

Surprised Wife With Twins (Ivan and Jennifer) Chapter 345

Marry told her, "The bridesmaids and the makeup artist have arrived, yet Mr. Marsh didn't give any instructions. Everyone was waiting downstairs, so I secretly came up to remind you. It's not that Mr. Marsh had asked me to wake you up."

"Thank you, Marry!" Before Jennifer rushed into the bathroom, she pulled open the curtains and saw the beautifully decorated red wedding cars in the yard.

"I'll get down in a second!" She glanced back hastily, then rushed into the bathroom.

"Be careful, don't fall!" Marry worried, "No rush! Everyone will be waiting for you!"

Soon, the sound of water came out of the bathroom.

At Marry's command, the white wedding dress was pushed in.

In the living room downstairs, Ivan sat on the sofa drinking tea, smiling.

Mya was sitting across from him, enjoying the pastries while glancing up at him from time to time.

Sitting together with Ivan was something that other bridesmaids envied yet dared not do.

How can this man be so handsome? It was unfair!

By the time Mya went upstairs, Jennifer had finished her shower.

She helped Jennifer change into the beautiful wedding dress, saying, "Ivan is so sweet to you. On such an important day, he allows you to sleep until you wake up naturally. He is drinking tea downstairs, not impatient at all. And he doesn't care about the time."

Jennifer was so embarrassed that she didn't know what to say.

"I see, you are not only married to money but also to love."

"Really?" Jennifer's skin was fair, and her eyes were as beautiful. "Then I wish you one day you could too."

"There is only one Ivan in the world, and you snatched him away."

"You like him?"

"Not really! He can be my dad at this age!" Mya couldn't help but praise, "Just like Jude Law."

After putting on the wedding dress, Jennifer went downstairs with Mya.

"Duh-dun! Here comes the bride!" Mya smiled cutely, "Where is the applause?"

Their presence stunned everyone.

Time seemed to stand still. People held their breath.

The design of the dress outlined the curve of her waist, making her even more stunning.

Ivan looked at her affectionately and got up to take her hand.

The light veils were the expectation of love and the hope of happiness.

There was warm applause in the living room, and everyone had a smile of blessing on their faces.

In another apartment.

Catherine had also changed into her wedding dress. Linda stayed there with her last night.

She was so excited that she couldn't sleep all night. Her mind was full of fantasies and expectations for the wedding

She was finally marrying Ivan.

She hired a very famous makeup artist in Arkpool City at a high price. At that moment, her makeup was done. The stylist was doing her hair.

Looking at her immaculate image in the mirror, Catherine smiled happily. She'll get married before getting into a relationship, but she believed she could get used to it.

Her phone rang.

"Give me my phone!" She excitedly reached out her hand to Linda.

Linda quickly took the phone from the table and handed it to her.

Catherine held her breath and asked, "What's up? What's going on over there?"

"The red wedding cars are parked in Emerald Bay. They are decorated with flowers and balloons, looking romantic," the person reported honestly.

The news excited Catherine, "So when will they set off?"
