

Surprised Wife With Twins (Ivan and Jennifer) Chapter 340

Ivan picked her up and circled a few times. The bright moonlight poured down and wrapped them up. laughter came from the rooftop.

Hearing the laughter, Marry, who was at the door of the living room, looked at Jordan with joy, Jordan also smiled. Everyone was happy.

In a hospital ward.

Aubree was also very happy, she put the phone away, took Catherine's hand, smiled, and said to her, "Do you know what Ivan just told me?"

Must be good news!

Catherine couldn't wait, "What did he say?"

"He asked us to rest assured and told me the wedding will take place as scheduled!" Aubree's happiness was beyond words. Her face was full of joy, "He will check the wedding venue tomorrow. He understands, and he cares now."

Catherine was so happy that she couldn't speak.

"He also said that he wants my blessing," Aubree added with a smile.

"Did he really say that?" Catherine couldn't believe it. He was willing to marry her!

"Of course!" The smile on Aubree's face was enough to confirm all this. "I was surprised too."

They were finally relieved.

Catherine's tense nerves relaxed a lot, "Great, he finally accepts me. I am to be his wife and stay with him forever! Mom, I'll promise I'll take good care of him."

"So, Catherine, no need to come to the hospital these two days. I'll get discharged now!" Aubree lifted the quilt and said in a good mood, "Take some rest and get ready to be the bride! The wedding would be a tiring occasion. When you guys get back to the bedroom, it should be close to morning."

Catherine, who hadn't even kissed anyone, felt shy hearing the word bedroom.

Although she was tough, yet still a girl.

At night, on the lovingly furnished romantic rooftop of Emerald Bay.

Ivan and Jennifer sat in the chair, enjoying the snacks and the red wine while chatting.

She asked him a lot of questions, and he answered them one by one.

"You passed! You remember everything." Jennifer held her glass and asked seriously, "Are you sure you want to marry me?"

“Silly girl, don’t ask this question again!” Ivan took a sip of red wine, feeling great. “I remember everything now and I am more certain that I want to marry you.”

He said, “I want to spend the rest of my life with you, regardless about whether I can remember the past.”

Facing his gaze, the girl smiled, “Then no matter what happens after that, let’s face it together!”

“I’ve been waiting for this for a long time, be brave. Never retreat again.” He clinked his glass with hers, “Thank you for your bravery, happy cooperation for the rest of your life.”

Catherine had just driven out of the hospital in high spirits. The smile on her face never ceased. Even the air was sweet for her.

She kept imagining the wedding. The wedding dress had been delivered. She hadn’t tried it yet. But she believed she would be stunning in it.

As long as she could marry Ivan, she would work harder to make him fall in love with her.

And the fact that Spencer loved Jennifer was also a good thing. Catherine believed that Spencer wouldn’t let go of Jennifer even just to piss Ivan off.

Catherine saw the dawn of the future in an instant.

See u tomorrow!
