

Surprised Wife With Twins (Ivan and Jennifer) Chapter 244

It wasn't until Spencer stood by the couch, the shadow falling down, that Jennifer noticed him.

She quickly put away the phone, but he still saw the words in the search bar.

Spencer was not angry. He sat down beside her and put his arm around her shoulder.

Her body stiffened. She jerked her head to look at him!

Their eyes met. Spencer crossed his legs, his jawline tensed, and the fingers gripping her shoulders couldn't help but tighten, "If you want to know his situation, why don't you just ask me?"

Ask him?

Didn't he say that he didn't want to hear half a word about Ivan in this villa?

How could she ask? She would break her promise if she did.

Spencer should be in a good mood today as he seemed to be smiling all the time. "Please me, and I'll tell you about him."

Jennifer twitched her lips, kind of speechless. "Are you dreaming? I suppose you came to the wrong person?"

He said, "I won't force you to do what you don't want to do, but I'd love to see you take a fancy to me."

"I mean that since you promised to be my woman, you can't be so cold to me and can't just ignore me." Spencer raised an eyebrow. "We are going to show up together in public later, so you'll have to get used to our relationship."

Jennifer suddenly understood something, "He's out of danger? He is alive, right?" Did he want to show up with her to irritate Ivan?

Spencer admired her expression. "You're too nervous." He pinched her hair around her ear with his fingers. "How smart you are! No wonder he loves you so much that he would even die for you."

"You know I can actually check the news myself. But I kept my promise so I stopped contacting him." Jennifer looked up at him.

"Just tell me directly, how is he?" Jennifer asked very directly.

Spencer also didn't want to hide from her anymore. "You're a good dealer. Ivan is blessed. The reaper didn't take him. After 36 hours of all-out rescue, he is out of danger."

Jennifer's heart had been clenched for half a month. Now, it finally relaxed a little.

She felt alive too.

Spencer continued, "But he hasn't woken up yet, he's alive, but he might fall into a vegetative state. Maybe something will happen after he wakes up. We don't know. Rowan is still in New York."

Ivan was also still in New York...

Spencer handed her his phone, "You can give Rowan a call."

Jennifer turned to look at them.

Their eyes met again.

She didn't think he was joking, so she reached for the phone.

Spencer got up and left, and closed the door.

Jennifer called Rowan, holding her breath.
