## Chapter 381: There Are No Signs Of It Being Edited Or Post-Produced

However, even though the monitor was broken, the sound of men and women panting could still be heard from the speakers.

Mu Yichen reached out his hand and pulled out the plug.

Only then did the room return to silence.

After that, he sat alone in the office with his head lowered as the video kept flashing in his mind..

After an unknown amount of time, someone gently knocked on the door.

Zhuo Feng carefully probed, "Chairman... Chairman, are... Are you alright?"

"Didn't I tell you to get lost?"

Mu Yichen's suppressed voice was cold and terrifying, causing Zhuo Feng to shiver so much that his soul almost flew out!

Young Master Mu's voice didn't fluctuate and seemed to be calm. However, with Zhuo Feng's many years of experience following Young Master Mu, he knew that Young Master Mu was extremely angry at that moment!

Hence, he wanted to turn around and run away immediately.

"Second... Second Young Master..." said Zhuo Feng as he looked at Mu Yiling who was beside him.

Mu Yiling's heart was beating fast, but he still said, "Assistant Zhuo, thanks for your hard work. I'll tell Big Brother myself."

When Zhuo Feng heard this, he immediately ran away as if he was fleeing.

Mu Yiling braced himself and knocked on the door again. "Big Brother, it's me..."

"Get your \*ss in here!"

Mu Yiling did not dare to be negligent and immediately pushed the door open before he walked in.

Seeing the mess in the office, he knew that his Big Brother must have seen the video...

Mu Yichen did not seem to notice him and remained motionless, leaning against the chair.

Mu Yiling thought for a moment, he said, "Big Brother, you mustn't be angry yet. About that... matter, I think there must be something amiss. After I received the email yesterday, I felt that something was wrong, so I immediately checked. This person sent the video to you, me, Weiwei and our parents. Aside from us, the email has also been sent to Second Brother Bai and the other two as well.

"Oh right, I've also blocked this video and deleted it from the entire Internet. In the future, this video will not continue to be spread outside..."

After all, Mu Yiling was one of the top hackers in China.

Although he was usually a little sloppy, it was only because of his personality.

But, in actual fact, he had a high IQ and was able to react quickly at critical moments.

After seeing the video yesterday, he immediately took the appropriate measures.

Only then did Mu Yichen raise his head and looked at him. "Good job. The emails in Dad, Mom and Weiwei's mailbox have also been deleted. They usually don't check their email, so I guess they haven't seen it yet."

Mu Yiling hurriedly said, "I've already taken care of those."

Mu Yichen's eyes revealed a look of approval as he nodded.

After a moment of silence, he asked again, "Then... You must have also checked the authenticity of this video, haven't you?"

"Umm..."

Mu Yiling choked for a moment.

'Big Brother actually noticed this crucial question so quickly.

'How am I supposed to answer this?'

"Tell me the truth! If you dare to lie to me..."

Before he could finish his threat, Mu Yiling quivered and hurriedly explained, "Big Brother, I'll... I'll come right out and say it then! I've already analyzed this video once and it should be genuine. There are no signs of it being edited or post-produced..."

When Mu Yiling said it, he knew that the situation was going to be dire.

Sure enough, when Mu Yichen heard this, he immediately punched the table.

Hence, the hard mahogany table had a shallow mark on it.

Mu Yiling was so scared that he almost jumped up.

"Big Brother, calm down! Before you do anything, think about Tang Tang! Mom and Dad too! Also, although the video is genuine, I still feel that Sister-In-Law isn't the kind of person who would do this..."

### **Chapter 382: Chapter 386: Young Master Bai, Who Had Been "Working Overtime" At The Company Everyday For The Past Few Days, Had Disappeared**

At the same time, in SL Group's meeting room.

"Achoo! Achoo!"

Luo Chenxi sneezed a few times.

"Xing Chen, what's wrong? Did you catch a cold?" her assistant asked in a low voice.

Luo Chenxi did not seem to mind it as she rubbed her nose and said, "I don't think so. Maybe someone misses me?"

'Recently, the little dumpling and that tsundere has become more and more clingy. I'm actually feeling a little guilty that I have to have dinner with my friend tonight.'

"Don't stop, let's continue the discussion!" Luo Chenxi urged.

After she was promoted to senior designer, she had two junior designers and two assistants under her.

It was her first time leading a team to work together, so she attached great importance to it and hoped that everyone could display their expertise.

Thus, the discussion continued until 4 to 5pm.

Then, Luo Chenxi noticed that it was getting late, so she hurriedly left the SL Group and went to have dinner with Fang Ziqian.

"Oh right, Qian Qian, Mu Yichen and Bai Shixun should have reconciled. I even heard them calling the day before yesterday. Moreover, Bai Shixun also said that he would send Bai Xinxin abroad, so you don't have to be caught in the middle anymore," said Luo Chenxi as she shared the good news.

boxn ov el. c o m

However, Fang Ziqian did not seem as happy as Luo Chenxi had imagined. Instead, she gave an uninterested "oh" with her head lowered as she used her chopsticks to play with a piece of ribs on the plate.

