Surprised Wife With Twins (Ivan and Jennifer) Chapter 425

Before Spencer could react, Hanson kicked him several more times, harder and harder!

It hurt so much that Spencer felt like his bones were falling apart, and his whole head was buzzing!

Ivan was blocked and beaten. He could only watch as Spencer was kicked to the ground and spat out a mouthful of blood on the road!

Ivan leaned back to avoid the incoming fist, and then with a sweep of his leg, he tripped over the four enemies in his way!

Just as Hanson's fist was about to hit Spencer on the head, Ivan rushed over and kicked Hanson in the waist!

The huge force kicked him several meters away! His waist was also seriously injured.

"Boss!!" Someone rushed over to help him up.

Ivan landed steadily beside Spencer and reached out to grab his arm. A strong force lifted him up!

Spencer turned around and leaned against the car. His eyebrows were slightly furrowed and he was panting heavily. There was blood on the corner of his mouth. "Why are you involved in this?"

There were many people on the opposing side and they quickly surrounded them!

Ivan couldn't be bothered to argue with him and didn't care about it.

The two dodged the enemy's fists and began to fight back side by side!

Hanson was very unhappy to see that Spencer was saved by Ivan! How did he build a relationship with such a bigwig?

Hanson locked his eyes on Spencer's back and walked towards him. A dagger slipped out of his sleeves and landed in his palm.

Just as he seized the opportunity to approach Spencer, who was in a fight, and thrust the dagger at his back…

The sharp-eyed Ivan saw the reflection in his palm at a glance. "Be careful!" Instinctively, he grabbed Spencer and threw him away.

Hanson changed his target and stabbed fiercely into the back of Ivan!

'You shouldn't get involved in this.'

Spencer stabilized himself and turned around. When he saw this scene, his pupils dilated…

In a hurry, he grabbed Hanson's wrist and kicked him hard in the abdomen. "Go to hell!!"

Spencer suddenly became furious. With all his strength, he kicked Hanson's chin and he was kicked away!

"Ivan!!"

Jennifer rushed over and held him up, disregarding the danger.

But Ivan instinctively shielded her in his arms, kicked away a man who was throwing a punch at her.

She pushed his hand away and grabbed the incoming fist. She kicked the man hard in the stomach and threw another punch at the other person!

She had to protect Ivan!

"They have weapons, be careful!" Ivan was very worried and protected her in pain.

Police sirens quickly came over!

Hanson and others seemed to be struck by lightning, and they were in a panic!

Half of them were injured and paralyzed on the ground. Those who could still stand fled to the car as soon as possible like frightened mice.

The police jumped out of the cars one by one and rushed over!

Hanson covered his chest and got in the car in pain, but Spencer caught up with him and grabbed his arm, pulling him far away from the car!

'Do you really think you can get away with this?'

A shiny dagger slipped out of his sleeve and landed firmly in his palm!

Hanson decided to fight him to the death!

Just as Hanson was about to stab Spencer, Spencer nimbly dodged away!

The two were fighting outside the driver's seat, and they were just equally hurt. Several policemen came over and subdued Hanson.

Not a single villain finally escaped, and all of them were captured.

Jennifer decisively pulled open the back door of Spencer's car. "Get in first. Be careful." She looked at the back of Ivan, which was soaked with blood. She then looked at the pools of blood on the ground, and the dagger in his back, and panicked.

Jennifer shouted at Spencer, "Spencer! Come here!"
