

## Sweet Wife 71

### President's Sweet Wife

#### Chapter 71 A bunch of green-eyed Women

"Yeah! It is ok to occupy the carpet in foreign countries, but she even was not willing to leave in a red carpet for a school celebration. It is pathetic to get flow from others. I advise you to save your energy and go back home to buy flows for your white lotus!"

"Nonsense! Jessica did not occupy the red carpet, she was invited by the organizer!"

"Yeah, she has no work but was invited year after year. And she was shameless to go there."

"Right, Victoria is different. She won't go anywhere if she had no award. Alas! Victoria was thin-skinned!"

"Although Jessica had no award, but the organizer was willing to invite her."

"Yeah! A bunch of green-eyed women! You went too far!"

There was noisy in the fans group, some of Jessica's fans almost cried out of anger.

On the red carpet, the smile on Jessica's face stiffened for a moment.

Soon, however, she pretended not to hear the fleers and recovered her original look.

Seeing that Natalia did not want to pay attention to her, she turned to Shawn and said, "Shawn, it's cold here. Let's go and sit at the guest seat."

While saying, she embraced her bare tender arms.

After several seconds, however, there was no response from Shawn.

She frowned slightly and looked up.

Shawn was dully looking at Natalia, as if he was amazed.

Jessica's face was darkened.

Her fingers tightened in her arms, and she was discontent and angry as if the volcano was about to erupt, but she still put up with it.

She forced a smile and said, "Shawn, what are you looking at?"

At this moment, Shawn finally came to his senses.

"Nothing," he said quickly.

Jessica's eyes flashed a touch of sarcasm and hatred.

She took a deep breath, smiled softly, and looked back at Natalia.

"My sister is looking pretty tonight, isn't she?"

Shawn was in a trance.

He was tempted to nod his head and admit that she was really beautiful.

She was more beautiful than her when she was in Jessica's birthday party.

Since leaving him, she was like a dust pearl was gradually polished, becoming more and more dazzling.

He felt regretful about it!

However, Shawn shook his head.

He takes back his vision, lowered his head to look at Jessica with a smile.

“Not as pretty as you.”

Jessica snorted gently.

“But everybody praises her! Shawn, you won't regret it, will you?”

Shawn's eyes quickly flashed a dark light.

He shook his head and reached out to take Jessica's hand.

“How is that possible? Since I have chosen you, I will not regret it. Besides, even a beautiful face will grow old. It is your character I like, you are gentle, sensible, and noble.”

Jessica looked at his eyes.

A moment later, she smiled gently.

“I knew it. You love me the most.”

“Sure.”

Shawn tried to control his absentmindedness, when he noticed that she kept her arms folded, he took off his suit jacket.

“It's cold! Come on, get dressed and let's go and sit inside.”

“Well, thank you, Shawn.”

Victoria and Natalia did not come down from the signature wall until they had left together.

Victoria sneered, “If it weren't for the inconvenience of wearing a skirt, I really want to go up and slap the two bitches! It's disgusting to see them!”

Compared with her anger, Natalia seemed to be much calmer.

She took the dress and went to the guest seat with Victoria.

As walking, she said, “Isn't there a saying? Bitches are meant to be with bad men. It is good that they are together, lest they harm others!”

Victoria smiled suddenly, “You are right.”

They found their positions in the guest seats. Fortunately Jessica was far away from them, so they didn't have to have to be disgusting, so they were satisfied.

Soon everyone was almost there.

The lights were suddenly on the stage, the host came to the stage and introduced the history and culture of the school, as well as the content of the 70th anniversary celebration.

As one of the guest performers tonight, Victoria would play zither.

Not long before the party, a staff member came over and asked her to change and get ready.

Natalia told her a few words and watched her leave with the staff.

From the corner of her eyes, she found Jessica was not there, she should also be in backstage to get ready.

She lowered her eyes and then showed a smile..

"Next, Victoria, the 65th student of our school, will give us a zither performance -- the Phoenix."

After the host finished, Victoria walked up slowly with a zither in her arms.

A scream went up from the crowd.

She had a lot of fans present.

Victoria had good musical skills. Martin Kaur, the chairman of The Kaur Group, was very fond of this daughter and gave her everything she wanted.

But there were two things that he had been strict to his daughter.

Her career and her relationship.

As long as there was a male artist had a rumor with Victoria, he could not be found in the entertainment circle.

Martin did not want his daughter to enter entertainment circle originally, but Victoria liked it, so he had to agree, but he was always protecting her.

The name of the Kaur Group could be seen in the column of investors in all the movies and TV series Victoria had acted in.

Victoria was good too. She performed well in the movies and was good at zither. She also studied painting in her spare time.

As long as she did not lose her temper, she was the most standard daughter of a rich family.

Because of this, Martin was satisfied with his daughter.

Therefore, he felt no one deserve his daughter. Any one dared to approach Victoria would be banned.

Victoria was indifferent to her father's hard attitude.

Anyway...She did not like those men tried to approach her.

Who she liked...

Who she liked didn't want to approach her.

On the stage, Victoria gave a wry smile. The strings seemed to be endowed with life and she played more sadly and movingly.

'Phoenix, phoenix, I come to my homeland. After roaming over the four seas for a mate.'

In the corner, a young man with grim-faced eyes stood leaning against the wall, staring silently at the direction of the stage.

He was wearing a black cap. His face was barely visible in the dim light, but the cold wildness of his frame was accented.

Someone passed by him, accidentally bumped into him and hurriedly apologized.

"Sorry. Hey, You're..."

## Chapter 72 A Man in the Dark

The man standing in the darkness gave him a cold look.

The man shut up and stared at him in disbelief.

The finger that was pointing at him quivered, and then dropped it quickly.

“Nice to meet you, Charlie.”

In the corner no one had noticed, he bowed his head and saluted to the man.

Charlie said coldly with chill in his fundus.

His voice was cold and deep. “Get away!”

The man was about to leave, but was stopped suddenly.

“Wait!”

The man looked back with a pained look of fear.

“Charlie, I didn't mean to bump into you. If I knew you were here, I would have taken a detour...”

Charlie impatiently interrupted him, looked at the direction of the stage with dark eyes.

“All right, I am not talking about that. Don't tell anyone else I am here tonight. Understand?”

The man was shocked, as if he did not understand why Charlie said so, but he agreed obediently.

Charlie waved his hand and let that man leave.

Although Charlie had graduated from WL High School for five years, his legend had been spreading in the school.

When he studied in the school, he was ruthless and had bad reputation.

He was the super school bully over the ten years.

There were more fights than exams, and the fights were so fierce that he was the nightmare of all the students and teachers.

This nightmare was still there even after five years.

When everyone saw him, they would take a detour. Apart from Victoria, there was no other person who dared to approach him these years.

