

## **Surprised Wife With Twins (Ivan and Jennifer) Chapter 339**

He kissed her repeatedly with deep affection.

Memories came to his mind like a movie.

Promised the children to go to the playground with her. Their first date.

The first time he ate cotton candy...

He took her to the police station and saw Spencer for the first time

She took out design works to help him survive the crisis but didn't ask for anything in return. She worked tirelessly to heal Aubree's burns and his stomach...

He crushed the stomach medicine...

Endorsing for Mr. Edison's daughter in New York...

Taking her out for a night walk in the city, visiting the night market, taking pictures...

She left the letter without saying goodbye, he went crazy looking for it and left everything in the company to New York just to get her back...

Through the monitoring, he finally saw her and saw hope.

At the moment when she crossed the road and was about to get into the car, he rushed into the traffic despite the danger, just to keep her and prevent her from disappearing from sight again

Even the moment of the car accident, he remembered.

The harsh sound of braking, a sudden white light, and a violent impact.

He fell in blood and muttered her name in despair... wishing she could stay.

Ivan remembered everything.

He no longer felt empty.

He held the back of her head and kissed her even deeper in the night wind.

Jennifer felt that her lips were about to be numbed by his kiss. And she was getting dizzy.

The kiss lasted ten minutes...

The phone rang, Jennifer forcibly pushed him away, "Answer the phone first." She blushed and finally caught her breath.

Ivan looked deeply at her. The phone was still ringing.

"Pick it up." Jennifer reminded.

He took out his phone and looked at it, it was from Aubree.

Ivan did not hesitate this time, in front of Jennifer, he answered the call.

"Ivan, if the wedding is not held as scheduled, you will never see me in your life." Aubree's threatening voice came over, "The doctor said I'm going to die if I don't take the drug."

Ivan's memory was restored, and he was confused even more.

He put one hand in his pocket and said in a gentle voice, "You can rest assured, the wedding will be held as scheduled, and I'll go to the venue tomorrow to see if there is anything that needs to be changed."

Hearing this, Aubree was first shocked, and then relieved.

"Take good care of yourself." Ivan smiled meaningfully. "We wouldn't want to miss your blessing."

"I'm so pleased to hear that." Aubree breathed a sigh of relief, and she smiled happily, "I am so happy that you understand. I wish you the best."

Ivan hung up the phone first. Holding the phone, his smile turned cold.

Jennifer felt a little uneasy upon seeing Ivan's expression.

Ivan looked at her gently. "Don't worry about anything. Just stay by my side. I have good news for you."

"What's the good news?" There was a little uneasiness in her heart.

He took her hand, "Don't be so nervous. I won't do anything to them."

"What's the good news then?"

"My memory is back!" Ivan said, "I remember everything."

Jennifer was taken by surprise, and after a few seconds, a bright smile bloomed on her face, "Great!".

She reached out to Ivan's neck and hugged him!

At this time, Jennifer felt very close to Ivan. The distance between them was gone.
