

Sweetheart 1391

1391 if you say anything bad about my wife, you're going against the entire mu family!

this man didn't even have any scruples. he didn't even greet her before he grabbed her and kissed her ...

now, all the people in china were going to watch them kiss.

now ... he was really famous ...

however, when she recalled that mu yichen had appeared on camera half-naked earlier, luo chenxi decided to give up on herself.

forget it, forget it. it's embarrassing anyway. i'll just throw it all away in one go.

at the thought of this, luo chenxi stood on her tiptoes and wrapped her arms around mu yichen's neck. she stopped resisting and even took the initiative to return the kiss.

mu yichen was already vulnerable to the petite woman in his arms. his body tensed up instantly when he felt her response. he tightened his arms subconsciously and held luo chenxi firmly in front of his chest. he was even more eager to take her breath.

luo chenxi almost could not catch her breath due to his overbearing action. her petite face was red from holding her breath. she pushed him away a few times before she managed to push him away.

mu yichen raised his head, but his arm was still wrapped around her waist.

his sharp gaze swept across everyone present, and his thin lips, which were redder than usual because of the kiss, gently lifted.

"luo chenxi is my wife, mu yichen's wife. she's my daughter's mother and the only young mistress of the mu family! and the only woman i love. you're slandering my wife, but you say it's for the mu family's sake? hehe ..."

boxn ov el. c o m

the corners of mu yichen's lips cracked into a cold smile.

"disrespecting my wife is the same as slapping me, mu yichen's face! if you say anything bad about my wife, you're going against the entire mu family!"

the reporters who had been racking their brains to come up with excuses to get away with the crime were all stunned.

no one had expected mu yichen to make such a domineering declaration!

did this not mean that luo chenxi's reputation was more important than his own? 'the entire mu family will stand on luo chenxi's side at all costs?

how ... how could this be possible?

the only reason why a young master from a top-notch wealthy family like mu yichen would marry a woman with an ordinary family background like luo chenxi was because he fancied her for being young,

beautiful, obedient, and fertile. no matter what, she did not deserve such high regard. in mu yichen's heart, she was even on par with the entire mu family!

not only were the reporters at the scene dumbfounded, but the netizens who saw this scene also went crazy.

"young master mu is so mighty and domineering, he's simply a wife-doting demon! give me a dozen of such men!"

"he's so handsome, he's really so handsome! 'i'm not interested in mu yichen's overbearing and cold personality at first, but i've completely fallen for him when i saw his affectionate and powerful attitude when he was protecting luo chenxi! such a good man actually exists!"

"as expected of the national husband that i've been chasing for so long! young master mu is a real man, so handsome!"

"luo chenxi is so lucky! how on earth did she turn her cold and aloof male god into this! please publish a book! please start the class! i'm begging you!"

countless bullet comments had completely blocked the screen.

in fact, even if it wasn't blocked, the live broadcast had already been cut off.

the police had arrived at the scene not long after mu yichen had finished his declaration of sovereignty. they barged into the suite and captured all the reporters in preparation to bring them back to the police station for interrogation.

their actions had already broken the law and they would be detained at the very least.

whether or not they would be sentenced and pursued for responsibility would depend on the performance of the mu family's legal team.

upon seeing that, luo chenxi finally heaved a long sigh of relief. she nudged mu yichen in preparation to break away from the overly intimate position.

however, she had just taken a step when the man grabbed her slender waist and pulled her back.

1392 chapter 1396-explosive scene

luo chenxi's soft and delicate back bumped into the man's strong and firm chest. the expression on her face was slightly twisted.

"aiyo! it hurts! 'mu yichen, you ... what are you doing?' let me go first ..."

"stupid woman, if you want your man to make a fool of himself, you can leave now."

"what do you mean ..."

luo chenxi suddenly stopped in the middle of her sentence. her petite face turned scarlet instantly!

this was because mu yichen's arm tightened around luo chenxi's lower abdomen the moment he spoke. he pressed her perky butt backward.

luo chenxi could clearly sense the obvious change in mu yichen's body at once. her face blushed at once while she did not even know where to place her hands and feet.