"Qian Qian, what's wrong? Did Bai Shixun provoke you again?"

Fang Ziqian shook her head. "No, we haven't even spoken recently. So how could he provoke me?"

To be more precise, Bai Shixun had returned to his previous state of partying every night.

Young Master Bai, who had been "working overtime" at the company everyday over the past few days, had disappeared.

Although Fang Ziqian still worked overtime every day, her supervisor was no longer around, effectively making her the boss at the company. Hence, logically speaking, she should have felt relaxed.

However, for some reason, she had been a little absent-minded for the past two days.

'Could it be that Bai Shixun has really heard what I said to Elder Bai that day and suddenly returned to his original behaviour?'

'Moreover, I saw all kinds of gossip about the Second Young Master Bai on the Internet. Seeing him hugging a female celebrity and making it on the headlines makes me feel helplessly unhappy.'

"Oh right, Qian Qian, about that photo from last time..." Luo Chenxi suddenly said.

Although Fang Ziqian had told her that the woman in the photo with Bai Shixun on the hood was not her, Luo Chenxi still felt that something was not right.

'Qian Qian's heaven-defying slender legs aren't something that any woman could have!'

"What photo? You're still thinking about that photo? In that case, you really are mistaken!"

Fang Ziqian came back to her senses and forcefully changed the topic.

"Enough about me. By the way, why didn't Young Master Mu urge you to go home today?"

Ever since the fire happened, Young Master Mu had become a wife-spoiling maniac.

As long as Luo Chenxi was out for a longer period of time, he would call to urge her to go home.

Seeing that she refused to admit it, Luo Chenxi thought about it and decided not to continue asking. "It's better if he doesn't urge me. This means that he has realized his mistake! I have my own freedom, so why should he control me? I refuse to listen to him!"

Even so, she still stood up, "However, it's really late indeed, so we should go home now."

"Xi Xi, what happened to personal freedom? What happened to not listening to Young Master Mu?"

Fang Ziqian said in amusement.

Luo Chenxi coughed twice and forced an explanation, "I'm afraid that Tang Tang won't go to bed, it's not because of a certain someone..."

"Oh, it's not because of someone who will punish you on the bed, is it?"

Luo Chenxi blushed and glared at her. "You're so dirty-minded. You're no longer the Qian Qian I know!"

...

It was already 10 pm when Luo Chenxi returned home and there was no one in the living room.

The little dumpling and Madam Tan had gone to bed early, so it was normal for them to not be there.

Young Master Mu would usually sit in the living room and wait for her when she came back late.

However, he was nowhere to be seen today.

Hence, she went up to the second floor and pushed open the door of the master bedroom, only to find that it was quiet inside.

Moreover, it was pitch-black.

"Eh? Mu Yichen went to bed so early? Or... Has he not even come back home?"

Luo Chenxi frowned in confusion. She rubbed against the wall in the dark and was about to turn on the lights.

Suddenly...

"You're back?" said a deep male voice from behind her.

### **Chapter 383: She's Just Like A Virtuous And Caring Wife..**

Luo Chenxi was shocked and she quickly turned on the lights before she turned around.

The man was sitting on the sofa in the corner. His tall and slender body leaned against the armrest. He had a cigarette in his hand and looked a little haggard.

Then, Mu Yichen looked at her as a deep and unfathomable light flashed in his eyes.

Then, Luo Chenxi widened her eyes. "You're here? Why didn't you turn on the lights? You scared me. Don't you know that people can get scared to death because of that?"

Mu Yichen looked at her without saying anything. His face was expressionless as well.

Luo Chenxi noticed that there were several cigarette butts in the ashtray beside him and immediately said in dissatisfaction, "Why did you smoke so much? Didn't I tell you last time that smoking is bad for your health? You promised me to quit smoking! By the way, is Tang Tang asleep?"

Mu Yichen frowned slightly but didn't say anything.

He listened to the little woman's sweet voice as she rambled on, controlling her husband whilst being concerned about her daughter's daily routine.

She was like a virtuous and caring little wife...

When Mu Yichen still didn't say anything, Luo Chenxi finally felt that something was amiss.

Hence, she turned around and saw that he had an ugly expression on his face. 'Is he throwing a tantrum because I came home late?'

At that thought, Luo Chenxi sighed and walked over.

boxn ov el. c o m

Then, she grabbed the man's wrist with one hand and took out the unfinished cigarette from his fingers with the other hand and threw it into the ashtray.

"Alright, can you stop being so tsundere? I just had a meal with a friend! Do you have to get angry because of that? Tang Tang is more magnanimous than you!"

