

Sweetheart 321

Chapter 321: You're Absolutely Disgusting!

Fang Ziqian couldn't run fast since she was in high heels. Hence, Bai Shixun managed to catch up with her with only a few steps. Then, he grabbed her arm and dragged her back.

Fang Ziqian raised her knees in her desperation and crashed into his vital parts.

However, this time, Bai Shixun was prepared as he dodged her knee.

At the same time, he pulled her forcefully and threw her to the side, causing Fang Ziqian's back to hit a hard surface as she felt a wave of pain.

When she came back to her senses, she realized that she had been pushed onto the hood of a Porsche.

Then, Bai Shixun had one hand on the side of her neck while his tall and straight body was hovered above her as he looked down at her from above.

The two of them were so close to each other that Bai Shixun's hot breath was blowing beside her ear.

The posture they both had was... Extremely intimate!

Hence, Fang Ziqian became nervous. "Bai... Bai Shixun, what are you trying to do? Let go of me!"

Bai Shixun glared at her and said through gritted teeth, "What? Are you afraid now? Didn't you have a lot of guts just now? You even dared to lay your hand on me again and again just now!"

'Even now, my right foot is still throbbing in pain.

'Not to mention, this woman was very imposing when she attacked my vital part just now.

boxn ov el. c o m

'If I hadn't reacted in time, I would've been on the way to the hospital by now.'

Then, Fang Ziqian shrank her neck. "That... That was because you were the one who grabbed me and refused to let me go first. Plus, you even made that unreasonable request!"

"It's unreasonable for me to want to save my sister?!"

"Of course it's unreasonable! Bai Xinxin almost killed my friend. So, it's only right for her husband to lock her up!" said Fang Ziqian who refused to show any signs of weakness.

Bai Shixun was now furious. "What would you possibly understand? Do you think Young Master Mu is a kind man who would only lock someone up after he's got his hands on them?"

"If that was actually the case, I wouldn't have been so anxious.

'No one knows better than me how ruthless Mu Yichen can be with his methods.'

"What... What else could it be then?"

Bai Shixun took a deep breath. "That's not something for you to know. When you go back, ask Luo Chenxin to plead Mu Yichen for his mercy."

"I refuse... Let go of me! Let go!" said Fang Ziqian as she struggled with all her might.

However, in her current position where she was facing the sky with her legs apart and her entire body pressed under Bai Shixun, there was no way for her to exert any strength.

Hence, no matter how hard she tried, she just couldn't get up.

On the other hand, the man above her who was constantly being met with her struggles was now filled with anger.

Hence, he couldn't help but gasp. "D*mned woman, I told you not to move. Didn't you hear me?"

"Why should I listen to you? Bai Shixun, I'm warning... Mmm!"

Fang Ziqian's eyes suddenly widened because she was actually kissed by Bai Shixun again!

Moreover, she was kissed by him in broad daylight while she was pressed against the hood of a luxury car!

At first, Bai Shixun only wanted to shut this woman up.

However, he subconsciously went in to kiss her instead.

Then, the moment he felt that soft touch, his brain heated up and his rationality collapsed as the kiss became deeper and deeper.

After that, he grabbed onto Fang Ziqian's wrist with one hand and extended the other through the hem of her skirt...

Suddenly, there was a crisp "Smack" sound!

Bai Shixun felt as if someone had poured a bucket of cold water over his head and suddenly cooled down.

Then, he covered his face and gritted his teeth. "Fang Ziqian, you actually slapped me?"

"So what if I slapped you? Bai Shixun, you're so full of yourself! Did you think that just because you're the Young Master of the Bai Family, you're able to do whatever you want? Who do you think I am? You're absolutely disgusting!"

After saying that, Fang Ziqian pushed him away abruptly, stood up and turned to leave.

However, Bai Shixun was so angry that his face had turned red. "I'm disgusting?!"

As he said that, he took a few steps forward and grabbed Fang Ziqian's shoulder, wanting to drag her back again.

However, at that moment, his whole body suddenly shook because he seemed to have seen a flash of watery light at the corner of Fang Ziqian's eyes...

Chapter 322: I Don't Know Why, But There's This Bad Taste In My Mouth

Bai Shixun was stunned and his fingers subconsciously relaxed.

Hence, Fang Ziqian took this opportunity to shake him off. Without looking back, she left in a hurry.

Even after she had completely disappeared, Bai Shixun still couldn't come back to his senses because Fang Ziqian's resentful gaze a moment ago couldn't be erased from his mind.

'I don't know why, but there's this bad taste in my mouth.'

"D*mn it!" yelled Bai Shixun as he punched his car door heavily, immediately leaving a clear dent on the sports car.

...

Right after Fang Ziqian left, Luo Chenxi received a call from Sheng Yu.

"Little Cutie, it's been a week since we last met. You still haven't replied to me yet. Have you... Considered my proposal?"

Luo Chenxi quickly said, "Well... Chief Sheng, it would be my honor to be able to work at SL Group, so of course I'm willing."

During the period of being hospitalized, she had been lying in bed everyday and was bored. Hence, Luo Chenxi had carefully considered her career plan.