'mu yichen ... he actually ...'

this man's skin was too thick!

not only was he able to french kiss in front of so many people and in front of the live broadcast camera, he actually ... even had a reaction ...

luo chenxi noticed this, so she dared not move anymore.

boxn ov el. c o m

she could only stay in mu yichen's arms obediently and watch as the bodyguards cooperated with the police to take away the reporters' identification documents and take them away one by one.

luo chenxi suddenly thought of something when she saw that almost everyone had left. she scoffed coldly, " " fu jiatong, zhong xiuna, where are you going? why are you two acting so sneakily? "

fu jiatong and zhong xiuna, who had already reached the door, froze when they heard this.

the two of them had originally followed behind the reporters to watch the commotion and wanted to take the opportunity to take a few more explosive photos or videos. after that, they would find an internet water army to continue to hype up the news on the internet.

whoever knew that the scene was indeed very explosive, but ... the male lead was really too unexpected!

there was no longer any sense of excitement in their hearts when they saw mu yichen and luo chenxi putting on a hot and passionate act. they were considered to be in good physical condition if they were not so angry that they vomited blood on the spot.

seeing that their plan had completely failed, the only thought in their minds was to take advantage of the chaos and slip away behind the crowd. they would leave this place first and then think of a way to deal with it.

they did not expect that luo chenxi would call out to them when they were only one step away from the door.

the two of them immediately cursed luo chenxi's eighteen generations of ancestors in their hearts. however, they did not even have the courage to utter a single vulgarity in front of mu yichen.

she had to carefully act pitiful and innocent.

"brother ... brother mu, i didn't expect you to be here! that's great, that's great! when i saw so many reporters rush in just now, it was really ... really scared me to death! i was so afraid that they would break in and take some bad photos. i wanted to stop them, but they didn't listen to me at all!" fu jiatong looked upset.

zhong xiuna also chimed in, " young master mu, jiatong was really worried just now. it's already so chaotic outside, but she insisted on dragging me out. she said that if the mu family's reputation was

damaged, she would let down the two elders of the mu family and young master mu, who had been taking care of her all this time! ”

the corners of luo chenxi’s lips twitched when she heard the duo’s explanation. she was utterly disgusted.

he really didn’t know why the public thought that zhong xiuna’s acting skills were bad. were the netizens blind?

looking at their superb acting skills and their ability to adapt to changes, even the oscars owed them an oscar!

just now, the two of them were clearly here to intensify the conflict. now, with tears in their eyes, they became good-hearted people who were here to stop the reporters for the mu family’s reputation, regardless of their own safety!

luo chenxi was so infuriated that she wanted to curse.

however, mu yichen spoke first before she could even speak.

1393 you’re a disgrace to the fu family!

“fu jiatong, i’ve been tolerating you guys for a long time. if it wasn’t for the sake of the fu family, i would have taught you a lesson the first time you slandered my wife! your cousin swore that he would use his character to guarantee that you would not cause any more trouble for my wife. only then did i agree to let him take you back, but what happened in the end?”

mu yichen squinted his eyes. his long, narrow, and sharp phoenix eyes were filled with an icy chill.

“you’re a disgrace to the fu family! since the fu family doesn’t treat their daughter well, i don’t mind teaching her on their behalf!”

his cold and harsh reprimand was all directed at fu jiatong. as for zhong xiuna, she was already dead in his eyes.

fu jiatong heard his cold tone and a chill rose from the bottom of her heart. she didn’t even dare to look him in the eye.

too ... too terrifying!

even though she had heard of mu yichen’s reputation for being ruthless, domineering, and cold, he appeared to be a graceful and elegant young master every time he visited the fu family. he was completely different from the rumors in the outside world. that was why she had never experienced how terrifying mu yichen could be.

it was only now that she realized that she had made a huge mistake!

fu jiatong’s legs felt like jelly, and she had to force herself to stand. ” big brother mu, you ... why did you say that? you’ve really misunderstood me! ”

she knew that she must not admit that she was wrong at this time, so she could only try her best to explain herself and try to clear her name.

