

President's Sweet Wife

Chapter 5 Cut It in Time

Natalia leaned over the window with tears. She was watching the night view flashing across her eyes.

What Shawn said lingered around ridiculously.

She didn't say a word everytime Jessica bullied her on the sly. Jessica was further intensified over and over again.

Other than being flabby, she would fight back for the injustice. But how could she became the bully in Shawn eyes?

She was driven out of the Dawson Family. Everyone in the city knew that she was abandoned. Mrs. Reid was displeased to her as well.

In order not to make him feel awkward, Natalia avoided showing up in the public. But Shawn now took it as a decline for his request.

And her sex toy business...

Her future was wrecked by the selfishness and bias of the Dawson Family. Otherwise, how could she end up with a business like this?

But now she was the one who was blamed for everything in the end?

Natalia kept her eyes closed, sad and miserable.

Suddenly, a male voice came up, "Is it worth to get upset for a man like that?"

She froze a little and moved her sights towards him. That was a kingly man who was ramrod straight with a frosty look.

Now she was reminded by her words. She was sitting in his car, and he just helped her at the bar.

By realizing that, Natalia could no longer be freaked in front of a stranger. She wiped off her tears, "Who said I was sad for him?"

Archie raised his eyebrow and fell on her reddened eyes.

Natalia explained, "This is for myself.

For wasting six years of my youth on him."

Archie nodded in agreement.

"Do you know how to deal with your loss of investment?"

"How?"

"Cut it in time."

Natalia got shivering by these four words.

She turned her head toward him. Archie sat straight and shadowed by the dim light, silhouetted against the light stood the solid and noble figure of him.

She met a lot of handsome men in her life, including Shawn.

But none of them could compare to the man in front of her right now.

Just as the stars weren't as fulgent as the Sun and Moon, Archie had a dazzling light all over him. He seemed to be the flying eagle, always powerful and arrogant insufferably.

Plus the charming look that was attractive to girls.

An absurd thought flashed across her mind, and her heart skipped a beat.

By staring at his pretty profile, she responded staggeringly, "Okay."

"What do you think about sex toy business?"

She asked after a quick pause.

Archie lifted his brows, "Just a regular industry, same as the other ones. I have no special thought on it."

Natalia chuckled faintly.

She hanged on the mix-up of a tipsy and sober smile with ethereal eyes, "I agree with you."

An exotic scent blew over his nose. Archie twisted his head around and found her to sit straight and slopped her body towards him.

"Then what do you think of me?"

Archie's back was stiffened.

She had a pretty look without question.

Plus a beauty of sex appeal in amazement.

A quiet and magnificent temperament ran over inside out from her beige jacket, with a white tank top inside.

A hymn sprang up in his mind.

No matter how time flew, the classic style of beauty stayed forever.

But he didn't speak it out. The words got stuck in his throat.

After a while, he answered briefly.

"Emmm."

Natalia leaned closer. Her lips almost touched his ears, and she whispered,

"If I want to have sex you, would you like to have sex with me?"

"Haha..."

Brian was driving,

But he couldn't help laughing out.

The next second, he felt a pierced look behind him.

His smile froze, and he raised the dam-board between the front and back.

Finally, Archie sized up the girl beside him.

He squinted with a dark look under his eyes, "Are you sure about it? You pay the price having sex with me."

Natalia replied scornfully, "How much do you charge for that?

I have a lot of money."

Reaching into her wallet, she took out all the money.

"I can transfer more if these are not enough."

At this time, Archie realized that she was seriously.

The blue veins on his forehead stood out, and he rubbed his eyebrows.

"Are you trying to have sex tonight with whoever sit here?"

Natalia shook her head.

Then she patted on his face with a jovial laughter.

"I'm not that stupid. It is because of your handsome look. Since they looked down on me,

I need to find someone with a better background and appearance than Shawn to piss them off!"

Archie never expected to get an answer like that.

He pulled a wry face. Her words were not being taken seriously.

At this moment, a sudden braking occurred.

Natalia almost got tumbled down by how drunk she was. Luckily, Archie held her up in time.

He asked in a deep voice, "What happened?"

"I'm sorry, sir. We just arrived at the Mccarthy mansion." Brian's voice came up.

"You can go now!"

"Ok."

The door was closed. Archie frownly looked at the girl in his arms. She had drowsy eyes and glowing red face.

"Let's go inside!"

Natalia didn't move. She stayed there and looked up at his recalcitrant face.

Archie had an abstinent and frigid face, with luscious lips opened and closed, full of invitingly bewitches.

Driven by alcohol and sex impulse,

she stretched out her hand to his neck and sent a shallow kiss.

Archie straightened his back with contracted pupils. Natalia let go the next second.

She chuckled by the stiff look on his face.

"You really have honey lips, handsome."

Archie became speechless.

...

He commanded after choking back his impulse to throw her off the car.

"Leave me alone."

Natalia didn't follow. She winked, eyes filled with tears towards his composed and brilliant look.

"Are you dislike me for being rigorous and boring? And that's why you don't want to have sex with me?"

Archie kept a straight face, "No, I'm not."

"Then why are you not accepting my request?"

She felt a sense of grievance all of a sudden, with a handful of diamond tears ran down her pale face.

His mind got pulled tight.

Her tears were pouring down her face out of control and soaked his shirt.
