

Sweetheart 1481

1481 luochenxi ... it's absolutely impossible for her to be ...!

"no, no, i didn't mean that! i mean ... ahem, in your memory, don't you remember a case that is similar to this one?"

fu jiatong became even more impatient when she heard zhong xiuna's hesitation.

"what are you trying to say!"

zhong xiuna felt embarrassed to say it, but when she saw fu jiatong's expression, she had no choice but to continue, " " it's ... more than 20 years ago, she was eight months pregnant, and she was violated before she died ... this ... doesn't this remind you of anything? "

"i should be thinking ..."

fu jiatong's impatient expression suddenly froze on her face, and then her body trembled, and her eyes widened!

" you mean, in the case more than 20 years ago, my aunt was ... "

zhong xiuna knew that fu jiatong had already remembered when she heard her. she nodded her head hurriedly, but didn't say anything else.

back then, the fu family's young madam was kidnapped and thrown into the sea. her body was not even found. this ... was the biggest taboo in the presidential palace for many years!

moreover, the person behind this matter was zhong xiuna's distant aunt.

as a member of the zhong family, this matter shouldn't have been brought up by zhong xiuna.

boxn ov el. c o m

it was just that fu jiatong was so slow-witted that she didn't think of it. she still had to find the president to investigate the case, so she had no choice but to say it.

even though the probability of luochenxi being related to the presidential palace was only one in ten thousand, what if it was true?

if fu jiatong were to report this matter to the president, she would not be pranking luochenxi but helping her!

fu jiatong didn't care about zhong xiuna's silence. at this time, she had completely fallen into a panic. her hands had become extremely cold, and her body was trembling slightly.

"no... impossible! this was absolutely impossible! 'zhong xiuna, you ... you're way too imaginative. how could you think of such a ridiculous thing?' 'hehe, how could a jinx like luochenxi possibly ... she's a bitch!' she must be the child of a homeless man on the street. one look and i can tell she's from a lowly background!"

however, although fu jiatong's mouth was unusually tough, she was already panicking inside.

this was because, when she thought back to what luò āngguō had said, she also felt that there were too many doubtful points in these two cases. it sounded like many details were the same.

moreover, if the person who violated luò chénxī's birth mother was an ordinary vagrant or a criminal gang, the police would certainly not close the case so hastily.

there must be a real powerful force behind this!

"no, i have to find out ... we can't wait any longer. we'll go to city H tonight!"

fū jiātóng quickly dragged zhōng xiūna back to the sports car.

in the night, the car sped away.

.....

on the production team's end, luò chénxī resumed her work as usual the next day.

after all, young master mǔ was busy with work. after pestering his wife for a night, although he was unwilling, he had no choice but to take a private plane back to T city.

before he left, luò chénxī and the little dumpling sent him off personally.

luò chénxī shook her head in amusement when she saw mǔ yìchén pulling a long face as if someone owed him a few hundred million dollars. she took a step forward and moved closer to his handsome face to give him a kiss. she even patted his cheek.

"alright, be good and earn money to support the family. take care of your health and don't come to the capital overnight again. i'll go home after work."

as expected of her husband, the skin on his face felt so good!

1482 mǔ yìchén felt a sense of crisis

however, luò chénxī's happiness did not last long before her mischievous little hand was grabbed by young master mǔ. he pulled her hand forcefully.

luò chénxī was caught off guard. she lost her balance and fell into the man's arms all of a sudden.

mǔ yìchén seized the opportunity to hold her slim waist tightly and planted an eager and forceful kiss on her lips. he kissed her until she was almost out of breath before he released her with great effort.

"stupid woman, you'd better take care of yourself and your daughter! if you lose weight again the next time i see you, i'll teach you a lesson! also, you're not allowed to get too close to other men!"

young master mǔ emphasized the last sentence.

mǔ yìchén noticed that the casting for 'gorgeous turn' was very good after visiting the production team twice. there were quite a few good-looking men in the crew.

even though mǔ yìchén acknowledged that he was a few hundred times better than them, they could not resist the fact that he was young. he was a young hunk who was in his twenties.

mu yichen felt a sense of crisis when he thought about how he would be twenty-eight years old after the new year.

young master mu's brows twitched a little when he recalled how he used to eavesdrop on luo chenxi and fang ziqian's phone conversation and how the two women would excitedly discuss the topic of a cute little puppy.