“it’s true, brother mu! you’ll know if you watch the live broadcast just now. after i came here, i’ve been stopping the reporters from entering the bedroom. i’m really worried about the mu family! ‘even though ... even though i misunderstood luo chenxi and thought that she ... she really cheated on me, you can’t blame me for that, can you? i’m not even close to her, how would i know if she would cheat on me ...”

boxn ov el. c o m

she trembled and said a lot of things intermittently.

regardless of whether it was luo chenxi or mu yichen, they were only staring at her coldly. their gazes were as if they were watching a joke!

fu jiatong shivered, and her voice became softer and softer.

mu yichen then pouted his lips. ” cut the crap. you know very well what you’ve done! ”

everything happened so suddenly that he didn’t have time to investigate the truth behind it.

however, he could guess 80 – 90% of it just by guessing.

fu jiatong had just had a violent conflict with luo chenxi yesterday. today, a reporter barged into luo chenxi’s room to ‘catch them in the act of adultery’. moreover, fu jiatong happened to appear at the scene of the incident.

even a three-year-old child would not believe that she had nothing to do with this!

he couldn’t be bothered to listen to fu jiatong’s nonsense and waved his hand to signal the bodyguards. ” take her away and lock her up. ” no matter who came to plead for him, he couldn’t let him go! whoever dares to release her without permission, don’t blame me for being impolite!”

it wasn’t that he didn’t trust liang bro, but this was the imperial capital!

she had heard that the president doted on his niece to an exaggerated extent. fu jiatong’s love in the president’s house couldn’t even be compared to fu linchen, the only heir!

mu yichen was worried that his subordinates would release her in a moment of negligence if the president sent someone to demand for her. that was why he warned his subordinates.

“big brother mu, you ... you can’t do this ... my uncle will definitely be angry! if you capture me, you’ll offend the entire fu family ... damn it! get your dirty hands off me, all of you! don’t touch me!”

seeing the bodyguards approach, fu jiatong screamed and struggled.

1394 the only thing i want to do ... is of course ...

zhong xiuna was so scared that her legs went soft. she knelt on the ground and almost peed in her pants.

now, there was only one thought in her mind, and that was that wanwan was finished! it’s all over!

her acting career and the future of the entire zhong family would be ruined!

mu yichen was not even willing to let go of fu jiatong, the daughter of the president's house. she was just the daughter of a small branch of the zhong family. would she be able to leave this place alive if she fell into mu yichen's hands?

the bodyguards didn't say anything. they gently loosened their grip on the two of them and dragged them out.

she even considerably closed the door for the young master and young mistress, isolating the two women's screams and begging for mercy outside the door.

"shut up, you two crazy women, stop screaming! what if we disturb young master and young lady?"

as soon as they were outside the door, brother liang looked impatient. seeing that fu jiatong and zhong xiuna were still screaming, he glared at the bodyguards. "shut their mouths and take them away!" if you disturb eldest young master's happy occasion, you can do as you see fit!"

"damn you lowly people, you dare ... wu wu wu!!"

fu jiatong's eyes were wide open, and her face was full of hatred, but she couldn't resist at all and was dragged away.

.....

boxn ov el. c o m

when she realized that everyone had left the room, luo chenxi quickly turned around and nudged the man behind her.

"mu yichen, there's no one here now. can you let me go now?"

"of course ... no!"

the man's languid voice was heard in her ears. soon after, luo chenxi felt herself being lifted into the air as she was carried by mu yichen in his arms!

"hey, mu yichen, you ... what are you doing? let me down!" a wisp of panic flashed past luo chenxi's face.

mu yichen loosened his grip on purpose so that luo chenxi's body fell backward. the corners of his lips curled into an evil smile when he saw the stupid woman in his arms wrapping her arms around his neck in a flurry.

"what do you think i want? hmm?" mu yichen moved closer to luo chenxi's ear and lowered his voice. "the only person i want to do ... is you, of course!"

luo chenxi's face reddened once again. "y-y-you ... you're being a hooligan again! no, this morning you were already ... already ..."

"what happened to me this morning?" mu yichen asked despite knowing the answer.

luo chenxi glared at him. "you're the one who knows! anyway, let me down. i've already been delayed the entire morning, and it's almost afternoon now! i have to quickly wash up and rush to the set, otherwise i won't even be able to make it for the scene in the afternoon!"

mu yichen raised his eyebrows and the corners of his lips curled upward. "you still want to act?"

