

Surprised Wife With Twins (Ivan and Jennifer) Chapter 282

Jennifer was in Spencer's seaside villa, which was well decorated.

The spacious dining room boasted a remarkable crystal chandelier and ten leather dining chairs.

At the long table, Spencer and Jennifer sat across table.

The dishes before them were sumptuous, and the lilies behind them were fragrant and beautiful.

"My people have found out that the children are in Emerald Bay." Spencer said, "They were guarded by seven bodyguards, and I will bring fifty people over to snatch them tomorrow."

Jennifer looked up at Spencer.

Instead, Spencer continued, "I'll arrange for a private plane. You can wait on it. When the children arrive, you can go wherever you want."

Jennifer lowered her eyes and felt as though the bottom had dropped out of his stomach.

"Don't tell me you don't want to leave." Spencer was slightly stunned.

"No." Jennifer felt a little sorry for him. "You did so many things for me, and I'm afraid you will be compromised."

"I'm willing to do anything for you. Don't worry. Whatever happens, has nothing to do with you." Spencer said, "And it should be a good thing for Ivan."

He analyzed, "He's getting married, and he'll definitely have children with Catherine. Although he is rich, it is exhausting to raise so many children, not to mention his memory loss. He may not have any feelings for Alfie and Diana, so he probably hopes you can take them away."

"Besides, he hasn't done anything for them these years." Spencer added, "Sometimes you think too much of it. He may not attach so much importance to the children."

Hearing this, Jennifer thought it made sense.

"You can pack your baggage and see what you need to take with you." Spencer said, "We may not come back."

"Spencer, thank you."

"You're welcome. You can take me as your friend."

At Emerald Bay.

After dinner, Alfie led Diana into their bedroom and deliberately locked the door from inside.

"I got an idea to make Mommy show up." Alfie sat down on the round bed.

Diana got into the tree hole. "What is it? Tell me!"

"We need a kidnapping." Alfie said, "I'll spread the news that we are both kidnapped. The kidnapers will require that our parents should bring five million in person. Knowing that, Mommy will definitely show up."

Diana was shocked by Alfie's idea. "Do we have to make such a fuss? We could be the headlines!?"

"It's the only way to attract Mommy's attention. We must make it big!" Alfie added, "It'd be even better if it can overshadow the wedding! Catherine is dancing around on the news every day."

"Okay, so when should we do it?"

"I'll write the copy tonight and post it next morning. We'll hide somewhere in Emerald Bay so that they can't find us."

Diana was also looking forward to this. She likes playing hide-and-seek!

Children always liked to have fun.

At night, Ivan was working in study.

He turned on the laptop and received a video call from Catherine. However, Ivan ignored it.

Catherine did not dare to make a second call.

Now that Ivan refused to answer her call, she didn't want to annoy him.

Many women were crazy about Ivan whereas he liked nobody but Jennifer.

He turned off his laptop and rummaged through the bookshelves for an economic book.

He couldn't remember where he had put it, but he was sure that he had bought it.

Suddenly, he saw a palm-sized object.

When he picked it up, he found it was a photo album.

As Ivan turned to the first page, he saw a photo he had taken with Jennifer.

Jennifer's smile looked warm and pure.
