

## Surprised Wife With Twins (Ivan and Jennifer) Chapter 280

Ivan's phone rang. He took it out and saw it was a picture from Aubree.

In the picture, Catherine was dressed in a great wedding dress, with a happy smile on her face.

Ivan sneered and ignored the picture.

He played the last voice message from Aubree.

"Ivan, Catherine is so beautiful today! Will you want to come over when you're done? You have such good taste, so you give us some advice on the wedding dress."

After that, Ivan put the phone into his pocket without replying. He wasn't going to the bridal shop.

He stared at that alleyway and thought Jennifer was really good at fighting.

In the cafe...

"Jennifer, the security camera at the entrance of the bridal shop can prove that Catherine had hired the punks. I'll get my people to beat her up. If she is covered in bruises, she won't be able to show up at her wedding!"

Jennifer was amused. "Can't agree more. She should pay for what she did."

"You are right!" Mya took a sip of coffee. "I'll show her no mercy."

"By the way, Jennifer, I do think it's a pity for you and Ivan." Mya asked, "He cares about you, and so do you. His amnesia is not a big deal."

"I may still love him, but I can't do anything now." Jennifer forced a smile. "We're done."

About ten minutes passed.

Ivan saw Jennifer walk out of the alley and get into a car.

He followed the car in a distance.

Finally, Ivan arrived outside a seaside villa. After the car drove into the villa, Ivan took a picture of the villa and sent it to Finnley. "I want to know who this villa belonged to."

The media quickly reported Catherine's wedding dress.

"Catherine tried on wedding dresses with her mother-in-law. She was really stunning."

"They got along very well with each other..."

Ivan was in his office. With a glance at the newspaper, he threw it into the trash can. "I don't want to see this kind of thing anymore."

Then he took out a photo from the drawer and handed it to Finnley. "Investigate this man for me!"

Finnley took the photo and saw it was Spencer.

After a moment of silence, he said, "You used to be very familiar with him."

Ivan looked up at Finnley with a frown.

Then, Finnley told everything he knew to Ivan.

"He is my half-brother?" Ivan sat in his office chair, grabbed the photo, and stared coldly at Spencer.

Finnley added, "You have always cared for him, but you never show it to him, so he has no idea what you have done for him."

"He liked Jennifer." Ivan asked in a low and annoyed voice, "Right?"

"He was always popular among women, but I am not sure what the relationship is between him and Miss Brooks." Finnley said, "I think it might be a provocation, and what I can confirm is that Miss Brooks is emotionally attached to you."

"Her departure was due to Mrs. Marsh's interference, not Spencer's."

"She was probably trying not to break the bond between you and Mrs. Marsh." Finnley added, "When you found out she went to New York, you went to look for her, and then had a car accident."

"I went to look for her, but she left with Spencer, right?" Ivan's eyes were burning with rage.

Finnley said, "Maybe there's a misunderstanding."

After a moment of silence, Finnley asked, "Mr. Marsh, the villa belongs to Spencer. Why do you want to investigate it?"
