Chapter 231: You're So Stupid

Mu Weiwei was especially excited when she saw Bai Xinxin.

She talked non-stop at the dining table, trying to liven up the atmosphere. From time to time, she would even change the topic and begin talking about Mu Yichen and the little dumpling.

However, Mu Yichen did not seem to listen to her at all. Not only did he not respond, he did not even look at Bai Xinxin.

All he cared about was eating his dinner slowly. From time to time, he would wipe the little dumpling's mouth and pick up some food.

On the other hand, the little dumpling was extremely focused on eating. She didn't even raise her head.

Hence, the scene was rather awkward.

Bai Xinxin coughed lightly. "Tang Tang, don't you remember me, Auntie Bai? Didn't you like to read the magazines that I brought for you? I've brought a few more today, there are so many beautiful dresses in it!"

She tried to break the silence by starting with the little dumpling.

However, the little dumpling pouted and held her spoon in her hand, completely focused on eating.

Bai Xinxin gritted her teeth and watched the little dumpling reach for the plate of braised tofu with crab roe in the distance. Then, she quickly scooped up a spoonful and put it into the little dumpling's bowl.

"Here, Tang Tang, let me help you with that!"

The little dumpling pushed her small bowl aside. "You're a bad person, you bullied Big Sister. I hate you!"

Bai Xinxin's expression instantly turned extremely ugly.

'I never expected that the usually innocent and cute little dumpling would actually hold a grudge!

'Moreover, just because I scolded that b*tch a few times, she still thinks that I'm a bad person until now!

'Has that woman brainwashed Tang Tang?'

"Tang Tang, you've misunderstood. I..."

Before she could finish her sentence, the little dumpling looked towards the dining room door, and her eyes lit up.

"Big Sister!"

After she shouted loudly, she was about to jump down from her chair.

Luo Chenxi wanted to turn around and leave, but when she heard the little dumpling's voice, she had no choice but to walk over and push her back into the chair.

"Hurry up and sit down. You haven't finished your meal yet, so you can't run around."

The moment Luo Chenxi arrived, the little dumpling, who had been unhappy a moment ago, suddenly became lively.

"Big sister, this crab is very tasty! Try one!"

The little dumpling grabbed a crab with her hand and placed it into Luo Chenxi's bowl as if she were presenting a piece of treasure.

When Luo Chenxi saw the little dumpling's cute smile, the disgust she felt when she saw Bai Xinxin instantly disappeared.

"Thank you, little dumpling!" Luo Chenxi thanked her with a smile and began to deshell the crab. From time to time, she even fed the little dumpling a mouthful.

Halfway through her meal, while she was deshelling the crab's pincer, her left index finger was accidentally cut by the sharp edge of the crab shell. Then, a few drops of blood came out.

"Hiss..."

Luo Chenxi gasped.

"How stupid can you be? Can't you even deshell a crab?"

A man's disdainful voice came from her side. Then, the crab pincers in her bowl were taken away.

Mu Yichen took the scissors used to deshell the crab and cut it gently. Then, the crab pincers were split in half from the middle, revealing the snow-white and intact crab meat inside.

Young Master Mu took out the crab meat and threw it back into her bowl.

"Hurry up and eat it!"

Luo Chenxi was dumbfounded by his smooth and elegant hand movements. When she heard his order, she quickly took a bite obediently.

Mu Yichen calmly took another crab claw from her bowl and helped her deshell it as well.

Bai Xinxin's eyes turned red with jealousy when she saw the scene play out in front of her.

'How could this be!

'Why is Mu Yichen, a man who's always looked down on women, treating that b*tch so gently? He's even helped her deshell her crab!

'If I haven't seen it with my own eyes, I wouldn't have been able to imagine it!

'Could Mu Yichen have really fallen in love with this b*tch?

'No, that's absolutely impossible!'

Chapter 232: Exposed

Halfway through dinner, Mu Weiwei suddenly spoke up.

“Sister Xinxin, didn’t you say that you came here today to ask for Big Brother’s help? What’s the matter?”

Bai Xinxin remembered her purpose for coming here. She quickly blinked her eyes and revealed a pitiful expression.

“Brother Mu...”

Seeing that Mu Yichen did not respond, she could only continue speaking. “Brother Mu, I heard that you have a good relationship with the designer, Xing Chen, who won the first prize in the Huafeng Competition. Do you... Do you have any way to contact her?”

Hearing this, Mu Yichen narrowed his eyes. “What... Xing Chen?”

Hearing this, Luo Chenxi suddenly thought of something and felt a bad omen rising up.

“Cough, cough!”

She coughed heavily twice to stop Bai Xinxin from continuing.

However, it took Bai Xinxin so much effort just to attract Mu Yichen’s attention. So, how could she possibly pay any attention to her?

She quickly said, “That’s right, Xing Chen! This time, Chief Tang of TREND China wants to use her design for the cover. Could you help me talk to her so that she chooses me to be her cover model?”