"of course, i can't let the entire crew wait for me!"

"what if i say ... you guys can't film today? it won't just be today, i'm afraid it won't be for a long time."

"how is this possible?!" luo chenxi did not believe him at all. "we're already in a hurry and we've wasted quite a few days recently. do you really think that the money of the production team comes from the wind?"

mu yichen lowered his head and sneaked a kiss on her cheek. "why don't we make a bet?" if i'm right, you'll have to spend the next few days with me. you have to follow me to work. if you're right ..."

"so what if i'm right?" luo chenxi asked in puzzlement.

mu yichen spoke in a calm and unruffled manner, "i'll follow you then. you'll go to film while i'll accompany you to the production team. how's that?" fair enough, right?"

"fair ..." my foot!

if young master mu went to the crew, wouldn't she become the object of the entire crew's attention?

besides, luo chenxi felt that something was amiss. 'why are you so sure? did you do anything to director yan and the others?'"

1395 chapter 1399-change the female lead

mu yichen had an innocent expression on his face. he furrowed his brows slightly. "stupid woman, what kind of person do you take your husband for? do i still need to play tricks behind my back?"

luo chenxi stared at him in suspicion for a while, but she could not see anything wrong with him.

mu yichen should not be bothered to bully people like yan heng and fan yinghua, but what was with his solemn and confident tone?

"if you don't believe me, just wait and see!" mu yichen said indifferently.

after he finished speaking, he did not continue to press her down like a beast. instead, he let go of her and leaned against the bed to wait.

luo chenxi's cell phone rang just as she was filled with doubts.

she quickly picked up her phone and saw yan heng's name on the screen!

'mu yichen can predict the future like a god?'

luo chenxi darted him a look before she picked up the phone. "director yan, is there anything i can help you with?" i'm preparing to go to the set, so i won't delay the shooting in the afternoon ..."

“sigh, xingchen, i was just about to inform you that you don’t have to come this afternoon. not only this afternoon, but the production team has also stopped filming for the next few days. you should rest well for a few days and accompany young master mu.” yan heng sighed deeply.

“ah?” luo chenxi was stunned for a moment. mu yichen had actually guessed it! how was that possible?

boxn ov el. c o m

“director yan, what’s going on? did something happen to the crew? if there’s anything you need, just tell me. i’ll definitely help if i can!”

if it was her husband who had caused this, she would definitely be responsible for settling it.

however, yan heng sighed again. “ the production team is indeed in big trouble, and it does have a little to do with you. the female lead, zhong xiuna, has been taken away by the police. i heard that she has hired internet ghostwriters to slander you several times. she has broken the law, and the police are not willing to let her go ...”

” ah ... ” luo chenxi came to a sudden realization. she finally understood why mu yichen was so confident that they would not be able to film the scene today.

if it was any other time, she would definitely have thought of it.

she did not know why, but her intelligence would drop rapidly whenever she was by mu yichen’s side.

ai, her beauty was truly misleading!

she furrowed her brows and said, “ director yan, i really want to help the crew, but i can’t help with this matter. zhong xiuna must pay the price for her own illegal actions! ”

she was a victim and the young mistress of the mu family. as long as she forgave zhong xiuna, she would be released by the police.

however, luo chenxi did not have the spirit of a saint. she was already letting zhong xiuna and fu jiatong off easy by sending them to jail.

yan heng seemed to have expected her to answer like this and was not surprised.

he nodded. “ xingchen, don’t worry. i don’t mean to ask you to go to the police station to get him out. even if you can forgive zhong xiuna, we can’t continue to use her as the female lead! therefore, it was imperative to change the female lead. we’re already actively looking for a new candidate for the female lead, but it’s really a little difficult to find a suitable candidate in time ...”

speaking of which, yan heng still felt a little fortunate.

originally, he had the fu family’s support. although he was not satisfied with zhong xiuna’s acting skills, he could not change the actress. now, zhong xiuna and fu jiatong had brought their own deaths to the police station!

now that the female lead had been changed, even the president could not say anything.

however, the schedule of big-name domestic movie stars had to be booked more than a year in advance. it was also very difficult to change people at the last minute.