In the end, she came to a conclusion that she did not have all the necessary conditions if she wanted to build up her personal brand.

However, working at a big company like SL would definitely allow her to learn a lot of knowledge which she would definitely need in the future.

In fact, Luo Chenxi had planned to contact Sheng Yu over the next two days. However, she did not expect Chief Sheng to call her to ask about it.

Therefore, she was a little flattered by it.

Sheng Yu then laughed, "I must say that you've made a wise choice. It just so happens that the designing department has a recruitment plan recently. So, you can come for an interview tomorrow as a formality. The new product for the next season is going to be released very soon and we're very short-handed. So, you're going to have to come to work as soon as possible."

"Okay!"

Luo Chenxi agreed.

Since she was going for an interview, she had to make some preparations.

Hence, Luo Chenxi spent the whole day sorting out her recent design portfolio.

At night, when the little dumpling had fallen asleep, she suddenly thought of Fang Ziqian.

'The reluctant look on Bai Shixun's face is a little unsettling.'

After thinking for a while, she picked up her phone and dialed Fang Ziqian's number.

"Hello? Xi Xi, is something wrong?" Fang Ziqian asked, her voice a little muffled.

Luo Chenxi was puzzled. "Qian Qian, why do you sound a little strange? Did something happen? Did Bai Shixun make things difficult for you after he went back?"

Fang Ziqian hurriedly coughed twice. "I wore too little today, so I've caught a cold. Don't worry, it's nothing serious. Plus, what can Bai Shixun possibly do to me? He's still got a lot of things that he needs me to look into in his company!"

"Is that so? You aren't lying to me, aren't you?" Luo Chenxi was still worried.

"Xi Xi, I realize that you're becoming more and more fussy lately. As expected, being a wife has changed you!"

"You..."

Luo Chenxi didn't know whether to laugh or cry.

"Alright, I've said enough, I'm still working overtime!" said Fang Ziqian before she took the opportunity to hang up the phone.

Luo Chenxi couldn't help but frown. 'There's something going on here...'

At that moment, the door of the master bedroom was pushed open and Mu Yichen strode in and narrowed his eyes when he saw the little woman who was staring blankly at her phone.

"What are you looking at? Why aren't you sleeping at this time of the night? You've just been discharged from the hospital. Why are you staying up so late?"

After hearing that, Luo Chenxi subconsciously glanced at the wall clock.

'It's only 9:30pm... So what's this about me staying up at night?'

Suddenly, her hand felt light as her phone was taken away by the man.

Mu Yichen glanced at the screen and saw that the last call was from "Qian Qian" before he casually threw the phone toward the sofa.

"Alright, it's time to sleep."

Then, Mu Yichen carried her and walked toward the big bed.

At that moment, Luo Chenxi suddenly thought of something.

The moment her butt touched the bedsheet, she immediately reached out and grabbed Mu Yichen's shirt.

"Um... Did you really capture Bai Xinxin?"

Chapter 323: This Is Truly A Huge Misunderstanding!

Mu Yichen had never mentioned anything about him capturing Bai Xinxin.

In fact, she had only heard about it from Mu Weiwei and Bai Shixun.

Hence, Mu Yichen glanced at her. "How do you know about this? Who told you?"

Luo Chenxi rolled her eyes. "When you were not here today, Second Young Master Bai personally came here and asked me to beg you to let her go."

Mu Yichen's expression immediately turned cold.

"Bai Shixun actually came to meet you? Are you going to plead on behalf of Bai Xinxin?" He sneered.

"What a foolish woman. Have you forgotten how much harm Bai Xinxin has inflicted on you? Just a few casual words from others and you're already overflowing with sympathy, are you stupid?"

Luo Chenxi pursed her lips.

Although she was scolded, she could hear that Young Master Mu was concerned about her.

'This is exactly the tone...

'Sigh, this tsundere is completely hopeless!'

"I'm not overflowing with sympathy, but... Second Young Master Bai said that with my background, I won't be able to firmly hold the position as the Young Madam of the Mu Family. Also, he said that if I offend the Bai Family any further, I definitely won't be able to survive. Although I'm no Saint Mary, I'm a coward! When I heard what he said, I was so frightened."

After she said that, Luo Chenxi grabbed onto Mu Yichen's shirt and turned it around continuously.

boxn ov el. c o m

Not long after, she turned an expensive handmade shirt into a pickle.

Hence, Mu Yichen held onto her troublemaking hands as a fierce look flashed past his eyes.

"He actually told you this?"

'Very good, I'm going to remember this!'

Luo Chenxi looked at his expression and knew that she had successfully gotten her point across, so she secretly held up two fingers to make a "V" in her heart.

"You should get some sleep first. Bai Xinxin's matter has got nothing to do with you."

When she heard this, Luo Chenxi hesitated for a moment and said, "But, it wouldn't do you any good to... Carry on locking her up, would it? I think you should just teach her a lesson and consider releasing her..."

Mu Yichen stared at her in confusion, "What do you mean?"

Luo Chenxi quickly said, "Of course, I would very much prefer if she would never show up again. But, isn't the Mu Family on good terms with the Bai Family? So, if you insist on not releasing her, you might get affected..."