Hearing this, Mu Yichen subconsciously turned to look at Luo Chenxi and said calmly, “Isn’t this something that Chief Tang should be in charge of? Why are you looking for me instead?”

boxn ov el. c o m

Bai Xinxin looked even more pitiful as she said, “Chief Tang isn’t willing to choose me because I made a mistake during my last runway show. It’s true that I didn’t perform well that day, but I’ve already admitted my mistake. So, I can’t not have a chance to redeem myself, can I? Brother Mu, could you please help me talk to Xing Chen? As long as she’s willing to hire me, I’m sure Chief Tang will definitely agree to it!”

“I see...”

Mu Yichen’s fingers tapped on the table as if he was considering it.

Luo Chenxi stared at his side profile which had perfect curves. Her eyes seemed as though they were about to spit fire.

‘If Mu Yichen really dares to agree to this matter and pleads on behalf of this b*tch, he can forget about even thinking of entering the bedroom anymore!

‘I swear it!’

Mu Yichen had completely noticed her angry expression through the edge of his eyes.

He curled his lips and deliberately thought for a while longer.

At that moment, Bai Xinxin turned to look at Mu Weiwei, "By the way, Weiwei, I heard that the male model for the cover shoot this time has already been confirmed to be Chen Xiluo. You should help me speak up as well! If I manage to get this shoot, I could secretly bring you in so that you can see him with your own eyes."

"What?! Sister Xinxin, is that really true?"

When Mu Weiwei heard Chen Xiluo's name, she became so excited that she almost jumped up.

Then, she quickly moved in front of Mu Yichen, "Brother, please help Sister Xinxin! As a young lady from the Bai family, it's such a rare sight to see Sister Xinxin still being so ambitious! Yet, there are so many netizens who want to defame her! Second Brother Bai has been abroad recently, so no one else is able to help her. Seeing that both our families have been friends for so many years, you can't just ignore her, can you?"

"Brother?"

Mu Weiwei begged for a long time, but could not help but be startled when she realized her very own brother had no reaction at all.

When she looked up, Mu Yichen's face had already turned extremely dark.

Mu Weiwei was at a loss. 'What did I say wrong this time?'

On the other hand, Luo Chenxi suddenly stood up and picked up the little dumpling from her baby chair, hugging her tightly.

"I'm full already and so is Tang Tang. Enjoy your meal, we'll be taking our leave now!"

Mu Yichen's face darkened, "Stop right there!"

How could Luo Chenxi possibly have the guts to turn around? Instead, she quickly went up to the second floor.

The others were not able to react in time at all.

Mu Weiwei frowned. "What's the problem with this woman? Why doesn't she have any manners at all? Sister Xinxin hasn't even left, yet she's run away on her own? How outrageous!"

Chapter 233: You Can't Let Him In, Little White Rabbit

Mu Yichen also stood up.

When she saw that he was about to leave, Bai Xinxin hurriedly said, "Brother Mu, about the cover of the magazine..."

Mu Yichen paused and coldly said, "I have no control over this matter. If you're capable, you can let your capabilities do the talking and become the cover model on your own. Otherwise, there's no need for you

to even work so hard. The Bai family should be able to support you, so there's no need for you to insist on being a model."

After saying that, he hurriedly turned around and went to the second floor.

Bai Xinxin knew that he must have gone to look for Luo Chenxi, so she couldn't help but clench her fists.

Why did she want to be a model? It was all because she wanted to show Mu Yichen that she was different from other rich young ladies!

In the end, even though she had the halo of the number one supermodel on her, Mu Yichen still refused to look at her.

Mu Weiwei had grown fed up with what was happening as well, "Brother is really being too much, how could he treat you like this! It's all that vixen's fault! However, Sister Xinxin, don't worry, Luo Chenxin won't be able to gloat for much longer. My daddy and mommy are coming home soon. When that happens, let's see if she has the audacity to behave so arrogantly!"

When she heard those words, Bai Xinxin was filled with motivation once again.

'That's right. Mu Yichen's mommy, Tan Yueru, hates Luo Chenxin the most. In fact, she almost fell out with Grandmother Mu because of this marriage.

'When that time comes, this little b*tch is going to be in trouble.

'Her seduction methods would definitely become futile!'

boxn ov el. c o m

..

Mu Yichen arrived at the door of the master bedroom.

He pushed the door, but it could not be opened.

He curled his lips coldly.

'She's locked the door again?

'This woman just never learns her lesson. Does she really think that door is really enough to stop me?'

Then, he turned around and went to his study to get the key. When he returned to the door, he turned the doorknob...

The door still would not open.

Mu Yichen frowned and pushed hard a few times. There was a "Creaking" sound coming from the door, like the sound of a heavy object rubbing against the ground.

"S*it! This woman has actually moved something to block the door!"

'She's really grown very bold!'

He wanted to directly break the door open, but when he thought about how Bai Xinxin was still downstairs, he could only lower his voice. “Woman, hurry up and open the door for me, do you hear me?”

The little dumpling’s childish voice came from the inside of the room, “Big Sister, Daddy is outside! Do you want me to open the door for him?”

