

# No. 1 Supreme Warrior chapter 1710

“Haha... Young Master Jackie is right! Attack!” Alejandro had been looking forward to giving it a try. He directly flew forward when he heard what Jackie said and released a strong wave of aura. The horrendous aura continued to increase and soon surpassed Angus, who was at the second-stage ultimate god-level.

“How’s this possible? His momentum is so much higher compared to Elder Mosley?” Elder Lawrence was so frightened that he inhaled deeply when he saw what happened. If the people surrounding him did not also have a surprised expression on their faces, he would really suspect that he was dreaming

“Impossible! This is impossible!”

Angus shook his head continuously as he could not believe the truth. After all, he obtained the martial art technique soon after he entered this area and lots of precious items. He got a lot of the third-grade spirited grass and even obtained a fourth-grade spirited grass.

He was even able to refine the fourth grade spirited grass and that was how he was able to break through into the second-grade ultimate god-level in such a short period of time.

He believed that not many people were as lucky as him so he was confident about himself.

However, Alejandro, who was in front of him, was actually at the third-grade ultimate god-level. This caused him to instantly feel defeated and he was unable to immediately accept this reality.

“Haha... What’s wrong? Are you surprised because of this? Everybody, attack! Attack to your heart’s content!” Alejandro was quite satisfied with the expression on these people from the Hall of Divine Royal. He had never expected himself to cause such a huge surprise among the masters at the second-grade ultimate god-level.

After all, more than a dozen days ago, even the first-grade ultimate god level was a realm they really wanted to break through, let alone the second grade ultimate god-level.

“Attack!” Kenneth and the others did not release their momentum. Instead, he curled his fists and Chi surged over his fists. He directly rushed toward Elder Lawrence from the Hall of Divine Royal in a flash.

“How’s this possible? This old man is also a master in the ultimate god level?”

Elder Lawrence originally smiled coldly when he saw Kenneth rushing toward him proactively and he thought that Kenneth was suicidal.

However, he completely panicked when he finally saw the golden color of the Chi on Kenneth’s fists. He clearly knew the representation of this color. This represented that the old man rushing over was also at the ultimate god-level. On top of that, the gold color was much richer and Kenneth’s fighting prowess seemed to be higher than him.

However, when he finally managed to react, Kenneth had already arrived in front of him and was punching toward him.

As he did not have much time to think about how to react, he could only quickly activate the Chi in his body and tighten his fist before directly meeting his opponent’s punch.

Boom!

The minute both punches met one another, an extremely loud humming noise could be heard and caused the space to slightly sway. A horrendous shock wave radiated to the surrounding area.

“This is impossible!” Elder Lawrence felt the difference between the two of them the moment they came into contact. It was not a slight difference as the old man in front of them was in the third-grade ultimate god-level.

Bang!

The moment he finished speaking, Elder Lawrence was sent flying backward like a kite with a broken line. He fell to the ground heavily and vomited blood.

A huge hole had appeared on the ground from the attack and terrible cracks spread around. Elder Lawrence, who was in the First-grade ultimate god level, laid there and was coughing blood without stopping. His face was so pale and he failed to even stand up.