Unfortunately, it was just an unrequited love.

No one knew why she who was pretty and born in a rich family took a fancy on this man who was only handsome.

However, this man didn't accept her.

For this matter, many men loved Victoria were indignant.

Unfortunately, Victoria did not care about them, so they naturally had no position to say anything.

On the stage, Victoria had finished playing.

She stood up and bowed to everyone, and then went backstage.

The audience had applause. Charlie standing in the dark looked at the direction of the woman to leave with dark eyes and then turned to walk out.

The next performance was Jessica's.

As the goddess of countless men, although Jessica was not as beautiful as Victoria, she pretended to be pure, so she enjoyed high popularity.

Her piano performance won the applause and goodwill of countless people.

There were crazy male fans presenting flowers on stage, as if they were so excited.

Jessica was shy and timid. Standing on the stage, she said many old tones of praise and praised the school and the school's teachers and students.

Everyone loved to be praised, including the principals and teachers.

There was a smile of appreciation on all faces.

Natalia, however, was not interested in watching her performance. She sent Victoria a text message and, knowing that she was backstage, got up and left.

Backstage, Victoria was changing clothes.

She had been dressed in performance clothes for the stage, but now she had changed into evening dress for the party.

Natalia waited for her at the door. After changing clothes, they went to a nearby hotel hand in hand.

The performance and the red carpet were just two parts of the celebration, which lasted only an hour and a half.

After that, everyone went to a five-star hotel next to the school, which had been booked as the venue for the party tonight. Those who were not interested in watching the performance would go there first, so most people had been there. Although it was still early, it was not quiet.

Natalia and Victoria took their room cards at the reception desk and went back to their rooms before going to the banquet hall.

The luxuriously decorated banquet hall was lively.

Most of the celebrities and dignitaries who were not graduated from WL High School arrived here early. They were drinking and talking under the gorgeous crystal lamp, which was lively.

The arrival of the two attracted the attention of many people.

It was not only because of Victoria's aura, but also because of the woman next to her.

Who was that woman? How beautiful!

Even if standing next to Victoria the famous beauty in the entertainment circle, she was not inferior.

Different from the kind of classical beauty on Victoria, Natalia dressed in a blue dress, looking cool with orchid aesthetic feeling.

Those people present who knew her felt amazed.

Natalia? How could it be her?

In the past, Natalia always dressed up in professional clothes, with a capable and vigorous aura.

Although she was pretty, her appearance was overshadowed by a way of doing things that was intrepid.

Thinking of her, everyone admired her ability, but gradually ignored her beauty.

Today, they had a new understanding of her.

Natalia looked around the banquet hall, and her eyes fell on a grey-haired man not far away.

"He is the director Mike Elliott," Victoria whispered. "He has an eccentric temper. Sometimes he doesn't give anyone credit. Be careful when you talk to him."

Natalia nodded.

"I see."

Victoria looked around and whispered, "I have some acquaintances over there. I want to say hello, so I won't go with you."

"Ok."

After Victoria left, Natalia secretly took a breath and went to Mike with the glass.

"Mr. Elliott."

Mike Elliott, the most famous comedy director in the circle. His works were funny, but in private he was very serious, eccentric, low-key, and rarely participated in social parties.

Because he used to be a student of WL High School, and now the principal had a good relationship with him, so he came to attend the activity today.

Hearing the voice, he turned round.

He was surprised to see Natalia,

"Nice to meet you, Mr. Elliott, my name is Natalia Dawson, the person in charge of Xunghui Culture."

Natalia respectfully handed over her business card. Mike took a look with an indifferent attitude.

"Xunghui Culture? I heard about its acquisition. It was you. What's up?"

Such occasions were originally used for social intercourse, few would talk about business?

Mike asked so, apparently he didn't want to have social intercourse.

.

He would not have been present today if the principle had not begged him to come.

Natalia was not angry but said with a smile, "I know you do not like social intercourse, and I come for something."

She came straight to the point, which surprised Mike.

He looked at her and asked, "What is it?"

"I heard that you are casting an actress for a new movie. Do you have any candidates?"

## **President's Sweet Wife**

### **Chapter 73 The Genius Director**

Mike's new project had been started for a month, which was the news that Natalia got not long ago.

As the most prestigious and box office appealing first-line director, Mike's roles were undoubtedly sought-after.

It was not only ordinary actors fought for it, but also the first line actors hoped that they could have a significant role.

But Mike was principled director who never paid attention to the status, but only cared about if it matched the role.

He was particularly fond of choosing new actors, because they were like a blank paper compared to the old actors who had their own characteristics. For Mike's work, which had a personal style, they were easy to be taught and to show the way he had in mind.

Because of this, he was famous in choosing new actors.

Mike was one of the reasons that Natalia agreed to present.

She smiled. Mike looked at her and frowned.

"Why do you ask that?"

“Mr. Elliott, you know, I have Xunghui Culture in hands now. I ask you this question naturally is to recommend the right candidate to you.”

Mike mocked lightly.

“Do you have good actors in Xunghui Culture?”

It was known that Xunghui Culture was going to close down. Any promising actors would have left the company long ago. Who would stay there?

Natalia, however, just smiled.

“Your new film ‘The Wind’ have actors almost for all roles except for the female two Ni Lan. I know in art you are the pursuit of perfection, even if the shooting schedule is delayed, you will not reluctantly compromise.

I happen to have an actress at my hand who would be very suitable for the part, and if you would give me a chance, I would take her to have audition, and I am sure you would not be disappointed.”

Natalia's words exaggerated in the ears of others.

Some people around had been whispering, but Mike just wrinkled his eyebrows, staring at her without a word.

“Who does she think she is? How can she have such an important part!”

“Yes, Xunghui Culture is a small broken company, how dare she come to Mr. Elliott to ask for a role. She is overestimating herself!”

“Jessica failed to have that role. Even if she has artists, they should be new! How can they get that part?”

“SHH! Mr. Elliott likes to use new artists...”

Someone said that and soon there was no sound around.

Mike looked at the woman in front of him. She was cold and calm, with a very strong and determined aura, and inexplicably he believed her.

There was nothing to hesitate about, it was just an audition.

With this thought, he nodded and was about to agree.

At that moment, there was a burst of merry laughter from the door.

“Jessica, you have good performance tonight and you are better than anyone! Those boys looked at you like a hungry wolf.”

“Jessica is charming. No matter looks and talent is first-class, they love her of course!”

“It is a pity that Jessica has a boyfriend. Even if they appreciate her, they dared not get close to her!”

“Ha ha, if your words are heard by Mr. Shawn, be careful to be beaten.”

“Mr. Shawn is a gentleman, he won’t beat me!”

“.....”

“All right, don't talk nonsense. Everyone was good tonight. I just took a long time to learn the act, and it was not a big deal.”