Luo Chenxi said, “We’re playing the game of the Big Bad Wolf and the Little White Rabbit. Your daddy is playing the role of the Big Bad Wolf who knocks on doors at night. We mustn’t let him in, Little White Rabbit!”

“Alright! I won’t let him in!” said the little dumpling happily.

Mu Yichen was so angry that he had almost coughed up blood!

‘Is she... really my biological daughter?’

“That’s just great, did you think that I can’t do anything to you just because you’re hiding in the room? Just you wait!”

When she heard this, Luo Chenxi hugged the little dumpling tightly in the room, her face filled with vigilance.

However, there was no movement outside, the door was not even being banged on which was what she had imagined. Instead, the sound of Mu Yichen’s footsteps gradually faded away.

“Has he given up so easily?” Luo Chenxi was a little surprised.

After waiting for a few more minutes, there was still no sound.

The little dumpling struggled in her arms and wanted to get down.

Hence, Luo Chenxi had no choice but to let go of her. After that, she took out a huge box of colorful building blocks from the cabinet.

“Tang Tang, why don’t you sleep with Big Sister today? I’ll play with the building blocks with you.”

Thus, the two of them sat on the carpet and started to play.

Building blocks relied on technical skills, so since the little dumpling’s hands were unsteady, the most she could stack up was three storeys before it all crumbled down..

Therefore, Luo Chenxi had no choice but to do it herself. She managed to stack up six storeys before she did not dare to go any further.

The little dumpling exclaimed, “Wow, Big Sister is so awesome!”

“You cheeky little devil!”

Luo Chenxi was secretly pleased with herself. She was about to hug the little dumpling and kiss her. However, right at that moment, there was a sudden “Thump” from the balcony.

Luo Chenxi was startled. She turned her head and saw a black shadow lurking behind the curtains.

Chapter 234: How Could I Be Fiercer Than The Both Of You?

'It's the middle of the night right now. Unless... Has Mu Yichen actually climbed the window?

'That's Impossible, isn't it?

'How could the dignified Young Master of the Mu family do such a thing?'

In the next second, the curtain was pulled open, revealing the tall and straight figure of Young Master Mu.

"Mu... Mu... Mu Yichen!"

Luo Chenxi broke out into cold sweat!

the little dumpling tugged at her sleeve, her face full of fear. "Big sister, there's... There's the Big Bad Wolf..."

When he heard the words "Big Bad Wolf", the man's face darkened. He frowned and strode towards both mother and daughter.

The little dumpling hugged Luo Chenxi's thigh. "Big Sister, the Big Bad Wolf is here. Run!"

Luo Chenxi wanted to burst out in tears, but none seemed to be able to come out.

'I know I have to run as well.

'But, where could I possibly run to now?

boxn ov el. c o m

'There are still a few chairs and cabinets behind the bedroom door, so there's absolutely no way to open the door.'

At that very moment, she deeply understood what it was like when a person had blocked off all of their possible exits...

Mu Yichen walked up to her at a leisurely pace and looked down at her. The corners of his mouth curled up slightly. "Are you trying to run? Hmm?"

Luo Chenxi coughed dryly. "Which of those eyes of yours are currently seeing that I'm trying to run away? I only saw that Tang Tang was full, so I brought her up to play with her. After all, Bai Xinxin has something important to talk to you about, so how could I possibly stay there and interrupt your conversation?"

The more she spoke, the more uncomfortable she felt.

'The way Bai Xinxin looked at Mu Yichen was too bone-chilling!

'His real wife was literally by the side, did she disregard me completely?'

Mu Yichen glanced at her and said coldly, "You're not interrupting, how could you be? Wasn't whatever we were talking about just now related to you? Mr. Chen Xiluo?"

“I... Ahem... I can explain this...”

As she was being stared at by those cold, black eyes, Luo Chenxi felt goosebumps all over her body.

Mu Yichen’s eyes seemed to want to swallow her whole!

At that very moment..

“Go away, Big Bad Wolf!”

The little dumpling let go of Luo Chenxi’s thigh and ran to stand in between the both of them. Then, she raised her little foot and kicked Mu Yichen’s leg.

“F*ck!”

Mu Yichen was caught off guard and it just so happened that he was kicked in the bone, instantly feeling the pain from it.

The little dumpling straightened her little waist and opened her little hands to block Luo Chenxi behind her.

“Big Bad Wolf, go away! Don’t bully Big Sister! Tang Tang will protect Big Sister!”

Mu Yichen’s face was twisted.

‘Is she still my little princess? How dare she kick me?’

Young Master Mu’s heart was broken into pieces.

Luo Chenxi saw that he didn’t look too good, so she quickly hugged the little dumpling and glared at him. “Don’t be so fierce to Tang Tang!”

Mu Yichen gritted his teeth. “I’m fierce? Are you kidding me? How could I be fiercer than the both of you?”

‘Blocking the door and even kicking me.

‘I feel like I might just go up to Heaven at any moment!’