The corner of Young Master Mu's mouth curled up. Suddenly, he held onto her little hand and placed it above her head.

Then, his body leaned forward and half-pressed her on the bed.

"Stupid woman, are you worried about me? I would've never thought that you would care so much about me." said the man whose deep and sexy voice kept on echoing in Luo Chenxi's mind as his face suddenly enlarged.

Luo Chenxi quivered and quickly said, "No... It's not like that, you've misunderstood, Mu Yichen..."

'This is truly a huge misunderstanding!

'I'm only pleading for Bai Xinxin on behalf of Qian Qian!

'I don't want Bai Shixun to put her in harm's way.

'I only said that just to coax Young Master Mu just now!'

However, when Mu Yichen saw the little woman's reddened face, his heart raced.

Then, he stuck out the tip of his tongue and gently licked her ear.

After that, a slightly hoarse voice sounded, "No need to be embarrassed, I know you're easily embarrassed, but I'm your husband... So, I understand your feelings."

'No, no, no, you don't understand!

'You truly don't understand!'

Luo Chenxi was screaming in her heart, but her lips were blocked by the man and she couldn't make a sound.

While Mu Yichen was kissing her, he unbuttoned his shirt.

Right after Luo Chenxi regained the freedom of her hands, she hurriedly pushed the man in front of her away.

However, Mu Yichen grabbed her hand and pressed it against his chest, which felt smooth and elastic.

Hence, Luo Chenxi instantly froze and her face turned as red as a tomato.

Chapter 324: This Is The Last Time, Stupid Woman! Next Time...

'This man's so quick with his hands!

'He's actually managed to... Remove his shirt in such a short time?'

Mu Yichen stared at her stunned little face and the smile on his face deepened.

"Usually, when I come out of the shower, wouldn't you always stare at me and look like you want to take off my bathrobe? Now, I'm going to let you touch me as you please. Isn't your husband very considerate?"

Luo Chenxi wanted to bite the man to death!

'You're the one who very casually wraps yourself in a bathrobe after you shower.

'You're so faintly discernible that it's very difficult for me not to look at you. All I did was get a few... Several looks, how could you blame me for that?

'This man is deliberately seducing me, isn't he?!

'Plus, I've always been looking only, there was no touching involved.

'After all, I'm not stupid. Do you think I wouldn't know the consequences of touching the tiger's butt?'

On the other hand, Mu Yichen had leaned in closer again and gently bit the corner of her mouth. "Are you sure you don't want to touch it? You won't have another chance like this after tonight."

Luo Chenxi bit her lips and hesitated for a while.

boxn ov el. c o m

However, in the end, she decided to go all out!

'I wouldn't be a human if I don't touch this beauty!

'Besides, I'm not going to lose anything by sleeping with my husband who's idolised by the entire nation. In fact, one could even say that I'm struck gold, couldn't they?'

At the thought of this, Luo Chenxi touched him on the left and right restlessly. In fact, not only did she touch his chest a few times, she also touched them all the way down...

As she moved, Mu Yichen's breathing became heavier and heavier.

Suddenly, he grabbed her wrist and took her hand away.

Luo Chenxi then pouted unhappily, "Didn't you say I can touch anywhere that I want?"

Mu Yichen looked at her seductive face and almost had a nosebleed as he deeply regretted that he had played with fire.

Then, he pinched her hand and stuffed it under the blanket. "You little lecherous woman, you haven't even fully recovered from your injuries, yet you're thinking about such things already!"

Luo Chenxi almost choked.

'You're the one who flirted with me first!'

Then, Mu Yichen took a deep breath and pushed the little woman back into the quilt, "Get some sleep, don't think too much!"

Luo Chenxi gritted her teeth in anger, turned around and buried her head in the pillow.

"Fine, I'll sleep!"

'Next time, I'm not going to be bothered with you next time even if you got down on your knees! Hmph!'

Mu Yichen looked at her curvaceous back and was unable to contain the excitement in his body.

“This is the last time, stupid woman. Next time... I’ll make sure you can’t get out of bed!”

...

Luo Chenxi had woken up early the next day.

Furthermore, she went to bed at 9:30pm yesterday and had a good night’s sleep. Hence, she was in good spirits.

After that, she picked out a new professional looking suit from the wardrobe, put on her high heels and even put on some light makeup.

Then, she went downstairs to have her breakfast.

The little dumpling’s eyes widened when she saw her.

“Wow, Big Sister. You look so pretty!”

Luo Chenxi kissed her on the face. “You’re very cute today yourself, Tang Tang.”

Then, she sat down beside the little dumpling, who immediately scooped over and pushed a bowl of egg soup in front of her. “Big Sister, this egg is so delicious!”

“You should have more then, Tang Tang,” said Luo Chenxi as she picked up the spoon and fed the little dumpling whilst she had some at the same time.

However, Mu Yichen, who was sitting across from her, stared at her unhappily.

After staring at her for a while, he coughed heavily. “Why are you dressed so formally today? You’ve even got makeup on, are you going out?”

Luo Chenxi then remembered that she had wanted to tell him about her work matters last night.