"you're not allowed to talk to men under the age of 50, do you hear me?"

luo chenxi was speechless for she did not know why her husband was so jealous of her again.

boxn ov el. c o m

she clearly didn't provoke him.

she hummed and grunted, her attitude very perfunctory.

mu yichen was very dissatisfied, but he had to return to the company within two hours. zhuo feng had come to urge him a few times, so he had no choice but to leave.

luo chenxi sent her husband off and returned to the production unit to continue working.

because of teng siqing's participation, the filming of the crew had become very smooth. there were no more NG takes for zhong xiuna. both the shooting time and the shooting cost had been reduced by a lot.

during the meeting, yan heng also stated that if everything went well, the filming work that was estimated to take sixty days could be completed in only fifty days.

the 10 days that had been saved were just enough to cover the time that zhong xiuna had lost when she was fired.

hearing this news, the crew members were very excited and worked even more enthusiastically.

on the second day after the filming resumed, he jinsi had been sending lunch to the crew non-stop, and it was all cooked by the chefs of five-star hotels.

as a result, he won a series of titles in the crew, such as " nouveau riche, " " best boss in history, " and " rich, handsome, and warm man. "

he had become the male god in the hearts of all the women in the crew.

everyone was talking about how gentle, considerate, and gentlemanly third young master he was. whoever could be his girlfriend would be so happy!

however, luo chenxi noticed that teng siqing was not among them.

apart from the first time, every time he jinsi asked someone to send lunch over, teng siqing would take out the lunch box she brought from home and say that it was unhealthy and unsanitary to eat takeaway, so she wanted to eat the food she brought herself.

the reason was so fake that luo chenxi found it odd. 'siqing, aren't you overthinking it? this is a take-out from the heavenly fragrance restaurant. it definitely won't use ditch oil like the small shops on the side of the road, so don't worry."

however, teng siqing was determined not to let him eat the lunch that he jinsi had sent.

luo chenxi had a faint feeling that something was not quite right, but she could not tell what the problem was. she could only let her be.

a few days later, it was lunchtime again. everyone was guessing what kind of dishes third young master he would send over today.

teng siqing picked up the lunchbox that she had brought and stood up as usual. " i'll go heat up the food and call tang tang and qingze back. the two little fellows are playing and forgot to come back again ... "

before she could finish her sentence, fan yinghua ran in hurriedly."everyone, come out quickly. third young master he is here personally today!"

1483 he could only see her in his eyes

"what? third young master he is here!"

upon hearing this, all the girls present became excited.

without waiting for fan yinghua to say anything, they rushed to the main entrance to welcome he jinsi.

she was even more excited than when she saw the nation's husband, mu yichen.

after all, although young master mu was handsome, he was already married!

he was not like third young master he, who not only had a good family background but was also single. it was said that he had never had a girlfriend.

and he was so kind and considerate ...

seeing the girls 'eagerness to be with he jinsi, teng siqing's face was filled with obvious disgust. she snorted coldly.

he jinsi was the most hypocritical man she had ever met!

on the surface, he pretended to be a gentleman, but in reality? he even pretended to be crazy and kissed an actress.

these girls still think he's a good person? it was really too simple-minded!

boxn ov el. c o m

at the thought of this, teng siqing impatiently turned around and ran away even faster.

but before she could run a few steps, she was already spotted by the sharp-eyed fan yinghua.