“Jessica is really modest.”

Perhaps it was because she was standing so close to the door that almost all the people on this side heard it, even if it was not too loud.

She took a look and saw Jessica came in with a group of people.

Jessica walked in the middle, surrounded by Hazel and Lily, wearing a white dress that made her noble and delicate, just like a princess in need of protection.

She found Mike was standing not far away. She was surprised and walked over carrying the dress.

“Mr. Elliott, you are here.”

Mike nodded faintly.

Hazel and Lily were pleased to see Mike and come to greet him.

“Hello, Mr. Elliott, I'm Hazel Mayer. I've seen your play before and I really like it.”

“Mr. Elliott, my name is Mya Dean, I am your fans!”

“Mr. Elliott, my name is Katie Campbell, last time we met in the activity, do you still remember me?”

A group of women rushed forward and soon surrounded Mike.

They were all trying to introduce themselves, hoping to make a few more appearances in front of him so that he could remember them and one day they might be able to take the role.

However, Mike did not like noisy occasions. He attended the event because of the principal. How could he bear to be surrounded by a group of noisy women?

His brows wrinkled.

But due to the occasion, it was not good that he turned to leave.

Seeing this, Natalia said with a smile, “Mr. Elliott, didn't you just say you had something to do? In that case, we won't detain you. Please take your time.”

Mike took a look at her with something in the eyes.

A moment later, he nodded his head and turned to leave.

He took two steps outside, paused, turned to her and said, “Contact my assistant tomorrow and he'll tell you the time.”

Natalia's eyes brightened.

She nodded with a smile, "Ok, thanks Mr. Elliott."

Mike left.

Hazel and other people got angry.

"Natalia! What do you mean? You did it on purpose, right? Ask Mike leave as soon as we get here! Are you afraid he'll talk to us longer?"

Natalia folded her arms and said softly, "Who am I? Can I ask him to leave? You think too highly of me."

Hazel said angrily, "Just now you reminded Mr. Elliott go first for something?"

"Yes! Don't think we can't see that. You are afraid that Mr. Elliott like us, you don't want us to be good!"

"Yes! What a wicked heart!"

Natalia smiled and did not take the group's indignant accusations to heart.

Her eyes fell on Jessica.

"You think so too?"

Jessica smiled slightly.

"Mr. Elliott does not like noise, Hazel didn't know that and annoy Mr. Elliott. Sister, you stopped her in time, I should thank you."

Natalia showed a mockery smile.

"Mr. Elliott finally asked you to contact his assistant tomorrow, can I know why?"

Natalia raised her eyebrows.

"What do you think?"

Jessica secretly clenched her fingers.

She reluctantly smiled, "Is it for the role Ni Lan of the 'The Wind'?"

## Chapter 74 Humiliate Yourself

Natalia showed an understanding face.

“So you know the part too!”

Nonsense! She had been fighting for the role for a whole month, but she failed. Of course she knew it. However, Natalia seemed to have made up her mind and pretended to know nothing. Jessica could do nothing about it.

She could only take a deep breath and said in a deep voice, “This role needs high acting skills. Sister, your actors are not competent, and you know it. Why do you still want to humiliate yourself?”

Natalia smiled.

“I am not humiliating myself, I just want to have a try.”

She paused and took a look at Jessica. She showed a bright but irony smile.

“I’ve heard that you have been fighting for this part for a long time and failed and you still don’t give up. Don’t you think that would be a bit more humiliating?”

“You!”

Jessica could not help but feel angry.

The female three in ‘The Youth’ had been taken away by Natalia, and now she still wanted the role in ‘The Wind’.

Was she going to find the role she like?

Jessica felt Natalia deliberately aimed at her. Looking at Natalia’s smile face, she pressed her anger down after a moment.

She forces a false smiling face and said quietly, “Since you won’t listen to my advice, let’s fight for it with our ability!”

The last time she failed, it was because Hazel was not good enough.

She would do it herself this time. Could she be outdone?

Ridiculous!

Although Mike liked to use new people, he would consider it for the sake of box office!

She had a large number of fans and a famous status. She now only had flow without a good work, so she needed a work with high reputation and box office, otherwise she would not be so humble for a role!

This film was dominated by the male perspective, so the female role didn’t have too many shots. Because of the age, female one was a middle-aged actress who was a film queen.

Therefore, she could only have role of female two, sister of the male leading actor.

Although it was a female two, it was Mike's work, which was good enough for her a celebrity with flow to show off.

And it was a role that matched her age and temperament.

Therefore, Jessica was confident that she would have it.

Natalia knew what she was thinking but she said nothing. As she turned around and was about to leave, there came a male voice behind her.

“Natalia?”

She turned her head and saw Shawn coming in.

“Shawn.”

Jessica showed a face of joy and came to hold his arm. She said in a soft voice, “You are here!”

Shawn looked at her and nodded, “Yes, I just finished talking to my friend. What were you talking about?”

He did feel there was something wrong between them. And he knew that Natalia and Jessica were discordant all the time, so he just asked casually.

Unexpectedly, before Jessica said a word, Lily said angrily, “Mr. Shawn, you should speak for Jessica. Natalia went go far! She robbed Jessica’s role, besides, she asked Mr. Elliott to leave when she saw us, for fear Jessica had more talks with Mr. Elliott. What did she mean?”

Jessica smiled reluctantly, “Lily, don't say that, she should not be intentional.”

Not be intentional?

So she was in the suspicion of asking Mike to leave so as not to let her talk to him!

Natalia took a playful look at Shawn, and sure enough, his face sank.

He looked at Natalia, frowned and said in a deep voice “Natalia, Jessica has been studying the role Ni Lan for a long time and she likes it, don't rob with her.”

Natalia gave a slight sniff.

“Shawn, where did you get the confidence to think I would do as you said?”

Shawn was stunned.

In fact, Natalia did not need to do as he said.

But after all, they had been together for six years, during which she had always been obedient to him and she almost never opposed anything he said.

Therefore, he subconsciously thought she would do as he said.

There was a faint sense of embarrassment in the air.

A girl next to Jessica said in disdain, "What do you think you are? Jessica doesn't want to fight with you, otherwise with your scandal five years ago, Mr. Elliott would ignore you!"

Jessica's facial expression changed slightly and she said in a low voice, "Never mention it again."

That girl was not convinced, "Why not? As long as anything you wanted, she tried every effort to take it?"

Just like five years ago, she was not able to study in the Royal Academy, so she stole your works. She didn't have you in eyes and you still protect her.

I mean, let everyone know what she's done and see her true face, so they won't be fooled by her!"

"Josie! Stop it!"

A murmur of discussion rose all around.

"What happened five years ago? What's this about the Royal Academy?"

