

SWEET BEAUTY

Chapter 10 - If Her Mother Is Like That, This Means She Is Also Not A Good Person

No matter how much she hated him, she still pretended to be wronged, "Dad, was it because you wanted to marry Jiang Huifang and my mom didn't want to divorce you, so you blamed it on my brother and me?"

"But what did my brother and I do wrong? At that time, we were still young, so we didn't know anything. If we knew that we were living a life worse than death, then we would have died together with our mother!"

Wei Guowei was stunned on the spot and didn't know how to react.

What was Liang Zixuan talking about? Why couldn't he understand her?

However, he knew that if she were to continue talking, his family's scandal would immediately be exposed, especially the matter of Wei Xiaoqing pretending to be singing.

He couldn't let her beloved daughter suffer even a little bit of damage.

"What are you all still standing there for? Catch her!"

As soon as Wei Guowei said this, the men he brought with him rushed forward.

Deng Hui and Dai Tian were not there just for show. Don't look at how many people Wei Guowei had. They beat them up without breaking a sweat.

Liang Zixuan took a step back and hid behind them. Her lips curled up into a smile as she looked at Wei Guowei with a sneer.

Wei Guowei thought he was seeing things and rushed over in anger. Dai Tian directly grabbed onto one of Wei Guowei's hands and twisted it. Wei Guowei immediately shouted, "Stop it! Let go! My hand is about to break!"

Dai Tian kicked his knee. Wei Guowei knelt on the ground. His hand was even thrown away by Dai Tian, causing him to cry out in pain.

Deng Hui and Dai Tian, who were standing close to Wei Guowei, heard his threatening words just now.

Deng Hui gritted his teeth in anger. "I have never seen such a father like you. You actually used your own son and mother-in-law to threaten your own daughter. Are you even worthy of being called her father?"

A crowd of onlookers cursed out together. "That's right. There is no difference between him and the beast!"

"Anyone who considers his daughter is an unlucky child!"

"Isn't that the case? Doesn't he have a daughter called Wei Xiaoqing? He was pretty good to his daughter."

"Wei Xiaoqing? Which Wei Xiaoqing? You mean the one who sings 'Tune Of My Heart'?"

Don't blame the people for finding out about Wei Xiaoqing right away. Tune Of My Heart was too popular. One could easily hear the song while walking on the streets and alleys. Other people would only casually request this song.

Someone immediately reacted, "Hey, wait a moment, can you open a Baidu?"

That person took out his cell phone, opened Baidu, and suddenly raised his head to ask, "What do you want to check?"

"Check someone's name Wei Guowei."

That person was suddenly enlightened, "Is this Wei Guowei from Yuan Now?"

Liang Zixuan smiled and nodded. "Yes."

When Wei Guowei heard this, he was so angry that his face turned pale. "No, don't talk nonsense. My daughter didn't sing. I don't have a daughter named Wei Xiaoqing."

Based on the principle of watching the show and not caring about what Wei Guowei said, that person directly talked about Wei Xiaoqing and saw that her father was Yuan Now's CEO, Wei Guowei!

That person exclaimed excitedly, "Heh, it's really him! His daughter is the singer Wei Xiaoqing."

These words were like a thousand ripples on a calm sea.

Everyone immediately shifted their attention to Wei Xiaoqing. "I never thought that her mother would be the mistress. She is the daughter of the mistress!"

"That's right. I always thought that girl was pretty beautiful and that she looked rather innocent. Why does she have such a shameless pair of parents?"

"Have you ever heard of the saying 'like mother, like daughter'? If her mother was like that, it means she's not a good person either.. Otherwise, how could she let her elder sister have no status in the family? Her sister even had to change her surname. How shameless this family can be!"