However, Young Master Mu had suddenly become a beast, so she had forgotten to tell him.

“Uh, that’s right... I have an interview at SL Group today. Yesterday, Chief Sheng called me and said that they’re recruiting right now and I fit their requirements very well. So, He’s asked me to go for an interview today.”

After saying that, Luo Chenxi suddenly felt the temperature surrounding them drop a few degrees, causing her to rub her hands together subconsciously.

Chapter 325: Is He Really His Mother’s Biological Son?!

Mu Yichen’s face darkened.

“You’re not going!”

‘She’s actually thinking of going to work at Sheng Yu’s company?!

‘Does she think that I’m dead?’

When she heard this, Luo Chenxi widened her eyes in surprise.

“Why not? I’ve already promised Chief Sheng!”

“Because I’m your husband!” Mu Yichen said coldly, “Where are your family values? You’re already married, so shouldn’t you discuss it with your family first if you intend on going out to work?”

Luo Chenxi pursed her lips, “What’s there to discuss? This is just a normal white collar job with regular working hours, plus there’s no need to travel. Tang Tang goes to kindergarten during the day, so isn’t it normal for the two of us to go to work?”

Mu Yichen was speechless by her words and his tone became even stiffer, “In any case, you’re not allowed to go! Why would you need to work when you’re the Young Madam of the Mu Family? Do you think I can’t support you?”

At this point, Young Master Mu suddenly remembered that he had never given pocket money to the little woman.

Then, his expression suddenly became a little unnatural.

“Mu Yichen, what does this have to do with whether you’re able to support me or not? I’m working because...”

boxn ov el. c o m

Luo Chenxi was in the middle of arguing when suddenly, a black shadow flashed past.

After that, a black card was thrown over by Young Master Mu and accurately landed in her arms.

“What... What is this?”

“My credit card, there’s no quota on it, so you can use it however you want!”

Luo Chenxi was a little confused, “No... No quota? Aren’t you afraid that I will use it until you go bankrupt?”

“You can try.” Mu Yichen smirked disapprovingly.

Luo Chenxi came back to her senses and quickly pushed the black card aside, “No, I don’t want your card, I want to work!”

“I said, you’re not allowed to go!”

“You...”

The two of them couldn’t stop arguing.

“That’s enough!”

Tan Yueru couldn’t stand it anymore, hence she slammed the table and stopped them from arguing.

It was only at that point that the two of them realized that the two elders of the Mu Family and even the little dumpling were sitting on the side.

As the little dumpling watched the two parents argue, she didn’t even eat her favorite strawberry pudding. Instead, she blinked her big eyes and kept on staring at them.

After that, Luo Chenxi sat back down guiltily.

“Ahem, Um... Tang Tang, Big Sister was discussing something with your Daddy...”

‘I heard that it isn’t a good example for parents to argue in front of their children.

‘I’ve almost corrupted a child again...’

Now that Tan Yueru saw that they were both quiet, she said, “Alright, what’s the point of quarreling over such a trivial matter? My daughter-in-law is going out to work, which is a good thing. What right do you have to object?”

She glared at Mu Yichen and turned to Luo Chenxi with a kind smile.

“Daughter-In-Law, do your best. I’m still waiting to wear the clothes you’ve designed!”

Luo Chenxi understood Tan Yueru’s intention and said, “Thank you, Mom!”

After that, she quickly got up, kissed the little dumpling on the face, picked up her bag and turned to leave.

In the blink of an eye, she had disappeared.

On the other hand, Mu Yichen’s face was darker than the bottom of a pot.

‘Am I even my mother’s biological son?!

‘Is it possible that she’s picked up the wrong child from the hospital?’

...

By the time Luo Chenxi arrived at SL Group, she was already five minutes late.

Sheng Yu glanced at her. “Little Cutie, it’s not a good habit to be late, especially in our industry where many jobs are calculated by the seconds.”

“I’m sorry, Chief Sheng. There was an accident today, I promise I won’t do it again!” Luo Chenxi quickly apologized.

Even so, she was actually not very confident.

After all, she had a family and there were two of them who were very clingy.

Sheng Yu snorted. “I hope you remember that. Right, you’re almost going to miss it. There’s still half an hour left until the stylist’s regular meeting this week. Hurry up and go to the human resources department and get the procedures done. Maybe, you might still make it in time for the meeting.”

Luo Chenxi was stunned. “Didn’t you say I’ve got an interview?”

“Your performance in the Huafeng Competition is more than enough to justify already. Why are you still wasting time? Hurry up and go.”

Then, Luo Chenxi had just turned around when suddenly, someone had pushed open the door.

The Chairman of SL Group walked in. “Chief Sheng, I heard that your designing department is looking for a senior designer. What a coincidence. I happen to have an excellent candidate.”

Luo Chenxi turned her head and saw the young woman beside him. Then, she couldn't help but be startled. "Wu Lingshan?"

Chapter 326: The Senior Designer Position Is Definitely Mine

Luo Chenxi had not expected to meet Wu Lingshan there.

After the Huafeng Competition, the video of Wu Lingshan and Bai Xinxin fighting backstage was posted online.