As she said that, she reached out and tugged at Mu Yichen twice. Seeing that he refused to move, she could only lower her head and kiss him on the face.

"I'll give you a kiss, is that enough?"

Mu Yichen narrowed his eyes and looked askance at the little woman with a sweet smile.

'This woman has always been like this. She doesn't seem to understand men's thoughts at all and only knows how to coax me like I'm the little dumpling.

'But, the woman in the video...

'She knew all sorts of methods to incite men's desire to conquer women.'

"Mu Yichen..."

Before Luo Chenxi could finish her sentence, her body suddenly felt light as the man carried her horizontally before throwing her onto the bed.

At that moment, she became a little confused.

When she came back to her senses, she found that Mu Yichen was already pressing on top of her.

His strong and powerful body was pressed tightly against her chest. His arm was pressing on her wrist, suppressing all of her struggles.

The strong and hot masculine breath was blowing in her face. It was filled with aggression and danger, making Luo Chenxi almost unable to breathe.

“Mu... Mu Yichen, what... What are you doing? I only came back a little late, didn't I? You don't have to be so...”

Halfway through her sentence, she heard a soft sound which came from Mu Yichen actually tearing open her collar!

Thus, the buttons on her collar were directly blown away, revealing her slender neck and exquisite collarbone.

Even the large patch of snow-white skin on her chest was clearly visible.

At that moment, Luo Chenxi felt a chill on her back and twisted nervously.

Suddenly, she felt a numbing sensation on her collarbone.

Mu Yichen lowered his head and left a hickey mark on her collarbone, then another one...

Soon, her collarbone was filled with hickeys.

“Mu... Mhm... Stop doing this... I have to work tomorrow...”

Luo Chenxi wanted to cry, but no tears would fall.

‘Is this man a dog?’

‘With so many hickeys planted, I might not be able to cover it up even if I wear a high collar tomorrow!’

“Let go of me...”

Mu Yichen ignored her weak struggle and protest, and his gaze fell on the mole above her collarbone.

The small mole was especially eye-catching on her fair skin.

Thinking of the scene he saw in the video, Mu Yichen lowered his head and once again struck the mole directly and sucked it heavily.

### **Chapter 384: Is This... A Birthmark On Your Lower Back?**

Luo Chenxi let off a soft grunt as she felt like her skin was about to be sucked dry by him!

‘I have no idea why Mu Yichen is so interested in my collarbone. It's not a piece of sweet and sour pork ribs!’

Fortunately, Young Master Mu finally let her go after leaving a bright red hickey on the spot where the black mole was.

Following her collar that was already wide open, he gradually left a hickey mark all the way down.

Sensing that the man's hand was already on her waist, Luo Chenxi jolted awake.

"Mu Yichen, calm down... Calm down! Have you forgotten? I... I'm on my period!"

She even shouted this out.

Sure enough, Mu Yichen's body instantly stiffened.

But before Luo Chenxi could let out a long breath, he suddenly grabbed her waist and flipped her over.

He made her pose into a kneeling position on the bed.

This position was even more shameful than before.

Luo Chenxi subconsciously crawled forward, wanting to escape.

boxn ov el. c o m

However, the man pressed down on her lower back and stopped her.

Hence, Luo Chenxi desperately twisted her waist, wanting to break free from him.

"Mu Yichen, you, you, you... You can't be so inhumane! Hurry up and let go of me!"

'Oh My God!

'Could it be that men who have held back for too long would become perverted?

'Mu Yichen can't possibly be intending to do it even on my period, can he?

'That would be too scary!'

At that moment, she suddenly felt a chill on her back.

Mu Yichen's face was gloomy. He pulled hard again and directly tore her shirt into pieces.

Hence, Luo Chenxi's fair and tender back was completely exposed.

The man's gaze followed her perfectly shaped butterfly bones all the way down and swept past her slender waist.

Recalling the feeling of touching her skin, Mu Yichen's breathing stopped for a moment.

But he still controlled himself and placed his hand on the birthmark at the back of her waist and gently caressed it.

Hence, Luo Chenxi could not help but shiver.

Her waist was particularly sensitive. When it was caressed by rough fingers, her entire body instantly went numb and she could not exert any strength.

Even her voice of protest was tinged with a few trembling sobs.

"Unhh, Mu Yichen... What are you doing? Don't be like this..."

Mu Yichen still did not speak. His finger pressed hard on her birthmark a few times before he lowered his head and kissed her.

The hot and humid feeling swept over her. Luo Chenxi laid weakly on the bed and despised herself in her heart.

'Why am I not immune to Young Master Mu at all!

'In fact, I even feel like giving in to his desires if he really wants to do it, even when I'm on my period...'

At that moment, she suddenly felt a sharp pain and cried out, "Ah...!"

Mu Yichen actually bit her on the back of her waist!

Luo Chenxi instantly woke up, "Mu Yichen! You... Let go of me! I'm warning you..."

