

## Sweet Wife 211

### Chapter 211 All Publicity Is Good Publicity

Shawn didn't stay in the hospital for too long.

Jessica went home with the companion of Julia and Ally. She needed to lie low first for the time being.

Though Julia had formed a PR team to cool down the situation. The video was still viral on the Internet and things didn't went well for them. Though it costed them a lot of money, nothing changed for the better. So, it was obvious that Julia was going to take the heat from Jessica.

Consequently, more people held grudges against her.

"It's all her fault and she still blamed it on us. I can't believe how bitchy she can be."

"Yeah, she's a celebrity and should know better than pick on fights with others. She didn't even win and pictures of her were posted on Twitter. What an ass!"

"We have worked so hard to wipe her ass. Does she know how many times her scandals have been trending on Twitter this month?"

"Right, every time she is CARELESS, she just dumps all the crap on us. There are things that cannot be settled with money. What on earth can we do?"

"Disgusting..."

Besides them, people started to be sick and tired of Jessica because they had seen her topics way too often and they were no longer curious at all.

Her fans still believed in her, but it was not the case with others.

"What's the deal with this Jessica? Why is her name all over Twitter?"

"All of this is just hype to help her get back on her feet in the show business. First comes her acting and now comes her fighting. Who knows what's next?"

"Hype? Really? Why would she hype up bad news about herself? That's bad for her."

"All publicity is good publicity. The more publicity she gets, the more fame she gains. She can always clean herself up."

"To be honest, though I never liked her before, I didn't hate her for all those scandals. Now that this came out, she has successfully made me a hater today."

"Same here."

"What do you know? Jessica was clearly set up! So many people were on the set. Only morons would fight there. You guys are being stupid."

"Well, well well, there are still a couple of douchebags defending her now. It's not us that are being stupid, it's you that are acting blind."

"We got videos! We got proofs!"

“ ... ”

People were quarreling on Twitter. At first, Jessica’s fans could stick together to fight back, but now they were a little overwhelmed.

After all, once everyone started to chip in, her fans could no longer handle this situation.

Some of the influential fans could not help worrying and DMing her for explanation.

But Jessica never responded.

Her silence made her fans even more worried. In a few days, the faith of many fans was shaken and they began to support the other side.

Two days later, the official account of Strategies for Cannon Fodder posted the first trailer on Twitter.

The trailer was one minute long and the essence of the series was condensed in it. The way it told the story was attractive and exciting. As the leading actress, Natalia’s acting was excellent and convincing.

The costumes, props and makeup were perfect, and the acting was also outstanding.

The trailer attracted much attention as it came out. And as the leading actor and actress, Mac and Natalia forwarded this tweet afterwards.

Not many people knew about this series before. But thanks to Natalia’s and Jessica’s scandals, this trailer had gotten more than one hundred million views.

Vicente was surprised. He finally realized why Natalia didn’t want to clear things up until the first trailer was released.

Because if one thing was completely clarified, people would stop paying attention to it and the hype would die down eventually.

And when that happened, the series wouldn’t attract so many people even if there was a second release of the trailer.

Though this approach was a little wicked, that was how things worked in this industry. Sometimes abilities were not enough. You also must have luck and methods in order to succeed.

After struggling at the bottom for more than a decade, Vicente knew way better than anyone else.

Right now, he wasn’t worried about the hype anymore, but he still felt sorry for Natalia. After all, this series wouldn’t be so popular without Natalia.

So, Vicente made a call to her.

Today Natalia finally had a day off. She didn’t stay on the set but returned to the McCarthy Mansion at someone’s request.

At this moment, she was reclining on a chaise longue in the backyard garden, reading a book idly while eating fruits.

And Archie didn’t go to work intentionally to stay home with Natalia today.

As her phone started ringing, he glanced and saw the name of the caller.

He picked up before she could reach to the phone and answered.

Vicente laughed and said, "Lia , what are you doing right now?"

Archie froze.

He called her Lia?

Were they this close?

Archie got a little jealous and asked, "What's wrong?"

Vicente didn't expect that Natalia wouldn't answer the call. He was shocked when he heard that deep voice.

After a few seconds, he realized who was on the phone. He instantly changed his tone and said, "Mr. McCarthy?"

"Yes?"

Archie didn't want to say a single word to him.

What a waste of time!

It had been two months and now he could finally have some time with Natalia alone. Why did Vicente pick this time to call and interrupt them?

Vicente felt the grimness in his voice and said, "Well, I'm just calling to send my greetings. Sorry to interrupt!"

He hung up in a hurry.

Archie put the phone away contently and passed it to Natalia. He smiled brightly and said, "Honey, it was Vicente. Nothing important."

Natalia rolled her eyes.

"Why did you have to scare him like that?"

She was not that dumb. She could easily tell that Archie was faking a deep and intimidating voice the whole time on purpose.

Archie choked on her words and didn't explain. He looked at the time and said, "Time for lunch. Let's go to the dining room."

Natalia nodded and went with him.

After lunch, she got a call from Elsa. She told her that countless people were DMing her now.

Natalia stunned a little.

She didn't know much about her official account because she only used it for business. Elsa was the one managing this account.????????

## **President's Sweet Wife**

### **Chapter 212 A Funny Misunderstanding**

She only used this account to forward the videos of her company's artists or to promote some other stuff. It was kind of like an official account of Star Entertainment.

The account she would actually use was a private one.

The moment she heard what Elsa said, she automatically thought something was wrong and asked, "What? Anything happened?"

Elsa answered happily, "Yes! Something great happened! Log in and see for yourself!"

Natalia hung up blankly and logged in her official account. Numerous direct messages were flooding in.

Other than that, she was tagged for countless times.

She only had about one thousand followers before and now more than two million people had followed her.

She just stood there and froze.

With a closer look, she found out that after she forwarded that trailer, the number of her followers started to rise sharply. People were praising her for her acting and good looks.

In her DMs, her fans left tons of loving messages. Under the trailer she forwarded, there were more than ten thousand comments and all of them were compliments.

It was a huge deal for a newcomer like her.

Natalia couldn't help laughing out loud.

Then she found that Victoria, Stephen and Laura also helped forward that tweet.

Victoria forwarded, "Today is a big day! Come and see my sis!"

Laura forwarded, "Congrats to my boss! Hope this series will be a huge success!"

It made sense that these two helped her forward the tweet, but it was surprising for Stephen to do so.

Stephen forwarded, "She's stunning!!! Wanna be friends with her!!!"

As the most popular idol in this country, Stephen had a large number of fans. On Twitter, he had over sixty million followers. So, after he forwarded, the topic started trending immediately.

Fan A commented, "Sweetheart, you're being naughty again."

Fan B commented, "Go back to your training. Ready for the new album next month?"

Fan C commented, "She doesn't wanna make friends with you, babe just go back to practice your new songs!"