In addition, the incident where she gave Shao Mingyi laxatives had instigated the public's anger.

Therefore, Wu Lingshan had no choice but to shut down her comments and she also stopped updating her Weibo, seemingly disappearing from public view.

On the other hand, Wu Lingshan was also very surprised to see Luo Chenxi.

Then, a hint of hatred flashed in her eyes. "It's you... Why are you here?"

However, Luo Chenxi did not say anything.

Then, Sheng Yu stood up from his desk. "President Hu, I'm sorry, but I've already found a suitable senior designer. So, there's no need to recruit anyone else."

It was only then that President Hu noticed Luo Chenxi.

After glancing at Luo Chenxi for a moment, he was able to recognize her. "This... This must be Miss Xing Chen, the winner of the Huafeng Competition, right? Is she the person you're hiring?"

Sheng Yu nodded. "That's right. I've personally invited Xing Chen over here."

Wu Lingshan could not believe it as she glared at Luo Chenxi.

boxn ov el. c o m

In the past month or so, her career had been in dire straits.

Hence, it took her a lot of effort to pull some strings just to take advantage of SL Group's recruitment opportunity because she wanted to use her work experience in a large company to clear her name.

However, who would have thought that this opportunity would be snatched away by Xing Chen again!

On the other hand, President Hu's expression did not look too good.

"Chief Sheng... Why didn't you tell me that you've hired someone? Besides, Miss Xing Chen graduated from a tier-3 university, didn't she? This doesn't meet our hiring criteria. On the other hand, Miss Wu is a top student from St. George's University, so she's obviously more suitable."

Sheng Yu frowned, "Since when did we have to report to the higher-ups that the designing department is hiring? Besides, I value designers with true standards rather than empty degrees! Based on Xing Chen and Wu Lingshan's performance in the Huafeng Competition, it's obvious who's the more outstanding one between the two of them!"

President Hu didn't expect Sheng Yu to be so unyielding.

In his opinion, it was just a small matter to have a designer in the company.

Then, he said unhappily, “President Sheng, aren’t you being too shallow? In terms of resume, Xing Chen has only won the first prize in the Huafeng Competition to show for herself. As for Wu Lingshan, she has already been running her own independent brand for two years.

“As a designer, being able to win in competitions can’t be compared to having actual practical experiences.”

Faced with this obvious fallacy, Sheng Yu could not be bothered to refute President Hu.

Instead, he waved his hand directly. “President Hu, there’s no need for you to worry about the designing department. On the other hand, we’re going to have our departmental meeting soon. So, please don’t interrupt our regular work, both of you!”

President Hu was so angry that his nose almost became crooked as he was rejected by Chief Sheng.

However, not only was Sheng Yu a professional, he also had a very strong background. Hence, he did not dare to offend Sheng Yu despite being the chairman himself.

Helpless, he could only say, “Lingshan, Xingchen, please excuse yourselves for a moment. I have something to discuss with Chief Sheng.”

...

Hence, Luo Chenxi left the office with a frown on her face.

‘I’ve long heard that the internal relationships of large companies are complicated.

‘However, I didn’t expect to encounter such a situation before I’ve even started the job.

‘Plus, I don’t know if Sheng Yu’s going to be able to handle the pressure...’

“Xingchen, I really didn’t expect to see you again so soon!” said Wu Lingshan, who had also come out.

Luo Chenxi glanced at her and curled her lips. “I didn’t expect it to be so soon either! I noticed that you stopped updating your Weibo and your personal brand shop had also closed down. I actually thought you couldn’t take the blow and had gone overseas!”

“You... !”

Wu Lingshan’s face turned pale when she was criticized where it hurt the most.

But then, she sneered, “Do you think you can sneak into SL Group just because you have Chief Sheng’s favor? Dream on! The senior designer position is definitely mine!”

Chapter 327: This Isn’t A Competition, But An Actual Workplace!

Luo Chenxi said with a laugh, “Where’s that confidence coming from?”

Wu Lingshan lifted her chin and looked at Chenxi from the corner of her eyes, “Do you still think this is the Huafeng Competition? Listen here, this isn’t a competition, this is an actual workplace! My father is a major shareholder of SL Group, so I’m able to stay with just this. On the other hand, you’re just a

country bumpkin who graduated from a garbage school, so what right do you have to compete against me?

“Just you wait and see! The one who gets to stay is definitely going to be me. As for you... If you beg me nicely, I might just agree to let you stay and be my assistant. After all, I’m going to need to find someone to serve me tea and do all the menial paperwork for me.”

Luo Chenxi chuckled, “I didn’t expect that there would be someone who can sound all high and mighty by flaunting their father’s name. I really can’t compare to you.”

...

In the office, after President Hu saw that the door was closed, he immediately walked to Sheng Yu’s side.

“Chief Sheng, I’m not going to beat around the bush. You do know that Wu Lingshan’s father is a major shareholder of our group. So, he’s personally come and looked for me, hoping that his daughter will be able to work in the designing department. If we don’t do him this little favor, it’s going to make us look bad!”

“What does that have to do with me though?” Sheng Yu was neither friendly nor cold when he said that.

