

Surprised Wife With Twins (Ivan and Jennifer) Chapter 278

Mya, wearing a hip-hop outfit and a cap, walked past the door.

Catherine looked after Mya and remembered what happened in the restaurant, eyes burning with hatred.

The next second, Catherine saw four men playing poker under a tree not far away. They all had a cigarette in their mouths and the scars on their face showed that they should be punks.

"Here's some money for you guys, and I need you to do me a favor." Catherine walked beside the punks and spoke. "I want you to beat up that girl, but don't get her killed."

Looking at the money in Catherine's hand, one of the men reached out and took it. "The one with the cap?"

"Yes." Catherine stared coldly at May. Afraid that the man took the money but did nothing, she added, "You should take a picture as proof. And you'll get more money tomorrow afternoon at three o'clock here."

"Got it!"

These men threw their cards and went after Mya.

It was downtown with many people here, so they have to follow Mya and wait for a chance to beat her.

"I'll take pictures later, and you guys do it."

"Okay."

They picked up the pace.

Soon, Aubree got down from her car and walked into the bridal shop accompanied by Pippa. "Hello, Miss Collins." Even if Pippa didn't like Catherine, she forced a smile.

Catherine was in a good mood. She took Aubree's arm. "Auntie Aubree, I'm so sorry for asking you here."

"I've wanted to be here for a long time, but it took so long for the wedding dress to be done." Aubree smiled happily. "By the way, I've called Ivan and told him about it. I'm sorry he was busy with his work."

"It's okay. I'm happy enough to have you here." Catherine held Aubree's arm and said, "I'm so pleased and I really hope to be your daughter-in-law soon."

"So do I." Aubree took out an envelope full of money from her handbag. "This is for you, and you can buy whatever you want with it."

"My goodness!" Catherine was over the moon. She did not feel embarrassed at all.

“Just take it!” Aubree held the envelope to Catherine and said, “You are the vice president, and I’ll ask Ivan to transfer half of the shares to you once you get married.”

Seriously?

Catherine was a little overwhelmed. It was a big gift that she had never thought about it.

Pippa, hearing this, was stunned!

Pippa got upset as she watched Catherine talk happily with Aubree.

“Auntie, I don’t want the shares, and I’m not interested at all.” Catherine said sincerely, “I’m satisfied enough to be Ivan’s wife. Don’t worry, I’ll do my part for the company.”

Mya stopped at a lily shop. She was told that Jennifer might come to buy flowers this afternoon.

Therefore, Mya thought she might be able to see Jennifer.

Suddenly, Mya was hit from behind and stumbled forward. After she steadied herself, a punk punched her!

Mya instinctively leaned back and narrowly avoided the punch!

Immediately after, four punks punched at her!

Mya backed up and shouted, “What are you doing? I have no quarrel with you! You got the wrong guy, okay?”

“We’re paid to teach you a lesson.” A punk said, “So we are not mistaken.”

Three punks continued to punch and kick Mya! The other man kept photographing.

As a trained hip-hop dancer, Mya was physically fit, but she was not good at fighting. After all, as the daughter of the mayor, she was always protected by bodyguards.

Mya hid in the corner with her head in her hands. She couldn’t do anything.

At this point, Jennifer appeared and was irritated by what she saw.

Jennifer instinctively stepped forward and grabbed a punk’s wrist. The next second, she turned and struck him in the back with her elbow, knocking the man straight down to the ground!

Very quickly, these men were knocked over!

Mya looked up in alarm. “Jennie?”