Fan D commented, "Stop being so naughty! We will watch her series! The only thing you need to do is to sing your songs!"

...

Stephen's fans were used to his fickle behavior patterns. So, they were not surprised that he helped promote a new actress' trailer.

But other people who didn't know much about his personality was shocked.

"Do Stephen and Natalia know each other? Something strange is between them!"

"Really? I remember he helped some other actresses forward tweets before."

"It's completely different! Those actresses he helped were close friends to him. But this time... Natalia is a newcomer, right?"

"I think this may be another scandal!"

"I heard that Natalia slept with the director before! OMG! Why would he like such a slut!"

"That scandal was clarified, right? Actually, she is quite gorgeous and I have no problem if Stephen likes her."

"I'm literally crying right now... I'm kind of sad that my babe has a crush on someone. But still, congrats!"

"Why are you people so jealous? Stephen is in his late twenties and it's ok for him to be in a relationship! I really don't know what's on your people's mind!"

...

Pretty soon, the topic #StephenNatalia was trending on Twitter.

Natalia had no idea about this situation until she got some messages from Victoria after she showered and lay down on her bed.

She found out what happened after reading those gossipy and wicked messages Victoria sent.

Natalia was speechless.

In the past she only knew that people liked to speak on hearsay evidence on the Internet, and now she realized that they also liked to use their imagination.

Overimagination was a disease that needed to be cured.

She quickly tweeted, "Thank you Stephen! Hope you and your wives will live happily ever after!"

Stephen was astonished.

Her response scared a lot of people.

Wives?

What the hell?

Did she just use the plural form?

Were there even more secrets?

Stephen forwarded her tweet and commented, “???”

Natalia replied, “I head you got tons of fans who want to be your wives or girlfriends. I’m helping you treat them as equals!”

People were suddenly enlightened and burst into laughter.

Hahahahahahaha...

Wives? How hilarious! And she explained it in his comment section!

She really wanted to stay out of scandals.

People knew that she was clarifying the scandals before, but the way she did it was really astonishing.

It was funny and also flattered Stephen’s fans in a way.

She was such a treasure!

The fans were having fun while Archie also saw that topic.

His facial expressions shifted rapidly and he called Stephen at once.

“Stephen, I’m giving you the chance to choose your way of death.”

Stephen panicked, “What???!?”

He didn’t know that people would overthink his words. Right now, he couldn’t be more regretful.

He explained confusedly, “Archie, I, I didn’t mean to say that. That is nonsense! This is only their imagination. Don’t believe their words! I just wanna help Natalia promote her new series. I have nothing to do with this! I meant well!”

Archie smiled grimly, “You have nothing to do with this?”

Hearing this, Stephen knew that Archie wouldn’t accept it.

He immediately added, “I’ll clarify this situation ASAP! There’s still time to fix this. Just wait for a sec, I’m tweeting right now!”

Stephen didn’t dare to hang up the phone. He promptly logged in his Twitter and tagged Natalia in his tweet.

“You are like a sister to me, Natalia! People say that you should respect your sister as much as you respect your mom. I’ll definitely respect you in the way I respect my mom! @NataliaDawson”

When this tweet came out, people started laughing out loud.

“Is he alright? Why is he so funny!”

“Respect her in the way he respects her mom? What the hell? Hahahahahahaha!”

“Hahahahahahaha! I laughed so hard that I think I cried a little!”

“Why is he being so cautious hahaha!”

“@NataliaDawson, shout out to my mother-in-law!”

“He is so naughty!”

“Who said they were together, huh? Come and see how wrong you are!”

...???

## **Chapter 213 Getting Married Ahead of Schedule**

All in all, people were quite convinced by Stephen’s response.

He was handsome and also had a sense of humor, which made people like him more.

And he successfully turned this scandal into a comedy.

How hilarious!

As for his fans, they were finally relieved after both parties lifted the misunderstanding.

They knew that Stephen would never lie to them. He would just admit what he had done.

He and Natalia were just friends. No real couples would ever make jokes like this.

As long as they were not lovers, his fans didn’t care about other stuff.

But since they were friends, his fans wouldn’t mind help promoting this series. Natalia was so pretty and her acting was fantastic. Who knew if she could become a big shot one day?

After that, Natalia had witnessed how the number of her followers had doubled dramatically.

Natalia didn’t know what to say.

But it was indeed a good sign to gain so many followers. She didn’t think too much and went to bed.

Then there was another voice on Twitter.

“Jessica also starred in this series, right? She is kind of like one of the leading creators. So why is she the only one that has not forwarded the trailer?”

People started to question quickly.

There was even a rumor that Jessica had gotten kicked out from the series because of her fight.

The official account of the series hadn’t announced that yet so all of this was just gossip.

But that didn’t stop the gossip spreading widely. A lot of people thought it was true.

Jessica’s fans were like a cat on hot bricks.

It was already hard enough for her to get back to the show business. If the rumor was true, then it was all over.

In the Dawson Mansion.

Jessica was also agitated.

Julia didn't allow her to see what was going on on Twitter because she was afraid that this might affect her mood. She wanted Jessica to have a good rest at home so that she could get back on her feet.

For that, she took away her phone and computer.

But that didn't mean she wouldn't know what was happening on the Internet.

After all, she could sense that something was definitely wrong from the look of her two maids who came in to run a bath for her.

No, she could not take this anymore.

Julia was not capable of handling this situation. If she continued to sit still and do nothing about this, she would regret it afterwards.

Jessica put on a coat and went downstairs.

In the living room, Clara, Philip and Aleena were sitting on the couch gloomily.

They were not surprised to see her.

Clara pointed at the couch opposite to them and said, "Since you're here, sit down."

Jessica was perturbed. But seeing Clara scowling, she didn't dare to utter a word and sit down quietly.

Of course, Philip had seen the gossip on the Internet, which explained why he looked so angry.

"Mom, what should we do now? If the rumors keep spreading, Jessica's career will be doomed! And if that happens, all of our money invested in Century Entertainment will be gone!"

Back then, when Century Entertainment signed Jessica, the Dawson family invested a large amount of money to support her.

They told everyone that it was an investment, but it actually was intended to strengthen their relationship with the Miller family. Because Henry didn't approve the relationship between Jessica and Shawn in the first place.

Henry and Kiera went to the same university and were pretty close at that time. Obviously, he didn't like Aleena and Jessica who tried to kick Kiera out of the Dawson family.

But Jessica was so good at acting nice and obedient, and at present she was the only match for Shawn Miller.

Plus, Natalia was caught cheating and there was no turning back. He had no choice but to accept the fact.

Now, there was no way that the Miller family didn't know about what happened to Jessica.

Clara had always wanted Jessica to marry Shawn. It was hard to say whether Henry would accept her if her reputation was ruined.