1396 the model couple of the rich

especially the most ideal candidate in his mind ...

yan heng was at a loss for a long time. he could not come to a decision at the moment, so he could only tell luo chenxi to rest for a few more days and wait for the notice from the production team.

naturally, luo chenxi agreed readily. "director yan, if there's anything you need my help with, just let me know!"

luo chenxi hung up the phone. before she could even sigh with emotion, the phone in her hand was snatched away by a man's large palm that suddenly stretched out toward her.

immediately after, the man's strong and sturdy body covered her, pressed her shoulders, and pressed her down on the soft bed.

"mu yichen, wait ... wait a minute! i still need to make a call and talk to chief sheng ..."

when she turned on her phone just now, she saw sheng yu's missed calls. she knew that he must have seen the news on the internet and was worried about her, so he called.

although she did not know why she did not pick up any of his calls, she still wanted to call him back to put his mind at ease since everything was fine now.

mu yichen's already dark eyes turned even darker the moment he heard sheng yu's name. he stretched out his hand and tore luo chenxi's thin bathrobe into two.

"hey, mu yichen, what are you doing? let's put ... wuwuwu!"

"woman, you've forgotten the family rules again. in bed ... you're not allowed to mention other men's names!"

.....

the room in the hotel suite was filled with the feeling of spring.

the netizens were also having a heated discussion.

in recent years, thanks to the advancement of the internet, all kinds of celebrities and wealthy families had been caught cheating. everyone had eaten a lot of melon seeds. however, this was the first time such a godly reversal had happened.

young master mu's overbearing behavior of pampering his wife was simply the representative of the perfect husband in all women's hearts.

because of this, even though he was already married, his popularity did not drop. instead, it rose.

initially, after mu yichen got married, the first place on the " national husband " ranking had already become fu linchen. however, after the " adultery " incident, mu yichen's ranking rose rapidly within a short hour and he returned to the throne of first place.

"young master mu is so handsome! i don't care if he's married or not, i'm willing to continue being his fangirl for another ten thousand years!"

"don't say anymore. i'm also chen xiluo's fangirl. i'm feeling complicated now ..."

"complicated my ass. i think young master mu and luo chenxi are a perfect match! i really like this couple! because of them, i believe in love again!"

" me too. i announce that i'm now a fan of young master mu and xing chen's couple. i hope this model rich couple can be in love for ten thousand years! "

all kinds of comments flooded the internet, almost all of which were filled with admiration.

sheng yu took out his phone and scrolled through weibo with mixed feelings.

after he was blacklisted by mu yichen when he called luo chenxi, he quickly posted a clarification post on his weibo to protect luo chenxi's reputation. he berated the reporters and internet ghostwriters who spread rumors at will that night. he even posted his return ticket yesterday and a photo of him in the office this morning to prove that he had left the hotel and returned to T city a long time ago.

this was supposed to be a weibo post that would cause a great stir, but almost no one noticed that he had posted anything on weibo due to mu yichen's sudden appearance in the live stream.

it was only now that the truth was revealed and mu yichen and luo chenxi had another round of dog abuse that people noticed sheng yu's weibo.

1397 however, no one had ever given him a chance ...

there were more comments below.

" it's so tragic for third young master sheng. he sent luo chenxi back to the hotel and ran into first young master mu waiting in the room. it's so torturous. it's so torturous ... "

" third young master sheng, you must've had too much dog food yesterday, right? "

" although the master and disciple couple is very cute, i still prefer young master mu's strength! "

" i'm sending you an invitation to the dead group. welcome to the group as our vip member ... "

sheng yu's heart felt stifled as he watched. his eyebrows twitched. in the end, he simply threw his phone on the table.

so what if mu yichen doted on his wife as much as his life? it wasn't that he couldn't do it, it was just that no one had ever given him the chance ...

he had only met luo chenxi one day later than mu yichen. however, he had lost his chance forever because of that day ...

.....

a week had passed, and the popularity of this “adultery case” on the internet had dropped a lot.

mu yichen could no longer stand the continuous calls for help from zhuo feng and the others. he had no choice but to let his wife off the hook while he was teaching her a lesson and rushed back to the company to handle some work.

boxn ov el. c o m

luo chenxi had planned to return to T city with him. however, she received a call from yan heng the night before she left.

