

Surprised Wife With Twins (Ivan and Jennifer) Chapter 100

Ivan lifted the covers and got up to get dressed. Jennifer sat up in bed, what? He was not going to answer her questions?

She didn't realize it until he was dressed up and left the room.

"Hey!" Jennifer quickly got up and changed her clothes as well, put on her slippers and chased out.

After looking for a while downstairs, she finally found him in the backyard.

She breathed a sigh of relief when she saw a familiar figure standing by the pool, and she walked towards him.

"What's wrong?" She looked at his face, "You're not angry because of this, are you?"

"Don't ask about Spencer." He sounded brusque, just staring ahead, "And don't try to get to know him. If he approaches you, it must be with no good intentions!"

He was still angry when he thought about what that guy said in front of the company that day.

Jennifer couldn't tell his attitude. Did Ivan hate Spencer, or care about him?

"Is he your illegitimate son?" Jennifer grabbed his shoulder to make him look at her and asked in a serious manner, "Answer me!"

This speculation surprised Ivan. Was this what she'd been having in mind?

"Look me in the eye!" Jennifer put her hand on his shoulder and stared at him, "No lies!" She actually felt a bit sad.

"Who isn't impulsive when they're young?" She gave him an out, "I think it's normal. And sooner or later I'm going to find out, right?"

"No." He finally answered a question and he emphasized, "He's not my illegitimate child, and you're my first woman."

This second sentence... Jennifer hurriedly withdrew her hand, and her heart, strangely, felt warm.

He turned to leave. She quickly snapped back from her own thoughts and ran after him, "Where are you going?"

"Didn't bring my Nutrition Agent," Ivan said as he walked away, "I'm hungry."

"Then you go back to the room first." Her brain was running fast again, "I'll go prepare breakfast!"

Spencer was not Ivan's illegitimate child. Jennifer was elated!

Arkpool City.

Catherine pulled over to the river. She was so sad.

It was as if a breath of air was stuck in her chest and could not be let out, making her hard to breathe! Each gasp was just heart-wrenching.

She unbuckled her seat belt, opened the door and got out of the car.

In an awful mood, she really needed to take a walk by the river and get some fresh air.

She succeeded in being the poster child of "failure in love".

After so many years of trying, she thought she was close to him, but it was just an illusion.

It was hard to believe that she, the glorious Catherine Collins, was defeated by a village girl!

She couldn't bear that when she was so close to Ivan, yet she remained a stranger to him.

Walking, she saw a familiar figure in front.

Spencer came this way with a yellow-haired girl in his arms, who was wearing a corset that showed her belly button and hotpants below, heavy make-up and crazy high heels.

A hot girl in terms of her face and body.

Catherine was not surprised. He changed his women like changing clothes.

"I'm busy these days, so don't bother me." Spencer put his arm around the girl's shoulder, "Wait until I'm done. Don't call me either."

"Aren't you going to Norway to kick some asses in the tournament?" The girl turned to look at him.

"No." Spencer's brow knitted lightly, "I want to kick some real asses now."

"Spencer, who pissed you off?" The girl asked.

Spencer unintentionally looked up and saw Catherine standing not far away. He stopped and let go of the girl, "You go back first. I have something to do."

The girl looked at him and followed his line of sight to the woman not far away.

A tall and slim figure, stylishly dressed, giving people a sense of aloofness.

"Who is she?" The girl asked a bit weakly, but she couldn't hide her jealousy.

Spencer whispered impatiently, "If you don't want to break up, get lost, right now."

The girl gave Catherine a defiant glare before she turned to leave, still looking back from time to time to watch the situation.

Spencer took a step forward and stopped in front of Catherine. His eyes fell on her shoulder, "How's your injury, Catherine?"

"You're in a bad mood?" She saw it at a glance. "What a coincidence. I am also in a bad mood. Let's walk together?"

So, the two walked along the riverbank together.

After a few minutes of silence, Catherine said, "It doesn't hurt now." And she continued, "Ivan was angry that day because you went to Sunshine Village, when Jennifer happened to be there, right?"

"Right." Spencer laughed, "I found his weak spot."