Therefore, at this time, they couldn't remain silent any longer. They must take action first.

Thinking of this, Clara looked at Jessica and suddenly asked, "Last time you told me that Shawn proposed to you and that you would get married after the series was done. Is he serious about this?"

Jessica nods. "He said that in front of a lot of people on the set, so he must be serious."

"Good."

Clara thought for a moment and said, "In that case, you need to get married as soon as possible. Wouldn't it be better for you to get your marriage certificate first and then hold the wedding ceremony after the filming is done?"

Jessica paused.

It didn't take her long to figure out what Clara meant.

She was now caught up by scandals. Even if she tried to clear things out, it would take a lot of time and effort.

Instead, she could simply cover it up with some good news first to distract the audience, and then clarify it step by step.

But she still hesitated for a while.

"Will Shawn ... agree with us?"

Clara said earnestly, "If he really loves you, he will. Shawn is a smart man. He knows how much it would benefit you to get married now. Just tell him!"

Jessica bit her lip. After a few seconds, she finally nodded.

"All right then! I'll give it a try."

That night, Shawn got a call from Jessica.

At the time, he was in his office at Century Entertainment. He was in a meeting with the PR team to come up with a solution on Jessica's case.

When he got the call, he could not help but picture her crying in his mind. He was a little agitated.

He felt an impulse to hang up on her. After some hesitation, he finally answered.

"Hello?"

"Honey, are you in bed?"

Shawn wearily rubbed his eyebrows, "No, why?"

Jessica hesitantly said, "Well, grandma came to me and asked me to discuss something with you."

Shawn stunned and became a little uneasy for some reason.

He asked, "What is it?"

“Grandma thinks the situation is too complicated. No matter how we explain, those people won't buy it. So, she wants us to get married as soon as possible. We can get our marriage certificate first and have a wedding ceremony afterwards. What, what do you think?”

Shawn didn't say anything.

There was only silence at the other end of the phone.

She felt like she was holding a bomb instead of a phone. Her palms began sweating.

## **Chapter 214 The Meeting of The Two Families**

After a while, she heard a chuckle.

“What do you think?”

“Me?”

Jessica seemed a little surprised. She didn't expect Shawn to ask her that question.

She bit her lip and her ears turned red quickly.

She said softly, “Of course I want to marry you soon. After all, we've been together for quite a long time...”

“Then let's do it if you want to!”

His flat and calm words shocked Jessica. And then she was overwhelmed by joy.

“Really? You really wanna marry me?”

Shawn looked out of the window coldly. He did not know why he suddenly felt so lonely and sad.

It was as if a fire that had been burning inside him was dying out.

He said quietly, “Of course. We've been together for so many years, and you once carried my child. Even though the child is gone, I must take the responsibility, right?”

Jessica almost burst in tears of joy.

“Shawn, thank you. I, I thought...”

She sobbed and continued her words, “I thought after everything I put you through, you don't love me anymore and won't want to marry me. And now ... I am...”

Shawn smiled.

“Why would you think that, my silly girl? Even if everyone is against you, I will always be on your side.”

“Shawn...”

“...”

For Jessica, this night was like a beautiful and fragile dream.

It still seemed to be a sweet daydream to her when she looked back long after.

But at the end of the day, her dream could never become reality.

It was like a faint light from sky. Even though it was unreal, she held on to it as if it was her lifeline.

When it was all over, she finally realized that it was all her own wishful thinking.

She could never get what didn't belong to her. But she chose to drown herself in her perfect illusion and never wake up.

...

With Shawn's approval, the Dawson family soon informed their relatives that Jessica and Shawn were getting married.

At the same time, they called Henry to have a discussion about the marriage of the younger generation since they would be in-laws soon.

Although they weren't having a wedding right now, Jessica's filming would be over soon. So, if they were going to have a wedding, they would have to plan it in advance.

With a month to go, the timing was perfect.

Henry agreed and didn't say anything else. But as soon as he hung up the phone, he turned to Shawn and scolded him angrily.

"I've told you not to break up with Natalia for that woman! And look what she has done! You still wanna marry a woman with such a bad reputation? She is no good for you! I can let the money she costed Century Entertainment slide. But I will never agree to let her become my daughter-in-law!"

Shawn sat on the couch with his head down. He let his father yell at him and didn't say anything more.

After Henry finished, Shawn looked up at him and said quietly, "Dad, calm down. You haven't been so well lately. Anger is bad for your health."

"How dare you!"

Hearing that, Henry got even more mad. He threw a pillow at him and yelled, "How dare you say that! If it weren't for you, I wouldn't be sick at all!"

Shawn put the pillow aside in silence.

After some time, he said in a calm voice, "I have promised to marry her. I owe her that."

"You don't owe her anything. Haven't you done enough for her family? She's trying to use you to whitewash herself! Are you really gonna let her do this? You wanna bring disgrace to your family?"

"We're businessmen. We don't need reputation to make money..."

"Easy for you to say!"

He couldn't get any angrier with the son. He thought for a while and said, "Hold them off first. You can only make verbal promises and don't you dare get your marriage certificate now! And I will not give you my consent. If you keep acting crazy, I will kick you out of this country like I did to your sister!"

Then, Henry got up and returned to his room.

Shawn was still sitting on the couch. He ruffled his hair and didn't say anything.

The next day, the Dawson family made an appointment with Henry to have lunch at Hitz-Hardon.

Jessica came early. She was in the car with Clara, and Aleena was in the car with Philip.

The car parked in the underground garage. Clara grabbed Jessica before she got off the car and asked, "Are the journalists all set?"

Jessica hesitated and nodded.

Clara was finally satisfied. Then she sighed and explained, "I don't have choice. I could tell he wasn't so happy about your marriage. Well, I know him well enough! He treated you well only because you were carrying Shawn's baby back then. He has never mentioned once about your marriage since the baby passed away. I set up this meeting only because I don't want to give him the chance to go back on his word. Can you understand my intention?"

Jessica bit her lips and nodded, "Thank you, grandma. I know."

"Good. When they come, you should be on your best behavior. Don't embarrass me."

"Ok."

After they got out of the car, they went into the elevator and entered their reserved box.

Shawn and Henry arrive just on time. They immediately came forward to shake hands with Philip and Clara.

"We are deeply sorry. Something urgent had come up at the office. Please forgive for being late."

Clara smiled gently, "We're gonna be in-laws soon. You don't have to be so polite around us. We're family now."

Henry smiled and nodded. Then everyone sat down. Of course, Jessica sat next to Shawn. The waiter began to serve the food.

"Mr. Miller, I know you are a busy man and I really hate to bother you. The reason why I want our families to get together today is to discuss the marriage of Jessica and Shawn..."

"I know and I am very sorry because this should be put forward by us. But we've been so busy lately that we didn't have the time to do that. I must apologize for that."

"No no no, you're being too polite, Mr. Miller."