"Don't you know? They are two sisters, it is said that five years ago Natalia stole Jessica's work because of jealousy of Jessica's talent, but she got caught! In that way, she failed to study in that school and Jessica failed to take the examination."

"Ah? Really?"

"It was circulated all over the WL High School and the Royal Academy. It is the truth!"

"What a wicked woman! The Royal Academy only recruits students once every three years. What a rare opportunity!"

"Yeah."

"If she had no ability to get admitted to that school, it only means she was not good enough. How could she steal other people's works? What a despicable woman!"

"Yeah."

The girl who named Josie raised her eyebrows complacently hearing the voices of the people around her.

Seeing this, Jessica showed flurried expression on her clear and beautiful face. She hurriedly explained, "Please stop that, it is not the truth, Natalia..... Natalia did not do it on purpose!"

"Jessica, you are too kind! And you hide it for such a person!"

"Yeah, she bully you like this. Even you speak for her, she would not be grateful. Don't be silly!"

"No, she is not like that."

"Jessica, you are too soft. If I have such a elder sister, I will tell everyone about it and let her fell ashamed for all her life!"

## **Chapter 75 Unfamous Celebrity**

It suddenly became noisy.

Everyone was accusing Natalia and they did not appreciate her anymore and felt she was not that good.

Their eyes were full of disdain and disgust!

Natalia was expressionless. There was no change in her deep and quiet eyes. She was calm as if nothing had ever happened.

Jessica looked at her expression and secretly sneered.

Just keep pretending!

How long could you pretend?

She paused and was ready to say more.

But before she said anything, Shawn's angry voice was heard.

"Enough! Are you here today for a party or for some gossip? It's at the door. What's it like to be all around here? Get away!"

Naturally, everyone was not willing to leave.

Someone could not help but said, "Mr. Shawn, she harmed your fiancée, why don't you help your fiancée but an outsider?"

Shawn's back stiffened.

The expression on Jessica's face froze.

A quiet fear and reluctance rose up in her heart. She turned to look at Shawn and saw a flash of panic in his eyes.

Shawn took her hand and explained in a low voice, "Jessica, I didn't mean that."

Jessica clenched her fist.

Something was surging in her heart, with deep envy.

But a smile was on her face, and she said softly, "I know that you don't want me to have a bad relationship with my sister. It's all for my own good, I understand."

Shawn was afraid to look at her eyes.

He nodded. "It is good you know."

Josie was still not reconcilable.

She added, "Mr. Shawn, even if you don't pursue the things five years ago, are you going to leave alone the fact that she again and again robbed Jessica's roles?"

Jessica gently smiled.

"Sis, you may not know, but this movie is very important to me. I've been studying it for a whole month to get it. I know you want to promote your artists, how about you give this role to me, and I will let

Shawn give her a female one role for her from another film invested by Glory Group. How do you think?"

There was an uproar all around at once.

"Jessica is too nice! After what her sister did to her, she's trying to help her get a role!"

"Yes, she was easy to be bullied!"

"Oh, she is too soft in temper. Fortunately, she has Shawn to protect her. Otherwise, she might be bullied by her sister."

"And she takes a role of female one for a female two! She lost nothing. It will be embarrassing is she doesn't agree!"

Listening to the whispers, Natalia showed a smile.

She looked at Jessica with mockery.

"Have you had enough play?"

Jessica was stunned.

With a forced smile, she said, "What do you mean, sister?"

"I think you have got tired of being actress and change your career to crosstalk."

"Natalia! Don't you go too far!"

Josie said again.

Natalia suddenly darkened her face, gave her a sharp look and said in a cold voice, "What does it matter to you if I go too far? Who are you to tell me what to do?"

Josie was shocked by her cold air and froze for two seconds.

It took her a while to recover, and then her face changed. She couldn't believe she was shocked by her.

She said angrily, "Even if I have no qualifications, I am better than you. Besides, I am Jessica's good friend. So what I speak for her?"

Natalia sneered.

"Crosstalk can't satisfy you? What, do you want to demote to be a web celebrity?"

All the people froze for a moment and did not understand.

Jessica darkened her face slightly.

"What do you mean?"

"Isn't it the truth? I always thought you have conscience and are scheming, but she you have good taste. I did not expect now you make friends with all kinds of people. If you do not want to be web celebrity, why do you make friends with such an unfamous celebrity?"

Everyone's eyes widened in shock.

What? Unfamous celebrity?

Who?

Josie flashed panic in her eyes.

“You, you don't talk nonsense! Who is the unfamous celebrity?”

“You, of course!”

Natalia sniggered and shook her head, “Look at you echoing. Are you setting up a stage to sing? It's a pity that people like you can't even sing professionally and make you ashamed!”

Josie's face changed.

“What are you talking about? I don't understand you!”

Natalia sneered.

“Do you think you can become a high-class celebrity with a change of clothes and makeup? Your ID is ‘Josie in the Sky’, right? You only get attention by being sweet. Last month you were liquidated and sealed because you cheated a netizen of a gift with huge money. What? Do you really think that no one can recognize you now?”

In that case, everyone was chocked.

They took a look at the girl called Josie again seriously and felt she looked familiar!

A web celebrity like her was different from others. Because they didn't have any skills, they can only rely on skirting to gain attention.

So, makeup and grooming were exaggerated every time they had stream live.

Coupled with the filter effect, they looked totally different from the real look in life.

They were goddess online and an old woman offline!

Although Josie was not an old woman, she looked ordinary.

After being alerted, the crowd soon recognized her.

After all, no matter how well she disguised, her face and eyes did not change.

There was almost a gasp of surprise from everyone, especially the young men who had been so obsessed with girls and goddesses.

“Dear me! She's ‘Josie in the Sky’! Why she looks so ugly?”

“My God! I gave her gifts worth tens of thousands before! I might as well have given to a prostitute if I had known! The prostitute is prettier than her!”

“No, I can't face my beauty sense anymore. Why did I think of her as my goddess? God!”

“You are not alone. If possible, I really want to take back all my gifts!”

“Forget the gifts! If only she did not appear in my sight again, I would be grateful!”

“.....”

## Chapter 76 Doomed Eternally

There was a tidal wave of cynicism.

Josie was panicked. She looked at the people around, trying to explain, but did not know what to explain.

She turned to Jessica and wanted to ask her for help, but Jessica slightly lowered her head, tightly holding Shawn's arm and did not look at Josie.

It was like two people had never met.

Josie was in despair.

Someone took out phones to take pictures.

Then more people began to take pictures of her.

With a frightened expression on her face, Josie waved her hands, and finally covered her face with them.

“Stop it! Stop it!”

“Why? Such an earth-shattering news requires photographic proof! Otherwise, no one would believe you are ‘Josie in the Sky’!”

“Yes! Do you want to go on cheating?”

A bunch of toffs clearly wanted to play with such a big news.