"eh? siqing? siqing, wait a moment! didn't you hear what i just said? mr. he is here for an inspection. hurry up and come with me to welcome him."

teng siqing could only stop in her tracks and laugh dryly. " president fan, um ... so many people have already gone to welcome third young master he. i ... i don't have to go, do i? " it's not like you're short of me. "

“what are you saying?” fan yinghua glared at her. “ siqing, you’re the female lead of our production. the investor is here, so you have to show your face no matter what. besides, the last time third young master he came for an inspection, he was so good to you and even helped you drink two glasses of wine. you should thank him!”

teng siqing was stunned. he jinsi clearly had bad intentions that day. he deliberately took her cup to drink, but in the end, in the eyes of outsiders, he was still taking care of her?

why couldn’t these people recognize the man’s true face?

she gritted her teeth. “ and, my qingze ... ”

“ i saw xingchen taking the children out for dinner just now. you’ll be fine with her. ”

the last way was also blocked, and teng siqing could only brace herself and follow fan yinghua.

he jinsi was surrounded by a large group of actresses at the entrance of the production set.

“ mr. he, thank you very much for delivering lunch to the crew every day. it’s rare for us to know of such great takeaway! ”

“ that’s right. recently, the filming efficiency of the crew has increased a lot. director yan said that we can finish the work ahead of time. this is all because of the encouragement you’ve given everyone for your lunch. it’s more motivated to work! ”

teng siqing happened to be approaching. when she heard this flattery, the corners of her mouth twitched.

this bunch of bootlickers really could say anything.

even the acceleration of the shooting speed could be counted as the credit of a lunch?

just then, he jinsi noticed that teng siqing was approaching, and his eyes immediately lit up.

there were so many coquettish voices around him, but he could not hear them at all. he could only see teng siqing.

today, teng siqing was still wearing the clothes she had worn for the shoot in the morning. she was dressed in a neat professional suit, and her hair was permed into big wavy curls. she looked mature, elegant, and yet sexy. she was slightly different from the pure young girl in his memory, but she attracted his attention even more.

“si ...”

he jinsi subconsciously took a step forward, wanting to walk towards teng siqing.

however, he had just taken a step when a figure came close to him.

1484 please move aside, you’re blocking my way

“third young master he, you’re finally here. i’ve been looking forward to when you’ll come to inspect our production team again!”

a sharp and charming voice suddenly sounded in his ear.

he jinsi frowned subconsciously. he turned around and saw a woman with heavy makeup on and a charming smile on her face. she was leaning toward him.

the weapon that was about to come out was almost stuck to his arm.

initially, teng siqing was still hesitating whether she should go over.

the moment she saw yao feifei approach her, a cold smile appeared on her face.

it seemed like he jinsi didn't even notice if she went over to say hello. with such a beauty throwing herself into his arms, how could third young master he remember anything else? after all, this man was someone who would even harass an unwilling woman like her.

at the thought of this, teng siqing silently took a few steps back, wanting to leave secretly.

"third young master he ..."

when he heard yao feifei's voice, he jinsi frowned and quickly took a step back to avoid touching her.

"who are you?" he asked unhappily.

boxn ov el. c o m

the smile on yao feifei's face froze. " ... ah?! "

when she heard fan yinghua's notice that he jinsi had come to inspect the set again, yao feifei was extremely excited.

she had long assumed that he jinsi sent her lunch every day because he had developed feelings for her. these few days, he had been bragging in front of the other actresses on the production team.

when she heard that he jinsi was here, she knew that it was time for her to show off!

it was a good time to let the rest of the crew, especially the arrogant teng siqing, see how strong yao feifei's backing was. even third young master he had a different opinion of her!

however, when she ran over excitedly, he jinsi didn't even recognize her!

no, impossible! it must be because she was wearing her costume today!

"third young master he, don't you ... don't you remember me?" yao feifei forced a smile. i'm the second female lead, yao feifei. last time, at the gathering, i ... i even gave you a toast!"

however, he jinsi's face remained cold. " i'm sorry, i don't have any impression of you. please move aside. you're blocking my way. "

at this moment, the staff around them couldn't hold it in and burst out laughing.

especially the small-time actors who were usually bullied by yao feifei, they were secretly happy.

yao feifei's face contorted when she heard the laughter.

she suppressed her anger and continued, " " third young master he, think about it again. the lunch you've been sending over ... "

however, this time, he jinsi didn't even have the patience to listen to her finish.

he suddenly realized that teng siqing's figure had moved to a corner and was about to disappear into the crowd.

