

No.1 Supreme Warrior by Moneto

Chapter 4177

The two of them knew what that meant. Their eyes met, and worry was evident in their eyes.

"Is it Jack again?" Zayne said with a frown.

At that moment, the first name that popped up in his head was Jack. Only this person would truly be a big problem for them.

Seymour's expression turned sour. He suddenly felt like Jack seemed to be his Achilles heel. Jack could pop out at any time and put him in a difficult spot.

"That's right! It's me!" At that moment, a voice was heard from afar.

The two of them looked in the direction of the voice and saw five figures appearing in the air.

This time, Jack did not have a disguise on. He was facing everyone with his real face.

"It really is you!" Zayne's face completely soured at that moment.

Even if they were meeting for the first time, he was already incredibly sensitive to Jack's name.

Nothing good ever happened when Jack was mentioned and Jack had actually appeared in front of him.

"How dare you!" Seymour shouted angrily!

He walked forward to stand by Zayne.

The person who hated Jack the most in the Hunting Plains was almost definitely Seymour. The two of them had a long-standing grudge against one another. They wanted nothing more than to kill each other!

Back then, Jack had humiliated him in front of so many people. He would never forget it as long as he lived!

"Jack! I thought that I would need to wait long before I could kill you. I can't believe you've decided to deliver yourself on a silver platter to us!" Seymour's eyes were incredibly murderous at that moment.

Jack laughed nonchalantly. After his group landed, he did not even bother sparing a glance at Seymour.

He looked right at Zayne instead, "You're Zayne?"

Zayne frowned after seeing this.

That guy had some guts. It had been a long time since anyone dared to speak to him like that. Even Zayne felt a bit refreshed by it.

Zayne was not too offended by Jack's words. After all, Jack's skills were plain for all to see. Even he was not necessarily a match for Jack. He felt like they were probably at the same level.

"Since you dared to come to look for me, are you planning on declaring war?" Zayne raised an eyebrow and said.

Jack shook his head as he took out the golden and red key from Mustard Seed. The two keys glowed in front of everyone.

Seymour and Zayne were stunned when they saw that.

Seymour did not hold back as he said, "What are you doing? Are you challenging us?"

Jack laughed and shook his head, "I don't have time to entertain you two like that. I didn't come here for a duel to the death with the two of you. Warren said you have the purple key with you, right?"

Zayne nodded. He wanted to see what Jack was trying to sell.

Jack nodded, "Let's work together, then."

Work together?

Zayne looked at Jack in surprise.

This guy wants to work together?

It exceeded Zayne's expectations.

He had thought that Jack would challenge him. After all, Jack had never admitted defeat before. Jack always fought back against them. He could not believe he would even hear the words working together from Jack's mouth.

It was definitely a surprise.