As for how Josie felt, they were not interested in it.

There were some wanted to take revenge, after all, he invested a lot the fairy girl she pretended to be, and he could not accept it.

Jessica said when everyone had had enough photos.

“That's enough! Stop it, Josie was not intentional. She just did it to support her life. Can't her let her go?”

Hearing that, they stopped.

Actually they had taken enough photos

Josie was sobbing. No one could bear to be publicly humiliated in this way.

Jessica hurriedly comforted her, “Josie, don't cry. I'm sorry, it is my fault, if it I had not angered my sister, she won't be against you.”

Hearing that, Josie looked at Natalia with hatred.

Natalia showed a sarcastic smile.

In such a state, she was so stupid that she even didn't who was the victim. She deserved to such an end!

Shawn frowned seeing this.

He didn't want to make it big. After all, it was the 70th anniversary of the school. After a while, the leaders of the school and the city would come, so it was not good for them to see this scene.

So he asked everyone to walk away.

At this point, everyone knew that the show was basically over, and there was nothing to see here, so they didn't say anything anymore and walked away.

Jessica comforted Josie and asked Hazel and Lily accompany her to the upstairs and have a rest.

After everyone had left, she turned back and looked at Natalia.

"Now, sister, you should be satisfied!"

Natalia raised her eyebrows.

She looked at Jessica playfully, "Did I start it?"

"I admit that what Hazel and Lily said started it, but didn't I explain it for you? Why are you still being pushy and mean to Josie? Do you know, she had a poor family and earned money from being a web celebrity, how do you..."

"I'm not interested in hearing your complaints for her!"

Natalia interrupted her coldly.

Jessica covered her chest in heartache and disappointment.

"Sister, how could you be like this?"

Shawn revealed faint disappointment in his eyes too.

But he didn't say anything but held Jessica and said softly, "Jessica, the principal is coming. Let's not stay here, go in and sit!"

Jessica wiped her tears which was not obvious and said in a soft voice, "Shawn, you go in first! I want to go upstairs and check on Josie, and I will be there after I make sure she is all right."

Shawn nodded. "Ok."

Shawn left.

Jessica and Natalia had been left.

"All right, everyone's gone, stop acting!"

Natalia said lightly.

Jessica finally stopped having that face of grief expression.

She stood up straight. She looked distressed a moment ago and now she had a proud smile on face.

“I had underestimated you, but do you think that by exposing Josie, it will have any influence on me? Oh! She's just a brainless fool, and I wouldn't have taken her with me if she hadn't been trying to curry favor with me, and she's so stupid and easy to use!”

Natalia gave her a faint look.

“So? What did you want to tell me?”

Jessica smiled gently, came forward and whispered in her ear, “Do you think you can steal Shawn's heart again? Let me tell you, I could send you to hell five years ago, and I can do the same now!”

Natalia frowned.

Jessica continued.

“No one likes a venomous woman who persecutes her sister! It is no exception for Shawn! You know what he loves about me? Appearance? Oh, no, it's my goodness and weakness that he loves best, and as long as I keep being like this, he'll never like you, understand?”

Natalia sneered

“Jessica, what magic medicine Shawn gave you? Why are you so confident that he was so charming that I still think of him?”

Jessica's face changed slightly.

She looked at Natalia with hatred in eyes.

“You still deny it? If you're not still thinking of him, why do you dress like this, knowing he will present? Don't think I don't know what you're thinking! You'll never have him! ”

“Tonight, I'll show you what it means to relive a nightmare! I'll destroy all the reputation and confidence you've been working so hard to build up over the last five years, and leave you just as poor and lost as you were five years ago.

As she said this, the rage and jealousy that had accumulated in her chest was relieved for a moment.

She straight up and looked at Natalia with self-confidence, as well as the winner's pride and arrogance.

Natalia looked at her for a moment, then slowly shook her head.

She said with sympathy, “Jessica, you are too naive! Do you want to use today's occasion to bring back the story of five years ago and put me in a hopeless position?”

Jessica said in a cold voice, “It is your fault! Dare you come out on such an occasion today!”

Natalia smiled.

“Why not?”

Jessica frowned, “What do you mean?”

“It's nothing. I just feel sorry for you when I see that you are confident.”

Jessica widened her eyes.

Natalia took a step closer to her and whispered, "Are you really so sure that what you stole from my computer five years ago was the original manuscript?"

## **Chapter 77 No Way**

Jessica, "..."

An almost stiff silence spread between them.

After a few seconds, she burst into a smile.

She looked up at Natalia and said in a cold voice, "Do you want to fool me?"

Natalia shook her head, "Forget it if you don't believe me."

Jessica darkened her face.

"What exactly do you mean?"

"Nothing, it is better if you can understand, but it never minds if you don't understand. I just want to remind you, five years ago you can use it to destroy me, because I was off guard, but now is different!"

Do you really think I am silly to come without preparation, knowing and you Lily are trying to set me up to again destroy my reputation?"

Jessica's face completely changed.

She shook her head in disbelief.

"Impossible! If you had evidence, why didn't you show it five years ago?"

Natalia smiled with light mockery.

Without another word, she turned and was to go inside.

Jessica suddenly was in panic, stretched out to pull Natalia.

"Stop! Make it clear..."

However at this moment, a figure hurried to run over and suddenly bumped into Jessica.

"Ah!!"

There was a scream. Natalia hurried to hold Victoria, turned around and found the red wine was on Jessica's half skirt.

"Oh no! I'm sorry. I'm sorry. I ran over and accidentally bumped into you!"

Victoria smiled and took out a handkerchief to wipe red wine for her.

How dare Jessica let her wipe? She was afraid that she would push her suddenly.

"Don't you come over here!"

"It is you don't allow me to wipe it for you! Don't blame me for not apologizing!"

With that, she felt at ease and withdrew her hands.

Jessica's face turned blue with anger.

Victoria said with smile, "Don't be angry. It's only a dress. It is so ugly that it makes you look like a fat old woman. It doesn't matter to get dirty. I will give you a new one."

Jessica, "..."

"Besides, pregnant women can not be angry, what if you anger have an impact on the baby? This is the only chip you have to marry into the Mille family! Be careful."

Jessica was so angry that she almost spat blood.

Hazel who had sent Josie into the room was worried about Jessica and came downstairs to her. And when she found Jessica got spilled with red wine, she quickly ran over.

"Jessica, what is wrong with you?"

Jessica said nothing but stared at Victoria, as if wishing to eat her alive.

Victoria turned a blind eye and said to Hazel with a smile, "Nothing. Her skirt got dirty accidentally. Since you are here, take care of it. Pregnant women should be careful, we will leave you alone. Bye."

With that, she pulled Natalia to walk away.

Hazel, "..."

Natalia did not expect that Victoria would suddenly come over.