"Well, let's have dinner first. The matter is not urgent. We can discuss it after dinner."?????

**President's Sweet Wife**

## Chapter 215 Experienced And Prudent

Clara was relieved to see that he did not object. She smiled and everyone started to enjoy this lovely dinner.

However, at that moment, the door of the box was suddenly thrown open.

Hearing the clicking sounds of cameras, they saw some journalists swooping in.

"Mr. Miller, I heard that today the Miller family is meeting with the Dawson family to discuss the marriage between Jessica and Shawn. Is that right?"

"Have you fixed a date for the wedding? When is it?"

"Can you tell us what kind of wedding you will have?"

"I heard you grew up together and have been in love with each other for many years. Can you share your love story with us?"

"..."

The room was filled with all kinds of noises.

The clicking shutter and the blinding flashlight seemed to shock everyone in the box.

When Henry saw those journalists flooding in, he pulled his face immediately.

Shawn was also shocked and looked at Jessica in disbelief.

A flicker of guilt flashed in Jessica's eyes and then she quickly covered it up. She turned to Shawn and shook her head in panic.

"Shawn, it's not me."

Clara also pretended to be surprised. But she calmed down very soon and smiled at those journalists.

"Thank you for your concern, but this is a private gathering and I'm afraid we won't be able to be interviewed today... This is a little inappropriate."

After saying that, she gave Henry an awkward look. She seemed to be very sorry and frustrated.

Henry scowled, pretending not to see her face.

Shawn came to his senses and knew that there was no use running away from the situation.

Now that the journalists had come, they wouldn't leave without getting what they want.

So, he stood up in front of the camera and said, "As you can see, today we are here to meet and discuss for our marriage. Jessica is an actress and I can understand why you guys are here. But our parents are ordinary people and we want this meeting to be private. I hope you understand. And if we come up with a result, we will inform you as soon as possible, so please rest assured. Now it's time for dinner. Please have a rest downstairs and get something to eat. My treat."

Shawn handled this gracefully. He wasn't upset that they were interrupting his private trip, nor did he reveal his privacy to please the journalists.

He even offered to buy them dinner, which kind of won their hearts.

They were all impressed.

So was Clara.

She thought to herself, "Jessica isn't wrong about this young man. He absolutely will be able to benefit the Dawson family."

At this point, the journalists had nothing left to say.

Even though they wanted to dig in, the Millers refused to say more and there were bodyguards coming to send them out. They had to get out of the room.

After a few minutes, the room was finally quite again.

And a little awkward.

Henry just sat there and didn't utter a single word.

Philip wanted to say something to ease the mood, but he was not smart enough to make things less awkward.

Aleena smiled at Shawn and said, "I've always heard that Shawn is an experienced and prudent young man. Now I know it's true. I'm happy to see that you and Jessica are together."

Shawn forced a smile and responded, "Thank you."

Just then, Henry's cell phone rang.

He picked it up and started frowning.

"What? Okay, hold on. I'll be right back!"

Henry stood up.

From the look of his face, Clara could tell something was wrong. She asked promptly, "Mr. Miller, what's going on? Now that we are in-laws, we may be able to help."

Henry froze.

In-law? How aggressive!

He answered calmly, "There is an emergency in the company and I have to rush back. Pardon me. Shawn, stay here to have dinner. Remember to send Mr. and Mrs. Dawson home personally. I must leave now."

Shawn stood up and nodded, "Ok."

"But..."

Clara wanted to say something more, but Henry didn't give her the chance. He picked up his coat and hurried off.

The room was quiet for a moment.

Then Philip said awkwardly, "Hahaha...Well, Mr. Miller is such a busy man that he didn't even have time for a dinner."

Shawn explained, "Our company has been expanding overseas market recently, and things are a little tricky. My father just came back from Kyoto a few days ago."

Philip's eyes brightened.

"Overseas? Seems like the Miller Properties is going global now?"

Shawn grinned slightly and nodded, "Yes, but it's still in progress. No one can guarantee that this will definitely go well."

"I believe talents like Mr. Miller and Shawn can surely make it happen." Philip said cheerfully.

Clara's face finally brightened up.

"Philip is right. Since Mr. Miller is so busy, we don't want to disturb him like this. The matters of the marriage can be discussed some other day."

"That's right. We don't need to rush. Your work is much more important."

Shawn smiles and didn't say a thing.

Without Henry, they quickly finished the meal

Clara refused his offer of sending them off and went home with Philip and Aleena, leaving him to attend to his own business.

Instead of going back with them, Jessica got into Shawn's car and went to Century Entertainment with him.

Century Entertainment was invested by the Dawson family so they were not afraid to be photographed.

Once they went into his office, Shawn pulled a long face and turned on his computer silently.

Topics about their marriage was trending not only on Twitter but also on other websites.

It seemed like they were absolutely getting married.

Some people even said that they already got their marriage certificate and both families were gathering to celebrate the great news, and that the wedding would be held in a few days.

## **Chapter 216 Break Up**

The further Shawn went, the more worried he was.

Standing aside, Jessica was also nervous. Seeing that his face was getting darker and darker, she slowly walked over and said carefully, "Shawn, I'm sorry. I didn't know that there would be so many reporters following us today."

Shawn looked up at her with a disappointed and cruel sneer.

"You really don't know?"

Jessica's heart skipped a beat.

When she looked at his eyes, she felt as if her mind had been seen through. Her eyes flashed and she nodded.

"I really don't know. If I knew, I would have reminded you in advance."

"Oh? Really? I thought you arranged those reporters outside on purpose to catch the scene! It seems that I misunderstood you."

Shawn's voice was gloomy. It seemed that he didn't think so.

Somehow, Jessica felt a little guilty and scared. She forced a smile and took a step back.

"Shawn, why do you misunderstand me so much? We are going to get married soon. I have no need to do that."

"Really? But after all, we are not really married. What if I regret halfway? With today's news, it can prove that our marriage is a foregone conclusion."

"If I really go back on my word in the future, today's reports will be the sharpest sword to hurt me and the most effective evidence to prove that you are a victim. You can't say you have no need to do such a profitable thing."

Jessica's face turned completely pale.

She looked at Shawn as if she was looking at a monster.

Shawn had already stood up and walked slowly towards her, with incomparably calm and cold power in every step.

He walked up to her and suddenly squeezed her neck with his hands.

"Jessica! You set me up, and now you even want to lie to me again in such a situation! What do you think of me? A big fool who can be deceived and fooled by you easily?"

Gritting his teeth, Shawn exerted so much strength that he almost broke Jessica's neck.

She grabbed his hand in panic and stepped back. Soon she was pressed against the wall behind the desk.

"Ah! Shawn, let me explain..."

Jessica's face turned red, and she could barely squeeze out a sentence breathlessly.