Luo Chenxi guiltily looked at her surroundings. “Well... Whatever it is, it’s not right for you to suddenly jump out and scare others! Look, the castle that I spent so much effort to build for Tang Tang has been knocked down by you!”

Mu Yichen followed her line of sight and lowered his head. As expected, he saw a pile of building blocks under his feet.

The little dumpling was looking at him with an accusing gaze, she was just shy from saying the words “Daddy is a bad guy”.

Mu Yichen glared at Luo Chenxi. “I’ll settle the score with you later!”

Then, he sat on the ground and started stacking the building blocks.

Mu Yichen’s technique was better than Luo Chenxi’s.

The blocks piled up one layer after another and soon, he had exceeded six storeys.

The little dumpling had originally decided to ignore her daddy.

However, when she saw that Mu Yichen had reached the seventh storey which had surpassed the height of the previous castle that had fallen, her eyes lit up again.

Chapter 235: Don't You Act Cute With Me! It's Useless!

The little dumpling knelt beside Mu Yichen, her eyes widening.

"Wow, Daddy is so awesome! Even more awesome than Big Sister!"

When Mu Yichen heard this, the expression on his face became better.

'My little princess still idolizes me.'

Even Luo Chenxi revealed a look of amazement.

'He actually managed to stack ten layers of building blocks so quickly! That's simply unbelievable!'

"How did you do it?"

Mu Yichen was slightly pleased. "You stupid woman, you wouldn't understand even if I told you."

Luo Chenxi was furious!

'Seriously, I asked for nothing!

'I knew that this man wouldn't say anything good!'

In order to restore her image in his little princess's mind, Young Master Mu had built several different castles in one night, while Luo Chenxi managed to escape a disaster because of it.

boxn ov el. c o m

However, as the old saying goes, all things good must come to an end, the little dumpling played for the whole night and gradually became sleepy. Her eyelids drooped and her head was tilting to one side.

Luo Chenxi reached out to catch her. "Tang Tang, do you want to go to bed?"

The little dumpling snuggled in her arms and rubbed her head. Soon, she fell asleep.

Then, Luo Chenxi carried her to the bed and covered her with the quilt.

When she turned around, the man behind her crossed his arms and looked down at her with a straight face. "Now, we can settle the score."

Luo Chenxi quivered.

She quickly raised her right hand and pretended to be a good girl. "About that... I can explain!"

"Explain?" The man sneered.

Luo Chenxi quickly said, "I'm serious! I really have my reasons!"

She told him in detail about the meeting with Tang Jiadong a few days ago, emphasizing his conditions.

“Tell me, where is someone like me, a rookie designer, able to find such a good opportunity to be on the cover of TREND magazine elsewhere? I’m just going to pretend to be a man again. Anyway, it wouldn’t even take a day to have my photos taken, so such a small sacrifice is still worth it, isn’t it?”

She blinked her big eyes and tried hard to put on an innocent expression.

Young Master Mu almost couldn’t hold it in anymore.

He hurriedly coughed and pursed his lips, still keeping a straight face, “Don’t you act cute with me! It’s useless! I don’t care what your reason is, but you’re going to call Chief Tang Immediately and tell him to change the model. Otherwise, all of you can forget about even having these magazines sold at all! You should very well know that I’m capable of doing so.”

When she heard the man’s domineering words, Luo Chenxi’s face instantly darkened.

“You, you... How could you do this? Becoming a designer is my dream. This is such a rare opportunity to come by, yet you’re deliberately sabotaging it!”

Mu Yichen’s had an unfriendly expression on his face. “I’ve already warned you not to go about attracting unnecessary people and even forbade you from wearing men’s clothes! Did you forget everything I’ve said?”

“You... You and your dirty thoughts! What does wearing men’s clothes have to do with attracting unnecessary people? I’m merely just taking a few photos and showing off the fashion that I designed myself!”

The more Luo Chenxi thought about it, the angrier she got. “If you’re capable enough, you might as well just ban me. Either way, I’m definitely going to the covers shoot!”

As she said that, she turned around and left.

“You d*mn woman, come back here!”

Mu Yichen grabbed her wrist and dragged her back.

Luo Chenxi kept struggling to escape.

Mu Yichen had now become impatient, hence he simply flipped over and forced her onto the bed.

Thus, this strong and sturdy male body was now lying on top of her. As she breathed, she could clearly feel the strong muscles of this man.

Luo Chenxi was now unable to move, she even felt that she could hardly breathe.

“Mu... Mu Yichen, what are you doing? Let me go...”

Chapter 236: Making Kissing Noises While She’s At It

Mu Yichen narrowed his eyes and stared at her lips that kept opening and closing. His gaze gradually deepened.

“Make the call and clear things up with Chief Tang!”

Luo Chenxi was furious, but she was completely under the control of another person and did not have the confidence to go against this man.

Therefore, she bit her lips and changed her strategy. Her tone immediately softened as she said, “Mu Yichen, can’t you just let me do this? I’ve already made a promise to others. So, if I go back on my word now, how am I going to be able to survive in the fashion industry in the future? Can’t you understand the predicament I’m in?”