As long as the thought of the fact Jessica got spilled with red wine, she could not help but want to laugh.

She tugged at Victoria's hand and asked, "Hey, where were you? What took you so long?"

Victoria's eyes flickered.

"I just talked to a few people I know."

With that, it seemed that she did not want to continue this topic but said, "Did you disclose it to Jessica?"

Natalia smiled, "Yes."

“Did she believe it?”

“I am not sure if she believes it, but at least she doubts it.”

Natalia lowered her eyes slightly and then said quietly, “Thank you for tonight.”

Victoria sniggered, “It's a big deal. I may not be able to help you with other things, but I can handle with this. Rest assured! If anyone comes tonight, I will get her to you.”

Seeing her look assured, Natalia nodded with a smile.

Jessica, in the company of Hazel, came back to the room to change clothes.

As the whole hotel was occupied, most of the guests present were given separate rooms so that they could stay late in the evening and would not be in a hurry to leave.

Jessica and Hazel's rooms were on the eighth floor. After entering the room, Hazel could no longer hold back but say angrily, “They went too far! How could they spill you with wine in public?”

Jessica's face looked bad too.

“Natalia will not do such a thing. It's Victoria.”

“That bitch!”

Hazel was so angry that she gnashed her teeth and said, “Isn't she relying on her father being the chairman of Topsun Group? So what?”

Jessica sneered.

“The identity of a daughter of Topsun Group is powerful enough! At least she is more powerful than you or I!”

“But...”

“All right, don't say a word and get a dress. Shawn is waiting for me down there. I must get down at once.”

Hazel dare not say anything more and had to help her to find a dress.

After Hazel left, Jessica went into the bathroom and thought of something as she was washing her hands.

After washing her hands, she looked at her pretty face in the mirror and got slightly distracted.

Natalia's words echoed in her ears again.

“Are you really so sure that it was the original manuscript you stole from my computer five years ago?”

The face of her certainty and confidence seemed to be there, and she became nervous.

No, No way!

She had literally copied the manuscript from her computer, and by rights, she couldn't have had a copy!

But why was she so nervous?

She knew Natalia so well!

She could not have uttered such words in front of her, if she had not been so sure!

She would never put on a show!

But what if it was fake?

What good did she get by lying to her?

Trying to scare her? To let her stop getting her into troubles?

Not likely.

Jessica frowned and felt her brain was so messy that she could not figure out why.

She was panic.

In the past five years, outsiders thought she had a good life, but they didn't know she had paid a lot.

Marketing alone could not go far, she did put solid efforts and work hard.

She had worked so hard to get to where she was now and how could she fall again?

She had spent so much effort to drive Natalia out of the family, to seize Shawn, to get the life she wanted, how could she allow it to be so easily destroyed?

No, no!

She took a deep breath at the thought.

There was a knock at the door.????????????????

### **Chapter 78 To Steal it**

Hazel's voice came through the door.

"Jessica, are you still inside? I brought you your dress."

Jessica rearranged her expression and turned around to open the door.

"Thank you."

"You're welcome."

Hazel smiled, noticed her abnormal look and asked with concern, "Jessica, are you all right?"

Jessica forced a smile and shook her head.

Although she shook her head, she seemed to have something on her mind, looking very sad.

How could Hazel not see it?

She said in worry, "Jessica, did Natalia that bitch bully you again? What did she tell you?"

Jessica still shook her head.

After a pause, she took Hazel's hand and said, "I'm fine. I'm just... I'm just worried."

"Worried about what?"

"I..."

Jessica hung her head and her eyes sparkled.

"Jessica, come on, what is it?"

Jessica said in a soft voice, "You may not believe it, I also feel unbelievable, I did not expect my sister would be like that, I really..."

As she spoke, she had a tone of crying gradually.

Her pretty little face looked as if she was to cry.

Hazel could not stand it and said, "I knew it! It must be that bitch bullying you again! What did she do?"

Jessica shook her head and it took her a while to recover her mood. She said, "After you sent Josie away, she stopped me and said that the manuscript I painted five years ago is in her hand, and tonight as long as she takes out that manuscript, she can prove that it is her work."

Hazel widened her eyes in disbelief.

"Damn! What a bitch? Wouldn't that make you slander her?"

Jessica nodded.

"What a shameless woman!"

"Hazel, you are my best sister, and I only dare to tell you about it. I really don't know what to do. You know, my sister is good at talking, and I'm really afraid that she's going to take out that manuscript to slander me, and then I'll be screwed."

Hazel said indignantly, "Jessica, don't worry, since she dares to say so, it means that she has that manuscript with her now. As long as we get that manuscript out before she does, we'll be all right."

Jessica looked at her blankly and in surprise.

"Steal, steal it?"

Hazel nodded with certainty.

"Yes."

"But.....will it be bad?"

"Nothing bad, that's what she's done!"

Then Hazel noticed Jessica's embarrassed eyes

She patted her chest irritably.

“Don't worry, you don't have to do it. I'll take care of it for you. All you have to do is to help me keep her from going to her room.”

Jessica looked at her and hesitated for a long time.

Finally she said, “Well..... All right!”

“Change clothes first, I will go out now.”

“Well, thank you, Hazel.”

After Hazel went out and closed the door, Jessica got up.

Hesitation and weakness disappeared on her pretty face.

Her face was full of disdain and loathing.

She swore in a low voice, “stupid”, and then looked at the dress, which was obviously an improvised, ill-fitting one in disgust, and changed it.

...

The hall began to fill up. And the event in the school was over.

Natalia skillfully walked through the crowd, talking and laughing.

She used to not like such occasions, and later being a public relations director in the Glory Group for two years, she had to socialize and gradually she got used to it.

The previous farce in such a lively atmosphere was not mentioned by anyone, as if it had never happened.

After all, even the big news was nothing to them.

It was just topic when they had chat, but today it was obviously not the occasion to chat about that. The guests present were mostly not rich or powerful, they would not talk about the trifles of the school days?

What's more, Natalia was elegant, people were subconsciously reluctant to associate her with the that girl in the scandal five years ago.

In short, it had been over. Since the parties were not willing to dispute, they naturally would not talk about it.

Therefore, they did not estranged Natalia because of that, and a few rich and young men came to greet with her because of her stunning beauty.

Natalia did not refuse and responded gently and politely, which showed respect to others and showed no arrogance.

She had been in the circle for years and knew all too well the way of the world.

A lot of people were like a dude, actually the relationship was complicated, maybe one day she needed their help.

One more friend was better than one more enemy.

Not far away, Shawn looked at her shuttling in the crowd with a somber face.

Until a clear, soft voice came from behind.

“Shawn.”

He turned to see Jessica, put down the wine glass in hand and pulled her over.

“You saw her? Are you all right?”

Jessica shook her head.