"Is this... A birthmark on your lower back?"

Young Master Mu, who had been silent since she entered the room, suddenly spoke.

Luo Chenxi could tell that his voice was abnormally hoarse and felt that something was wrong, but she still replied, "Yes, I've had it since I was young, and it's especially ticklish there. Don't touch it..."

Before she could finish, Mu Yichen touched her again.

Luo Chenxi was so embarrassed that she flew into a rage. "I told you not to touch it!!"

However, Mu Yichen did not answer. Instead, he frowned slightly and stared at the birthmark on her lower back.

'This is... real.

'Of course, it couldn't be fake.

'On that night four years ago, although I was drugged and my mind was blurry, I could still remember the woman underneath me. The birthmark on her lower back was a very sensitive area. As long as I touched it lightly, she would turn into a puddle of water and stick tightly to my body...

### **Chapter 385: All This Time, He Still Could Not Forget The Ecstatic Feeling That Night**

That night was almost perfect.

After he woke up, there was a period of time that he still could not forget about the matter. In fact, he even sent people to investigate the whereabouts of that woman.

Unfortunately, he had only stayed in Country Y for a few days. Hence, before he could find her, he returned to China and just missed her.

Later on, it was Luo Chenxin who carried the little dumpling with her and went to his doorstep to meet him...

All this time, Mu Yichen could never forget the ecstatic feeling that night.

On impulse, he nodded and agreed to the marriage.

'In the past, this was the thing I regretted the most.

'But now...'

As he thought of the past, Mu Yichen's gaze gradually softened.

Luo Chenxi felt that the man behind her was strange. After touching her waist for a long time, he actually stopped moving!

Although she didn't know why, her intuition told her that it was her chance to escape.

Hence, she immediately arched her body, trying to push Mu Yichen away.

boxn ov el. c o m

As a result, her perky buttocks bumped into the man's lower abdomen, causing Mu Yichen to grunt and suddenly return to his senses.

After that, a burning sensation went straight to his head.

Luo Chenxi was still struggling when she was suddenly grabbed by the shoulder and turned over.

"Mu... Mmm!!"

The exclamation was stuck in her throat.

The man's kiss was strong and urgent, with a scorching temperature, it took her breath away without any explanation.

It was as if it was going to swallow her whole.

Thus, Luo Chenxi's weak protest instantly disappeared as she felt like a small boat being swept by a fierce storm. Apart from that, it was as if that small boat could capsize at any time, but she was just addicted to such excitement.

All in all, there was nowhere for her to run.

After an unknown amount of time, Mu Yichen finally let go of the little woman in his arms.

Luo Chenxi almost suffocated as she immediately raised her head and took in deep breaths.

Before she could even catch her breath, her right hand was suddenly pulled down and was placed on a burning spot...

She was stunned for a moment before she reacted. Then, she immediately pulled her hand back as if she was scalded.

However, the man held her wrist tightly and didn't let her move.

"Mu... Mu Yichen, what... What are you doing? Let go..." Luo Chenxi was so angry that she wanted to bite him.

However, her red cheeks looked like aphrodisiacs to the man.

Mu Yichen's Adam's apple moved up and down, and he laughed in a low voice, "Help me..."

“Help... In your dreams!”

“If you don’t help me...” Mu Yichen lowered his head and pressed his lips against hers again, “Do you really want to sleep with me?”

Luo Chenxi’s face flushed red, “You... You’re a monster! I told you, I’m on my period!”

“That’s why I told you to use your hands... Be good now.”

The handsome face was right in front of her, and the gentleness in the man’s eyes almost made her drown.

Luo Chenxi’s mind buzzed and she was completely bewitched...

...

After a long time, Mu Yichen got up from the bed and looked at the little woman who was sleeping soundly under the blanket.

There was still a blush on her fair and delicate face.

Even in her sleep, her small mouth was slightly pouting as if she was still angry.

Mu Yichen lowered his head and bit the corner of her mouth. “Stupid woman!”

‘She’s such a stupid person that she probably doesn’t have the ability to make me a cuckold.’

At that thought, he sat up on the bed, picked up his phone and dialed.

“Who is it? It’s the middle of the night. Are you going to let me sleep?”

An impatient voice came from the other end of the phone. At the same time, there were a few dog barks.

“Go away, go away!”

Mu Yichen’s face darkened. “You want me to go away?”

“Big... Big... Big Brother!!” Mu Yiling’s voice trembled and his sleepiness disappeared. “I wasn’t talking about you, I was talking to my dogs...”

### **Chapter 386: Even if Sister-in-Law Had Really Cheated on You, You Can’t Hit a Woman!**

“I doubt you would even have the guts to do it.”

“Big Brother, please know that my loyalty to you is like a turbulent and endless river. It is like the overflowing Yellow River...”

