

Sweet love 1436

Chapter 1436

Ophelia pushed her wheelchair and parked it in the middle of the hall, where luxurious crystal lamps draped.

hanging above their heads.

Athena folded her hands and laid them flat on her lap.

Exquisite as a porcelain doll-like face, there is no trace of a ripple.

She was motionless, without any expression.

Knowing that she is alive and well, those who don't know, still think there is a life-sized doll sitting on the wheelchair.

Otis stood up from the top of the couch and offered to come forward.

Extending her hand, "Miss Ballard, nice to meet you."

Athena did not extend her hand, her expression finally moved, "Shaking hands is not necessary, you and I each take what we need."

Otis drew back his hand.

He looked at Athena, black and round eyes, curved leafy eyebrows, a little red lips, looks like a Japanese porcelain doll. According to say, Athena is a standard classical beauty, anime only have the kind of.