Mu Yichen replied, “Just leave if you aren’t able to survive in the industry. Do you think I won’t be able to take care of you myself?”

Luo Chenxi choked.

‘How overbearing can this man be?!

‘I can’t be angry, I can’t be angry now...’

At that thought, she blinked her eyes and continued to pretend to be pitiful, “But... I just like being a fashion designer, don’t I? Dear husband, won’t you just let me go? How about this, I’ll be more careful in the future and try not to dress up as a man as much as I can...”

The little woman’s lively and sweet voice suddenly became soft and cute.

Young Master Mu was stunned for a second and his ears turned slightly red.

Fortunately, the light in the bedroom was dim, so no one could see it.

boxn ov el. c o m

Luo Chenxi noticed that his expression had softened a little, so she decided to try harder. She reached out and grabbed his shirt, raised her head, and took the initiative to kiss his face.

‘The little dumpling would always do this when she was acting cute. It should be... Effective, shouldn’t it?’

She even mimicked the little dumpling by making some kissing noises in between.

Mu Yichen’s eyes flashed. He suddenly pinched her chin and kissed her on the lips.

“Mmm... Mmm...!!”

Luo Chenxi widened her eyes.

‘I was just trying to express my affection for a moment, yet this man has become horny again!’

Mu Yichen completely ignored her weak struggle. He pressed down on the little woman beneath him and savoured her sweetness.

‘If you want to beg someone, you’ve got to have the right attitude!

‘Did you think you would be able to brush me off with a peck on the cheek? Dream on!’

As a result, the Little White Rabbit walked right into a trap and ended up being held down by the Big Bad Wolf for a long time.

After much difficulty, the wolf's mouth had been moved away, causing Luo Chenxi to quickly say, "Mu... Mu Yichen, stop being like this... Tang Tang is still here. If we interrupt her sleep..."

"She won't wake up!" Mu Yichen interrupted her through gritted teeth.

'I'm definitely going to tear up this rabbit that's been dangling around in front of me all day and eat her up today!'

However, in the next second...

"Daddy?"

The little dumpling's puzzled voice sounded.

The two adults were instantly petrified.

Luo Chenxi quickly pushed away the frozen Young Master Mu and went to hug the little dumpling. "Tang Tang, my good little girl, did we wake you up?"

The little dumpling was not awake yet, she rubbed herself against Luo Chenxi in a daze and returned to sleep.

Mu Yichen suddenly got up from the bed and went into the bathroom.

Luo Chenxi quickly got into the quilt and did the same thing as she did before again. She hugged the little dumpling and pretended to be asleep.

After an unknown amount of time, the cold man sat down by the bed. His cold voice sounded in her ears, "This is the last time, do you hear me?"

Luo Chenxi forgot that she was still pretending to be asleep. She opened her eyes wide in surprise, "Yes, I hear you! I promise!"... 'As if!'

The eyes of the little woman who was still motionless a moment ago lit up.

Mu Yichen felt suffocated and lowered his head to bite her collarbone. "Go to sleep! If you dare to seduce me again, you're going to have to bear with the consequences!"

...

Three days later.

It was the day of the official shoot.

In order to appease Young Master Mu, Luo Chenxi woke up early in the morning and personally made breakfast for him.

"Mu Yichen, I especially asked Sister Chen and she told me that you like to eat medium-rare poached eggs. Go ahead and try it. Are you satisfied with it?"

Mu Yichen glanced at the fried heart-shaped eggs on the plate. "Not bad."

Luo Chenxi pursed her lips.

'You say it's not bad, but you've eaten so much of it!'

Before she left, she was stopped once again.

Young Master Mu stuffed a tie into her hand. "Help me put it on!"

Chapter 237: I See You're Pretty Good At This, Aren't You?

Luo Chenxi looked down. 'This tie looks familiar.

'This is the tie that's made from the fabric that I had picked out for Mu Yichen when I first went to the fabric shop.

'Back then, he even shot me a disdainful look, warning me not to even think about shackling him up. Yet now, he's taking the initiative to ask me to put it on for him?'

Mu Yichen bent over on his own accord.

After waiting for a while, when he saw that the little woman had not moved, he urged her, "Hurry up!"

After he said that, Luo Chenxi then raised her hand and put the tie through his neck to tie a beautiful knot.

Mu Yichen touched the tie and lifted his thin lips, "I see you're pretty good at this, aren't you?"

"I'm a designer! If I can't even tie a tie, how am I supposed to survive in this industry!" Luo Chenxi waved her hand, "Well then, I'll be leaving now..."

Mu Yichen grabbed her wrist, "You're forbidden from attracting any unnecessary people, do you understand?"

"I know, I know, I'll see you tonight then!"

Mu Yichen narrowed his eyes as he watched her leave in a hurry.

"Hmph, see you tonight?"

...

Luo Chenxi changed her clothes and rushed to TREND.

When she looked from afar, she was firstly shocked.

At the entrance, there was actually a large group of young girls with a banner in their hands that had "Chen Xiluo's Global Fan Club" written on it.

