Chapter 41 Don't Leave

Garbassi handed the document over, and Herbert scanned it quickly.

She was not in power at the Herbert's Group right now, but she was the only daughter of the Herbert's family. She can make all the decisions.

"I see. Kathy, let's go up and talk about something." Herbert's arms folded and her attitude was proud.

This was her nature when Peter was not with her.

Kathy had long been accustomed to. But because they are still at the Herbert's Group, Kathy did not refuse.

Alexia pulled her worriedly, "Kathy, just ignore that crazy woman."

"It's okay. We can't break the relationship between the two companies now, rest assured." Kathy said in a deep voice.

Watching Kathy go in, Alexia thought for a while and still send a message to Joseph. Herbert was not a kind man. If Kathy was bullied...

In the top floor office, Peter went on a business trip today, and Herbert walked into his office.

As soon as the door was closed, Herbert slapped Kathy's face and glared at her, "Kathy, what a good method. In order to get close to Peter, you play this trick."

"I don't know what are you saying?" Kathy was indifferent and took a step

Joseph frowned, and pushed her away easily, with a serious tone, "Lily."

She didn't dare to touch him and looked at him pitifully, "Please take me home tomorrow. My dad went on a business trip, and nobody picked me up."

"There are so many bodyguards outside."

"But if something happens to me on my way home ... you can save me in time."

"If something happens, I don't want to be involved." Joseph's voice was colder.

Faced with Joseph's indifference, Lily could only take back her hand in embarrassment.

Half an hour later, Joseph left the hospital, and Jade hurried in.

"Dr. Joseph, the dean said, let you observe Lily for a few more days."

"Then let him observe her." Joseph's expression was deadpan.

It was only he who dared to refuse the dean. Jade was not surprised.

With her hands tied, Kathy couldn't struggle anymore. Joseph lowered his eyes. The egg was on Kathy's right face. His voice softened. "Is it too hot?"

Kathy gritted her teeth now. Joseph was too close. Not only the egg made her feel hot, but also Joseph's body.

She felt that the temperature in her body was burning rapidly.

"Yes!" She said sullenly.

Joseph frowned, and the concern in his eyes revealed.

"Be patient, that woman, I will sort that woman out." Joseph's tone was colder.

Kathy shuddered inexplicably, "Joseph, don't interfere. This is my business."

"Your thing is my thing."

"Not really." Kathy retorted.

The man narrowed his eyes dangerously, and the egg touched Kathy's mouth. She screamed because of hotness, and her eyes were even more sorrowful.

"Can't this little mouth say something I love to listen to?" Joseph put down the egg and rubbed her face gently.

Kathy was speechless and changed the note to Dr. Joseph before calling him.

"You get off work?" Joseph answered quickly.

"No, I have something to do tonight. I have to go back later."

"Okay, if you go home, call me. I'll pick you up."

"No, no, I'm going to have dinner with Alexia tonight. The place has not been decided yet." Kathy said, not mentioning Herbert.

"If you decide where to eat, let me know."

Kathy paused. His intimate tone softened her heart.

She hung up the phone and looked at herself in the mirror. Her face blushed again...

"Since Miss Herbert is dissatisfied, then if we have another opportunity, we can cooperate." Johnson said and left before Herbert.

Her face sank in anger. The assistant behind her could not help but say, "Miss Herbert, the president said we must cooperate with the NCHV Medical Company."

"Of course I know!" Herbert said angrily.

Stepping on high heels and walking in front of Kathy, Herbert looked at her condescendingly.

"Miss Herbert, what else you want to slander me?" Kathy's tone was light.

"I slander you? I am telling the truth!"

As soon as the words fell, Kathy slapped on Herbert's face.

There were many top management of the Herbert's Group. All of them were stunned.

Alexia felt happy!

Joseph had sat down on his own, and brought the clean tableware beside him.

Lily also followed, but it seemed not very clean here, so she didn't touch.

"Dr. Joseph, do you really want to eat here?" Lily looked in disdain.

"Miss. Lily, you have come to the wrong place. The star hotel opposite is more in line with your identity." Alexia said coldly.

Lily stomped her feet angrily, gritted her teeth, and even sat down.

Kathy was speechless and she couldn't eat a meal quietly.

"You don't get used to it." Kathy started, and added a large spoonful of chili sauce.

Joseph frowned and looked at a large box of beer beside them which ordered by them.

"You can't drink alcohol." He said and grabbed the beer in Kathy's hand.

Kathy frowned suddenly. She was staring at him unpleasantly, but because she drank the wine, her face was pink and it was with a hint of coquettishness.

Joseph paused, and his heart softened.

"I just drink a little. You don't know that I'm really annoying today. Herbert made trouble for me as soon as she comes back!" Kathy said angrily.

But today she slapped her, so she was much happier.

But this woman was really annoying...

"Kathy, we can't let Herbert show off in an ostentatious manner. It's her wedding next week. Let's make trouble for her!"

"Make trouble? ...Right, we can't let her marry Peter happily!"

Hearing the words, Joseph's face sank and turned Kathy's head around, "You don't want her to marry Peter? So you want to marry him?"

Kathy shivered and she was a little sober. She looked at Joseph's somber face, and smiled awkwardly, "Hey, I have married you, and of course I won't marry him."

"Well, how do you want to ruin the wedding? Tell me, I'll do it." Joseph took a deep breath and drank beers with them.

Kathy turned pale, and she had just realized it.

Kathy frowned and went around her and walked in.

Lily pulled her in hurry, but when she met Joseph's cold eyes, she drew her hand back.

"Joseph..." Kathy looked at his pale face and felt guilty.

If it weren't for her ... Joseph would not be hospitalized.

"Don't blame yourself. It's none of your business." Joseph knew her thoughts and said first.

Kathy held his hand and whispered, "Sorry."

Lily looked at the affectionate two and stood at the door so embarrassed.

However, she cannot leave.

Kathy, "??"

She turned her head and threw the thing to Joseph, but this time, her hand was tightly held by him.

"I will send them back."

"Really?" Kathy blinked.

She didn't know how jealous she was just now.

"Well, I only accept Mrs. Joseph's gift." Joseph looked at her hotly.

Kathy was embarrassed. She came to the hospital in a hurry and bought nothing.

And she just bought food just now.

"I didn't buy gift." Kathy confessed.

"It doesn't matter. Have meal with me."

Kathy wore a pale white dress and looked gentle and charming. She tied her hair into a ponytail, which was more pretty.

Because he was looking at her all the time, Kathy was a little nervous. She turned her head and stared at her, "Can you go up and have a rest?"

"I want to be with you." Joseph hugged Kathy from behind and his eyes were soft.

"I'm right here." Kathy raised her eyes and met his gaze.