Shawn's face was dark. Looking at her face, he wished he could tear up the hypocritical mask on her face.

He gritted his teeth and said, "Explain? Now, how do you want to explain? Do you really think I don't know what you have done behind me these years? I just don't want to talk about it for the sake of our relationship."

"But now, you want to take advantage of me! Who do you think I am? Do you think I am a fool like Natalia who is willing to be bullied by you and your mother?"

As he spoke, he threw Jessica onto the sofa.

Finally being exposed to the air again, Jessica took a deep breath and began to cough painfully.

Shawn looked at her coldly, as if he was looking at a dirty rag.

"From today on, our relationship is over! Go back and make it clear to your snobbish grandmother that our marriage has been over. From now on, the Miller family has nothing to do with the Dawson family! Tell her not to come to me again."

Then he strode away.

Jessica was stunned.

She grabbed Shawn's hand and asked in a trembling voice, "What do you mean? Over? I am your fiancée. You said you would be responsible for me. How could you end it so quickly?"

Shawn looked at her sarcastically, "Fiancée? How dare you mention something you stole in front of me?"

Jessica was shocked.

She looked at the man in front of her in disbelief. She couldn't believe that such hurtful words came out of his mouth.

She shook her head and said in a low voice, "Shawn, when we were together, you didn't say anything about it. If you didn't agree, how could I have sex with you?"

"You didn't say it was stolen at that time, but now you want to break up with me and think it was stolen! Shawn Miller, how could you say words like that?"

Shawn pulled a long face. "If you hadn't seduced me, would I have been fooled by you? And would we have become like this?"

"You!"

Jessica was so angry that she almost spat out blood. Shawn shook her off coldly and said in a deep voice, "I always thought that you were a gentle and sensible woman, but after I was with you, I found that you were not that gentle at all."

"I've seen enough of your pretended tenderness and kindness. I just don't want to abandon something that I have used before, in case that people might think I am immoral."

"But you really annoyed me today! You know what I hate most. I hate being used! I have promised to marry you and hold a wedding with you."

"But you are not satisfied and still let the reporters launch a surprise attack. Do you want to threaten me with this? Huh! I shouldn't promise you those things. You really don't know who you are. You deserve all of these today. You can't blame anyone else!"

After saying that, he threw her away heavily. Without looking back, he pushed the door open and strode out.

Jessica tried to catch up with him in a hurry but was stopped by his secretary outside the door.

"Miss Jessica, I'm sorry. Mr. Miller is going to have a meeting. Please don't bother him."

Jessica wanted to lose her temper subconsciously, but she held her anger back when she thought of Shawn's attitude just now.

She took a deep breath, and a few seconds later, a pale and forbearing smile appeared on her face.

"Okay, I know. Don't worry. Shawn and I just had a quarrel. How could a couple have no quarrel? Do you think so?"

The secretary lowered her head and said nothing.

Jessica secretly pinched her fingers and said, "Well, I have something else to do, so I won't stay any longer. I'll come to Shawn another day."

Then she left.

...

The news about Jessica and Shawn's wedding on the Internet hadn't faded away, and it was even getting hotter.

Although some netizens had guessed that Jessica wanted to cover up the fact that she slapped Natalia a few days ago with such news, most of them did not care about it.

What they cared about was the news that the so-called perfect match was finally going to marry.

Then, Jessica's private studio went to post a tweet.

The tweet included several photos of Jessica after she was injured, a simple report of her injury and a lawyer's letter.

In addition, there was an announcement, "A thief is crying 'stop thief', and someone who hurt Jessica still pretends to be the victim. Jessica is gentle and kind. She thought that a clean hand wants no washing. But the fact is not satisfactory. She can only take legal weapons to protect herself. The punishment will sooner or later come to those who really deserve it!"

Jessica forwarded the message immediately.

The public opinion on the Internet was in an uproar after they saw it.????????

**President's Sweet Wife**

**Chapter 217 The Storm Is Coming**

Netizen A: What? What was going on? Wasn't it Natalia who was slapped? Why was Jessica also slapped?

Netizen B: It seems that the wound is very serious! Are you OK?

Netizen C: The report of injury is there, level two minor injury.

Netizen D: Minor injury? Then she might be fine!

Netizen E: bullsh\*t! It's also a minor injury if your nose is broken. Believe it or not? As long as your arms and legs are fine, all other injuries are minor injuries. Don't you understand this common sense?

Netizen F: So, speaking of the video before, Jessica was wronged!

Netizen G: No way! She really hit someone in the video. As for why she was beaten, too, nobody knew the reason.

Netizen H: Woo, Jessica is so kind and lovely, but she was beaten like this. Shouldn't the company and crew give an explanation? Who was the mob? Let the mod be punished!

Netizen I: Yes, I agree. Let the mod be punished!

...

Jessica's fans had been waiting for a long time. Finally, their idol came out to speak.

She even sent such a horrible photo, which made everyone feel very sorry for her.

Those fans tried to comfort Jessica, and meanwhile, they spread the news in an arrogant manner.

Who said that Jessica had a bad personality?

Who said she was bad-tempered and hit people on the set?

Now the truth was there!

She was beaten more miserably!

What? It sounded a little weird.

The fans immediately changed their speaking. Jessica was kind and lovely. She just fought back when she was bullied. Hope that the netizens could follow the truth, find the one who should really be responsible, and give justice to Jessica!

Yes! Please give Jessica justice!

The voice on the Internet was getting louder and louder, as if a storm was coming.

Natalia's Twitter account also began to be invaded by such voices.

After all, in the video, Jessica had hit Natalia. Now that Jessica had come out to prove that she was also injured, it was not hard to guess who should be responsible for Jessica's injury.

Countless fans of Jessica began to curse Natalia, with all kinds of obscene words.

In the hotel of the crew, Natalia looked at the aggressive comments on the Internet. She even laughed.

Nancy was so anxious now. She widened her eyes in disbelief as she saw Natalia laughing.

"Natalia, why are you still laughing in such a situation?"

Raising her eyebrows, Natalia asked, "Why can't I laugh?"

"Because... Because..."

Gritting her teeth, Nancy couldn't say anything.

That day, Jessica slapped Natalia in the face, and Natalia returned two slaps.

In fact, it was normal.

But Nancy was so angry that she rushed up and kicked Jessica again.

In other words, Jessica's injury had nothing to do with Natalia. It was all Nancy's work.

But now, Natalia was cursed by the whole Internet because of her. Naturally, Nancy felt sorry for Natalia and blamed herself.

"Natalia, how about I stand out and tell them the truth! I'm your bodyguard. It's my duty to protect you. Even if they want to curse me, I will accept it."

Looking at her anxious face, Natalia couldn't help laughing.

She reached out her hand and pinched Nancy's face.

"My good Nancy, don't worry. The situation is not as bad as you think."

Nancy's eyes widened.