President Hu was extremely anxious. “My goodness, Chief Sheng, why are you being like this? In terms of Wu Lingshan’s designing skills, she’s not actually too bad either.”

Sheng Yu then coldly said, “However, she has bad conduct and malicious intentions. In any case, I refuse to accept her, so you should arrange for her to be in another department.”

“How do you think that’s going to turn out? Her father’s already specified that she is to enter the designing department! Chief Sheng, please be magnanimous.”

“Well, I suppose it wouldn’t be impossible for her to enter the designing department if she insists...”

boxn ov el. c o m

President Hu was immediately delighted.

However, before he could even rejoice, Sheng Yu said, “I’m still looking for an assistant to serve me tea and work on the menial paperworks. If she’s willing to do that, she can join.”

President Hu instantly froze when he heard that.

“Chief Sheng, Do... Do you think this is a joke?”

...

Outside the office, Luo Chenxi and Wu Lingshan had waited for a long time until the door finally opened.

Then, President Hu called them in and went straight to the point, “I’ve discussed it with Chief Sheng. Both of you are very outstanding and it would be a pity to weed out either of you. So, we’ve decided to give you a chance to compete based on your strengths. The winner will be able to receive the position.”

The two of them were stunned. “A competition? What competition is that?”

Sheng Yu continued, "Next week, SL Group will be launching its latest season of sports series. So, you have one week to design a new set of ready-to-wear clothes. These clothes will be put on the shelves as a newly arrived product after it goes through the manufacturing molds."

"After the ready-to-wear clothes are put on the shelves, the person whose design has a higher sales within three days will win the position. In addition, the winner will also be directly responsible for all future sports series."

Luo Chenxi blinked in surprise because she did not expect Sheng Yu to come up with such a plan.

Moreover, the winner could directly be responsible for the design of an entire series!

'In a company as big as this, it's going to take a senior designer at least ten years of experience before they're able to take up such a role.'

On the other hand, Wu Lingshan was secretly delighted!

'As far as I know, Xing Chen has never actually participated in a commercial design before. This is going to be completely different from participating in a designer competition.'

'On the contrary, it just so happens that I'm very experienced in this aspect.'

'So, I'm going to win this easily.'

'Well then, it seems that Chief Sheng is also on my side, but he's just too embarrassed to go back on his word.'

'That's why the criteria of the competition is so obviously biased towards me.'

At the thought of that, Wu Lingshan could not help but look at Sheng Yu lovingly.

'Actually, I've had a crush on Sheng Yu for a long time. In fact, whether it was participating in the Huafeng Competition or joining SL Group, I'm doing all of this just to attract his attention.'

'Now, it seems that Sheng Yu's coldness is just a facade and I still have a chance.'

Chapter 328: If She Continues To Be Tortured, I'm Afraid She Might Just Lose Her Life

Sheng Yu glanced at the two of them. "What do you think?"

Wu Lingshan said excitedly, "Sure, no problem at all!"

Luo Chenxi also nodded her head.

Hence, Sheng Yu assigned a staff member to each of them and gave them a tour to familiarize themselves with the company's environment.

During the afternoon, Luo Chenxi looked at the time and was ready to leave.

However, when she arrived at the main entrance, she bumped into Sheng Yu who was walking towards her.

Hence, she hurriedly greeted him and said, "Chief Sheng!"

“Are you all set to head back?”

“Yes.”

Then, Sheng Yu reminded Luo Chenxi by saying with a frown on his face, “Time’s very tight, so you need to make use of every moment you have. Remember, you only have one week. So, minusing the delivery time from the factory, you’re going to have to finish the design template in three days..”

‘Wu Lingshan is even staying behind to liaise with the template maker. So, I didn’t expect Luo Chenxi, who has always been diligent, to leave so early.’

Then, Luo Chenxi quickly said, “I understand, Chief Sheng, but I have something urgent to do today. I’ll definitely arrive early for work tomorrow!”

Actually, Mu Yichen had called her just now and told her that he was already on his way to pick her up. So, she was told to wait at the door obediently.

In fact, she wanted to refuse, but before she could finish her words, the call was already hung up.

Hence, Sheng Yu looked at her deeply. “As long as you’re on top of things.

“Also, you’ve already gotten the design information for this time’s competition. It’s mid-range sportswear for young people in their 20s’. So, you must calculate the cost of the design because it can’t be too expensive.”

‘Ignoring the production cost is the most common mistake that novice designers make when they first come into contact with commercial designs.

‘Actually, out of fairness, I shouldn’t remind her about this.

‘However, after thinking about this for a long time, I can’t help myself.’

Then, Luo Chenxi sincerely thanked him. “I understand, Chief Sheng. Don’t worry, I will definitely put on my best performance.”

As she said that, she glanced at the door and saw a familiar black Maybach driving past the street nearby.

Hence, Luo Chenxi said, “I’ll be making my move now then, Chief Sheng!”

After that, she turned around and ran in the direction of the sports car.

However, she had only run a few steps when she was stopped by Sheng Yu.

“Wait, there’s something else...”

“Chief Sheng, if there’s something else you need to tell me, let’s talk about it tomorrow...” said Luo Chenxi with a dry laugh.

