Surprised Wife With Twins (Ivan and Jennifer) Chapter 110

In the car, Ivan said to the driver, "Go home." Then he pulled down the sound barrier.

The space in the car was relatively limited. Jennifer sat next to Ivan. They could hear each other's breathing, and they all had mixed feelings for each other.

Jennifer was angry. She could guess what would happen between Ivan and Catherine in the office if she hadn't come tonight!

Ivan actually had a chamber in his office!

And there was even a bed!

On the other hand, Ivan was still mad at Jennifer's eating with Spencer!

Both of them were angry at each other, so they kept silent all the way home.

After getting out of the car, Jennifer strode toward the living room.

Ivan stood in the courtyard for a moment and then walked in.

"Mrs. Marsh…" Before Jordan could finish his words, Jennifer went upstairs.

Not long after, Ivan walked in.

"Mr. Marsh…"

Ivan sped up and went upstairs without looking back.

Jordan was confused.

He wondered whether they had a fight.

Jennifer went into the children's room and locked it from the inside.

"Mommy?" Alfie and Diana were stunned. They looked at her again after facing each other. "What's wrong with you?"

Jennifer smiled. "Nothing. I want to sleep with you tonight." Then she walked towards the round bed and lifted the covers. "Can I sleep here tonight?"

The room fell silent.

The children looked at each other and could guess what had happened.

Alfie rushed to the window and saw Ivan's car in the yard!

Thus, Alfie knew Ivan was back too!

"Did you and Daddy have a fight?" Diana was suspicious.

Jennifer smiled and shook her head. "No, I just miss you."

Alfie and Diana looked at each other again and did not say anything more.

Ivan returned to the master bedroom. He opened the door but did not see Jennifer. He stood in the doorway and froze for a moment.

Suddenly, Marry passed behind him.

Ivan turned his eyes and asked, "Marry, where is Jennifer?"

"Mr. Marsh, Mrs. Marsh was in the children's room. She may sleep there tonight."

Ivan went into the master bedroom with an indifferent look. He closed the door, took a shower, and then went to bed! Ivan didn't expect Jennifer to sleep with him tonight.

The living room was brightly lit, but it was silent.

Marry came down from upstairs, walked up to Jordan, and whispered, "Mrs. Marsh is sleeping in the children's room. Did you tell Mr. Marsh about the cake?"

"Not yet." Jordan let out a sigh. "They both look in a bad mood, so they should have a quarrel."

"I see!" Marry also sighed.

The next morning, Jennifer woke up early. She washed up, went to the checkroom, and deliberately dressed herself in beautiful and comfortable clothes.

"Mrs. Marsh, where are you going?"

In the living room, Jordan saw Jennifer's bag and asked kindly, "You haven't eaten your breakfast."

"I have an appointment with a friend today." Jennifer's tone was relaxed and happy as if nothing had happened. "I'll be back in the evening."

Jordan wanted to keep her, but he couldn't make up a reason.

Upstairs in front of the master bedroom window, Ivan stood with his arms folded and gloomily watched Jennifer get into the car. The car quickly drove away.

Due to Jennifer's absence, Ivan was awake all night!

It was the first time that Mya received an unsolicited call from Jennifer, so Mya was very excited!

To get Jennifer a good time, Mya even asked a bunch of her friends to join them!

Mya thought Jennifer was an adorable girl! Thus, Mya liked Jennifer immensely.

When Jordan recovered, Ivan was coming down the stairs.

"Good morning, Mr. Marsh."

Ivan, with pursed lips and a cold face, was obviously in a bad mood, which was contrasted by Jennifer's good mood.

But Jordan still told Ivan about what happened yesterday afternoon.

"Mr. Marsh, Mrs. Marsh made a cake for you yesterday afternoon. She carefully selected the ingredients and spent four hours in the kitchen. She waited for you for a few more hours. However, you did not come down. She was so depressed that she did not even eat anything…"
