of her favorite boy.

In fact, she didn't like to cry in front of anyone.

"Please ..." Let me go... "I'm not a good girl, I'm not good enough for you ..." Tang Xiao Yi said while sobbing.

Half of Shen Mo's desire was extinguished by her tears. He looked at her handsome face in a daze, never expecting her to be so beautiful when crying.

Like a lotus leaf in the rain, its surface was filled with sparkling and translucent pearls that then fell down one by one.

He held out his hand, not knowing how to wipe away her tears.

At this time, an earth-shattering knocking sound came from outside.

"Chairman Shen, the dean has something important to talk to you about." A girl's voice came from outside, asking anxiously.

"Don't disturb me, scram away." Shen Mo had always been gentle and polite, but this time, he accidentally insulted someone.

The girl outside was obviously frightened. After a few seconds of silence, she heard the sound of footsteps running away.

"If you need money, I can give it to you." Shen Mo was silent for a long time before he spoke to the sobbing Tang Xiaoyi.

Her clothes had already been pulled down and her hair was a little messy. She looked very pitiful.

Tang Xiao Yi shook her head with tears in her eyes, her heart aching so much that she couldn't breathe.

"Why can't you accept money from other men? Why can't you accept mine?" Shen Mo suddenly asked irritably.

He knew that Tang Xiaoxi's family was in a difficult situation, and he also knew that her self-esteem was very strong, so after confirming their relationship, Shen Mo was unable to directly give her money. He could only tactfully indicate that he would not go out and work part-time.

Shen Mo wanted to use another method to make life easier for her without hurting her self-esteem, so he brought up this point the next day. Coincidentally, she was resigned from the coffee shop.

Who knew that it had only been three days? She had gone to a bar to apply for a job. If she was really taken care of, would she still have to desperately look for a job?

There must be something fishy about it.

However, Tang Xiaoyi was unwilling to tell him the truth. Shen Mo was both angry and annoyed. He wished that she would become pregnant with his own child first.

Tang Xiao Ai could not say why. She could only shake her head and refuse to answer everything.

Shen Mo once again pounced over and pushed her onto the pillow. "Tang Xiao Ai, I've given you all of my patience. Don't force me to be angry."

There was another knock on the door. This time, it was not the girl's voice but the dean's voice. "Shen Mo, open the door within three minutes."

Tang Xiaoyi rarely saw the dean. She only saw his figure when she gave out scholarships and other important occasions every year.

Now, due to her and Shen Mo, the principal had stepped forward. It could be seen that the relationship between the principal and Shen Mo was indeed subtle.

If Tang Xiao Ai guessed correctly, it must be Shen Mo's mother who found out about this matter and immediately had the Principal take care of it.

Otherwise, the dean would not have rushed to the female dormitory in a short period of time just because of some matter regarding the student union's administration. He would have personally 'invited' Shen Mo to the office.

When the door opened, Tang Xiao Yi had already tidied up her clothes. Seeing the dean's solemn and disdainful gaze, her heart spasmed as if a sharp thorn had pierced into it.

For the past three years, as the student with the best results, she had always been the target of praise in the eyes of the teachers.

The dean might not have any impression of her, but towards diligent students, he always had a green eye.

Right now, he was using this kind of condescending gaze to look at Tang Xiao Ai, causing her heart to feel dull pain.

As for the girls outside, they were even more unscrupulous as they gazed at her with all kinds of gazes.

It was the first time in Tang Xiaoyi's outstanding student career that she was issued with a notice of punishment from the entire school.

This was what the dean had said to her before he left: that this year's scholarship would fly away because of this punishment.

Tang Xiao Ai sat in her good friend Zhang Wei's room with an indifferent expression.

She had always wanted to live with dignity and had never cared about

appearances, but when she heard the punishment, her final support broke.

"This is too unfair! Why should I punish you? How come the other girls who were so brazen as to act like a mistress and go to the nightclub to play were not punished at all? Is it because their family is rich and powerful?" Zhang Wei had a fiery temper and kept scolding unhappily.

"Let's not talk about it anymore. She's in quite a difficult situation." Chen Chen was Zhang Wei's boyfriend. The two of them grew up together. After college, the two of them naturally lived together.

This small apartment was the home of their love.

Although Zhang Wei didn't usually return to his dorm, Tang Xiao Yu would always help him take a seat during class. Thus, the two of them had a good relationship.

"That's not fair. We'll look for the school board tomorrow to discuss this!" What bullsh \* t punishment, because you 'brought' the boy back to the female dormitory to ruin the school's atmosphere ... Pui! Why didn't you punish Shen Mo? Shen Mo's family is powerful and does not dare to offend them. What's the point of bullying you?" Zhang Wei was infuriated. He pushed Chen Chen out of the room and walked around angrily with his hands on his waist.

"This world is unfair to begin with." Tang Xiao Yi suddenly revealed a bitter smile. Everything she had experienced since childhood told her that the world was unfair. Only by becoming strong could she have a say.

"Little love, but this time it's too much ..." "Don't be afraid, I'll always be on your side." Zhang Wei patted his chest and said.

"I'm not afraid." Tang Xiao Ai's bitter smile gradually disappeared as a trace of perseverance and determination appeared in her eyes. She would not be afraid, nor would she give in.