"Is the situation not bad enough?"

Natalia shook her head. "Not enough."

Nancy was confused and couldn't understand what was in Natalia's mind.

Holding her chin, Natalia thought for a while. Then she took her phone again and sent a message to Elsa.

Then she put the phone down and lay down directly. She also pulled Nancy to lay together.

"Well, don't be angry. Let others be angry and we should never be angry. No one will take care of us if we get sick because of anger. Let's take a good nap!"

Then she closed her eyes.

Nancy was so anxious that she wanted to say something but stopped on second thought.

But seeing that Natalia obviously didn't want to say anything more, Nancy couldn't ask more. She could only lie down listlessly.

That night.

A famous blogger, with a lot of fans on the Twitter, suddenly released a piece of news.

What shocking news! The pure goddess was actually a mistress? The affair between sister-in-law and brother-in-law!

Everyone clicked the link out of curiosity, only to find that it was talking about Jessica, Shawn and Natalia!

What the hell! What the hell was this?

The article was simple, easy to understand and a little humorous.

It roughly described the six-year relationship between Natalia and Shawn, and how Jessica managed to get involved in it and finally achieved the goal.

In addition, it mentioned Jessica's background "unintentionally".

Jessica's mother and father grew up together. They parted in the middle of their childhood. Eighteen years later, her mother came back with her and kicked away her father's original wife and succeeded in getting the position.

If someone thought of it carefully, the daughter, Jessica, seemed to be a copy of her mother.

Both Jessica and her mother grew up with their own lovers, then became mistresses and kicked away the original wives.

Was it a coincidence or a conspiracy?

This article caused a sensation in public opinion that was already about to explode.

Everyone couldn't believe that Jessica, who looked so gentle and pure, and who had been showing off their love with Shawn everywhere, was actually a mistress!

But all mistresses were despised.

Especially for Twitter, there were more female fans.

The statement and several photos released by Jessica's studio made people feel sorry for her.

But now, it seemed that she was guilty and beaten by the original wife!

She deserved it!

The trend of public opinion was reversed again. They fired at Jessica at the same time.

However, there were also some more rational fans. They thought that just an article of a famous blogger was not enough to earn trust.

After all, it was easy to spread a rumor, but it was hard to make it clear.

The news shouldn't be trusted easily on the internet.

It was better to wait and see if there was any evidence.

Unfortunately, the blogger had never made a sound since this piece of news was exposed.

No matter how the netizens cursed, urged or sent private messages, the blogger wouldn't reply.

It was as if he had disappeared from the world all of a sudden.

This situation lasted until the next night.

Jessica's fans were pleased to see that the blogger didn't make any more moves.

See! The news was fake!

The blogger thought he was guilty and dared not speak!

Their great Jessica was still pure and kind, innocent and harmless.

It was all those coquettish bitches outside who wanted to frame her!

Humph!

Natalia paid no attention to public opinion on the Internet. The filming would be finished in half a month. She was busy analyzing the script and memorizing the following lines.

Jessica went back to work, too. After all, the crew didn't do charity. They had allowed her to take a few days off before, which was an exception. No one could take more days off than that.

Although the filming was restarted, the surrounding area of the film set was still surrounded by bodyguards every day.

This was Clara Reid's decision. She knew that the article on the Internet had caused a sensation.

Now Jessica was in an extremely dangerous situation, and she couldn't make any mistake. Therefore, the media must be banned, and they were not allowed in to cause any trouble.

## Chapter 218 Fight Back

Thus, Jessica finally got a period of peaceful time.

However, this peace was broken the next morning.

A reporter dressed up as a staff member of the film set stopped Jessica when Jessica went to the film set from the hotel the morning.

"Jessica, can you respond to the rumors about you on the internet?"

"I heard that the relationship between you and Shawn is not as you said. He was engaged to your sister, Natalia, but later he broke up because of you and decided to be with you. Is this the truth?"

The bodyguards had been surrounding the set, but Jessica didn't expect that there would be a reporter sneaking in.

She panicked and didn't know what to do.

Fortunately, Ally was there to block the camera. Ally said angrily to the reporter, "I'm sorry. Jessica has to go to the set. She can't answer your question."

But the reporter had been in this circle for many years and was experienced. How could he be persuaded by Ally?

The reporter immediately asked, "Do you avoid this question because the rumors on the Internet are true? Are you guilty and afraid of answering it?"

"What are you talking about?"

Ally got anxious immediately. There were also many staff around who went to the film set together. They all stopped and looked at Jessica curiously.

They had read the breaking news on the Internet these days.

In fact, they were dubious about the content of the article.

It was true that Natalia and Jessica didn't get along well with each other all the time. It was very likely that it was the reason why the two of them didn't get along well.

However, Shawn had come to the film set many times, and naturally, he had bumped into Natalia more than once. The two of them didn't have any strange reaction.

If the rumor was true that Jessica had stolen Natalia's boyfriend, then the three of them would be embarrassed to run into each other!

Therefore, when they saw that the reporter blocked Jessica's way, they didn't help her. Instead, they were curious about the gossip, and all waited for the answer.

Jessica realized that she could not possibly get away from it today anyway.

If she said nothing, the reporter might spread the news again.

Therefore, she gently pushed Ally away, looked at the reporter and said in a deep voice, "Okay, since you asked, I will answer you."

The crowd burst into an uproar.

WOW!

She really wanted to respond!

Was she going to tell the truth?

There were a lot of gossips in the rich and powerful families. Everyone had been so excited waiting for a good show.

The reporter also quickly raised the microphone and adjusted the camera, waiting for her to speak.

Jessica took a deep breath and said in a deep voice, "I admit that the relationship between Shawn and me is not as smooth as we said before, but it is not like what they said on the Internet."

"We have known each other for a long time. Although we did not really grow together, we have been together since I went to college. We have always been in a good relationship."

"Although there are also some quarrels, it is also the case for every ordinary couple. We are just no exception as a couple, so there will definitely be no problem between us."

"As for Natalia, although she is my sister, since she left the Dawson family to study abroad five years ago, we have little contact, so I don't know much about her feelings for Shawn."

"For the rumors on the Internet, I want you to think about it. One of us was at home, and the other was abroad."

"I was with Shawn five years ago, but she just came back three years ago. If there was really a mistress, who was more likely to be the mistress, I or she?"

"Well, all I said today is only about the rumor on the Internet. I don't mean anything else."

"That's all I can say. Now I'm going to work. Please understand and don't disturb my work anymore. "

Then she ignored the reporter and strode away with Ally.

The crowd and the reporter were stunned.

What did Jessica mean?

There was something else in her words!

Did she mean that she hadn't stepped in the relationship between Natalia and Shawn, but Natalia had stepped in the relationship between her and Shawn?

What the hell was going on! Why was this matter so dramatic?

No matter what, Jessica's response today was pretty good.

