

## **Surprised Wife With Twins (Ivan and Jennifer) Chapter 354**

At the wedding, the villagers were still clapping, excited that Catherine was driven away.

“This shameless woman even dares to come in a wedding dress!” David, who was still angry, reminded Ivan, “Mr. Marsh, you’ve promised you will love Miss Brooks for the rest of your life! As a man, you can’t go back on your word!”

“David is right! Mr. Marsh!” Another person added, “You must refuse all women who try to seduce you!”

“We all stand with Jennifer!”

“Well, Mr. Marsh has done what he said just now. He slapped that woman.”

Hearing what the villagers said and considering the reporters here, Jennifer got embarrassed. “Well, it was just an accident.”

Ivan put his arm around her shoulder and looked at her with great affection.

With a smile on his lips, he looked at the villagers. “Please rest assured that I will love Jennifer wholeheartedly and will refuse any other woman in the future.”

“Mr. Marsh! We believe in you!” Someone screamed.

Once again, the whole hall erupted in applause.

Blushed, Jennifer felt very shy.

Linda was driving to the hospital.

Despite her anxiety, she did not dare to drive too fast.

Wearing a wedding dress, Catherine sat on the passenger side, the wedding dress looked dirty and messy. With bleeding hands on her legs, the white wedding dress was stained with blood.

Thinking of Ivan’s attitude and what he said, Catherine was in great sorrow.

She felt she was such a clown.

Ivan was always so cruel.

When the car passed by the Marsh Group’s building, Catherine turned her head and looked toward them.

It was a landmark building in Arkpool City, the place where she worked, but she could never go back.

Tears welled up in her eyes. With a bitter smile, she cried her eyes out.

She remembered when Ivan, wearing his suit, sat in the office and talked to her.

The more she thought about it, the louder she cried.

She did love Ivan!

Linda could feel Catherine was on the verge of collapse. She carefully looked at Catherine. "Miss Collins, try to hold it. We will arrive soon. I dare not race."

"I'm done with Ivan. It's over between us." Catherine sobered up and said sadly, "I love him so much, but he hates me. He said he didn't want to see me anymore."

Linda sighed. She said, "Miss Collins, you're not born for him."

"What do you mean?" Catherine did not dare to recall anything. She was overwhelmed with despair.

"Mr. Marsh doesn't like you." Linda said, "But they say one man's trash is another man's treasure."

Really?

Catherine felt that she had always been a strong and lonely sapling in the storm. No one would treasure her.

And she didn't care about anyone other than Ivan.

"No one was born for nothing." Linda continued, "This is what you should know."

Catherine leaned down, crying.

Linda added, "I believe as long as you can disentangle yourself from Mr. Marsh, you will meet your Mr. Right in the future."

Hearing this, Catherine looked up at Linda, surprised at Linda's perspective.
