

## Bossy President & Superstar Girlfriend

C6

To be invited by Shen Mo to eat dinner, this must be something that many girls in the school yearn for even in their dreams, right? But Tang Xiaoyi did not have the joy and excitement that she had expected. Perhaps she was a cold and quiet person or perhaps it was because everything changed after New Year's Day and she did not have the qualifications to pursue true love.

"There's a basketball league match tomorrow. Do you like watching basketball games?" Shen Mo purposely slowed his pace, waiting for the distance between the two of them to close a little before he asked.

He was hinting at an invitation.

However, Tang Xiaoyi did not seem to understand the meaning behind her words. She continued to silently walk on the stage. It was unknown what she was thinking about as she looked at her own shadow.

"Mm ..." You seem to be busy every weekend. " Shen Mo pursed his lips, feeling a little defeated. He had never tried to strike up a conversation with a girl in his entire life.

Every time he was chased, he would get used to their passion as he was surrounded by many girls.

"Yes." Tang Xiao Ai finally said a single word.

"Actually, you can join the school's cheerleading squad. You..." "It's pretty good." Shen Mo continued slowing down, waiting for her to walk shoulder-to-shoulder with him.

From the moment he entered this school, when the freshmen were conducting the demonic military training, many delicate girls had fainted under the

scorching sun. Only she, like a stalk of grass that liked the sunlight, was noticed by Shen Mo as she stood silently at the end.

Then, it was the new student's self-introductions. In this class, her results were first. In her self-introductions, she only said a few words ... Tang Xiao Ai, I'm very happy to be able to study here with you.

The last thing that impressed him was the freshman party, where the counselor demanded that all the students present their contests and that she sit at the piano and play the song, "Canon."

Contrary to the quiet surface, the music gave off a strong and breathtaking aura, and as the person in charge of the choice of tracks, he almost trembled in the music and saw her deeply hidden, implicit beauty.

Unfortunately, because of her part-time job as a dishwasher the next day, she had cut her finger and was unable to play on stage. Now that she had entered her third year and was about to graduate, everyone would go their separate ways to find work at this time next year, so she did not know where she would go.

Shen Mo originally wanted to wait for her to secretly hand him a love letter just like the other girls, or at a corner to block him and confess, but... Tang Xiao Ai didn't seem to even notice his existence.

In her eyes, he might not be as important as a part-time job.

"Mr. Chairman, you have to do your best in tomorrow's basketball game."

Before Tang Xiao Yi could say anything, a few girls surrounded Shen Mo and started chattering.

She immediately took a step back and widened the distance between them. She watched as Shen Mo walked forward under their escort.

Look at how beautiful the girls beside him were, as well as how they dressed up. They were either the school beauty or the school beauty. The beautiful coat they wore was probably even more expensive than the school tuition for the whole semester.

Shen Mo took a few steps to deal with the girls around him. When he turned around, Tang Xiao Yi had already turned around and was walking in the opposite direction.

He couldn't help but smile wryly. This girl seemed so quiet and gentle, but she was so hard to get close to. It was as if she wanted to reject everyone from her world.

Inside the elegant coffee shop, the soft and pleasant sound of the piano slowly overflowed, causing one's entire body to relax.

The girl sitting next to the piano was dressed in clean and ordinary clothes. Her long hair was let loose and her slender fingers danced lightly on the black and white keyboard.

Her expression was serene, her eyes were slightly closed, and there was a trace of intoxication on her white face, as if she was wandering in music.

If he had to find a word to describe her, there was only one word ... Clean, or quiet.

The clean outline, the clean facial features, the clean eyes, the clean temperament, the clean movements.

A peaceful expression, a quiet face, a quiet existence without any aggression, gentle and quiet, like a quietly blooming lotus flower.

Qin Gaoning stirred his coffee as he looked at the girl playing the piano with a smile. He had to admit, Zhong Yuqing was a man with good eyes. He shouldn't have doubted his good friend's taste.

In the photo, Tang Xiao Yi's facial features were only straight, but as she sat by the piano, her entire body emitted a quiet and gentle light. Her eyes were brimming with spirit energy, and if she were to change into a new set of clothes and make a slight impression, she would definitely be a dazzling piece of beautiful jade.

Qin Gaoning wasn't in a hurry to talk to her. He liked the way she played the piano, which allowed him, who was used to living a fast pace, to relax and enjoy the beauty of music and coffee.

Tang Xiao Yi pressed the last note and stood up. She wanted to leave early because she had an appointment with her brother for dinner.

Qin Junning also stood up, preparing to go up and strike up a conversation.

At this time, a person stood up before him and quickly caught up with Tang Xiao Yi. Just as they were about to leave, someone suddenly grabbed her hand.
