

# 《Sweet Marriage: Smart Cute Wife》

## Chapter 36

The man's cool tone immediately restored a trace of clarity in Xia Jinsheng's chaotic eyes, immediately pushed away Gu Nanchen and ran to one side.

I'm kidding. Who wants Gu Nanchen's punishment? It's no good just thinking with your toes.

Xia Jinsheng smiled and looked at the uncertain Gu Nanchen, trying to please, "second uncle, let's not make such a joke, shall we?"

"I'm kidding?" Xia Jinsheng refused. Gu Nanchen was not angry and sat in Xia Jinsheng's original position.

Of course she knew he wasn't joking. Xia Jinsheng didn't know if he was really joking, but since she had said it, she had to go on, "I thought you were joking."

Gu Nanchen choked and couldn't talk to this unreasonable woman. Gu Nanchen has seen this for a long time.

Seeing that he was just sitting quietly, Xia Jinsheng couldn't help but relax his vigilance. The sky outside had been stained with ink, and thousands of lights were bright.

Xia Jinsheng's stomach cried out at the right time. Facing Gu Nanchen's eyes, Xia Jinsheng rarely felt embarrassed to touch his nose.

"Is there anything else to eat at home?" Gu Nanchen suddenly asked, saying that he was asking Xia Jinsheng. He had begun to consciously go to the refrigerator in the kitchen.

No matter how determined Rao was, Gu Nanchen still couldn't help frowning at the empty refrigerator as if it had been robbed.

Xia Jinsheng also rushed over and remembered that he had destroyed the last two tomatoes and eggs with rolling this morning. The nannies at home usually pick up billow at night and buy vegetables after school, but now they can't remember such a small thing after such a thing.

"I'll go shopping." Instead of sharing a room with Gu Nanchen, Xia Jinsheng would rather volunteer to go out and prepare food.

Gu Nanchen glanced blandly at the excited Xia Jinsheng and was in a panic. She couldn't wait to stay away from him?

"Is it okay to sleep at home alone?"

"Yes." At the age of three, rolling has basic self-care ability. Of course, it's no problem to be at home alone. But Xia Jinsheng still didn't quite understand why Gu Nanchen suddenly asked.

"Well, let's go shopping." With that, Gu Nanchen has picked up his coat on the sofa, stepped out of his slender legs and walked in front of Xia Jinsheng.

Xia Jinsheng stayed for a second, hit his mouth quickly, whispered and annoyed, "make your mouth fast."

Gu Nanchen heard the movement and slightly bent his mouth.

Although it's only a few steps from Xia Jinsheng's house to the nearest vegetable market, with Gu Nanchen's free ride, the speed immediately increased a lot.

As soon as he entered the supermarket, Xia Jinsheng was ready to go shopping. Many vegetables in the evening were not very fresh. Xia Jinsheng had to choose again and again.

Gu Nanchen stood next to Xia Jinsheng like a patron saint, and attracted those sales girls who worked overtime like an excellent male model in micro clothes.

Xia Jinsheng felt stressed by the wolf like eyes. She didn't expect Gu Nanchen to help herself now. As long as he could swipe a card and pick up something in a moment.

At this time, the proprietress of the market came over. First, she had a good relationship with Xia Jinsheng, and they could chat from time to time; Second, she listened to the chatter of hired girls that Xia Jinsheng had brought a super handsome man, so she came to see what kind of handsome man the little girl had brought.

Obviously, the second reason is the focus.

The landlady of the vegetable market was shocked at the first sight of Gu Nanchen. Of course, except that her temperament was a little cold and hard to touch.

Xia Jinsheng was completely ignored by the gorgeous.

When the landlady looked at Nanchen for the second time, she boldly patted Xia Jinsheng on the back, and couldn't help sighing, "Xia Jinsheng, you have a good eye. How did you get your family? "

With that, the landlady smiled kindly at Gu Nanchen, and her eyes were almost written with the words "this man is very good".

It was rare that Gu Nanchen returned with a faint smile.

The proprietress felt that the deer in her heart was bumping around, and her spring heart was greatly moved. If she was more than 20 years younger, she would chase people in a rage. Unfortunately, time can't come back, and the man obviously has a master.

At the thought of this, the landlady's eyes became resentful when she saw Xia Jinsheng

Xia Jinsheng didn't know that she had another love enemy. She didn't pay attention to the strange look in the boss's eyes, but she was still thinking of the sentence "your family" just said by the boss's wife.

If she was drinking water at that time, she would spray it out. Now Gu Nanchen seems to have a smile that only makes Xia Jinsheng feel numb.

"Sister Liu, you really are. Don't talk nonsense. Where can you tell that this is my family? We are clearly innocent. " The Kung Fu of opening your eyes and telling lies belongs to Xia Jinsheng, who has been thoroughly trained.

Sure enough, as soon as Xia Jinsheng's voice fell, the surrounding temperature immediately dropped several degrees. Xia Jinsheng didn't need to see what was going on.

