Surprised Wife With Twins (Ivan and Jennifer) Chapter 314

Standing near, Pippa stopped with a plate of fruits in her hands and disdainfully stared at Catherine, who was kneeling down on the ground.

Why was she so annoying?

She couldn't wait any longer?

"Aubree, I'm begging you!" Catherine looked up, her hair slipping to the sides, revealing her swollen cheek.

"What happened to your face?" Aubree was shocked, bent over and wanted to look at it carefully.

Catherine widened her eyes and covered her face with her hands in a fluster. "There was a small accident." She was having a breakdown and she couldn't keep herself together anymore. "Aubree, just hold wedding earlier. I can't wait anymore!"

When it came to Ivan and Jennifer, she couldn't calm down at all and would turn into a lunatic. Moreover, she couldn't control it. Even Catherine hated herself like this.

Aubree helped her up. "Why hold wedding earlier? What happened? Tell me."

"I saw with my own eyes that Jennifer was seducing Ivan." Catherine stood up with hatred in her eyes. "She forced Ivan and the kids into taking family photos with her. It has been on the news."

Aubree was in shock. She hadn't checked today's news yet.

When she took out her phone and saw the news, the look on her face changed.

It had made headlines.

Moreover, the netizens were commenting ill words that she couldn't even read them.

Catherine accused. "You don't know, Aubree. she passed out in Ivan's arms deliberately and forced Ivan to send her to the hospital. She woke up as soon as they arrived and she humiliated me outside the ward like a shrew! She had plotted to let Ivan slap me in the face!"

"Really?" Aubree was pissed off.

However, Pippa didn't believe it at all. She thought Aubree trusted Catherine was because she didn't like Jennifer and she was in favor of Catherine. She had lost her judgment.

How could she just listen to only one side of the story?

There must be a reason that Jennifer humiliated Catherine.

She walked over, put the plate of fruit down the table with a loud sound and greeted Catherine. "Ms. Collins."

Catherine was in no mood to talk to her. She didn't even look at Pippa.

She held Aubree's hand, "Aubree, can we just hold wedding in advance? Anyway, it's going to happen. I don't want anything to ruin the wedding. Jennifer is such a scheming woman!"

"Okay!" Aubree didn't want Jennifer to ruin the wedding as well and she hated her more. "I will find another lucky date."

Pippa was stunned upon hearing this.

"It'll be held in a week," Aubree said, "If Jennifer keeps seducing Ivan after your marriage, she would be disgraced by herself."

Since Aubree had agreed, Catherine breathed a sigh of relief and felt much better.

Pippa glared at Catherine and scolded in her heart, "Did she even know who should feel disgraced?"

On the beach.

The sea breeze came in through the window and blew past their ears. They could see the sun, the beach, the trees and the ships on the sea.

In the Lamborghini, Ivan sat in the driver's seat while Jennifer sat in the passenger seat.

Ivan didn't regain his memory, he had just seen the surveillance video, which had cause him a great shock.

"I won't marry her," he said in a hoarse voice, "Although I don't remember the past between us anymore, you are special to me. I want to get close to you, to know you again."

Hearing his words, Jennifer didn't know how she should feel.

She didn't know how to answer, so she fell silent.

She had promised Aubree and Spencer.

"Will you give me a chance?" Ivan asked her, "Don't go back to him. Stay with me and we can start over."

"How are you going to handle everything?" Jennifer looked over at him and asked, "Everyone knows you are getting married with Catherine Collins. They are all waiting to see your wedding!"

"I don't care!" Ivan held her hand tightly and said, "Why did you leave? Did my mom force you to leave me?"

"No." Jennifer was still sane, she withdrew her hand from his. "I don't love you anymore. I am tired and done."

She didn't want to make things worse than it already was.