“Alright, I have something serious to discuss with you.” Mu Yichen frowned and interrupted him, “About that video... check carefully when the video was uploaded and who uploaded it. You must find the person who uploaded it! Also, who sent the video to our mailbox? Can you locate it?”

Mu Yiling quickly replied, "The video was first uploaded to the Internet through a foreign website. Since the IP address is from abroad, it's a little more troublesome to track. However, the person who sent the email should be in China. He used some anti-tracking methods, but I can crack it before dawn."

"Okay, hurry up."

Mu Yichen had finished all that he had to say and was ready to hang up.

"Wait... Wait, Big Brother!" Mu Yiling interrupted cautiously, "There's something else..."

"What is it?"

Mu Yichen's tone was a little impatient. His gaze swept over the little woman beside him, and as if she was disturbed by his voice, she hugged the quilt and turned over.

"Speak quickly!"

"Ahem, then I'll say it... Big Brother, it's the middle of the night now. Instead of being fast asleep, you gave me a call. Could it be that...you were so angry that you strangled Sister-in-law to death? Or did you hit her? Even if Sister-in-law had really cheated on you, you can't hit a woman! You mustn't..."

Mu Yichen pursed his lips coldly and hung up the phone.

boxn ov el. c o m

This idiot!

He shouldn't have wasted time listening to him.

...

The next day, Luo Chenxi woke up earlier than Mu Yichen, which was rare.

Surprisingly, she found that she couldn't move at all. Mu Yichen's strong arms firmly held her slender waist and locked her in his arms. His head was tucked against her neck, and his hot breath brushed against the delicate skin on her neck, making her feel a little itchy.

Luo Chenxi instantly felt that something was off...

'F\*ck, I can't believe he's acting like a beast this early in the morning!'

She hurriedly pushed against Mu Yichen's chest, trying to push him away.

The man didn't even move, but his deep and magnetic voice sounded, "Seducing me early in the morning?"

"Who seduced you?!"

'Who is the one seducing? This man actually slept naked!' Luo Chenxi glared at him.

Mu Yichen lowered his eyes and looked at her fair and delicate face. Suddenly, a dark light flashed in his eyes as he grabbed her slim waist and flipped her over, pressing her onto the bed.

He lowered his head to cover her pink lips.

Luo Chenxi widened her eyes in shock and instinctively struggled to get away from him. However, before she could react, Mu Yichen had already moved back a little.

He supported himself with his arms and hovered above her body, looking down at her from above.

This posture looked extremely oppressive!

Luo Chenxi raised her eyes and met his deep black eyes. Suddenly, her heart palpitated.

Mu Yichen stared at her intently. "I once said that I can trust you unconditionally, but if you lie to me, I will not let you off easily! I hope you still remember what I said."

Hearing this, Luo Chenxi was stunned, and her first reaction was guilt.

Could Mu Yichen have already found out that she had faked her sister's identity as his wife?

However, that was pretty unlikely.

Recently, Luo Anguo had been rather quiet, and it had been a long time since he had come to find trouble with her..

Just as she was deep in thought, Mu Yichen had already let go of her.

He was clearly naked, but he did not show any signs of embarrassment as he swaggered into the bathroom.

### **Chapter 387: Let's Kill The Big Bad Bug Together!**

"Does having a good figure mean you can act so shamelessly?" Luo Chenxi silently complained to herself.

However, she couldn't pry her eyes away from his back. This man... was really favored by the heavens. No matter which angle she looked at him from, he always looked so perfect...

As she recalled Mu Yichen's words and the stern expression on his face, Luo Chenxi became a little nervous. This was not the first time Mu Yichen had warned her not to lie to him.

If he ever found out that not only did she lie to him about this, but her identity was also fake, she wondered if he would rip her into pieces..

Due to her guilty conscience, Luo Chenxi was a little absent-minded when she washed up.

After washing up, she went to the dining room on the first floor as usual and sat next to the little dumpling.

"Big Sister..."

The moment the little dumpling saw her, she stopped eating her strawberry pudding. With a spoon in her mouth, she tilted her little head and looked at her Big Sister.

Luo Chenxi pulled herself together and patted her little head. "Why aren't you eating Tang Tang? What do you want to eat? Big Sister will get it for you."

The little dumpling pouted and shook her head.

A worried look appeared on her little face. "Big Sister, did you get bitten by an insect? There are so many red bites on your neck, it must be very painful! Let Tang Tang help you!"

Saying that, the little dumpling threw her spoon to the side and moved closer to Luo Chenxi.

boxn ov el. c o m

Puffing up her cheeks, she blew hard on her Big Sister's neck.

While blowing, she made a whooshing sound.

Luo Chenxi was stunned and didn't react for a moment. Then, she asked in surprise, "Tang Tang, what are you doing?"

The little dumpling stretched out her chubby hand and pressed on the woman's neck twice. "Big Sister, aren't you in pain?"

