

Sweet love 571

Wrong marriage and sweet love (Joyce and Luther)

Chapter 571

Although she truly never wanted to marry into the Henderson family, his approach was simply childish and ridiculous.

She didn't expect that this arrogant aggressive man in front of her would use such a cheap trick just to prevent her from marrying into the Henderson family. Was it interesting? In ten days, they would be officially divorced.

"After the divorce, you can't interfere with my freedom, right?" She looked at him coldly, "Do what you like, do what you like, it doesn't affect me anyway."

As she was talking, her cell phone rang.

She took out her phone and looked at the screen. It was Justin.

She was slightly stunned, and her eyebrows then furrowed.

How could the news spread so fast?

It must have been just now that the photo of her and Luther getting out from the room together had been uploaded to the internet. Now even if they wanted to stop it, it was too late. The whole internet had known about it. Even if they could retract it somehow, all the people who should see it had seen it. The impact that should be caused, had also been caused. The consequences could not be undone, but some people were just happy to see it.

After saying that, he coldly hung up the phone.

Joyce hurriedly grabbed her phone back and put it in her bag.

Karl hadn't contacted her yet and she must not let Luther find out anything.

"Ding—" At that moment, the doorbell rang.

Joyce was instantly alert. She listened carefully, but heard nothing outside the door. She thought perhaps Aaron had drove the reporters at the door away.

She picked up her bag, walked quickly to the door of her room and carefully opened it to look out.

It was Aaron, carrying the packed breakfast in his hand. When he saw Joyce, he nodded slightly, "Good day, Joyce, the car is already parked downstairs, we can leave anytime."

"No need. I'm not taking his car. I'll go back by myself. Get out of the way."

Joyce gently pushed Aaron away, sidled out of the room, and left without looking back.

Aaron did not know what to do. He looked at Joyce who just left and then looked at his gloomy-faced boss.

Joyce put the phone on silent.

After looking around, she reopened the video Karl had sent her.

This time she looked carefully. Though Karl had added mosaic to the video, she could see clearly a man and a woman are having sex. A few moments later, the camera recorded their faces, and it was exactly Charlotte and Ricky.

Great, sure enough there was something wrong with the two of them.

Moreover, Karl surprisingly got solid evidence of Charlotte and Ricky's adulterous affair.

She hurriedly replied to Karl's message.

"Yesterday, you took the video of them together? You didn't get caught, did you?"

She was suddenly worried about Karl's safety. Ricky was not just some ordinary criminal, and if Ricky found out something, it was highly likely that they would just kill him. After all, Thomas had been killed by them.

A few moments later, Karl returned the message.

"What an ordinary yet greedy girl! Shameless!"

"I will just wait for the 18th and 19th of this month to watch the good show!"

Joyce looked at all those comments and her eyebrows furrowed deeply.

Nowadays, she would be in the hot topics every once in a while and had been ranted about by the whole nation.

Fortunately, she was born with a strong heart and a strong capacity to withstand all this.

When Joyce finished.

Karl held his jaw in thought for a moment before nodding gently, "Yes, you've thought it through quite well."

"Well, I will keep an eye on Charlotte these days. We still need a plan for it and there are not many days left. We must not make any mistakes." Joyce returned.

At that moment, the waiter knocked on the door and brought in the meal. Two exquisite stir-fried dishes, one stewpot, and two portions of mixed grain rice. It was neatly arranged in front of them.

After the waiter left, Karl first gave Joyce a piece of tofu.

"At this restaurant, tofu is a signature dish. It tastes delicate and the soup is tasty. You try it."

These are the dishes the waiter recommended." She took a few bites and

Karl took a few sips of the soup and continued.

"I remember you mentioning that it was Christian who told you that Ricky had rented the awm sniper rifle from the black market. Can you find Christian again and ask him to help find the gun and buy it? I'll pay."

"Buy it? I bet it's expensive, and because it's restricted to use and can't be circulated, the price would only be jacked up even higher." Joyce raised her eyebrows in disbelief. Even Ricky only rented the gun, he wanted to buy it.