Sheng Yu then raised his eyebrows. “Why are you in such a hurry, young lady? Listen to what I have to say first, it’s not going to take more than a few minutes, so it won’t affect you.”

'Who said it won't affect me?!

'It's going to affect me greatly!'

At that thought, the Maybach had just parked at the intersection across the street.

From where it was parked, the passengers inside could see SL Group's main entrance.

Luo Chenxi's body stiffened as she prayed silently in her heart. 'I hope Young Master Mu is short-sighted and can't recognize me...'

...

In the sports car, Mu Yichen was holding his phone with one hand as he looked at the photo of Bai Xinxin, which Brother Liang had sent him.

That afternoon, he had just informed the bodyguards to drag Bai Xinxin out of the little dark room.

According to the report from Brother Liang and the others, Bai Xinxin was in miserable condition.

She had already fallen into a semi-unconscious state, screaming and convulsing from time to time. In fact, her expression seemed even worse than a dead person.

On top of that, all of her fingernails had already been completely broken and there were blood marks on her body. Hence, it was obvious that she had scratched herself amidst her madness.

Although the bodyguards would feed Bai Xinxin a loaf of bread everyday, there was no toilet in the detention room.

Therefore, Bai Xinxin's excrement was left in a corner of the wall.

In fact, once she went crazy, she had rolled around on the ground, causing all the disgusting excrement to stick to her body.

Hence, after accumulating for a few days, she had become extremely smelly.

Even a veteran like Brother Liang was unable to withstand it, let alone a few of the young bodyguards, who had vomited on the spot.

"Young master, if she continues to be tortured, I'm afraid she might just lose her life. Didn't you say that we should try our best not to have her die? So, what should we do next?"

Mu Yichen was about to reply when he suddenly saw a man and a woman at the entrance of SL Group.

Then, his expression suddenly changed as he threw his phone aside and opened the car door.

Chapter 329: You Think That He's Broad-Minded, While I'm Petty?

At that moment, Sheng Yu was holding onto the woman's slender wrist.

Although he had sensed her weak resistance, he feigned ignorance and did not let go.

"Xing Chen, I think that there's something that... I need to explain to you."

"What is it?"

Sheng Yu pursed his lips, as if he was thinking what he was going to say.

On the other hand, Luo Chenxi was so anxious that she could almost go mad.

'Sheng Yu is usually a straightforward person, but why is he being so long-winded today?

'If my King Of Jealousy sees this, he's very likely going to be a tsundere again.'

At that thought, Sheng Yu said, "This competition... Is indeed unfair to you. However, Wu Lingshan is the daughter of a major shareholder here. So, if I don't show her some form of bias at all, you will be easily schemed against by others even if you won. Hence, it'd be better for you if you won against her fair and square, forcing her to back down willingly.

"Moreover, if you win, I'll be able to hand this series over to you directly. Otherwise, there are many senior designers who are yearning to be promoted, so it'll be hard for them to willingly submit to a newcomer like yourself."

Luo Chenxi was stunned when she heard this.

'I thought Sheng Yu agreed to the competition purely because of the pressure he was facing.

'However, I'm not dissatisfied with this outcome.

'After all, winning based on actual skills has always been my favourite.

'However, I didn't expect Sheng Yu to actually silently take into account so many factors for me, which is simply unlike the legendary "Devil" of the Royal College of Art...'

Luo Chenxi was stunned for a few seconds because of her shock.

In the end, she glanced around and saw the back seat door of the Maybach opening up, revealing a pair of Italian handmade leather shoes from under the door.

Hence, she quivered and immediately shook off Sheng Yu's hand.

"Thank you so much, Chief Sheng! Right then, my family is here to pick me up already, so I really have to go!"

This time, she ran exceptionally fast, so fast that the high heels under her feet did not seem to affect her lightning speed at all.

On the other hand, Mu Yichen had just gotten out of the car. After taking a few steps, he was pounced on by the woman who had sprinted towards him, causing him to lose his balance and crashed onto the car door.

However, his arms firmly wrapped around the woman and protected her in his arms to prevent her from falling.

Luo Chenxi said with a smile, "Mu Yichen, you got here so quickly! Come one, let's go home now, we're going to be able to have our dinner just in time."

As she said that, she hugged Mu Yichen's waist and was just about to push him into the car.

However, Mu Yichen merely coldly snorted and would not budge no matter how hard she tried to push him.

Hence, Luo Chenxi pursed her lips. "Why are you just standing there? Hurry up, let's go, I miss Tang Tang."

Mu Yichen lowered his head and glanced at the little woman's slightly guilty face. Then, the scene of Sheng Yu grabbing her wrist flashed past his mind.

Hence, his eyes darkened. "Why are you in such a hurry to leave? Are you feeling guilty?"

"G... Guilty? I'm just here for work, so what's there to feel guilty about?"

Mu Yichen then said, "Alright then, I'm going to go and thank Young Master Sheng before we leave."

"What? Why are you going to thank him?" asked Luo Chenxi with her eyes widened.