'I actually have so many fans waiting here!

'Also, how did they know where I was going to be at?'

Luo Chenxi was glad that her eyesight was good enough. Hence, she managed to take a detour in time and entered through the back door of the magazine company.

Tang Jiadong looked at her and felt a little strange. "What's the matter? Is Xing Chen not going to be here again today?"

"Yes... She's planning to establish her own personal brand, so she's been busy recently and can't make it in time to be here. Hence, she's asked me to apologize to you on her behalf," said Luo Chenxi hurriedly.

'As a designer, I have actually offended others by failing to show up twice.

'However, I'm only one person, so it's impossible for me to split myself into two.

'Therefore, I have no choice but to appear as Chen Xiluo and try to explain myself to Tang Jiadong.'

Fortunately, Tang Jiadong only frowned slightly and did not say anything else. Then, he instructed Luo Chenxi to do the styling.

In fact, it was actually the easiest for her identity to be exposed while she was changing clothes and working on her styling.

Fortunately, Luo Chenxi was going to wear clothes that she had designed herself.

She deliberately picked a few designs that could cover up her bulging chest. Coupled together with the legendary swimsuit for athletes that could flatten even the biggest breasts, so long as she did not take off her clothes, there would not be any noticeable flaws.

Little Meng, her makeup artist, was also a fan of hers. When she saw Chen Xiluo, her eyes immediately lit up with green light.

As Little Meng drew Chen Xiluo's makeup, she praised, "Xiluo, you've got really good skin condition. There are very few men who have skin as good as yours."

"Thank you, but I've seen better skin conditions before."

"What? Really? That's impossible, isn't it?" Little Meng exclaimed.

Young Master Mu's face appeared in Luo Chenxi's mind.

'How was that impossible?

'There's a man whose skin condition is so flawless that you can't even see his pores!

'Thanks to him, I would even become absent-minded from time to time just looking at him.'

Luo Chenxi was afraid that she would be exposed if she sat there for too long, so she only asked Little Meng to draw her eyeshadows to make her face look more three-dimensional.

When they returned to the studio, Duan Yuning had already finished her styling and was talking to Tang Jiadong.

Luo Chenxi sized her up and nodded to herself.

'Duan Yuning is indeed very suitable for my designs. The light purple one-cut dress that she's wearing is simple and elegant. It's only wrinkled at the back of her waist, but it perfectly matched Duan Yuning's pure and elegant temperament.'

Upon seeing Luo Chenxi, Duan Yuning immediately walked over to greet her. "Brother Xiluo, you've arrived."

Luo Chenxi nodded at her. "Yes, I'm sorry to have kept you waiting."

"It's fine, it's fine. I've also just finished putting on my makeup."

When Duan Yuning's eyes met hers, her face immediately blushed.

Chapter 238: Young Master Mu Is Here!

'Ever since my previous shoot with Chen Xiluo, I have not been able to forget Chen Xiluo's flirtatious gaze and the faint smile on his lips.

'I've been looking forward to today's shoot for so long.'

Tang Jiadong followed the direction where the voices were made and walked over to take a look at the two of them.

He said with satisfaction, "Xing Chen's designs look very lively indeed."

"Right then, I think the both of you should be clear about the plan for today's shoot, shouldn't you? In addition to the cover page, there are 16 still shots that need to be taken to form a fashion blockbuster."

Both of them nodded to show that they understood.

"Alright then, let's begin!"

The theme of the fashion blockbuster that time was love at first sight.

The cover photo was meant to depict the beginning of the story, where the male and female protagonists met in the garden.

After that, the inner contents of the fashion blockbuster was the follow-up plot, where the two of them got to know each other and fell in love with each other.

In the end, the scene ended with a marriage proposal.

The plot of the fashion blockbuster was very simple, the main focus was still on the model's clothes.

Thus, the photographer got into his position.

Luo Chenxi and Duan Yuning stood at one end of the garden path and looked at each other from afar.

That was the first time Duan Yuning had had her photos taken for such a famous magazine, hence she thought that she would be very nervous.

However, when she turned to look at Chen Xiluo, she was suddenly lost in those eyes that sparkled like stars.

At that moment, she seemed to have really become a young lady who was attracted to the young noble before her. Her heart was pounding so fast that it seemed as if it was about to jump out of her mouth.

“Click! Click! Click!”

The sound of the shutter was continuously heard.

The photographer quickly took a few pictures, then changed to another angle and continued to take his photos.

When he stopped, Tang Jiadong walked over and asked, “How does it look?”

The photographer’s eyes shone with excitement, “It’s pretty good, truly! Their actions and expressions were very good, there was no need for me to command them at all. My job was made much easier, plus the effects were really good! Look at these few pictures, they are completely usable even if we don’t edit them! However, it’s a pity that there can only be one picture for the cover. I don’t even know which one to choose.”

Tang Jiadong nodded in satisfaction. “Chen Xiluo really does have a very good sense of where the camera is. I was a little worried about Duan Yuning at first, but now it seems that she performed pretty well.”