Luo Chenxi suddenly felt a sharp pain on the area that the little dumpling had pressed on. Suddenly, a scene flashed through her mind. She recalled the scene from yesterday when Mu Yichen was on top of her and had gnawed on her neck..

She had actually forgotten that her neck was now full of 'strawberries'!

Now that the little dumpling had seen it, Luo Chenxi's face instantly turned red. She held the little dumpling's little hand and put it back on the table. "It's okay, Big Sister doesn't feel any pain. Tang Tang, eat your meal."

As she said that, she turned around and glared at the man beside her.

Young Master Mu had a cold expression on his face, as if this matter had nothing to do with him.

Luo Chenxi kicked him under the table.

Mu Yichen felt the pain and frowned slightly, but he still didn't say anything.

The little dumpling still looked a little worried. "Big Sister, does it really not hurt? It's so red, it must be very painful. This bug is really bad!"

"That's right, it's really bad!" Luo Chenxi nodded heavily.

Not only was it bad, it was also very big!

It was very thick-skinned!

The little dumpling waved her little fists angrily. "When Tang Tang sees this bug later, Tang Tang will help Big Sister kill it!"

Luo Chenxi hugged the little dumpling and kissed her face. "Oh, Tang Tang, you're right! Let's kill it together!"

Mu Yichen's face instantly turned black.

This stupid woman actually wanted to murder her husband?

Tan Yueru who was watching from the side grinned from ear to ear. "Ahem, Tang Tang, this big bug is here to give you a younger brother and sister. You can't hit it! Let your Big Sister be bitten a few more times and your younger brother and sister will come..."

This daughter-in-law of hers was really not too bad. She used to wonder if there was something wrong with her eldest son since he never showed any interest in women.

However, now that she had her daughter-in-law, all her problems were solved!

The little dumpling blinked her big eyes and released her grip. "Alright then..."

Luo Chenxi was dumbfounded.

'What happened to protecting and loving Big Sister the most?!

'Did the little dumpling just sell me out for the sake of her younger brother and sister?'

After breakfast, Luo Chenxi quickly went upstairs and tied a silk scarf around her neck. Then, she went downstairs and got ready to send the little dumpling to kindergarten.

Mu Yichen followed them to the door. "I'll send you..."

Halfway through his sentence, his phone suddenly rang.

### **Chapter 388: If I Don't Wake You Up Now, You'll End Up Dead Sooner Or Later!**

Mu Yichen frowned and picked up the phone.

It wasn't known what the person on the other end of the phone said, but Young Master Mu muttered a few "Yes, yes" words in response.

After that, he looked up at Luo Chenxi and said, "I have something to attend to, so I'll have Old Liu send you over. Tonight..."

Luo Chenxi hurriedly raised her right hand, "Tonight, I'll definitely be home before 6pm!"

'As if I'd joke about this! I was only a day late, and Young Master Mu almost chomped me down like a rack of sweet and sour pork ribs!

'So, if I were to come back later today, wouldn't I be treated as a feast and get cleanly eaten?'

On the other hand, Mu Yichen nodded and watched her and the little dumpling get into the car.

Then, he held up his phone and continued, "I'll be there right away."

...

At the recuperation center.

Bai Xinxin was holding her phone and desperately refreshing her emails.

boxnovel.com

Yesterday, when she received a reply from Young Master Mu, she almost jumped up in excitement!

“That little b\*tch is done for this time! Brother Mu has definitely gone mad with rage when he found out that she cheated on him. That b\*tch is definitely going to die a horrible death! Hahahaha, this is so satisfying!”

‘The only depressing thing is I’m currently under house arrest in the recuperation center, so I can’t immediately find out about what’s happening outside.

‘Otherwise, I would’ve rushed to the Mu Family’s villa today to witness the exciting scene of that little b\*tch being kicked out of the house!’

As Bai Xinxin imagined that scene, a gloomy and cold smile appeared on her face.

At that moment, the door of the ward was suddenly pushed open.

Bai Xinxin was shocked at first, but when she saw who it was, she heaved a sigh of relief.

“Second Brother? Why are you here?”

Bai Shixun’s face did not seem as lazy as usual. Instead, it was filled with exasperation!

As soon as he entered the ward, he could not help but explode.

“You still have the audacity to ask me that question? Just ask yourself, what have you been doing these past two days?!”

Bai Xinxin was stunned for a moment. Then, she realized that the fact that she had sent that email had been exposed.

However, she didn’t feel that she was at fault at all. Instead, she revealed a proud smile.

“Second Brother, are you talking about the video? I did it for Brother Mu’s sake! That b\*tch, Luo Chenxin, used to be a well-known broken shoe amongst the rich circle, she’s always been like a who\*re! This time, she’s even hooked up with a foreigner, just look at how shameless she is! I want to let Brother Mu see her true colors!”

“That b\*tch is not worthy of...”

