

Surprised Wife With Twins Chapter 474

“Anyway, just remember that he’s your uncle,” Jennifer said to the kids, “And he’s a very nice person. I’m sure he will like you.”

“Yay! We have an uncle!”

“It’s great! I now have a daddy, a mommy, a grandma and an uncle!” Diana said excitedly, “I have so many families!”

The kids’ laughter came.

Everyone craved for family.

The Lamborghini soon arrived at Rowan’s house.

The kids rushed out of the car and ran towards the house. They couldn’t wait to meet their uncle.

Jennifer helped Ivan out of the car.

“I’m fine. I’m recovering fast,” Ivan put his arm around her shoulders and held her hand. They walked towards the house.

“Uncle!”

“Where’s our uncle?”

The kids looked around the house and ran to the room whose door was opened. They saw Rowan inside.

They ran into the room and greeted Rowan, “Rowan!”

Rowan was surprised that they came.

He looked out of the French window and saw a Lamborghini.

He was happy to see the kids, “Diana, Alfie.”

The kids didn’t say anything more but looked at the other man in the room.

He was standing by the window with his right arm in plaster.

He looked at the kids, who thought he looked like Ivan.

“Uncle!”

The kids bowed to him and said, “Nice to meet you!”

“I’m Alfie!”

“And I’m Diana!”

Ivan and Jennifer showed up right after the kids introduced themselves.

Spencer looked at the kids and then at their parents. He got excited.

He couldn’t describe his feelings.

Ivan looked gentle, standing at the door.

While Jennifer was with a smile next to him.

She said to Spencer, “You are going to have a bigger and bigger family now.”

Spencer came to himself and teased, “Are you guys having a third child?” He intended to hide his excitement.

Jennifer was stunned and looked at Ivan.

“Mommy, is there a baby in you?” Alfie put his ear against her belly.

Diana did the same. “Is it a little boy or a little girl?”

Everyone in the room was amused and Jennifer chuckled.

They all looked happy.

“Alright now. I haven’t introduced myself,” Spencer walked to the kids and stood still in front of them. He reached out his left hand, “Alfie, Diana, I’m Spencer Lawrence. Nice to meet you.”