"get out of my way!"

he was so anxious that he could no longer maintain his image of an elegant and noble young master. he pushed yao feifei away and chased after teng siqing.

yao feifei staggered from the push and took two steps back. suddenly, her feet tilted and she almost fell to the ground.

immediately, she felt a sharp pain in her ankle ... she had twisted her ankle!

hearing the laughter around her, yao feifei was so angry that she vomited blood. " d-d * mn it! i don't believe that ... with my beauty, i can't attract third young master he's attention!"

on the other side, teng siqing quietly left the crowd.

fan yinghua and the others were all stunned by yao feifei's shameless performance and had no time to pay attention to her movements.

teng siqing quickly returned to her lounge and heaved a sigh of relief.

she unzipped the back of her dress and tried to take off the tight costume.

however, the next second ...

1485 almost spurting out two lines of nosebleed

"miss teng, why did you run away the moment you saw me? am i that scary?"

a deep and magnetic male voice slowly sounded.

and it was right behind her!

teng siqing was so shocked that she almost jumped up.

she turned around in a hurry and saw he jinsi's tall figure leaning against the wall.

because he was standing with his back to the light, the blazing sun shone down from behind him, leaving a shadow on his face, making his handsome and deep facial features blurry, but it also added a bit of dark and dangerous sexiness.

at this time, his dark and cold eyes were fixed on teng siqing.

his line of sight quickly slid down from her delicate and beautiful little face, swept across her slender neck like a swan, and then continued down ...

he jinsi's eyes became even more intense, and his adam's apple moved up and down involuntarily.

after being stunned for a short while, teng siqing suddenly recalled something and her small face flushed red.

he quickly reached out and pulled up the cloth that had slipped down from his chest. he held it tightly with his arms.

boxn ov el. c o m

“he jinsi, what ... what are you looking at? why ... why ... why are you here? how did you get in here?” teng siqing’s voice was trembling.

the beauty in front of his eyes was blocked just like that. he jinsi couldn’t help but feel regretful.

only god knew how many years it had been since he had seen teng siqing naked.

the little fruit that was slightly unripe back then had obviously ripened now. that alluring curve, with just a glance, almost made him spit out two streams of blood from his nose ...

fortunately, teng siqing had covered herself. otherwise, he would have made a fool of himself.

he jinsi took a deep breath, raised a hand, and pointed at the door behind him. he said indifferently, “ i walked in from the main entrance. you forgot to lock the door.”

teng siqing was stunned for a moment. she remembered that she had been very nervous and hurried when she ran in just now. she might have forgotten to lock the door.

but she definitely closed the door!

“but ... but you can’t just come in like this? don’t you know you have to knock before you enter?”

teng siqing’s face turned green. she raised an arm and pointed in the direction of the door. “ get out! ”

he jinsi hurriedly coughed twice. “ cough, cough. miss teng, don’t get too excited. don’t get too excited ... clothes, clothes! ”

because of teng siqing’s action of raising her hand, one side of her clothes fell off again, revealing a large piece of snow-white skin.

she hurriedly pressed down on her clothes again and was about to say something when suddenly, there was the sound of messy footsteps from the door.

then, yan heng’s voice came from the door. “ that’s strange. where did siqing go? ” i couldn’t find her even after searching for half a day!”

“i think i just saw shadow queen teng walking towards the lounge.”

“i’ll go in and take a look.”

after yan heng finished speaking, he walked towards the lounge.

teng siqing’s little face froze.

the door to the lounge was not locked!

if yan heng had barged in directly, he would have been able to see her in a disheveled state in the same room as he jinsi!

even though the two of them weren't in physical contact, it looked like she was taking off her clothes to seduce he jinsi.

if anyone saw this, she ... she would never be able to clear her name!

she had once experienced a past filled with scandals and really did not want to fall into such a situation again.

teng siqing was so anxious that her face had turned pale. she desperately used her eyes to hint at he jinsi.

1486 chapter 1490-a lecherous ghost, a beast in human clothing

seeing how nervous she was, he jinsi wanted to pretend not to understand and scare her.

however, he couldn't bear to see her lips trembling.

he turned around without a word and locked the door.

he had just locked the door when yan heng knocked on the door.

