

Surprised Wife With Twins (Ivan and Jennifer) Chapter 395

Even words like “private talk” are used.

It was a disgrace to the Marsh family. These media were outrageous!

Aubree would turn into a bad mood on seeing Spencer’s name.

Ivan refused to send that boy out. Now he has been in the entertainment industry and the public all day long!

One day, if the background of his life is revealed, the big scandal of the Marsh family will go public.

Aubree smelled danger and she became fidgety.

Pippa went to a big restaurant for the first time and was dazzled by the exquisite decoration. The bright lights were shining and it was like she was in a crystal palace.

Besides, she could have dinner with the greatest man in the world tonight.

Pippa felt as if she was dreaming.

Watching Mr. Marsh dote on Jennifer so immensely, she felt happy for them from the bottom of her heart.

After dinner, Mya drove herself back home.

Ivan took Jennifer and Pippa back to Emerald Bay.

On the way, she took the initiative to talk to him about what she saw and heard today, about Georgia and Spencer.

She hadn’t had time to watch the news yet and her honesty made Ivan feel at ease.

“Georgia is looking for trouble with you?” Ivan asked, “Did she not grow eyes?”

“You’ve already taught her a lesson.” Jennifer’s smile brightened, “Men should not interfere in the war between women.”

Ivan was worried, “Call me if you need me.”

“Of course!” Jennifer said, “If she pisses me off, I’ll have my husband make her disappear in the entertainment business!”

Pippa sat in the back seat of the car and felt full of happiness.

Finnley was trying to keep the news down when he saw that Spencer had posted a tweet.

Millions of likes and tens of thousands of comments appeared below.

It reads as follows.

[I, Spencer Lawrence, did not overstep the boundaries with StaRise (Jennifer Brooks). Today is her first day of recording.

The director was filming the finale and he couldn't make it to the recording studio in time. So, he sent me and Georgia over.

It is normal for the male and female leads to come over on behalf of the crew to offer their greetings.

I stayed behind and waited for her to come out and go downstairs together. We went home separately, she didn't get into my car, and I didn't offer to drive her either.

We were together for only three minutes, and you guys wrote about it like this? Talk about the media's conscience.]

Jennifer was StaRise!

This was also big news!

Countless netizens envied Mr. Marsh for marrying a treasure.

"Miss Clarke, Spencer has posted a tweet!" The assistant reminded her and gave her the phone, "Now they're all praising StaRise."

Reading all those comments about Jennifer, Georgia was furious.

At this time, the phone rang and it was Spencer calling.

She shivered as if the phone was hot.

As the ringing continued, she took a deep breath, picked up, and put the phone lightly to her ear.

"Georgia," Spencer's cold voice came over, "It was you who deliberately smear us, right? I can file a lawsuit against you, remember that."

Her chest suddenly shrank, "What are you talking about? The media is pervasive. Besides, was I forcing you two together?"

"For the sake of our cooperation, don't do that again." He warned her, "Or else you will be responsible for the consequences." After saying that, he hung up the phone.

Georgia was so mad. As soon as Spencer's tweet was posted, people all started to hail Jennifer.

Night.

Linda went to Catherine's apartment again.

The two of them cooked together and made a simple and healthy dinner.

“Linda, don’t come again in the future.” Catherine is a thorough person, she has been in the workplace for a long time and she understands many truths, “You should go back to the company since he agreed to let you go back.”