“director yan, why are you calling so late? has the crew found a new female lead and are ready to continue filming?”

luo chenxi was pleasantly surprised and excited. she was completely unaware that the man’s face had darkened the moment he heard yan heng’s name.

on the other end of the phone, yan heng wanted to say something but hesitated. ” ahem, xingchen, there’s something ... i want to ask you for a favor ... ”

“what favor? just say it!”

yan heng spoke for a long time on the other end of the phone before he explained the entire situation.

it turned out that after zhong xiuna had been arrested, the production team had held an emergency meeting to discuss the replacement of the female lead. on the other hand, they had to consider how to explain to the investors after such a big incident had happened.

fortunately, bai shixun was the boss behind bai pictures.

he did not criticize the production team harshly. instead, he made a phone call and extorted a huge sum of money from mu yichen. he asked him to fork out two hundred million yuan for an additional investment. he even told yan heng that the funds for the new female lead would come from this two hundred million yuan.

with such ample funds, yan heng’s ambition had also become bigger. at first, he was only looking for substitutes from the domestic starlets with good acting skills, but now his eyes were set on the international best actress.

moreover, he had really found a suitable candidate.

“teng siqing, only twenty-six years old this year. she started her career in hollywood four years ago. she’s currently the most developed female star in hollywood in china and is known as a true international superstar. she’s won countless international awards, but she’s been nominated for best female lead at the oscars twice, but she didn’t win either.”

” her looks, temperament, and education are all very suitable for the female lead in the original novel. coupled with her first-class acting skills, she is ten thousand times more suitable than zhong xiuna! ”

“i’ve asked around. teng siqing has been filming overseas, but she just returned two months ago. she said that she wanted to rest for a while and hasn’t taken on any shows recently. even her schedule is free, isn’t this just in time for our production team?”

“xingchen, what do you think?”

he asked her what she thought ...

luo chenxi blinked. “teng siqing is also a female star that i like very much. she has an excellent temperament and is very compatible with my designs. of course, i support her to play the role of huo daining.” but ...”

1398 the person you’re going to see is ... teng siqing?

” however, director yan, if i remember correctly, teng siqing said in an interview that she has never taken on any shows directed by domestic directors and only focuses on developing her career in hollywood. can you hire her? ”

luo chenxi felt that yan heng was a little too confident. ‘it’s impossible for such a big-shot celebrity to break his consistent principles and take on a role just because you have two hundred million yuan, right?’

” i know that too, ” yan heng hurriedly said. ” that’s why i came to you for help. ”

luo chenxi still did not quite understand. i don’t have any connections in the entertainment industry, so you might as well look for bai shixun to think of a way.”

yan heng sighed. ” do you think i didn’t look for second young master bai? i don’t know what’s going on with him, but he found all sorts of reasons to refuse and just refused to help us. i even suspect that this teng siqing is one of second young master bai’s many ex-girlfriends! however, second young master bai had also worked with his ex-girlfriend before. why did he refuse this time? could this be ... the legendary true love?”

luo chenxi could not help frowning upon hearing his words.

she could not stand the playboy bai shixun’s romantic history!

if little qianqian had not been coaxed by him, she would have long gone to break up the two of them.

if teng siqing was really in a relationship with bai shixun, she would have to consider her no matter how suitable she was ...

“but that’s impossible. wasn’t teng siqing engaged to someone else? second young master bai didn’t react at all ... i must have guessed wrong ...”

yan heng’s mumbling made luo chenxi feel relieved.

boxn ov el. c o m

engaged?

it seemed that she had been overthinking it ...