Mu Yichen said coldly, "I'm going to thank him for taking such good care of my wife. Not only has he helped my wife during the competition, he even took the initiative to invite you to his company when he found out that you don't have a job. So, it'd seem like the Mu Family are a bunch of rude people if I don't even greet him after he's done you such a huge favour."

Luo Chenxi suddenly felt a little cold again as a cold sweat broke out on her back.

"Ahem, there's... There's really no need for that! Chief Sheng is a broad-minded person, so I'm sure he wouldn't think much over such a small matter."

"Really? You think he's broad-minded, while I'm petty?"

"What... When did I say that you were petty? Stop jumping to your own conclusions!" Luo Chenxi almost bit her tongue off as she said that.

In fact, if she still couldn't tell at that moment, the man was going to be overrun with jealousy and she would have wasted her time being Mrs. Mu for those months!

Suddenly, Mu Yichen snorted coldly and tightened his arm around her waist...

Chapter 330: Wow, They're Actually Kissing On The Streets, They Look So Lovely

In a moment of desperation, Luo Chenxi had a flash of inspiration as she hooked her arm around Mu Yichen's neck and stood on her tiptoe.

Suddenly, she completely sealed the man's perfectly shaped thin lips.

As a familiar soft touch came to his lips, Mu Yichen was stunned for a moment before his black eyes narrowed.

After rubbing her lips onto his for a long time, she realized that the man was not responding.

In fact, he even pursed his lips tightly and looked unmoved.

'How's this possible?

'Doesn't Young Master Mu turn into a beast instantly with just a few casual touches?'

Behind her, a passing girl exclaimed in surprise.

"Wow, what luxury car is that? It's obviously very expensive!"

"Is the man next to it the owner of the car? He's handsome, really handsome! So there really are such top-notch men in the world who are both rich and handsome!"

"That girl seems very beautiful as well, doesn't she? Is she his girlfriend? Wow, they're actually kissing on the streets, they look so loving. I'm envious of them..."

Luo Chenxi's face suddenly turned red as she hurriedly stepped back.

However, as soon as she moved, Mu Yichen hooked his arm around her slim waist, turned around and shoved her into his sports car.

Before Luo Chenxi could sit properly, the man forcefully pressed her down on the back seat.

After that, a scorching kiss blotted out the sky and covered the earth as it landed on her fragile lips.

As the flirtatious sound came from the back seat, Zhuo Feng, the single man in the driver's seat, choked as he was scorched by their loving scene again.

'As expected, nothing good comes out from picking up the Young Madam. Thank goodness I deliberately skipped lunch just now!'

Just as he was about to raise the backboard as usual, a puzzled voice suddenly came from Mu Yichen's phone.

"Young Master! Young Master, are you still there?! Did something happen?"

Hearing Brother Liang's voice, Mu Yichen's body stiffened.

He had been in a hurry to get out of the car to catch a certain someone, hence he had forgotten to hang up the phone!

On the other end of the phone, Brother Liang was a very dedicated bodyguard who always prioritized his employer's safety.

Therefore, the more Mu Yichen did not reply, the more nervous he became, especially since Brother Liang had heard some strange voices just now...

"Young master, you mustn't scare us like that! If you're alright, could you tell us how we are supposed to deal with this woman..." said Brother Liang as his voice became louder and louder.

On the other hand, Zhuo Feng silently lit a candle for him. 'Brother Liang, you pig brain. No one's going to be able to save you now, not when you've signed your death warrant!'

Hence, Mu Yichen's face darkened as he climbed up from his own wife and picked up the phone that had fallen under his seat.

Then, he gritted his teeth and said, "Throw her back to the Bai Family!"

Luo Chenxi had just sat up when she heard this and was stunned. "The Bai Family?"

Mu Yichen did not reply. Instead, his gaze swept coldly to the driver's seat. "What are you doing in a daze over there? Drive!"

Zhuo Feng immediately shrunk his neck and stepped on the accelerator.

...

At the entrance of the detention room, Brother Liang had his phone by his ear with a dumbfounded expression.

It wasn't until the Young Madam's voice came out of the phone that he realized what a mistake he had made.

Hence, he wanted to bang his head against the wall!

'F*ck, no wonder Assistant Zhuo kept ridiculing him for having all brawn and no brains.

'Could it actually be true?!'

"Boss, what should we do now? Did the Eldest Young Master make his decision?"

"Why the f*ck are you asking me that?! Can't you use your pig brains to think about such a simple matter?" said Brother Liang as he scolded his subordinate because he was still angry.

"Hurry up and send this woman back to the Bai family. Her very existence here spells bad luck for us!"

As Brother Liang said that, he raised his leg and wanted to kick Bai Xinxin to vent his anger.

However, when he saw the woman, who was covered in filth, lying on the, he withdrew his foot with a face full of disgust.

...

At the entrance of SL Group, Sheng Yu looked at the direction Luo Chenxi had run off to and subconsciously frowned.

It was rare to see a luxury car like Maybach, hence Sheng Yu had actually noticed it just now.

'I wasn't expecting Luo Chenxi to immediately rush towards the man who got out of the car.

'Moreover, the two of them were hugging each other, it was as if they were...'