“She is still a little worse than Chen Xiluo, but the chemistry between them is pretty good.”

“It seems that things are going to be able to move very smoothly today. Who knows, we may even be able to finish earlier than scheduled.”

Tang Jiadong was admiring the original photo on the computer when suddenly, an assistant ran in.

“Chief Tang, Chief Tang! Young... Young Master Mu is here!”

Tang Jiadong was stunned. “Young Master Mu? Which Young Master Mu?”

“He’s... He’s Young Master Mu from the Mu Group!”

“What did you say?!”

Tang Jiadong immediately stood up, almost kicking his chair over while he was at it.

“Why... Why would Young Master Mu Come to our magazine company? Could he be here for an inspection? But, what have we done to be able to make such an esteemed person like himself come here?”

‘TREND is under the Mu family’s Sky International Media Group.

‘However, the media isn’t the Mu family’s main business, so Mu Yichen would not personally get himself involved.

‘His appearance today is really unexpected.’

Tang Jiadong did not have time to think too much and quickly went out to welcome him.

“Young Master Mu, allow me to welcome you to TREND for your inspection.”

Mu Yichen walked in expressionlessly. “I happened to be nearby, so I came over to take a look.”

“It’s our honor to have you here. The meeting room is over here. I’ll report to you immediately on the situation of revenue over the past few years...”

“No need for that.” Mu Yichen interrupted him. “What are you guys busy with today? Why are there so many people by the entrance?”

“Um...” Tang Jiadong was stunned. “We’re shooting the cover for the next issue of our magazine today. We’ve hired a male model who’s very popular at the moment and is very well reputed. Those people by the entrance should all be his fans...”

“Shooting the cover page? Can I go and take a look?” Mu Yichen opened his mouth inadvertently.

Chapter 239: This Must Be Fate!

Tang Jiadong hurriedly replied, “Sure, of course you can! Young Master Mu, follow me please.”

Hence, he led Mu Yichen inside and went to the temporary studio in the garden.

Luo Chenxi and Duan Yuning had already wrapped up the first part of the photoshoot. They went to the lounge to change their clothes and touch up their makeup.

Luo Chenxi took off her suit and changed into a light-colored sweater and white pants. She wore a pair of gold-rimmed glasses, which made her look more scholarly.

Her makeup artist, Little Meng cupped her heart with both hands. “Brother Xiluo, that outfit suits you so well. You must have been a top student when you were studying, weren’t you?”

“Ahem, Um... You’re thinking too much.”

‘Although my grades have always been good, I’m still far from being able to be compared to the real top student, Fang Ziqian.

When they returned to the studio, Luo Chenxi shivered when she saw the man who walked in with big strides.

‘Mu... Mu Yichen?!

‘This is definitely because I wasn’t able to sleep well last night. I’m even hallucinating now!

‘How could Young Master Mu appear here?!’

Tang Jiadong walked over quickly. When he saw Luo Chenxi, he immediately called her over.

“Xiluo, hurry up and come meet the chairman of the Mu Group, Young Master Mu. Young Master Mu, this is our cover model of the day, Chen Xiluo. He has a good temperament and is dedicated to his work, I’ve got high hopes for him. The girls you see outside today are all here to see him.”

Only then did Luo Chenxi confirm that she was not hallucinating.

Hence, she walked over unwillingly.

'I'm willing to bet a hundred plates of sweet and sour fish that this man definitely didn't come here for an inspection on a whim.

'There's definitely something fishy going on!

'When I left the house this morning, he didn't mention anything about coming to TREND.

"Young Master Mu, it's an honor to meet you."

Luo Chenxi tried her best to act natural, but she still could not control herself and glared at the man.

Mu Yichen's expression did not change. He raised his eyebrows calmly. "Chen Xiluo?"

He extended his right hand.

Luo Chenxi was stunned.

Tang Jiadong coughed a few times and was extremely anxious.

'Chen Xiluo is usually pretty smart with a high EQ, but when he's not faced with a real big shot, he's suddenly become stunned.

'Doesn't he see that Young Master Mu is taking the initiative to shake his hand?

'Does he know how great of an honor this is? He's actually just standing there in a daze!'

When she heard Tang Jiadong's cough, Luo Chenxi reached out and shook Mu Yichen's hand.

She wanted to let go after lightly touching his hand, but unexpectedly, Mu Yichen suddenly increased his strength and held her hand tightly.

He only released her after a few seconds.

His fingertips even secretly scratched her palm.

Tang Jiadong chuckled and said, "I remember now. On the day of the Huafeng Competition's finals, when Xiluo went on stage to receive the award on behalf of Xing Chen, wasn't it Young Master Mu who presented him the award? This must be fate! Young Master Mu, please have a seat. The clothes used for today's cover shoot are all designed by Xing Chen. I've heard that you like her designs very much, so you've really made the right decision to come today!"

He was wholeheartedly trying to curry favor with Young Master Mu. He commanded his assistants and staff to move the chairs and present Young Master Mu with some beverages.