Some onlookers even began to believe her words, let alone those netizens if they knew this!

Jessica and Ally went to the set in a hurry. It was not until she was sure that there was no reporter following her that she heaved a sigh of relief.

Ally pursed her lips and said in a low voice, "Jessica, will we irritate Natalia by doing this? That woman is horrible if she gets crazy!"

She still remembered that Nancy kicked Jessica on the film set last time.

Although she was not the one who had been kicked, it still hurt!

Jessica glanced at her and asked coldly, "Are you afraid of her?"

Ally was startled.

She shook her head immediately, "No, I'm not afraid."

Jessica sneered, "Let's wait and see! That b\*tch dared to buy off a blogger to frame me. I just try to fight back. Let's see if those people believe me or her!"

That afternoon.

Several famous bloggers also revealed the complex relationship between Natalia, Jessica, and Shawn.

The title was as following: Stunning Reversal! Girlfriend VS Mistress! Complicated Story!

The article wrote down what Jessica said in the interview today in words and attached a video.

Public opinion was in an uproar again.

Recently, there were too many gossips about the two sisters, and everyone was almost numb to them.

The netizens had gone through too many reversals. Even with such strong evidence, they didn't dare to say who was bad and who was good.

On the other hand, Jessica's fans were thrilled to see the video and began to clarify it on the internet.

"Jessica is the purest woman in the world."

"Jessica is just so different from someone who is actually a shameless mistress but states that she was the true fiancée!"

"Jessica is so pitiful! She had been beaten and framed. Let the shameless b\*tch get out of the entertainment circle and stop framing Jessica!"

Natalia was attacked again by Jessica's fans.

All kinds of foul words and curses were going to her.

Some even said that she was a scheming b\*tch and trying to climb up by framing her sister.

Some also said that all the scandals in this period were planned by Natalia. The reason why she planned these was to attract attention and make herself famous!

How shameless!

Natalia didn't look at her phone, nor did she know the storm outside.

But Victoria was furious when she knew it.

Victoria called Natalia immediately. She cursed Jessica on the phone and said she would kill that little b\*tch if the b\*tch wanted to die!

It was not until she finished speaking that Natalia realized what had happened on the Internet.

Natalia had been busy with the script these days, so she didn't notice the change of the public opinion outside.

## **Chapter 219 Deal**

Victoria was almost driven mad by Natalia's calmness.

"Natalia! It's not your first day to be in this circle. We know how terrible public opinion can be. Since you want to be an actress, you can't ignore it."

"Let me tell you the truth. Sometimes it might be easy to control it, but once it's out of control, even Mr. McCarthy may not be able to help you reverse the situation."

"We have no choice. Money also couldn't stop those dirty words! What about your future then if they believe Jessica's words? Do you want your career to be destroyed by that b\*tch?"

Natalia smiled and feel warm when such a friend cared about her so much.

"Victoria, thank you for your concern. I know. Don't worry."

"You know nothing! Jessica's fans are going to hold a celebration party. You haven't made any move yet. I can't help being anxious!"

After thinking for a while, Natalia said, "In fact, to be an actress is not my best choice. I like a stable life, and I don't like a wandering life like being a star. You know this."

"You!"

Victoria was so angry that she didn't know what to say.

"You don't like to be an actress, but why are you still acting?"

Natalia smiled.

"Well, of course I do this because someone needs this! Don't you know the reason? I want to get all her things."

Victoria was speechless.

Why did she suddenly feel that her friend was a little different from the one she knew before?

Natalia became so evil!

But she liked it!

Hearing what Natalia said, Victoria felt a little relieved.

But she still asked worriedly, "What are you going to do now? How about I stand out and speak for you? If you explain to them, they may not believe you. Besides, if Shawn also helps Jessica, you will be in big trouble."

"After all, people still believe what I say in the circle. I don't like to talk about these things in usual times, so what I say will be more convincing. I should be able to help you."

Natalia was moved by Victoria's help. What a reliable friend Victoria was!

However, she smiled, "No, don't worry. I can solve it myself."

"Really?"

"Well, I won't lie to you, really."

Victoria was relieved to see that Natalia was so confident. She also knew that Natalia was not someone who liked to talk big.

After hanging up the phone, Natalia received a call from Henry.

She saw the name on the screen and smiled coldly.

"Hello, Uncle Henry."

"Is it Natalia? I'm sorry to bother you at this late hour. Are you busy?"

Natalia stood up and walked to the window. Looking at the night outside, she said indifferently, "No. What can I do for you?"

Henry sounded a little hesitant and embarrassed. "Here is the thing. You must have known the rumors on the Internet, right?"

Natalia replied, "Yes."

"It's indeed our fault. I didn't expect that Jessica would say something like that in front of the media. As for the case about you and Shawn, it's Shawn's fault. I apologize to you on his behalf."

Natalia chuckled, "A year ago, Uncle Henry had already apologized to me on his behalf. I also accepted your apologies, so I think there's no need for you to apologize again today."

Henry smiled awkwardly.

"Yes, yes! I know that the rumor this time has had a great impact on you. Don't worry. I will punish that ignorant brat well later and let him personally come to apologize to you..."

Natalia interrupted him, "Uncle Henry, what do you want to say? Don't beat around the bush. Just go straight to the point."

Henry was stunned.

He felt embarrassed to be exposed.

But he had been in the business world for many years, and he was no longer the inexperienced lad to be troubled by this situation.

Soon, he said, "Since you say this, I'll be frank with you."

"I promised that I would give you three companies at that time, for exchange, you shouldn't bring up what happened in the past. You are a girl of integrity. You have done a good job these years. It's Shawn and Jessica who are thoughtless and offended you again and again. But I still hope that you can let them go. If you need anything for exchange, just tell me."

Natalia smiled coldly.

"In your mind, I'm really a realistic and material woman!"

Henry was speechless again.

He sighed.

"No. Don't say that. In my mind, you are a smart girl. Smart kids always know what is better for them."

"In the business world, it's not the best choice to let both sides suffer losses. Mutual benefit and win-win are the conditions for stable development. Natalia, we had lost you as our daughter in law. It's the loss of the Miller family. Just please do me a favor again!"

Natalia was quiet for a few seconds.

Just when Henry thought she was going to refuse, he suddenly heard a very light voice, "Okay!"

He was stunned.

Natalia chuckled, "I agree, but I want something from Jessica. 10% of the Dawson Group."

Henry's eyes widened.

"The Dawson Group is ... is not up to me."

"The Dawson family should be happy to make a good relationship with the Millers! They are eager to please you and won't refuse your request. Besides, it was a good deal to trade 10% of the company for Jessica's reputation."

"Don't worry. As long as I get the shares, I promise that I won't mention anything about the relationship between the three of us, and I won't affect their relationship."

The other side was in silence.

