

Surprised Wife With Twins (Ivan and Jennifer) Chapter 291

Tammy noticed the flower on the table. "Shall I put it in a vase?"

"Yeah, thank you," Jennifer said.

Did she agree?

Tammy was happy too. "No problem." She immediately left with the flower.

She thought that Spencer must be happy if he saw the flower in the vase, and she would tell him that it was Ms. Brooks who put it there.

The tension between the two will definitely ease up a lot then.

After another half hour or so... The phone rang.

Jennifer was stunned after seeing the number. She quickly connected.

Alfie's voice came over. "Mommy! You have visitation right every week, tomorrow is Saturday, and there are only two days left in this week, so are you coming tomorrow or the day after tomorrow?"

The little guy's voice was full of anticipation!

Jennifer felt incomparably warm hearing Alfie's voice. "Miss me?"

"Definitely!" Alfie confessed. "Very Much! Don't bring gifts. Just come here. When are you coming?"

Jennifer thought about it. "Tomorrow?"

"Good! Would you like to come over for breakfast tomorrow?" Alfie smiled and said, "So we can stay together a little longer!"

"Okay!" She felt sorry for Alfie and Diana

"Okay, Mommy. I won't disturb you for now then.!" Alfie happily hung up the phone.

Holding the phone, Jennifer gradually lost in her thought.

In the Nordic-style living room of Emerald Bay.

Ivan sat on the couch opposite Alfie and Diana. When he was with Alfie and Diana, he always became softer.

Alfie made the call himself. Ivan was at the side listening.

"Daddy!" Alfie stood on the couch, his dark eyes sparking as if they could talk. "Tomorrow, let's take a family photo, shall we? We have never taken photos together!"

At this time, Diana said in her soft voice, "Yes, there is a photo wall at school. We must hand in a family photo next Monday."

"The teachers have sent it to the parent groups, didn't you see?" Alfie was afraid Ivan would refuse.

Ivan smiled, "I saw it."

"Then let's do it! Tomorrow Mommy will come. Let's complete the tasks assigned by the teacher!" The little guys were very good at shirking responsibility. With the teacher's words as an excuse, even Jennifer couldn't say no.

Ivan wasn't resistant to this idea in his heart.

"Daddy, there is a very good studio near here, the teacher said that the students of the previous class took the photos there. We can get a discount if we tell them which class we are at."

"Yea, we should go to the studio. After all, people are professional there. This is the first time that we take a family photo. We must take a good one!" Diana also said, "Let's go to the studio!"

In fact, Ivan had seen through what Alfie and Diana were thinking.

They had obviously planned it.

Ivan didn't refuse because he had mixed feelings about Jennifer.

Sometimes he was mad at himself. He lost his memory but he still had feelings for Jennifer, as if it was deeply rooted in his bones.

Thinking that Jennifer was with Spencer and she had left him outside the rescue room, Ivan, who had been proud, was hurt and angry.

No other woman in this world would do this to him.

"Daddy! We're going to cook pasta with meat sauce for you!" Alfie was so happy that he quickly put on his shoes

"I'll join you." Ivan also got up.

Then he took the children's hands and walked toward the kitchen.

Mr. Marsh cooked?

Jordan and Marry were shocked. Since Alfie and Diana moved in, Ivan had changed a lot.

At Night.

In the noisy bar, Spencer was sitting alone with a dedicated bartender making cocktails for him.

He had already had five cups.
