

Surprised Wife With Twins (Ivan and Jennifer) Chapter 169

Another maid said, "Yes, Mr. Marsh is going to put the ring that represents eternity on your finger at the dinner party tonight. So, Miss Collins, you should choose a gown that you like. From today on, Miss Edison would officially become a jewelry designer.

Catharine's eyes lit up. Was this the help that Mr. Edison had offered her on the phone?

"Moreover, the ring you're going to promote will be auctioned tonight. Mr. Edison is going to pay you a large sum for it."

All of a sudden Catherine was thrilled.

"Miss Collins, stop standing there, choose a gown and your makeup now. There will be a lot of celebrities here. You have to match your gown with your makeup and hair style. You'll be the most glamorous woman at the dinner party tonight, second only to Miss Edison!"

"Okay, I'll do it right away!" It had been a long time since Catherine was this happy.

In the east wing of the manor, there was a huge living room.

Ivan was the most distinguished guest here today. There were guards waiting outside while Ivan and Mr. Edison were talking in the room.

There was the fragrance of tea in the air.

Mr. Edison was sitting in a customized wheelchair that worth 50 million dollars. He was dressed neatly. And there was a blue blanket on his laps.

Although he was already in his fifties, he looked young.

He placed an exquisite purple box on the table. "Mr. Marsh, check on this."

Ivan took the box, opened it and saw an ingeniously-designed diamond ring in it.

It was beautiful.

He looked at the ring carefully. The diamond on it was in the shape of a heart, looking vivid. Women would surely love the design of it.

"What do you think?" Mr. Edison was looking forward to his comments. "My daughter designed it herself."

The ring was designed by an eighteen-year-old girl? Ivan was caught by surprise.

He carefully took the ring out of the box.

There were ten little diamonds around the big one, like a man was holding the woman he loved in his arms. It looked beautiful, but not grandiose at all.

Although it was simple in its idea, it would be popular among women.

"This is the only one, isn't it?" Ivan guessed.

"It is now," Mr. Edison smiled gently and explained, "It's my daughter's first design work. She wants to start her own brand of customized wedding rings. Every adult man can only have one of her designs in his life."

"It is a great idea and the design of the ring is perfect," as a professional, Ivan gave his comment. "She's young and she has something she wants to do in her life, as a father, you should support her."

Mr. Edison was happy to hear that.

"I was wondering if you can help promote the ring to everyone tonight, I'm thinking of shooting a promotion video," Mr. Edison spoke out his idea. "There are all media here tonight, you can put the ring on Catherine's hand and propose to her. Everyone thinks you two are a perfect match, I know that you are married already, but this is just a promotion. It's not real. I just want the audience to love the ring."

"I can promote it," Ivan picked up his cup of tea and took a sip.

"Thank you, Mr. Marsh!" Mr. Edison was excited to hear than.

Putting down the cup, Ivan looked at him calmly, "But I can't induce any misunderstanding. As a husband, I don't want my wife to be bothered by the rumors."

"I'm sure Mrs. Marsh will understand. It would just be a promotion." Mr. Edison was an open-minded man. "You two have had children already, I'm sure it won't affect your relationship." He didn't think it was a big deal.

"It's not that she wouldn't understand," Ivan explained, "I myself don't want to do it. It has nothing to do with her."

The smile on Mr. Edison's face froze.

"I can help promote the ring and make the promotion video," Ivan said in a gentle voice, "But not now. Not tonight. I'll come again with my wife later and we can shoot the promotion video for you. Is that okay?"

Mr. Edison had nothing to say. Since Ivan had said so, he couldn't say anything more.

Ivan smiled and looked sincere. "I love her and I don't want to cause any rumors. I hope you could understand."

Mr. Edison was shocked that Ivan was so faithful to his wife.