Natalia was not in a hurry. She stood there and waited patiently.

About half a minute later, Henry finally opened his mouth.

"Okay! I will talk to them about the deal. But I can't guarantee whether they will agree or not."

Natalia smiled, "Thank you, Uncle Henry."

After hanging up the phone, Natalia turned her head to look at Nancy, who was sitting on the sofa and glaring at her.

She raised her eyebrows, "It's so late. Why haven't you gone back to your room to sleep? Why are you sitting here?"

Nancy asked angrily, "Natalia, how could you make such a deal with him? Mr. McCarthy can give you anything you want! Not to mention 10% of the Dawson Group, even if you want the whole Dawson Group, Mr. McCarthy can get it for you immediately! Why do you have to plead for their help?"

Natalia couldn't help but burst into laughter.

She stepped forward, pinched Nancy's face and said, "Silly girl, do you think I am that stupid? Jessica cares about her reputation so much. How could I be so stupid to sacrifice myself to help her?"

Nancy's eyes widened.

"Then why did you..."

Natalia sneered.

"Because someone has never experienced losing something. I just want them to have a try. I want them to see how they will feel after the things that they care about so much have been taken away one by one!"

## **President's Sweet Wife**

### **Chapter 220 Perfidious**

"Jessica thought that she would be fine as long as she sealed my mouth, but she doesn't know that she can never hide the mistakes that she has made."

"At that time, she will know that all she has done are in vain! I guess it will be much sadder for her than just losing her reputation!"

Hearing Natalia's merciless words and light tone, and seeing her cold face, Nancy felt that the air around her was a little cold. She couldn't help shivering.

"Natalia, you are so horrible."

Raising her eyebrows, Natalia looked at Nancy and said, "Nancy, I will be sad if you say that. Kindness to the enemy is cruelty to yourself, isn't it?"

Nancy swallowed and nodded, "Yes, I understand. My instructors said the same word when we were training at the base."

Natalia smiled and said, "It's good that you understand. It's late now. Go back to sleep."

Nancy nodded and left.

The next day.

Public opinion on the Internet had reached its peak.

Natalia had three million fans before this, but because of the interview video of Jessica, some fans who were not firm in their positions immediately left.

No matter how beautiful and gorgeous she was, she had no good personality!

She had stepped into the relationship between her sister and her sister's boyfriend, and she also framed her sister. How vicious she was!

But there were also a large number of loyal fans who guarded their positions.

Unless Natalia admitted it in person, they would not believe any rumor.

What was more, it was Jessica who spoke these words, which was even more untrustworthy.

As for the onlookers, some trusted Natalia, and some trusted Jessica.

The two groups of people were having a fight on the Internet every day.

At this time, in the Dawson Mansion.

In the living room sat the members of the Dawson family, and the father and son from the Miller family. The atmosphere was very serious.

Henry said, "I've made everything clear to you. It's up to you whether you agree or not. I believe you know how important Jessica's reputation is. You can consider it yourselves!"

Clara was so angry that she broke a water cup.

"This perfidious b\*tch!"

Philip echoed.

"Yes, Mr. Miller promised to give her three companies to let her shut up! Why can she threaten us with this again now?"

"If we compromise this time, does it mean that she can continue to extort money greedily and tirelessly next time?"

Henry looked at him with displeasure as if he was looking at a fool.

It was just Jessica who started it first.

If Jessica hadn't talked nonsense in the interview, Natalia wouldn't have done that.

But he couldn't say these words in front of the Dawson family.

Finally, he said in a low voice, "Let's not talk about anything else. She has made her condition clear now. My suggestion is that you'd better discuss it as soon as possible. After all, it's only 10% of the company. Natalia is after all a member of the Dawson family. She deserves it."

"Besides, even if she gets the share, it won't make any difference. In other words, it won't have any impact on the Dawson family. But as a public figure, if Jessica is really accused of being a mistress, the consequences will be terrible."

Philip was still unwilling to give up.

"Why should those people believe what she says? I don't think they will believe her words! She has no evidence and even returned the engagement papers. As long as Shawn insists on denying it, what else can she do to us?"

Henry kept silent.

After a long while, Shawn finally opened his mouth and said, "After all, we have been together for six years. If she really wants, it will be easy to find evidence. Text messages, phone calls, gifts, and ... even Mrs. Wright can testify for her."

Philip was speechless.

Aleena frowned.

"Although we tricked Mrs. Wright last time, I'm sure she would know the truth as long as she thinks about it. If Natalia comes to her and asks her for help, she will definitely help."

Jessica panicked as she heard this.

"Then what should we do? Mom, we can't let her speak the truth! I can't let her ruin my career!"

Aleena patted her hand to comfort her and sighed helplessly.

Just then, Clara took a look at Henry.

Although she didn't say anything, she was old enough to be experienced, and had been in a high position for a long time. Naturally, she looked imposing.

Henry didn't look into her eyes directly. Instead, he looked away slightly, with an unnatural look flashing in his eyes.

Clara suddenly laughed.

"Mr. Miller, since you have done so much for Jessica, of course we won't be ungrateful. In that case, we agree to this deal."

"Mom!"

Philip wanted to stop her but was stopped by Clara's sharp eyes.

She continued, "Well, tomorrow is a good day. Let her come here the day after tomorrow. We will transfer the shares to her face to face, and by the way, we should also get the marriage certificate of Jessica and Shawn. In this way, we can completely get this matter done. What do you think, Mr. Miller?"

Henry's back stiffened.

Shawn's face turned cold beside Henry.

After a while, Henry forced a smile.

"Mrs. Dawson, marriage is a big deal. Isn't it too hasty?"

"It's not a bad thing. They are all young people. It's common for young couples to get married in a flash. They have been together for several years, so it's not hasty for them to get married as soon as possible. It's also a comfort for me, an old woman. What do you think?"

It was dead silence in the living room.

Jessica's face was a little pale. Although the others in the Dawson family might not know that she had broken up with Shawn, Clara was aware of it.

Perhaps it was just because of this that the old lady was in a hurry to let the two get the marriage certificate and settle the matter thoroughly.

Jessica looked nervously at Shawn, who had a cold face without any joy.

She couldn't help but feel a little upset. She wanted to say that since he was unwilling, there was no need to force him.

Unexpectedly, Henry said, "Well, in that case, they should get married the day after tomorrow."

Jessica was stunned.

Shawn was also shocked.

The two looked at Henry in disbelief.

Henry stood up and reached out his hand to the old lady. "Since it's settled, let's meet the day after tomorrow. The wedding is hasty. It's not good for Jessica, but don't worry. After that, the Miller family will definitely make up for her and give her a grand wedding."

Clara and Philip also stood up happily and shook hands with him.

"Mr. Miller, you're too polite. From now on, we are relatives by marriage. Please take care of Jessica for us."

"That's what I should do."
