

## Surprised Wife With Twins (Ivan and Jennifer) Chapter 286

"Alfie, Diana." Jennifer took Alfie and Diana's hands. "Come with me."

"Speak here!" Aubree looked at her coldly. "Don't be sneaky!" Then Aubree reached out and stopped Jennifer from leaving.

Ivan looked cold, thinking that Jennifer looked so pretty, but she was a liar.

How did he fall in love with her before the car accident?

After the car accident, why couldn't he let go of her?

Jennifer crouched down in front of Alfie and Diana, holding Alfie and Diana's shoulders. "I know you want me to stay because you think your dad and I could get back together."

Alfie and Diana stared at her blankly

Jennifer shook her head tearfully. "Actually, we won't."

Alfie and Diana were sad, which could be told from their eyes.

"So, are you going to leave me?" Jennifer again sent out the invitation, "Just like before, the three of us will live happily. Daddy will have a new family and new children in the future, but I won't. I promise."

"How can you be sure I'll have other children?" Ivan finally couldn't bear it anymore. He turned to look at her. "This marriage is not necessarily settled!"

Aubree's expression went dull. "What did you say?"

"I said this marriage is not settled." Ivan stood up and looked condescendingly at Jennifer. "Alfie and Diana are not leaving with you. You can visit them every week, call me before you come. And you don't need to pay for their living expenses."

After saying that, he walked away, feeling awful.

"Ivan!" Aubree chased a few steps and stopped.

Jennifer was a little frustrated. Ivan said she couldn't take the children away, and he meant it.

Ivan had nearly a hundred guards in the yard. And all of them were carrying guns.

Jennifer held Alfie and Diana. She can't take them away for the time being...

"I'm sorry, Alfie, Diana... I am sorry."

"Mommy, don't cry, we'll be fine."

"Although Daddy doesn't remember us, Daddy is very good to us."

Aubree rolled her eyes and stared at Jennifer viciously, her eyes full of disgust.

“Stop pestering Ivan! You liar! You promised to leave but you just won’t!”

“What can you get even if he is not getting married? Do you think you can marry him? You are dreaming!”

Aubree had recently been immersed in the joy of having Catherine as her daughter-in-law. So, she hated to see Jennifer come back.

“Who is the one pestering here?” Spencer sneered, “Your son is annoyed by you. Who do you think you are?”

“Shut up!” Aubree hated him equally. “This is within the Marsh family, who are you to speak here?”

Spencer frowned darkly at her gaze. He didn’t want to argue.

Jennifer, Alfie, and Diana hugged each other after a brief conversation.

“Mommy, we made spaghetti Bolognese for Daddy, and he ate it...”

“Mommy, Daddy actually loves you a lot, but he can’t remember, he watches the photo album in secret and then loses sleep all night.”

“Mommy... I don’t want you and daddy to be separated.”

Jennifer’s heart ached. She promised Spencer that as long as he donated blood to save Ivan, she would stop contacting Ivan and be his girlfriend

She comforted Alfie and Diana, “Well, I will come to see you.”

Spencer was also in a bad mood. He couldn’t understand why Ivan refused to marry Catherine. Did he want to marry Jennifer?

“Don’t think about it. Do you want to be hurt by the same person twice?” Spencer said bluntly. “You are looking for trouble.”

“He didn’t hurt me.” Jennifer explains, “I hurt him.”

Spencer saw the guilt and love in her eyes

Back at the villa, Jennifer shut herself in her room, trying to digest the emotions.

Ivan came to the company. Along the way, Aubree called him many times. He turned off his phone.

As he stepped out of the elevator, he bumped into Catherine in the hallway