"bang bang bang!"

"siqing, are you inside? come out for a moment, i have something to tell you!"

yan heng waited outside for a while, but he didn't hear any sound. as teng siqing had worried, he tried to turn the door handle and push the door.

however, the door was locked from the inside, so he couldn't open it.

after a few seconds, yan heng left.

only then did teng siqing let out a long breath.

the crisis was resolved.

boxn ov el. c o m

she looked at he jinsi again, and her face turned cold again. " third young master he, director yan and the others have left. you should go out as well. " if you stay here and get seen by others, it won't be good for you."

however, he jinsi still stood in the same spot and didn't move an inch. he only lifted his lips slightly and said, " miss teng, why are you in a hurry to chase me away? " i just wanted to have a chat with you."

"talk? what is there to talk about? i don't even know you well!" teng siqing did not believe his nonsense at all. she looked at him with a guarded expression. " get out! if you don't get out, i'll ..."

"you'll what? should we call for help?" he jinsi raised his eyebrows.

teng siqing suddenly choked.

shouting for help ... what she was most afraid of right now was being seen by others.

he jinsi's heart twitched when he saw her face turn green and white.

once upon a time, as long as teng siqing saw him, her eyes would involuntarily reveal a look of surprise and love.

but now, there was only vigilance and guardedness in her eyes ... she really felt that he was a tyrant!

he jinsi sighed deeply. " how about this? put on your clothes first and we'll talk. " i promise i won't peek. you should believe me now, right?"

without waiting for teng siqing's reaction, he turned around and faced her with his back.

teng siqing's face was filled with suspicion. she felt that things were not that simple.

he jinsi was clearly a lecherous man and a beast in human clothing. he had no limits at all. he even hid in the dark and dragged her into a small alley to force a kiss on her ...

would he be such a gentleman?

there must be a conspiracy!

teng siqing was afraid that he jinsi would sneak up on her while she was changing, so she did not move and stared at the man's broad back.

even though he jinsi had his back to her, he could still picture her cautious and alert look in his mind.

it seemed that although teng siqing appeared to have matured a lot on the surface, she would occasionally reveal the character and characteristics of the young girl from many years ago.

he waited for a while, but when he heard that teng siqing still did not move, he suddenly said,"are you done or not? it's so silly of me to stand like this. if i had changed, i would have turned around ..."

"don't, don't, don't ... don't turn around, i'm not done yet!"

teng siqing quickly stopped him.

at the same time, using both her hands and feet, she quickly turned around and pulled the half-removed dress back to its original position.

the only problem was that the zipper of her dress was at her back. luo chenxi was the one who usually zipped it up for her. it was not easy to pull it back on her own at the moment, so she had to spend quite a lot of time doing it.

he jinsi was very patient. he waited quietly for a long time until teng siqing said, " it's done. " he then turned around.

"tell me, what do you want from me?" teng siqing said.

1487 you look a little like my ex-girlfriend

he jinsi didn't take the opportunity to peek at her, which made teng siqing let down her guard.

however, she still didn't like third young master he's style, so her tone was not very polite.

he jinsi's expression became serious. he stood up straight and unexpectedly lowered his head to teng siqing.

"miss teng, i actually came here today to apologize to you. that night, i was drunk and offended you. i'm very sorry. i hope you can accept my apology and don't take it to heart."

teng siqing did not expect he jinsi to say that. she was stunned.

after a while, she frowned and said, "third young master he, you ... what do you mean?" after giving someone a slap, he wanted to give them a sweet date. what was the point? besides, it doesn't make a difference whether i forgive you or not. i can't take revenge on a rich young master like you anyway, so you can just pretend that this never happened. as long as you don't cause me any more trouble, i'll be thankful."

after the initial shock, teng siqing quickly made an analysis.

she didn't believe that a rich man who would sleep with an actress would suddenly change his personality.

so, in her opinion, he jinsi's apology was not sincere at all. instead, it seemed like there was a conspiracy behind it!

perhaps, he wanted to lower her guard so that he could make a move on her.