“It's okay, she's just a little sad. I'll leave Lily up there with her. She will be all right soon.”

“Good.”

Shawn said nothing after that and took another glass of wine, sipping it mouthful by mouthful.

Jessica was disappointed to see this.

“Shawn, you have nothing to tell me?”

Shawn froze and looked at her, “Tell you what?”

Jessica, “...”

There was unspeakable bitterness in her heart and gradually her eyes became wet.

She forced a smile and bent her head slightly.

“I thought you would care why I changed my clothes.”

Shawn was stunned.

He took a careful look, only to find that Jessica was wearing another dress.

His face changed. He felt embarrassed and coughed.

“I'm sorry. I was thinking about something and I didn't notice it. What's wrong? Why did you change your clothes?”

His unease tone and vision made Jessica upset.

She looked at Shawn and obviously found dodge in his eyes and he was perfunctory. She felt sad in the heart.

“Nothing, I accidentally got spilled all over with wine.”

She said in an angry tone.

She didn't mention who did it, but she supposed he could guess it.??????

## **Chapter 79 The Thief Was Caught**

As expected, Shawn frowned.

Jessica secretly breathed a sigh of relief.

Anyway, he still cared about her.

Since now he had known that she was wronged, he would certainly help her take revenge!

However, to her surprise, Shawn only said in a low voice, "You'd better stay away from her in the future!"

Jessica was stunned and widened her eyes in disbelief.

She looked at Shawn in disbelief as if she had heard something completely impossible. "What... What did you say?"

Shawn said impatiently.

"Every time you two meet, you will quarrel with each other like foes of life. It seems that she is unreasonable, but actually, it's always you who took the initiative to provoke the fighting. Jessica, it's already a mistake for us two to be together, so definitely she hates you for that. Why do you still take the initiative to provoke her and get yourself annoyed?"

Jessica was stupefied.

She looked at the man in front of her and couldn't believe what he had said just now.

Tears welled up in her eyes.

"Shawn, do you think... Do you think I have always made trouble for my sister on purpose?"

Shawn frowned.

Then he explained helplessly, "I didn't mean that. I just asked you to keep a distance from her."

"How can I keep a distance from her? Do you mean that I shouldn't go anywhere she goes in the future? Shawn, how could you say something like that? I know I should say sorry to her, but I've tried my best to make it up. What else do you want me to do?"

"Will it satisfy both of you if I go to hell now? If so, why did you even bother to come to me before? Since you love her so much, wasn't it better for you to be with her?"

Jessica broke down with tears.

Shawn's face changed instantly.

He covered her mouth in a hurry and looked around. Then he lowered his voice and said anxiously, "Keep it down!"

Jessica just cried, feeling so wronged that she couldn't even speak.

Shawn also could not help feeling sorry, when he saw his girl crying so poorly.

He held her in his arms and comforted her, "I didn't mean that. How could I love her? I only love you, and nobody else. I said that just because I don't want you to have any conflict with her ever again."

"You should know how kind you are. If you have a conflict with her, you will always be the one who suffers. Then I will also be worried. Do you understand this?"

Jessica cried, "I think you are just worried about her!"

"Of course not! Nonsense!"

Shawn coaxed softly, "Of course I only love you. After all, you are not only my fiancée, but also the mother of my child."

As he spoke, he gently rested his hand on her belly.

Jessica didn't really want to break up with him. After being comforted by his gentle words, she knew better than to continue the fuss.

However, the jealousy and anger at the bottom of her heart were like a volcano awakened, and she could no longer control it.

Why would just everyone like Natalia?

She had already broken up with Shawn, but she still occupied an important place in this man's world.

And she had worked so hard herself, why couldn't she get anything at all?

But then again, she felt fortunate.

That woman was stupid enough to be so arrogant.

After she got the real manuscript, no matter how hard Natalia tried to defend herself tonight, she couldn't get away with the crime of theft and framing!

At the thought of this, Jessica took a deep breath and suppressed the surging hatred in her eyes.

In the meanwhile, at the guest room department on the twelfth floor, Marie sneaked out of the elevator and found room No. 1201.

She had just asked the receptionist for Natalia's room.

And Jessica had asked someone to get the room card for Marie. All Marie needed to do was to go in and steal the manuscript from the laptop.

Thinking of this, Marie put the room card on the door.

With a light "beep", the door opened.

She was delighted and looked around to make sure that no one would ever see her. Then she flashed in.

It was pitch dark inside.

Marie didn't dare to turn on the light. She turned on her flashlight instead, fumbled for the laptop and turned it on.

It took a while to turn on the laptop. She waited patiently, but suddenly she heard a very light noise from behind.

Startled, Marie turned around subconsciously and shouted, "Who is it?"

But there was nothing in the dark room.

Her face changed slightly, her heart somehow pounding. She began to have a feeling of uneasiness.

But now that she had started the plan, there was no turning back for her. Since she had come, she couldn't just leave with nothing. She must get the thing she's here for.

Thinking of this, Marie took a deep breath and encouraged herself to continue looking for the manuscript on the laptop.

The laptop that Natalia brought here was the one she usually used at home.

There were not many documents in it. Soon, Marie found something that looked similar to a hand-painted design drawing.

She was so surprised that she quickly took out the USB drive and copied the document into it.

Unexpectedly, just at this moment.

With a "clap" sound, all of a sudden, the lights in the room were all turned on.

A cold voice of a woman came from behind.

"What are you doing?"

Marie was almost scared out of her wits. When she turned around, she saw a young woman standing in the doorway. It was not Natalia, but Victoria!

"Why ... Why are you here?"

Victoria gave a cold sneer.

"This is my room, so why do you think I am here?"

"Your room? Isn't it..."

She suddenly opened her eyes wide and realized something wrong. She looked at Victoria in disbelief.

"You set me up!"

"Humph! It's too late to know it now. "

Seeing that the situation was not as expected, Marie hurriedly jumped to her feet for the door.

However, as soon as she ran to the door, she was stopped by several security guards who had already ambushed around.

Victoria looked at her coldly and then smiled.

"Well, never try to run again. Since I knew you would come here, definitely I've prepared well! Just stop and surrender!"

In the spinning hall on the second floor.

The banquet hall was still lively and peaceful.

To Natalia's surprise, besides the big shots from Julio, Amy, her favorite fashion designer, also came to the party today.

It was said that Amy was a friend of the principal's granddaughter. She originally came to Ambario for a trip. Coincidentally, the school anniversary was held when she was here, so she was invited by the principal's granddaughter.

Natalia was undoubtedly excited to learn about such good news.

Unfortunately, since Amy entered the hall, she had been surrounded by all kinds of people who wanted to make friends with her. Natalia wanted to say hello to her, but there wasn't even a chance for her.

Just then, a waiter came downstairs in a hurry.