Bai Xinxin was just halfway through her excited sentence when suddenly..

Smack!

A crisp sound was heard!

Bai Xinxin widened her eyes, covered her face, and looked at Bai Shixun in disbelief.

“Second Brother, you... You hit me?”

Bai Shixun’s voice was cold and harsh. “That’s right, I’ve just hit you! I even regret hitting you too late! If I don’t wake you up now, you’re going to end up dead sooner or later!”

“Second Brother, I didn’t do anything wrong! I just did a good thing, that b\*tch...”

Smack!

Bai Shixun gave her another slap and showed no mercy when he did it, so Bai Xinxin's cheeks immediately swelled up.

Hence, she was stunned by the slap.

"Second Brother, how... How could you hit me? You... You must have been bought over by that b\*tch as well! You've all been..."

"Shut up!" Bai Shixun gave her a third slap.

With a face full of disappointment, he said, "Do you know how much effort I had to put in just to get Mu Yichen to let you out of there last time? You're really brainless and blindly bold! This time, if you get caught by Mu Yichen again, not even I will be able to save you anymore!"

Actually, when Bai Shixun saw the email yesterday, he was able to react faster than Mu Yichen. This was because he knew right that instant that it was done by Bai Xinxin.

After all, they were brothers and sisters, so he knew Bai Xinxin's style when she wrote emails very well.

Therefore, he immediately made preparations and rushed to the recuperation center early in the morning, just so he could save his useless sister.

"You guys, get Young Miss on the plane and leave right away!"

A few bodyguards walked out from behind him and dragged Bai Xinxin out.

Hence, Bai Xinxin struggled and screamed, "I don't want to leave! I'm not leaving! Brother Mu must know how much I love him this time! I can't just leave!"

Thus, Bai Shixun was so angry that his liver hurt as he stared at the bodyguards throwing her into the helicopter.

It was not until he saw the helicopter take off that he was relieved.

At that very moment, a Maybach sped up and stopped behind him.

### **Chapter 389: Brother, Oh My Dear Brother, Calm Down, Please Just Calm Down...**

Then, the car door opened and Mu Yichen got out of the car. His tall figure carried a fierce aura as he quickly walked over.

When he saw Bai Shixun standing in the courtyard, his expression was gloomy.

"Where's Bai Xinxin?!"

Bai Shixun took a deep breath. "Yichen, calm down. I've already sent Xinxin away.

"I'm really sorry about all this, but Xinxin is my sister after all. So, I can't just hand her over to you like this. If you have any anger pent up, vent it out at me..."

Before he could finish his sentence, Mu Yichen had already thrown a punch at him.

Actually, on the way there, he had already seen the helicopter taking off from afar and had a feeling about it.

So, now that he heard the truth, the anger that he had been holding back all this while suddenly exploded!

However, Bai Shixun did not dodge it and was directly hit by him until he fell to the ground.

Seeing this, Mu Yiling hurriedly got out of the car and stopped Mu Yichen.

“Brother! Calm down! Second Brother Bai is your best friend! Moreover, it’s only human nature for him to protect his sister...”

However, Mu Yichen immediately threw Mu Yiling aside.

“Ha, human nature? Because of this human nature of his, I’ve already let Bai Xinxin off once! Yet, I didn’t expect this woman to actually go even more overboard and even thought of such a method to frame others!

“If I had such a vicious sister, I would just strangle her to death!”

Bai Shixun got up from the ground, rubbed his bruised chin, and gasped.

Hearing Mu Yichen’s words, he gritted his teeth.

“It’s indeed my fault for not teaching my sister well. However, this matter hasn’t been investigated clearly, so it’s hard to say if she’s being framed.”

Mu Yiling’s heart skipped a beat when he heard this.

‘Bai Shixun might be telling the truth, but my brother definitely didn’t like hearing it.’

Sure enough, Mu Yichen, who had finally calmed down a little, changed his expression again when he heard this.

“My wife will never betray me! There’s something wrong with this video. Hand Bai Xinxin over to me. I definitely have to find out what the hell she did! Do you hear me?!”

Seeing that he was about to make a move again, Mu Yiling quickly held his brother by his waist.

“Brother, oh my dear brother, calm down, please just calm down...”

Bai Shixun, on the other hand, stood straight and did not feel nervous at all.

After all, he was already prepared to be beaten up after letting Bai Xinxin go.

“I can’t hand Xinxin over to you, but I’ve found the private detective who gave her the video. I think he can definitely help you.”

With that said, Bai Shixun waved his hand.

Then, his bodyguard brought the private detective over.

Seeing the few people present, the private detective's legs immediately went weak as he fell to the ground.

As a private detective, it was only natural that he could recognize these three young masters, who were from wealthy families.

In fact, each one of them was more powerful and more capable than the last!

Hence, at that very moment, he deeply regretted accepting Bai Xinxin's request.

