

## No. 1 Supreme Warrior chapter 1714

Nash did not immediately promise the other party when he heard this. Instead, he said, "I'm sorry, Master Yeager, I need to discuss this with my son. You too, know that he has the strongest combat power right now. Not only the members of the White family are very convinced to follow him, but even the members of the Cabello family obey him!"

"That's right...that's right. I will leave it to you, thank you!" Harry immediately gestured with his hands politely as he said.

Nash immediately walked over to have a discussion with Jackie before flying back. "Master Yeager, we've had a discussion and my son agreed to it!"

Soon, everyone gathered the trophies together.

Just like what happened previously, everyone let Jackie make the first pick. After all, he had to choose some spirited grass or ingredients to cultivate pills.

Jackie did not act politely as he killed quite a lot of people. They obtained quite a generous amount of spirited grass. Although there was only one fourth grade spirited grass, Jackie was still quite satisfied.

Jackie let the members of the Cabello family and White family share the other materials between themselves. At least, it was enough for everyone to train for a period of time.

What Jackie did not expect was that there was an ancient tome in one of the martial rings.

The ancient tome did not look eye-catching but he was surprised when he opened the tome and took a look at the content.

“Oh my god, this is great!” jackie was incredibly excited after he took a look at the ancient tome.” Unexpectedly, there are many pill remedies for third grade and fourth-grade pills in here. There are more than a dozen pill remedies for fourth-grade elementary, intermediate, and fourth-grade premium pills!”

jackie almost jumped up in excitement. What he needed most at that moment were pill remedies, especially pill remedies of fourth-grade pills.

He quickly flipped through the ancient tome and finally, he discovered the pill remedy to lift the spell off Selena. His eyes even turned red in excitement.

He immediately flew toward Selena and pointed at a spot in the tome before saying to Selena, “Honey, take a look. Look here, the pill remedy for the pill to lift your spell is here on this tome. On top of that, the ingredients needed can be found here. With this pill remedy, we would have a goal when we search for materials in the future!”

Selena felt a warmth in her heart when she saw jackie’s excited expression. She smiled gently and said, “Yes, Honey. At least we’ve made another improvement. I believe that you will definitely succeed!”

“Yes, that’s for sure!” jackie nodded.

“Young Master jackie, should we leave now? So many people have died here and the monster beasts must have sniffed out the blood by now!” Harry and the others immediately walked forward to ask jackie as they were slightly afraid when they heard the roaring sound of monster beasts from afar.

“Yes, it’s almost done. Come on, let’s continue our journey!” jackie nodded and the group continued their journey.

At this moment, Ella had already exited the forest after harvesting quite a lot of spirited grass.
