

SWEET BEAUTY

Chapter 8 - The Person Inside Is My Daughter

Yao Xiu looked out the window and realized it was already late.

Han Yuanjun immediately frowned and looked at him with a severe gaze.

"What? Do you have any objections?"

"No, no!"

How could he dare to object!

Yao Xiu straightened his back, "Alright, I will call them to come over immediately."

As the two of them walked out of the hospital, Han Yuanjun said, "Investigate her situation for me again. I want every single detail included, not a single one missed, do you understand?"

Detailed investigation.

Yao Xiu didn't know if it was his imagination or what, but he felt Han Yuanjun wanted to strip Liang Zixuan clean from head to toe.

At once, he understood Lian Zixuan's position in Han Yuanjun's heart. Yao Xiu had also secretly decided that he would be respectful to her in the future. Who knows if she would become his boss' wife.

"Alright, I understand."

????

Liang Zixuan lay in the bed for a long time, unable to fall asleep. Whenever she closed her eyes, her mind would be filled with images of herself being burned to death, as if this happened yesterday.

She still wasn't sure if she was reborn or if it was just a dream, but whenever she closed her eyes, she was back in that dark house, surrounded by fire.

Only at last did she close her eyes in a blur.

"Who are you?"

"Why can't I go in?"

Noises of quarreling entered her ears. When Liang Zixuan heard the familiar voice, she was startled and immediately sat up from her bed.

She held her cell phone and quietly walked to the door. She cracked the door open and saw Wei Guowei standing outside with several people.

But who were the two people blocking the door?

Liang Zixuan didn't care that much. She turned on her cell phone, clicked on the camera, and started recording the scene outside.

Deng Hui and Dai Tian were both wearing black suits with sunglasses on their faces. Anyone could tell that they were bodyguards by looking at them.

Wei Guowei was so angry that his face and his neck turned red. He didn't even know where Liang Zixuan had hired these bodyguards. He had been talking here for a long time, and these two people wouldn't let him in.

He could only explain, "The person inside is my daughter. I'm going to take her home."

"Daughter?" Deng Hui obviously did not believe him. "The lady inside is surnamed Liang, we know each other. Meanwhile, you are surnamed Wei. So, when you say she's your daughter, do you think I have low intelligence and can be easily fooled by you?"

Dai Tian scoffed. "No wonder President Han wants us to stand guard outside the door."

President Han?

Han Yuanjun?

Wei Guowei was stunned on the spot. He didn't expect Han Yuanjun would send two bodyguards here for Liang Zixuan.

He suddenly overjoyed and quickly said, "I'm speaking the truth. Liang Zixuan is my and my ex-wife's daughter. I'm really her father. If you don't believe me, just ask her to come out. Hmm, how about this. You give me President Han's number. I'll call him and explain it to him."

Liang Zixuan turned off the recording in satisfaction. She didn't expect Wei Guowei to admit that he was her father in public in order to talk to Han Yuanjun.

This was indeed ridiculous!

She turned on the recording again and put the phone in her pocket before opening the door.

When Wei Guowei saw her, he immediately showed his fatherly affection. It was a love that Liang Zixuan had never experienced in her two lifetimes.. He kindly said to her, "Xuan, you finally came out. Tell them quickly, am I your father?"