he jinsi wasn't angered by her attitude. instead, he calmly continued, " " i know it's hard for you to believe me, but i'm sure you know what kind of reputation i have in the entertainment industry. i've never had such a scandal before. "

boxn ov el. c o m

" this time, i was really drunk. besides, you look a little like my ex-girlfriend ... i was so dizzy that i mistook you for someone else, so ... "

he jinsi explained in a half-true and half-false manner. at the same time, he carefully observed teng siqing's expression.

he was indeed here to apologize.

during this period of time, through the feedback provided by his special assistant, he jinsi found out that teng siqing had not touched the lunch that he had specially sent over.

this also made him understand how much teng siqing hated him.

this knowledge pierced his heart.

although he had repeatedly reminded himself these days that since he didn't want to get back together, he shouldn't care about what teng siqing thought of him and should never appear by her side again ...

however, knowing what to do did not mean that he could do it.

he jinsi had been holding it in for a few days, but in the end, he couldn't hold it in anymore. he came over again under the excuse of inspecting the production team's work.

the moment he saw teng siqing, he realized that this little woman had lost weight again.

the last time he saw her, she had lost a lot of weight. now, she was even skinnier than the last time he saw her.

his heart skipped a beat, and he immediately apologized.

just like five years ago, no matter what man's dignity or what pride of a rich young master, they were all so vulnerable in front of this woman ...

teng siqing furrowed her brows and looked at he jinsi's handsome face, trying to see if he was lying.

however, he jinsi was honest. his dark eyes were deep and dark as he stared at her, making her heart beat irregularly ...

"you ..." teng siqing pursed her lips. "don't say such useless things. "if you're really sorry, then don't send lunch over again, and don't appear on set for no reason like this again, and even follow me to the lounge ..."

1488 you're not my wife!

he jinsi shook his head. "i can't agree to any of these. "

"you ...! you still have the nerve to say that you're here to apologize?" teng siqing was almost angered to death by him.

he jinsi explained. "i'm the investor of 'gorgeous turn'. bai shixun doesn't have time to deal with the production team's matters, so i have to come and patrol. otherwise, how am i supposed to explain to the shareholders of guang xi entertainment?"

teng siqing wanted to refute, but when she opened her mouth, she realized that she could not find a reason to refute.

he jinsi continued, 'as for lunch ... i'm not giving it to you alone. 'other than you, luo chenxi is my good friend's wife and tang tang is my goddaughter. why are you interfering when i'm sending them some food?' you're not my wife!"

"you ...! stop your nonsense, who is your wife!"

teng siqing was taken advantage of by his words again, and a faint blush appeared on her face.

however, on second thought, she wasn't the only one who benefited from he jinsi delivering lunch. if she insisted on stopping him, wouldn't she be offending the entire crew?

"as for what you said about me following you to the lounge ... that's because you didn't want to eat the lunch i sent you. you're the female lead of this movie and the internationally famous movie queen teng. if you're not happy with the food of the crew, as the boss, of course i have to be concerned. why don't you tell me what you're not satisfied with so that i can ask the hotel staff to go back and improve?"

teng siqing glared at he jinsi fiercely.

the man's words seemed normal on the surface, but in fact, they were full of threats.

boxn ov el. c o m

his meaning was clear. if she couldn't give any suggestions and didn't eat lunch, he would come to her again in the future and force her to answer.

and next time, no one could guarantee that they would be as lucky as they were today and not run into anyone else!

teng siqing was filled with anger. " no... i don't have any objections. it's just that i wasn't feeling well for the past few days and my appetite wasn't good. i'll be eating with everyone in the future ... "

"that's good. i'm relieved." he jinsi's lips curved up slightly as he gently gathered his suit jacket.

his natural and unrestrained movements showed the air of someone from a well-off family, elegant and noble.

however, teng siqing had a feeling that the elegance and calmness of this suit and leather shoes seemed a little out of place on this man. he ... should not be like this ...