The landlady's eyes lingered between Xia Jinsheng and Gu Nanchen for a long time, then turned her eyes at Xia Jinsheng and said frankly, "Jinsheng, it's wrong for you to hide it from me. This gentleman looks so much like Gung Gung. Do you still say he's not your family? "

The hand shook, and the tomato she had just picked fell out of her hand. It was difficult to ignore the complex eyes cast by Gu Nanchen.

The speaker has no intention, but the listener has a heart. Gu Nanchen originally thought that the landlady was just joking. After all, it would be normal for Xia gungungung to be Gu Wensheng's daughter and look like him, but now Xia Jinsheng's

action doesn't make sense.

No matter how you look at it, it's a little guilty of being a thief.

Gu Nanchen's narrow Phoenix eyes narrowed slightly. At this moment, he seemed to understand something.

.....

"Xia Jinsheng, you'd better tell me honestly whose daughter Xia gungungung is?"

Her heart thumped and sighed that she had come.

When Gu Nanchen walked out of the vegetable market and sat in the driver's seat with his hand clearly on the steering wheel, Xia Jinsheng realized that Gu Nanchen was likely to ask this question again.

She took a deep breath and tried to calm her tone, but she didn't know that this would only make Gu Nanchen more suspicious.

"I didn't say..."

"Xia Gungun is Gu Wensheng's daughter." Gu Nanchen naturally took over the words and said that he had heard this excuse several times.

“.....”

"Speak." Gu Nan hammered the steering wheel impatiently. Don't think he didn't know that the woman wanted to fool it with silence.

She rolled her eyes powerlessly, and her words were quite angry, "what else can I say after you have finished?"

He frowned and suddenly stretched out his hand to hold Xia Jinsheng's chin. The whole person also approached her, "don't lie to me again. Do you think I will believe it?"

Gu Nanchen was too excited, so he didn't know how strong he was. Xia Jinsheng couldn't help frowning, but soon stretched out, "believe it or not."

The woman's particularly cold attitude made Gu Nanchen angry, but he didn't mess up and asked calmly: "if Gungun is Gu Wensheng's daughter, how can she be so like me? Like everyone else misunderstood? "

Xia Jinsheng was silent. His words were hard to break, because it was true. Compared with Gu Wensheng, rolling was obviously more like Gu Nanchen. Although they were two brothers, Gu Wensheng and Gu Nanchen were very similar.

He thought that the woman's silence verified that what he thought was true, and thought of the soft waxy little guy. Gu Nanchen's heart was particularly soft, and his mouth opened a shallow smile.

As everyone knows, Xia Jinsheng gave him a blow in the head without hesitation the next second--

"You don't think Gung Gung is uncle's child, but second uncle, have you forgotten that uncle attaches importance to little guys today..."

Xia Jinsheng's words were swallowed by Gu Nanchen before he finished. Gu Nanchen only felt that the string in his brain "snapped" broke. God knows how much he restrained himself from thinking about why Gu Wensheng would care about Xia rolling.

At the scene of the crime, Gu Wensheng's care for Xia Gungun made him have to doubt that Xia Gungun was really his own daughter, but once he thought of this, Gu Nanchen's blood burned all over.

Xia Gungun is Gu Wensheng's daughter, which means that Xia Jinsheng had a relationship with Gu Wensheng, and then he went crazy when he thought that Xia Jinsheng had been as close to other men as himself.

He has consciously restrained himself, but the little woman still unknowingly dug his wound and sprinkled salt on him. Don't blame him for being rude.

Gu Nanchen's eyes burst out a cold light. Looking at the rejection on the face of the woman kissed by him, Gu Nanchen was cold. He tore open the woman's clothes and wanted to possess her. He wanted to possess her crazily. He had to engrave his own mark on her to let her know who she belonged to.

"Tear", Xia Jinsheng's eyes stared round. She couldn't believe Gu Nanchen wanted to do that kind of thing in such a place.

Are you kidding? They are now in the middle of the road. Even at night, they can't guarantee whether anyone will come. In case they are seen

At the thought of this situation, Xia Jinsheng trembled angrily, pushed Gu Nanchen away with all his strength, raised his hand to his face and waved it.

"Pa --"

The crisp slap hit his face. Gu Nanchen didn't blink, and the anger and desire in his eyes faded away. The whole body is filled with cold, like the dusk snow of thousands of mountains.

It was obviously a burning integrity, but Xia Jinsheng couldn't help shivering. He didn't dare to look at the injured eyes of the man. Xia Jinsheng tightened his clothes and opened the door to get off.

Her wrist was suddenly grabbed from behind. A strong force pulled her back. Xia Jinsheng fell on the seat and was angry. "Gu Nanchen, you've had enough. I'm going down."

"Shut up." Gu Nanchen's hand hit the steering wheel heavily, and Xia Jinsheng's heart trembled fiercely because of his action. The man's eyes were red and covered with ferocious blood, like a furious lion. Xia Jinsheng knew how terrible the consequences of angering Gu Nanchen would be, and she immediately learned to behave well. Ann sat on the car without moving. Gu Nanchen turned his head and stepped on the brake to the end. The car immediately roared away like a wild horse off the reins.
