

No 1 Supreme Warrior

Chapter 3545

• • •

Other than the few warriors from third grade worlds who stood at the peak, the other warriors from third-grade worlds all hated the warriors from second-grade worlds to the bones. Those shameless and despicable things treated warriors from third-grade worlds like animals. They had done so many disgusting things to the warriors from third-grade worlds. Furthermore, they constantly looked down on warriors from third-grade worlds as well, looking at them with expressions full of disdain. Those feelings caused the bald man to utterly hate the warriors from second-grade worlds. No matter who it was, as long as he had the chance, he would not let them off easily! Jack smiled and shook his head at the bald man, “I don’t plan on working together. I can deal with this big guy. Just help me hold the white-robed guy back later. You can have all the golden keys on him.” Jack was incredibly calm when he said that, as if he was just talking about his next meal.

All of them were stunned when they heard that. All of them had their eyes widened at what Jack said. He was planning on killing the Flaming Rhino alone? He did not plan on letting the white-robed man off?! Was that not crazy?

The white-robed man's expression darkened as he looked at Jack viciously.

He shouted out, "Brat! You shouldn't daydream like that! You can deal with a beast that has a middle ultimate god rank technique alone? Not only that, you'll deal with me too?! You really are crazy. If I didn't know better, I would have thought that you were the strongest person from the third-grade world!"

Jack's lips pursed.

To prevent any unnecessary trouble, he had already put on a mask. At the moment, those three did not know what he looked like at all.

Rudy scoffed, looking at the white-robed man in disdain, "Warriors from second grade worlds really are all the same. Weren't you just acting so angry earlier because working with us would ruin your plans? Weren't you planning on taking everything for yourself?"

The white-robed man did not seem guilty at all of being exposed. He did not think there was anything wrong with his plans at all.

Instead, he looked at Jack in disgust.

He snorted, “You trash from third-grade worlds only know how to insult others! What plan could I have had? Stop trying to frame me! You’re just delusional, and you think you’re so special that people would target you. Don’t be so disgusting! Who do you think you are?”

Rudy scoffed, “Every time I listen to you guys speak, I feel like slapping you with a shoe. You act like you’re so noble, but the things you do are so shameless!”

“You looked at us with such disdain earlier. Are you looking down on us? We look down on you two as well! You’re just like a worm that’s slightly larger than usual. Just looking at you makes me want to puke!”

Rudy even gagged a few times after he said that, causing the white-robed man to tremble in anger. In the white-robed man’s world, only he was allowed to look down on the warriors from third-grade worlds, and not the other way around.

He looked at Rudy with clenched teeth, wanting nothing more than to rush over to rip Rudy apart. He felt like his dignity had been trampled over, which was not something he could stand.
