## C23 Second Uncle

Gu Nanchen did not budge an inch, the words "I will do my best, you do as you please" was clearly written on his calm face.

Qi!

If she were to really scream and cause everyone to know about it, wouldn't she be the one to suffer the most in the end?

The man nodded in satisfaction and began his revenge campaign ...

She immediately burst into tears, this bastard actually scratched her foot, Xia Jinsheng's feet immediately curled into a ball in pain.

"second uncle, you are unkind, why not?" Xia Jinsheng struggled, but couldn't do anything about this small fight.

"Mhmm." Why was he so disrespectful to his elders? He still hadn't done something even more disrespectful than his old age. This girl was getting more and more lawless. She actually dared to be intimate with another man in front of him. Did she think that he didn't exist?

She was almost bursting out laughing, but his hands didn't stop moving at all. Xia Jinsheng twisted her body in pain, the tears in his eyes started to reflect a sparkling light, her small face became captivatingly red, and his eyes became hazy, unable to find any focus ... The hazy gaze bewitched Gu Nanchen to the point that she jumped up and down.

Gu Nanchen's eyes shone with the light of a wolf. Just as he was about to press down on Xia Jinsheng, the door suddenly made a knocking sound, and Xia Jinsheng's nerves were broken. Her body stiffened in a straight line.

The anger in his eyes was soaring to the skies. He was clearly an arrow on the bow, and he had no choice but to shoot it out, yet someone was so blind as to interrupt him.

And they were all familiar with this person.

Gu Wensheng expressionlessly knocked on the door, his head full of black lines, the two of them were getting more and more outrageous, making such a huge commotion, aren't you afraid of your family spotting you?

Especially when he thought about how he was still an underground worker, Gu Wensheng felt even more unbalanced. Why did he, his second brother, take all the benefits?

"Xia Jinsheng, I know you're inside, hurry up and come out."

Gu Wensheng who was outside did not want to let go, so even if Gu Nanchen had any other thoughts, he would not think about it anymore. Annoyed, he pulled over the blanket and covered Xia Jinsheng tightly, then he went to open the door.

But with Gu Nanchen's entire body in the middle, he blocked the door tightly, and did not have any intention of letting Gu Wensheng in at all. Gu Wensheng raised his eyebrows, and calmly glanced inside, but was blocked by his body's agility.

Gu Wensheng's mouth twitched, and asked: "Where is she?"

Gu Nanchen replied impatiently, "Sleep."

"What are you doing here?"

"Big bro, what are you doing here again?" Not only did Gu Nanchen not answer Gu Wensheng's question, he had even questioned him thoroughly.

Fortunately, Gu Wensheng was prepared this time. He took out his phone from his pocket and waved it at Gu Nanchen: "My daughter misses mother, is that not okay?"

Just as he was about to walk in, Gu Nanchen suddenly grabbed the phone in his hand when he could not react. With a "Pa" sound, he closed the door and knocked on Gu Wensheng's nose.

The whole action was done smoothly and in a single breath.

Gu Wensheng touched his nose with a lingering fear in his heart, thinking that if it wasn't for the sake of rolling around, he wouldn't bother to care about Xia Jinsheng at all.

Not long later, Gu Wensheng left.

Gu Nanchen, who had returned to his room, fiddled with Gu Wensheng's phone without hesitation. Naturally, it was as if the phone was his.

He opened the contact list and found the little guy's contact number. He almost smoked from head to toe when he saw that Gu Wensheng had actually commented on "My family's adorable rolling baby". His heart skipped a beat, as if something was stuck in his throat.

He couldn't spit it out, nor could he swallow it.

When the call connected, a clear and loud voice rang, "Uncle."

"What are you doing? Isn't that uncle's phone?" Xia Jinsheng immediately got up from the bed. Seeing that his phone number was still rolling up, her heart almost jumped out of her throat.

Her voice suddenly rang out, surprising her, the panic in her eyes was forcefully suppressed by Xia Jinsheng, who suspiciously looked at her, and gave her the phone.

The little guy was related to Gu Wensheng, and their relationship was not bad. This knowledge made him uncomfortable.

His gaze caused Xia Jinsheng's heart to palpitate in fear. She had to use the chance when the little fellow called to stay far away from him, before her breathing managed to calm down.

When she picked up the phone, she could not help but be worried. Based on the current situation, Gu Nanchen might contact the little guy again.

"Hey, roll." "It's Mommy. Little guy, why did you suddenly call?"