” director yan, just tell me. is there anything i can help you with? ”

yan heng came back to his senses and said in a hurry, ” xingchen, i heard that teng siqing likes your designs very much. when your sister impersonated you last time, teng siqing even posted on weibo that luo chenxin must be a fake. her designs are not xingchen’s style at all! ”

luo chenxi was stunned for a moment before she said in joy, ”really?”

yan heng nodded. ” that’s right. that’s why i would like to personally visit miss teng tomorrow to see if i can convince her to join our production team. ” if you’re free, why don’t you come with me? maybe miss teng will agree to take on the role because you’re the designer.”

naturally, luo chenxi could not refuse such a request.

she didn’t even think about it and nodded. ” okay, see you tomorrow. ”

luo chenxi only felt that something was amiss after she hung up the phone.

why did the temperature in the room suddenly drop so much?

she subconsciously turned around and saw young master mu’s dark face. he lifted his chin slightly and said arrogantly, ” stupid woman, didn’t you say you would go back with me tonight? ”

” uh ... ” luo chenxi was only reminded of this matter. ”that ... i didn’t expect this to happen. but i won’t hold you back from your work if i stay ...”

”stupid woman, what do you mean? she was going to leave her husband for work again? did i teach you the family rules for nothing these past few days? do you still have a conscience?” mu yichen’s tone was completely accusatory.

luo chenxi was speechless for a moment. the two of them had been loathed in the hotel for the past few days, so what was the big deal about separating for a while?

however, when she saw mu yichen’s sour face, she quickly leaned over and kissed him on the cheek. she was trying her best to soothe his fur.

”hubby, you’re the best. i’ll only be back one day later than you. i’ll return to T city after i’ve met teng siqing with director yan ...”

before she could finish her sentence, mu yichen interrupted her, ” wait a minute. the person you’re going to see is ... teng siqing? ”

luo chenxi was stunned for a moment. ” that’s right ... ”

mu yichen’s thick, black, and straight brows immediately furrowed.

luo chenxi felt that something was amiss. ’what’s wrong? teng siqing ... is there something wrong?’

1399 you’ve already squeezed your husband dry

a wisp of gloominess flashed past mu yichen’s deep, dark eyes. he pursed the corners of his lips gently.

after a moment of silence, he slowly said, "there's nothing wrong. i've only heard of this person's name. since you have work tomorrow, i'll agree to let you stay for one more day. however, you have to go home tomorrow night. if you can't make it back in time ... we'll have to understand the family rules."

luo chenxi shuddered subconsciously when she heard the words 'family rules'.

soon after, he pouted his lips. "mu yichen, do you know that you've gone too far? you're threatening your wife with the family rules at the drop of a hat! this is called verbal violence!"

mu yichen scoffed coldly, "you think i'm too much? then don't go tomorrow. come back with me today!"

"no! you promised me just now, how can you change your mind so easily!" luo chenxi glared at him ferociously. she thought about it and felt that something was even more amiss.

she looked at mu yichen suspiciously a few times. "that's not right. mu yichen, are you hiding something from me? why did you agree to let me stay when you heard that i was going to see teng siqing? don't tell me ... you know teng siqing? by the way, director yan said that bai shixun's attitude toward teng siqing is unusual ... do you know her?"

mu yichen lifted his lips indifferently. "you're overthinking it. didn't you always complain that i don't support your work? it's rare for me to support you, and you're still doubting my intentions?"

even so, the more mu yichen spoke in such a manner, the more luo chenxi felt that something was amiss.

she widened her eyes and glared at mu yichen for a long while, but young master mu remained expressionless throughout. he even treated her as if she did not exist. he took out his laptop and started working on his own.

luo chenxi suddenly dashed toward him like an arrow. she pushed mu yichen's laptop to the side with one hand while she grabbed the tie on his chest with the other.

"mu yichen, what are you hiding from me? speak clearly! don't tell me that you're the one who had an affair with teng siqing? hmm?"

suspicious, this was too suspicious!

however, just as luo chenxi was racking her brains to think of a way to get more information out of mu yichen, she suddenly felt her body lighten. mu yichen carried her and sat on his lap.

mu yichen lowered his gaze and looked at the petite woman who threw herself into his arms out of anger. a smug smile flashed past his eyes.

"who do i have an affair with? woman, think about it. your husband is being pestered by you every day and has long been squeezed dry by you. how can he still have the mood to think about other women? do you think i'm superman? it's not easy to satisfy you!"

as mu yichen was speaking, he clasped luo chenxi's slim waist and pressed her entire body into his arms. he made her feel clearly that a certain part of her body that should have been 'squeezed dry' by her was still full of energy.

luo chenxi blushed at once. she only realized belatedly that she had fallen into the man's trap again.