"It doesn't matter. You don't have to worry about the money." Karl was not very concerned about it though.

Joyce staggered inwardly. So this was what a perfect combination of wealth and power should be like? Not only could they use public power at will, but they could also put out a large sum of money at any time.

She was not clear what Christian's purpose was, whether he was a friend or now, and even whether he could be trusted. And she owed Christian so much that she had no idea what she would give in the future to pay him back.

However, Karl did so much for her. No matter how difficult it would be, she had to overcome them herself.

Charlotte had been quite restless until midnight last night, and then she snuck back into the hospital room at 3 a.m. She slept until noon.

Ricky was already in the ward guarding her, and when he saw her wake up, he asked anxiously, "Miss, how are you doing? I'm sorry I couldn't hold back yesterday ... I'm sorry. How are you feeling now?"

His eyes shifted to the belly of Charlotte.

After all, Charlotte was hospitalized and recuperating to keep the baby. Last night they met privately and talked about it, but eventually both of them lost control and comforted each other a bit.

"It's okay for now, I don't feel any discomfort. Next time you go a little lighter. Look at the rush you're in."

Charlotte sat up and gently rubbed her belly.

Damn, Thomas's kid was really tough as nails, and nothing happened after all that tossing and turning last night.

Ricky looked back.

"Shelly, there you are."

Charlotte waved at Shelly, "Help me pull the curtains open, I just woke up and missed breakfast. Had to call Ricky over and tell him to get the food."

In fact, Charlotte was deliberately explaining. After all, she and Ricky were all alone in the same room, and it might look weird.

The good thing was that she knew how brainless and careless Shelly was, so she could just muddle through.

"Oh, so that's the case. It's good to have someone at your disposal at all times."

Shelly took a seat on the stool next to Charlotte.

"Charlotte, why don't you say something?" Shelly was sitting right next to her, and for all the while Charlotte did not say a word, so she inevitably felt anxious.

"Shelly, I'm sorry, but there's not much I can do about it." Charlotte feigned sadness, "Before the engagement, I probably had to spend most of my time in the hospital for the baby. What can I do like this?"

She choked up, "I called Luther last night and wanted him to come visit me in the hospital. He wasn't willing. I thought he was busy, but ... he was with Joyce ..." Before she could finish her words, she could barely speak.

Shelly stepped forward and pulled her in, a little crestfallen, "I'm sorry. I shouldn't have made you so sad. Don't be upset, my mom knows about it too. My mom will definitely go to my brother for the matter. "

"Hmm." Charlotte drew a few napkins and wiped her tears.

"You are pregnant with his child, his son! You just have to Mrs. Warner!" Shelly tried desperately to cheer Charlotte up, "The most important task for you right now is to keep the baby. "

"I know. " Charlotte leaned back against the cushion and made a gesture to cover her belly, "My

"Do you have a way to help me get my Justin back?" Shelly's eyes were filled with anticipation, "Justin is ignoring me. He never answers my calls. I went to the bank to find him and he refused to meet me."

"Trust me, there will be a way. You have to have faith, with your family and beauty. After the marriage between the Warner family and the Heath family, we will reach the top of power and wealth. It would just be nonsense if the Henderson family still refuse us? Why would they let a divorced woman marry into the Henderson family."

Charlotte kept reassuring her. No matter what, she must calm Shelly down first. Once Joyce miscarried, her whole plan was messed up.

"Okay." Shelly lowered her head in disgust, "You are just so logical. Charlotte, I'll take you as my sister-in-law. Soon, in a few days, we'll be a family."

"Hmm."

Charlotte laughed dryly - this brainless girl had almost spoiled her plan.

Just at the moment, Ricky came back from his errand.

He knocked on the door and entered, "Miss Meyer, Miss Warner. I got you two the signature beef brisket rice from across the street."

After putting it down, he said respectfully, "I'll go out and keep watch, have a nice chat."