Luo Chenxi looked at the man who was being surrounded by everyone while he sat upright under the parasol like a gentleman.

Instantly, she spat out countless curses in her heart!

'Mu Yichen isn't going to stay here and watch me have my photos taken, is he?!

'Whatever that I was afraid of has actually been realized.'

After making sure Young Master Mu was properly taken care of, Tang Jiadong especially called Luo Chenxi and Duan Yuning aside.

He solemnly instructed, "It's very rare for Young Master Mu to come for an inspection, so the both of you must make sure you perform well. If you are able to win Young Master Mu's favor, it will be very beneficial to the two of you. Think about the Mu family's financial capabilities and resources! It's all up to you two now!"

Tang Jiadong secretly rejoiced.

'Both these models who have come for the cover shoot today have a very good chemistry with each other, the entire shooting process is proceeding very smoothly.

'This is just the right time for Young Master Mu to see TREND's professional standards!'

Chapter 240: Just Pretend That He Doesn't Exist

Thus, the photoshoot started again.

The backdrop of the second phase of the photoshoot was a library.

The female lead stood on the chair and tried to grab the book on the topmost shelf, but she could not reach it no matter how hard she tried.

With a tilt of her body, she fell down, but the male lead managed to hold onto her in the nick of time.

"Hold on, Chen Xiluo should hold onto Duan Yuning's waist, while Duan Yuning turns around to look at him. Your gazes should seem a little more affectionate. The both of you have been cooperating well so far, so I won't say too much. Let's begin!"

Duan Yuning stood on the chair.

Luo Chenxi walked over and placed her hand on Duan Yuning's waist.

Since it was a set, there wasn't much requirement for acting skills, they would be fine as long as their expressions were on point.

Duan Yuning leaned into Luo Chenxi's embrace, when she turned around, she met that handsome and gentle face.

Luo Chenxi curled the corners of her mouth and smiled.

Duan Yuning kept on staring at Luo Chenxi, unable to move her eyes away..

At that moment, Duan Yuning suddenly felt a chill coming from her back.

A sharp gaze swept towards her.

She suddenly shivered and her legs went weak, causing her body to sway and she almost fell off the chair.

Luo Chenxi quickly pulled her back. "Miss Duan, are you okay? Why did you lose your balance?"

"I'm... I'm fine..."

Duan Yuning replied weakly and looked back in horror.

Luo Chenxi also followed her line of sight and looked over.

Behind Duan Yuning sat Young Master Mu.

Mu Yichen had a cold expression on his face. He was holding a teacup in his hand and was drinking tea with his eyes lowered. It was as if he did not even glance at them.

Luo Chenxi initially thought that Duan Yuning was being nervous because she saw the big boss, hence she comforted her, "Don't be afraid. Young Master Mu is only here to take a look. He won't affect our photoshoot, just pretend that he doesn't exist."

Duan Yuning took a few deep breaths and calmed herself down. "Okay, I understand."

Tang Jiadong said, "Duan Yuning, stand firm later and be careful not to fall. Alright, let's do it again!"

Duan Yuning returned to her chair.

Luo Chenxi stretched out her arm again and wrapped it around Duan Yuning's waist.

Duan Yuning leaned towards her again..

Then, she tilted her body and actually fell again!

The third time, the fourth time, the fifth time..

Every time before the official shoot, Duan Yuning would either suddenly fall or her body would stiffen and she wouldn't be able to get into the mood at all.

Tang Jiadong saw this and was practically going crazy with anxiety!

He had just bragged in front of Young Master Mu that their photo shooting team was the most professional and that the models they hired were the best!

Yet, what was the result?

There were so many problems the moment they started shooting.

An hour had passed, but not a single decent photo had been taken!

'Duan Yuning is really strange. Her performance in the morning was clearly not bad, but why does she keep making such rookie mistakes now?

'I can't even begin to imagine what Young Master Mu is going to think of them!'

When he saw that they could not continue shooting, Tang Jiadong could only call for a time-out.

"Looks like everyone is tired. Let's take a quick break before we continue with the shoot."

When they heard this, everyone heaved a sigh of relief.

Duan Yuning's face was filled with guilt as she confessed to Luo Chenxi, "I'm sorry, Brother Xiluo, I really don't know what's going on! When Young Master Mu came, I couldn't shake the feeling that he's glaring at me, his aura is just too strong. I... I'm honestly not doing it on purpose. I guess I really am too unprofessional, I keep on being distracted by other influences."

Luo Chenxi glanced at Mu Yichen.

The man was leaning against the back of the chair, closing his eyes and pretending to take a nap.

Luo Chenxi strode over to him. "Young Master Mu, I see that you're a little bored just sitting here. Shall I accompany you out for a walk?"

Mu Yichen opened his eyes.

What greeted his eyes was a perfectly exquisite face that was hard to distinguish between a male and a female.

Her deep and repressed voice had a hint of sexiness at the end of her tone.

However, within those big beautiful eyes, it seemed like it was about to spit fire from it.
