

# No 1 Supreme Warrior

Chapter 3737

Moana scoffed before he said coldly, “What are you looking at? Why do you enjoy showing off how cold you are in front of everyone? You try to act like you’re so prideful, but you’re nothing in front of me.”

“Wow! This guy doesn’t hold back!” A warrior who heard Moana said that could not stop himself from exclaiming.

Anyone who heard that immediately turned around.

Every time Moana spoke, he got meaner and ruthless. He had labeled Geena as insignificant. It was not something just anyone could do.

Geena immediately froze in place. His eyes suddenly widened and his lips twitched. He wanted to say something but did not know what to say. He even started to wonder if he had misheard things.

Ever since he was young, he was already used to standing above everyone else. He had earned looks of admiration his whole life. No one had ever tried to embarrass or humiliate him until that moment!

It was just something that shocked Geena to the core.

Rowan’s lips twitched as he pointed at Mandra, “What did you just say?! How dare you?!”

Moana’s lips twitched in exasperation.

Rowan really did have a limited vocabulary. Every time Rowan spoke, it was the same few words.

Moana laughed and answered, “Why wouldn’t I dare to say it? Haven’t you heard what I’ve been saying the whole time?”

Those words caused Rowan’s face to freeze. It suddenly got much quieter all around them. Only heavy breathing could be heard. The warriors from Star Continent felt like they were going to explode from their anger at Mandra.

Everyone else would always try to maintain a line of respect every time they spoke to them.

Every time, they would always profit at the expense of others. However, in front of Mandra, all their advantages seemed to disappear.

Moana did not seem to have a line he would not cross. As long as he wanted to, he could say all sorts of things.

Geena took a deep breath before he shouted out, “Brat, in all my ears, you’re the first person who has thoroughly angered me! The price for that is a heavy one, you won’t be able to bear it at all!”

Moana laughed out loud when he heard that, “You’re just a bunch of idiots! You keep on saying I’ll pay the price. You’re like a broken record!”

Geena clenched his teeth and said, “I heard that you were going to sign up for the next battle, right? Could you have been lying?”

Moana raised an eyebrow, “I’ve never been one to brag. What? Are you going to participate as well?”

Geena got even angrier when Moana seemed like he did not care.

Moana was just like a sponge. Every time he hit Mandra, it seemed completely useless. It would even bounce back at him. The more Geena thought about it, the angrier he got. He felt like ripping Moana apart on the spot.

Geena clenched his teeth and said, “Don’t be too happy running your mouth. There are plenty of people here who’ve heard what you said. If you regret it when the time comes, you’ll just be embarrassing yourself!

As he said all of that, he was already doing his best to suppress the anger in his heart. He wanted to provoke Moana so the other party would not go back on his words.

Moana was not a child, He could clearly tell what was happening.
