

Surprised Wife With Twins (Ivan and Jennifer) novel

Chapter 15

Ivan was exuding aloofness and indifference. Only when he looked at the woman beside him did he reveal some tenderness in his eyes.

Not far away, Catherine, who was dressing in a mature style, saw this scene and felt very uncomfortable.

Being forced to get married made him make such a big joke?

The shutters kept clicking and flashlight snapping non-stop, as the reporters took pictures from all angles. It was the first time that Ivan did not hate being photographed.

The guests were also attracted by them. Everyone whispered and some got envied.

Until Mya, the protagonist of the banquet, protested, "Enough! No more shooting for them! I am the protagonist of today!"

Only then did the reporters turn around to photograph her, after all, they took their money!

"Mya, your necklace is really beautiful, is it custom-made?" A noble lady with good taste asked with a smile.

Someone added, "I seem to have seen this necklace at the Milan jewelry fair. It seems to be... the latest masterpiece of Emma? It is not something that money can buy easily."

Mya smiled and looked at Jennifer with a proud face.

While Jennifer retracted her gaze on purpose, she turned to Ivan and said, "Let's go. Don't steal her limelight here."

In fact, Ivan has a doubt, how could a woman who has been helping the poor in the village for a long time know the mayor's daughter?

And it looks like they had a good relationship.

Mya saved the guests from curiosity, "Yes, it is Emma's design. The new trend is low-key luxury, and the style is relatively simple but elegant. I didn't expect you to like it too."

Stepping forward, Jennifer accidentally saw a tall and elegant middle-aged man not far away. The familiar outline shocked her slightly.

21 years without seeing each other...

But he was still the same as she remembered, except for the deepened wrinkles on his face.

Jennifer watched him blankly. He clinked glasses, chatted, and laughed with friends. She watched him slightly raised his head and drank the wine in the glass.

He seems to be in good physical condition.

This man touched the softest part of her heart, causing her to lose her mind for a moment.

Ivan followed her sight and found that her attention were attracted by Zack Clarke.

They have some collaborations, so he knew this man.

Do they know each other too?

Jennifer saw the popular star Georgia Clarke hand the wine glass to Zack, and smiled and held his arm, to accompany him to toast with the elders.

That well-behaved look seemed to show that she was the most sensible daughter of the Hussain family.

For some reason, Jennifer felt a sting in her heart and there was a trace of loneliness and hatred in her eyes.

“Mr. Marsh, may I ask what is your relationship with this young lady?” A reporter suddenly appeared, “Is it convenient for you to disclose your relationship status?”

Ivan didn't resist answering at all, “I have been married secretly for seven years and have two six-year-old children. And this is my wife.”

Jennifer came back to his senses and saw the seriousness in his eyes, like a responsible man.

Ivan gently dropped a light kiss on her forehead, which made her heart skip a beat, and broke the hearts of countless celebrities.

It turns out that the most sanctimonious wealthy bachelor has already been married!

Even the kids are big!

Catherine was the last to accept it. Thinking of his attitude on the phone, she hid away and did not embarrass herself in front of everyone, but she drank a lot.

Mya walked over happily, "Ha, Jennifer, you rejected my invitation but you come with your husband today. Have you thought about my feelings?" She also heard the interview just now.

"Just shut up." Jennifer didn't want to argue with her, "You've been pestering me for half a year. Can't I hide away from you?"

"Okay, okay, anything you say as long as you don't leave me!"

Their relationship made Ivan more confused.

The Marsh Group has been focusing on the jewelry industry recently, and Ivan saw at a glance that Mya was wearing a custom necklace made by Emma.

He wanted to collaborate with Emma but she was hard to find.

"You know Emma?" The man's thin lips parted lightly.

"No." Jennifer quickly replied.

"I didn't ask you." Ivan glanced at her, then looked at Mya, waiting for an answer.

Mya smiled, "I don't quite understand your meaning. What's wrong with Emma?"

He thought for a while and said, "Never mind." It's not appropriate to talk about work on this occasion.

Mya quickly took Jennifer's hand, "Let's go, I'll take you to the best cake ever!"

Although Jennifer was pulled away, Ivan still heard the whisper between them.

"Thank you for giving me the necklace. The design is very beautiful. I really like it!"

A replica?

This was the first thought that popped out of his mind. This necklace was made by her?