Afraid that the little fellow would say something that it shouldn't have, Xia Jinsheng immediately rushed to the front to let Rollin know her identity.

"Oh." The little guy's syllables sounded out in all directions, causing him to utter some incomprehensible words. "So it's Mommy ..."

"Du ..."

In the next second, the call ended without any warning, Xia Jinsheng looked at her phone in shock, thinking that she had accidentally pressed the hang up button, she immediately called back.

The little guy picked up the phone and took the lead, "Hello? Is it Mommy? "

"Mm, it's me. "Scram, just now, I ..."

"Du ..."

Before she could finish her words, the call ended and she left again. This time, she didn't doubt that she had accidentally made a mistake or something.

Hmph, this little guy is too brave, he actually dares to hang up on me.

What was wrong with her? Did she need to be fixed? Xia Jinsheng made a few more calls, but without exception, all she received were mechanical sounds that spread around the room.

"Respected user, the user you have dialed is busy. Please try again later ..."

If it wasn't for the fact that the phone belonged to her uncle, she would have already thrown the phone away. It seemed like she had been dragged out of the store, right?

Gu Nanchen was so happy to see her give in, he didn't forget to add insult to injury, "What's going on? Why didn't I pick up your phone? "

"..." How did she know what was going on?!

At the same time, Gu Nanchen took out his own phone and called out the number he saved last time. A melodious ringtone sounded and the phone connected.

"Hey, is second uncle you?" The little guy's memory was extraordinary. He had already memorized his phone number since the last time. For some reason, even though this second uncle didn't look like he was going to laugh, the little guy still felt a sense of wanting to get close to him.

Xia Jinsheng, "..."

It actually connected. This little guy really gave her a blacklist?

"second uncle?" It was extremely surprising for the little guy to call him that, but when he recalled that the little guy also addressed Gu Wensheng as uncle, he fell silent.

After chatting with the little guy for a while, he quickly said goodbye to the little guy. His sharp eyes suddenly turned towards Xia Jinsheng, who was sneakily leaving the side, causing her to forget her original goal.

"Hehe, second uncle. It's already so late. " Xia Jinsheng pointed to the large clock on the wall. A short hour hand had already quietly walked to the tenth position.

Her original intention was to hint to Gu Nanchen that it was time to leave, but the things that happened next completely exceeded her expectations.

Hey, hey, hey! What are you doing taking off your clothes!

"second uncle, you ..." Xia Jinsheng could no longer speak, he was forced to retreat step by step, until he was forced against the wall, unable to retreat.

Gu Nanchen approached, and casually pulled at his tie, exposing a large area of his exquisite wheat colored collarbone. The man's Adam's apple was only an inch away from Xia Jinsheng, and the cold fragrance that was being emitted was incomparably clear.

Both of his hands supported the wall, encircling Xia Jinsheng in a small world. The man had an evil smile on his face, "Weren't you hinting at me just now?"

Her thin lips were close to her earlobes, and her warm breath was on them. The cute little thing immediately became tender and alluring.

Xia Jinsheng wanted to cry, but no tears came out. She was clearly pointing at the clock, indicating that he should go to sleep ... Xia Jinsheng paused for a moment, and quickly understood where the mistake happened.

I'm telling him to get back to bed, okay?

"I... "Hmm."

Before she could finish her sentence, she was swallowed up. The other party's kiss was just as irritable and punitive as before. However, compared to before, it was much more windy and drizzling.

's aura was as domineering as ever. The tyrannical lips and tongue pried open Xia Jinsheng's teeth as they clashed with the Yellow Dragon, attacking the city and plundering the lands, and everywhere Xia Jinsheng went, the army would collapse.

She was so exhausted that her legs went weak and she almost fell to the ground. Gu Nanchen quickly wrapped her arms around the man's slender waist and continued to coerce her lilac tongue to dance with her ...

"Hey, you, you've had enough." She angrily glared at him. This fellow wasn't kissing at all, he was clearly snatching away her air. If this continued, she would definitely faint.

He punitively pinched the soft flesh on Xia Jinsheng's waist, and immediately heard a

broken moan, which was mixed with a seductive charm.

"You ..."

"Hmm? Do you have any objections? " With just a short sentence, Xia Jinsheng was immediately blocked from speaking any further, staring at him twice, and almost burst out laughing in anger.

This tyrannical man.

She laughed until her waist was bent, and in her laughter, Gu Nanchen's desire faded away, her long and narrow phoenix eyes stared angrily at the woman, radiating cold aura.

This arrogant little woman.