'That big-breasted yet brainless heiress has literally sent me to my doom!'

At that thought, he shivered. "Young... Young Master Mu... I only followed Young Miss Bai's orders. I . . . I really didn't intend to hurt anyone... What would you like to know? I'll tell you everything, everything..."

Mu Yichen's expression softened a little when he heard this.

'Compared to teaching Bai Xinxin a lesson, I'm more concerned about the video itself.

'The woman in the video is too similar to my little woman. If I wasn't so familiar with her each and every move, I'm afraid I might have misunderstood!

'However, if it isn't her...

'How could there be two people who look so similar in this world?

'It's fine if they looked alike, but how could even their birthmarks and moles be at the same place?

'There's definitely a conspiracy behind this!

'But, I just can't figure it out right now.'

"Yiling, I'm leaving this person in your charge. Conduct a proper investigation of the matter!"

Mu Yiling hurriedly nodded in agreement when he heard this.

### **Chapter 390: Who Would've Thought That Yichen Would Be This Deeply In Love...**

At Silver Shine Kindergarten...

A car was parked at the intersection, where Luo Chenxi led the little dumpling out of the car.

The kindergarten's entrance was packed with people.

"What's going on?" Luo Chenxi raised her eyebrows in surprise.

However, the little dumpling didn't pay much attention and kept looking around on her tiptoes.

After a while, her eyes lit up and she shouted, "Brother Shaoxuan!!"

Then, she let go of Luo Chenxin's hand and ran toward him.

“Eh? Tang Tang, wait! Don’t run around by yourself!”

Luo Chenxi quickly chased after her after saying that.

Bao Shaoxuan was standing beside Bao Tingyuan as the father and son wore the same suits. Even their expressions were equally serious.

However, compared to his powerful father, Bao Shixuan looked far cuter in his formal suit with that stern face of his.

In fact, even Luo Chenxi took a few more glances at him.

She couldn’t help but imagine... ‘If I give birth to a little Mu Yichen in the future, he would definitely look good standing next to his father in the same clothes too!’

While she was still in a daze, the little dumpling had already run towards Bao Shaoxuan.

“Brother Shaoxuan!! Why haven’t you been coming to the kindergarten over the past few days?”

As she said that, the little dumpling bumped into him and almost knocked him down.

At that moment, the cold and serious expression on the little boy’s face could not be maintained any longer as his ears turned red.

Then, he helped the little dumpling get on her feet in a fluster.

“I... I’ve been abroad with Daddy...”

“Is that so?” The little dumpling puffed up her little face and was a little unhappy. “Since you’ve gone out to play, have you brought a gift for Tang Tang?”

“I did! I did!”

Without a word, Bao Shaoxuan took out a mermaid-shaped hair clip from his pocket.

“It’s so pretty!”

The little dumpling’s eyes lit up and she was delighted. Then, she tilted her head so that Bao Shaoxuan could clip it on top of her head.

Luo Chenxi’s mouth twitched when she saw this scene.

‘That hair clip is inlaid with real diamonds, so it’s shining so brightly that it’s blinding...

‘Do all of the childhood sweethearts from wealthy families interact with each other like this??’

At that thought, she quickly said, “Master Bao, umm... I don’t think it’s that appropriate for a child to give this, is it? This is too expensive.”

Bao Tingyuan glanced at her. “This is just a small gift, how could this be considered to be expensive? Has Yichen been mistreating you?”

Luo Chenxi immediately choked when she heard this.

'How can this even count as a small gift... You evil nouveau riche!'

She was depressed for a while before she remembered the serious matter. "Young Master Bao, how long have you and Shaoxuan been here? Why hasn't the kindergarten opened yet?"

"I heard that a child has contracted a high fever this morning and was found to be infected with chicken pox. The sick child has already been sent home, but they still have to disinfect the kindergarten before they can let the other children in."

"I see!" Luo Chenxi suddenly understood what happened.

Bao Tingyuan nodded and silently sized her up.

After all, he was also part of the group of people who had seen the video that Bai Xinxin sent out.

'Based on my understanding of Mu Yichen, he would probably be furious when he saw the video. so furious that he might even want to kill someone!

'I was worried last night that Young Master Mu would do something irreparable under his impulse.

'So, I'm a little surprised to see Luo Chenxi sending the little dumpling to kindergarten.'

When Bao Tingyuan saw her coaxing the little dumpling with a smile, he suddenly realized that the woman did not know about the video.

'Mu Yichen didn't mention it to her!'

At that thought, Bao Tingyuan was speechless. "Who would've thought that Yichen would actually be this deeply in love..."

'It would've been understandable if he ended up getting soft-hearted and trusting her after she tried her best to explain.

'But it seems like Mu Yichen hasn't even said a word.

'It's hard to imagine that Mu Yichen, who has always been extremely intolerant, would go to such lengths for a woman...
