

No 1 Supreme Warrior

Chapter 3763

Sonya had constantly challenged them. Rowan clenched his teeth.

Everything was already set in stone anyway. There was nothing else to fear. After Sonya had signed up, there were already no chances for him to change his decision. So, Rowan had nothing to fear.

Rowan scoffed, “Brat! Stop with your snide tone, do you think you can beat me?”

Sonya laughed and said calmly, “Stop speaking as if you’re such an amazing person. Who says I can’t beat you? Even if all of you fought me at the same time, you’d still be no match for me! Go ahead and sign up!”

Rowan laughed when he heard that, “I really have to give it to you, you sure are good at bragging! The three of us together won’t be a match for you? Do you even hear what you’re saying? Don’t you think it’s such a joke?”

Sonya smiled and said, “I don’t want to waste any time talking to you either. If you think you can easily beat me, then show it. Otherwise, shut your mouth!”

Rowan stood up angrily.

He looked at Sonya with narrowed eyes, “Are you trying to provoke me right now? Do you really want me to sign up to beat you up? Very well! Since you’re so willing, I’ll give you the chance!”

Rowan felt like he would go crazy if that continued. At that point, he did not want to listen to anything else the others had to say.

He did not care about his future anymore. He just wanted to teach that guy a lesson with his own hands!

Frank frowned as he looked at Sonya coldly.

His eyes were very inquisitive. Everything Sonya said and did exceeded his expectations. After Sonya signed up, he even started to provoke Rowan into joining. Frank naturally saw through what Sonya was doing.

Sonya was trying to provoke Rowan into joining the battle, but why?

Was he that arrogant, or was he crazy?

It might not be the case, Sonya might actually be capable!

He suddenly felt a hint of worry in his heart. However, he quickly brushed that aside.

Frank looked over to Vivian at his side. Even though Rowan was not as strong as Vivian, he was still someone with considerable strength. With Vivian’s skills, there was no way Sonya would be able to do anything. Furthermore, even he would not have been able to beat Vivian and Rowan working together.

Unless Sonya had skills that put him in the top ten of the Whirling World, there was no way he would be able to turn the tables!

With that in mind, Frank’s mind was clear.

Even though he did not know what tricks Sonya was trying to pull, Vivian and Rowan’s skills were plain for all to see. There was no way Sonya would be able to do anything.

Frank raised an eyebrow as he turned to look at Rowan, who looked incredibly angry at that moment.

Rowan was so angry that his whole body was shaking. His face looked like it was going to explode. It was obvious that he had already decided to participate in the battle.

Frank had not been very willing to let that happen, since he had already made the best arrangements.