"siqing ..."

hearing the voice near her ear, teng siqing quivered.

only then did she realize that while she was in a daze, he jinsi had already walked up to her.

she subconsciously took two steps back, and her back hit the wall behind her.

he jinsi bent over slightly and trapped her in the small space that he had created with his arms.

this scene was too similar to that night in the dark alley!

the hair on teng siqing's back stood on end. her voice trembled as she said, " you ... what do you want to do?!"

he jinsi didn't answer.

he also did not force himself on her like what teng siqing feared.

he just looked down at her attentively from above, his deep black eyes filled with complicated emotions.

teng siqing even felt that she could see sadness in his eyes ...

was it an illusion?

she didn't know why, but his gaze made her feel conflicted and uncomfortable ...

"he ..."

just as she opened her mouth, a slender finger pressed on her lips, blocking the words she was about to say.

“i’m leaving. take care of yourself and don’t make me worry.”

he jinsi glanced at her again, suddenly straightened up, turned around, and left. he opened the door and walked out of the lounge without looking back.

if it wasn’t for his strong will, he would have kissed her again.

this woman, teng siqing, was a poison to him!

“you ... you wait!”

teng siqing didn’t know what was going on either. she clearly wanted he jinsi to leave as soon as possible, but when she saw his lonely eyes before he left, she subconsciously chased after him.

however, just as she stepped out of the lounge, she heard a familiar voice coming from the corridor.

“siqing, where are you going?”

luo chenxi held the little dumpling’s hand in one hand and teng qingze’s hand in the other as they walked toward the lounge.

1489 why would he jinsi be alone with teng siqing in the lounge?

upon hearing luo chenxi’s voice, teng siqing stopped in her tracks and turned around.

“xingchen, you ... you’ve come ...”

luo chenxi walked closer to her and asked in suspicion, “siqing, what’s wrong? why was her face so red? did you catch a cold because you were wearing too little during the shoot?”

“no, i’m ... i’m fine,” teng siqing shook her head.

luo chenxi blinked her eyes. “are you really alright?”

“i’m really fine.”

luo chenxi furrowed her brows and tilted her head again. she looked in the direction he jinsi had left.

“who were you chasing just now? i just saw someone go out of your lounge ...”

moreover, from the back, he looked a little like he jinsi.

however, why would he jinsi be alone with teng siqing in the lounge? this didn’t make sense!

” he’s just ... just a staff member. director yan asked him to inform me of the afternoon’s schedule. ”

teng siqing was afraid that she would continue to ask, so she quickly changed the topic. “by the way, where did tangtang and qingze go just now? how come i couldn’t find it after looking around?”

as expected, luo chenxi’s attention was diverted upon hearing that. she raised her hand and pinched the little dumpling’s face.

“it’s all because of tang tang’s naughtiness. she wanted to climb over the railing with qingze and play outside. the nanny couldn’t stop her and just called me. i was the one who personally caught this little troublemaker.”

at this point, luo chenxi felt a little helpless.

her daughter was indeed cute, but wasn’t her personality too much like a boy’s?

no, no, she was more mischievous than a boy!

looking at bo shaoxuan and then at teng qingze, which one of them wasn’t more obedient than the little dumpling?

the little dumpling’s cheeks puffed up as her mother pinched her face. she pitifully pointed at her fingers and said, “ tang tang just wanted to go out and play for a while. she’s going to get fat soon ... ”

luo chenxi could not stand the little fellow’s act of cuteness, but she could not tolerate such a thing.

she still put on a straight face and lectured the little dumpling.

during this period of time, teng siqing had long been conquered by the cute little dumpling. she couldn’t bear to see her aggrieved look.

“ alright, xingchen, don’t talk about tangtang anymore. our qingze is also at fault for this. he didn’t take care of his sister well. ”

luo chenxi heaved a sigh when she saw that the little dumpling was aware of her mistake. she carried the little dumpling and kissed her on her tiny face.

she turned to look at teng siqing. “ siqing, i’m taking tang tang out for dinner. did you bring her food today? ”

teng siqing was about to answer when she heard a voice behind her.