"you ... what do you mean? who squeezed you dry?"

mu yichen was the one who pestered her to do those things every day, yet he was biting her back now!

is there still justice?

"yes, you're right. i didn't work hard enough yesterday and didn't satisfy mrs. mu. then i'll hand over the rest of the public provisions now and make sure that mrs. mu will be satisfied. she definitely won't have the strength to think about other women ..."

the little white rabbit was placed on the big bed by the big gray wolf again ...

"mu yichen, mmm ... that's enough. let go of me!"

1400 chapter 1404-meeting father!

just like that, luo chenxi was gnawed on by her husband from head to toe again.

if it were not for the fact that mu yichen had to rush back to T city that night, he was afraid that he would not be able to sleep tonight.

this made luo chenxi feel puzzled.'why is mu yichen so energetic?' after a whole day, he could still go back for a meeting!

could it be that he had not been close to women since he was young?

older virgins were really too scary ...

mu yichen returned to T city at night. luo chenxi could finally have a good night's sleep.

however, before he left, a small incident happened.

mu yichen had wanted to bring the little dumpling with him to the mu family, but the little dumpling had been here for a few days. the time she spent with luo chenxi was very limited. on the other hand, her father had been hogging her beloved elder sister. the little fellow had been unhappy for a long time.

when she heard that she was going back, she immediately pouted her little mouth and burst into tears. she hugged luo chenxi's thigh and refused to let go.

the little dumpling refused to leave with mu yichen no matter what he said.

luo chenxi's heart ached for the little dumpling when she saw that. she quickly carried the little dumpling in her arms. " don't cry, tangtang. it's fine if you don't want to go back. i'll call the kindergarten teacher to ask for a leave of absence, alright? " i'll bring you to play in the capital, not your dad!"

upon hearing this, the little dumpling's tears immediately turned into a smile. "really? are you really not bringing daddy? big sister and tang tang are sleeping together?"

"it's true!" Luo Chenxi nodded heavily.

the little furball immediately threw itself into her arms, hugged her neck, and kissed her hard, making a clear smacking sound.

"too easy to provoke, i love to provoke big sister the most!"

she wriggled her little bottom and waved at Mu Yichen casually. "see you, daddy!" daddy, get busy with work, we won't miss you ~"

the space between Mu Yichen's brows twitched. he felt depressed in his heart.

he repeatedly reminded himself that this daughter was ... his biological daughter!

and it was a stupid woman who gave birth to him!

i can't afford to offend you ...

the man who had been abandoned by his wife and daughter returned to T city dejectedly.

Luo Chenxi brought the little dumpling along and lay down early to get a good night's sleep.

.....

the next morning, Yan Heng came to pick Luo Chenxi up and they went to see Teng Siqing together.

since Zhuo Feng, the all-purpose secretary and nanny, had gone back with Mu Yichen, Luo Chenxi had wanted Brother Liang to help her look after the little dumpling.

she did not expect the two scars on Brother Liang's face to be so terrifying. even though he tried his best to squeeze out an 'affable' smile, the little furball was still quite frightened. she clung onto Luo Chenxi's neck and refused to let go.

Luo Chenxi had no choice but to bring the little dumpling along to handle the matter.

the production team had already prepared a set of detailed information on Teng Siqing for Luo Chenxi to read on the way.

Luo Chenxi carried the little dumpling in one hand while she flipped through the information with the other. " ... Teng Siqing is also a popular starlet. she rose to fame through a talent show. many people questioned her acting skills back then. however, she was not satisfied with filming emotional films in china, so she made up her mind to hone her acting skills more than four years ago and went to the film academy in country M. after i graduated, i started my career in hollywood ..."

when Teng Siqing was at her peak, Luo Chenxi was still in high school. it would not be an exaggeration to say that she was the national idol back then.

back then, there were countless male stars and big bosses who had scandals with Teng Siqing. even the heavenly king of the singing world at that time, the most successful rock and roll superstar in the history of china, Phoenix, was rumored to be Teng Siqing's ex-boyfriend.

it was because of this that yan heng had guessed her relationship with bai shixun ...
however, after teng siqing left the country, she seemed to have disappeared.