He walked quickly to the manager and said something. The manager's face changed and left in a hurry.

Natalia smiled silently.

She put down the glass in her hand and walked towards the elevator.

"Natalia."

Jessica's voice came from behind.

"The party is not over yet. Why are you leaving now?"

Natalia looked back at her with a faint smile.

"I'm tired. I want to go back to have a rest in my room. Is there anything wrong?"

Jessica forced a smile.

"No, it's still too early. There are many celebrities here tonight. Don't you want to stay a little longer?"

### **Chapter 80 Send Her To Jail**

As expected, Shawn frowned.

Natalia raised her eyebrows.

She raised her wrist and looked at her watch to check the time.

It was already half past ten at night.

Although it was not very late, it was definitely not early.

She curled her lips and said, "No, but it seemed like you are having great fun here, you can stay here. Enjoy yourself!"

Then she walked towards the elevator without looking back.

Jessica's face darkened.

She wanted to stop Natalia again, but Natalia seemed to have made up her mind and ignored her voice.

Jessica was pissed off.

'Damn it! Why hasn't Marie come down yet?'

Shawn frowned beside her.

"Jessica, don't force her if she just wants to leave. Let's go. There are still people waiting for us over there."

Jessica looked panicked.

Seeing the elevator door was about to close, she gritted her teeth and suddenly rushed forward.

"Natalia!"

Shawn's face changed dramatically.

Even Natalia, who had already entered the elevator, couldn't help frowning slightly.

After a flash, Natalia pressed the open button with one hand and supported Jessica with the other. With a livid face, she snapped, "Stay away from me if you want to die. Just don't get me into trouble!"

Shawn rushed up and held Jessica with a long face.

"What are you doing? You even had no idea how dangerous it was just now!"

How could Jessica not know the danger?

Now she was still a little scared, but she had no choice.

Marie hadn't come down yet. She couldn't let Natalia go back.

Thinking of this, she was about to say something, but at this time, a middle-aged man ran over from the outside. He glanced at the three, and finally fixed his eyes on Natalia. He said respectfully, "Is this Miss Natalia Dawson?"

Natalia nodded.

"Excuse me, your friend, Miss Kaur, on the twelfth floor has met some trouble. She wants you to go upstairs."

...

Natalia followed the staff to the guest room department.

Jessica and Shawn naturally followed them.

As soon as they walked out of the elevator, they felt that the atmosphere on the whole floor was a little strange. At the door of one of the guest rooms, there were several security guards surrounding, and some other people were talking about something loudly inside.

Jessica's face changed slightly.

Shawn didn't know what had happened. He just followed Natalia subconsciously, because he saw the strange expression on the staff's face when the staff talked to Natalia.

At this time, he heard the crying and arguing inside and couldn't help asking, "What happened there?"

Natalia looked back at him and then fixed her eyes on Jessica with a faint smile.

"I have no idea. Jessica, do you know what happened?"

Jessica could only force a smile.

"Even you don't know that. How would I know?"

Noticing that she didn't look well, Shawn asked, "What's wrong with you? Are you feeling uncomfortable?"

Jessica's eyes twinkled.

The woman's voice inside was so loud that everyone could hear it. Maybe others couldn't know, but she certainly knew whose voice it was.

It was Marie.

'Has Marie been caught?'

It was impossible. At this time, everyone was in the banquet hall downstairs. Who would have caught her?

But for the sake of her own safety, she didn't want to go any closer, so she forced a smile and touched her forehead.

"Shawn, I have a headache. I might catch a cold."

"Then..."

"Oh, a headache? You should have a rest in my room then! I happen to have some medicine for headache in my room."

"No, thanks."

"Jessica! Are you afraid? "

Jessica's back went stiff.

She looked at Natalia and saw the familiar indifference and determination in Natalia's eyes.

Jessica couldn't help but feel flustered.

When she was about to refuse again, Shawn also said beside her.

"Let's go inside and have a rest. You are pregnant now, and it's not good for you to walk around. If you still feel pain after a rest, I'll ask someone to drive you to the hospital."

Now that he had said so, Jessica had no choice but to agree.

Finally, she followed them to Natalia's room.

In the room, Victoria was sitting on the sofa. Next to her were four security guards, all of whom were private bodyguards arranged by Victoria in advance, not from the hotel.

Marie was on her knees in the middle of the living room, with her hands and feet tied up. Her face was covered with tears, and her makeup was messed up, quite embarrassed.

Not only the three of them came over, but also some onlookers were gathering up even earlier.

It was so noisy that many guests had come to check the situation.

Therefore, when they arrived, there were even many people surrounding the room, as if waiting for some good drama.

Jessica's face turned pale.

"Oh, what happened?"

Natalia asked lightly.

Seeing her, Victoria stood up and said with a smile, "You're finally back. I caught a thief for you today. Look, it's even someone you know!"

Natalia looked at the person at the center of the living room.

Pretending to be surprised, she asked, "Marie? Why are you here?"

"I..."

At this time, Marie naturally knew that she was fooled. She could only falter, "I just went to the wrong room. How could you tie me up and frame me as a thief? Natalia! What do you mean by doing that?"

Natalia raised her eyebrows.

"The wrong room?"

She sneered, "If I remember correctly, your room should be on the eighth floor. How could you go to the twelfth floor by mistake?"

Marie was speechless.

Flustered, she looked at Jessica and explained stiffly, "I ... I was drunk, okay?"

"Drunk?" Victoria sneered, "You were drunk, and you still came here to rummage around her room? You should think twice before you decide to tell a lie! Besides, you were certainly very sober when you copied the files in the laptop with the USB drive!"

Marie panicked.

She pretended not to know anything, "What files? I don't know what you are talking about!"

Victoria didn't want to waste her breath for the nonsense anymore. She asked the bodyguard to search for the USB drive on Marie's body.

"Do you have anything else to say?"

Since the USB drive was also found on her body, Marie had no reason to argue anymore.

Now that the thief didn't say anything, Victoria asked Natalia, "What do you think we should do with her?"

Marie glared at Natalia angrily.

There was even a hint of warning and threat in her eyes.

Natalia sneered, her eyes cold.

"Let the police deal with this case then!"

"What?"

Marie screamed, "Natalia Dawson, you can't be so arrogant! Once I tell the truth, neither of us two will be able to be fine in the end!"

With a sneer, Natalia said, "I'd like to hear how much pain I will suffer from your so-called truth."

At this time, more and more people who got the news came here.

Many people gathered at the door and whispered to discuss.

"Hey, what's going on? How could Marie just come there to steal a file?"

"I don't know! Is it some kind of business secret?"

"If that's the case, stealing business secrets is quite a serious crime and she will be in jail for many years, right?"

"Yeah, but she deserves it! How dare she be a theft. She's so shameless."