“movie queen teng, president he asked me to bring you your lunch.”

teng siqing turned around and saw an assistant holding an exquisite lunchbox and placing it in front of her.

the corner of teng siqing’s mouth twitched. she thought for a moment, but still took it.

she was finally afraid of he jinsi!

if today’s incident happened again, her heart would not be able to take it.

let’s just eat. anyway, she was the one taking advantage of him!

luo chenxi widened her eyes in surprise. the doubts in her heart grew deeper.

he jinsi even specially asked someone to deliver food to teng siqing? and teng siqing ... actually ate it today!

did the sun rise from the west?

“siqing, you and third young master he ...”

“eat, eat! today’s dishes are really not bad, delicious! tang tang, why aren’t you getting the lunchbox? your strawberry pudding is going to melt soon!” teng siqing deliberately changed the topic.

as expected, the little dumpling jumped up. ” sweet’s pudding!! ”

1490 you don’t even miss your husband, do you still have a conscience?

the little ball ran away.

luo chenxi could not be bothered to question teng siqing. she could only turn around and chase after him in quick steps.

teng siqing had been avoiding the subject, so luo chenxi pondered whether she should ask he jinsi to test the waters.

but who knew that when she took the little dumpling to pick up the lunch box, he jinsi’s assistant would tell her that third young master he had already left the set.

“could it be that i’m seeing things again? are you overthinking again?”

luo chenxi had a confused look on her face.

in the afternoon, the production team had another meeting.

yan heng said that because the filming had been going very smoothly recently, the crew was prepared to give everyone a two-day holiday during the mid-autumn festival so that everyone could go back and reunite with their family and friends.

luo chenxi was overjoyed. she gave mu yichen a call that night to tell him the good news.

however, young master mu’s tone was not excited at all. ” stupid woman, what did you say? you’re only coming back after three days? the mid-autumn festival was coming soon! you can ask for leave from that old man yan heng and come back to accompany me tomorrow.”

the corners of luo chenxi’s lips twitched.

she knew that her husband would feel terrible if he didn’t act like a tsundere ...

however, she was already prepared and immediately said a lot of sweet words to coax him. ” hubby, dear, it’s only three days anyway. you open and close your eyes, open and close, and close again and again, and it will be over! it’ll be very soon, right?”

mu yichen chuckled. three days is 72 hours, 4320 minutes, 259200 seconds. it’s been so long and you still don’t miss your husband. do you still have a conscience?”

luo chenxi was dumbfounded by the question.

judging by mu yichen’s tone, those who were unaware of the situation would think that she had abandoned her husband for a few years!

in fact, it had only been three days!

” ahem, hubby, don’t be like this. wait for me to come back and i’ll make you sweet and sour fish, okay?
”

“you want to buy me over with a fish?”

“... then i won’t do it.”

“what did you just say? stupid woman, you won’t even cook a fish for your man, your heart ...”

“.....”

luo chenxi tried her best to persuade him and promised him a lot of unfair conditions before she managed to appease her husband.

however, she never would’ve thought that plans could never keep up with changes. the next day, she really did do as mu yichen wished and returned to T city ahead of schedule.

.....

the next day, luo chenxi completed the day’s work as usual.

just as they were about to wrap up, they suddenly received a call.

“brother bo, why are you calling?” luo chenxi was very surprised.

bo tingyuan did not speak immediately. he was silent for a few seconds before he said slowly, ” “chenxi, i’m sorry. i heard that you’re working in the capital. i shouldn’t have called to disturb you. however, there’s something i need your help with.”

luo chenxi was even more surprised.

bo tingyuan was the calmest and most reliable one among mu yichen’s good friends. how could he ask for help?

moreover, he was not looking for mu yichen, but her?

“brother bo, you’re too polite. if you need anything, just tell me!” luo chenxi said hastily.

bo tingyuan smiled bitterly. ” cough cough, this ... it’s like this. my shaoxuan caught a cold yesterday and i didn’t notice. when i found out today, his fever was already at 40 degrees ... ”

“what? shaoxuan had a fever? how did this happen? how was it now? have you seen a doctor?” said luo chenxi in astonishment.

luo chenxi had always treated bo shaoxuan as her own child because he was the closest to the little dumpling.
