

## Sweetheart 521

Chapter 521: prince ... prince charming? you ... you saw everything just now?

the surrounding onlookers also reacted and began to whisper.

“what’s going on? the one who caught them in the act seemed to be the young miss of the mu family, right? i think i saw her come in with young master mu.”

“it should be her! tsk, tsk. she didn’t expect that she was in a relationship with the young master of the lu family, and she was dumped? but i don’t know that mistress. which family’s young lady is she?”

“i don’t know her either. she’s probably a girl from an ordinary family. big miss mu is really pitiful, to actually be poached by such a trash.”

“ha, if you ask me, big miss mu isn’t easy to deal with either! she even hit someone just now! besides, didn’t you hear what young master lu said? he’s wooed miss mu, but mu weiwei didn’t agree to it and didn’t even allow him to woo anyone else. this is too much!”

” that’s true. these daughters from rich and powerful families are too overbearing. no wonder they were dumped! ”

mu weiwei’s family background was outstanding, so it was easy for others to be jealous of her.

now that she had made such a big fool of herself, there were many people who gloated over her misfortune.

moreover, that scumbag’s third party was acting too pitifully. mu weiwei, who had a fierce look on her face and even hit someone, was like a shrew in contrast.

luo chenxi frowned when she saw this.

however, before she could do anything, mu weiwei had already covered her face and rushed out of the crowd. she dashed out of the restaurant’s entrance.

she bumped into luo chenxi on the way, but she did not notice it.

“mu weiwei!” luo chenxi called out in a hurry.

however, mu weiwei was so furious that she did not hear him at all.

luo chenxi was about to give chase when she saw the little dumpling in her arms when she lowered her head.

the little guy waved his little fist. ” big brother, that bad auntie and uncle bullied auntie. let’s go and beat them up!! ”

the corners of luo chenxi’s lips twitched. ” children can’t hit people ... ”

it was a good thing she didn't hit anyone just now.

otherwise, he would lead the little dumpling astray again ...

at the thought of this, she immediately picked up the little dumpling and ran back to their table.

when young master mu saw them coming back, he secretly gritted his teeth. " you still know to come back?!"

luo chenxi and the little dumpling had run away while mu weiwei was nowhere to be seen. he and luo chenxin were the only two people left at the table.

luo chenxin did not care that they were in a public place. she kept sticking to him and almost disgusted him to death!

it was all this little woman's fault!

was she not afraid that her husband would be seduced?

mu yichen was prepared to teach this little woman a good lesson.

however, luo chenxi rushed to his front and stuffed the little dumpling into his arms.

" i have something very important to do. you have to look after tang tang. "

with that, he turned and ran.

he came and went in a hurry, like a gust of wind.

if it were not for the soft and adorable little dumpling that suddenly appeared in his arms, mu yichen could not help but suspect that he was hallucinating just now!

after luo chenxi settled the little dumpling down, she immediately ran out of the dining room to chase after mu weiwei.

the mu family's eldest daughter had always been pampered by everyone. she had probably never suffered such a huge loss since she was young. luo chenxi was afraid that she would take things too hard.

however, it was fortunate that mu weiwei did not go far. she was sitting on a long bench by the lake.

luo chenxi lightened her footsteps and walked over.

"mu weiwei, are you alright?"

mu weiwei heard her voice and turned around to take a look. her face was filled with astonishment.

"uh, prince ... prince charming? you ... you saw everything just now?"

Chapter 522: brother hilo, do you think i'm being too casual?

luo chenxi was stunned for a moment.

she was in a hurry just now and forgot that she was still dressed as a man.

originally, it was normal for her to comfort her younger aunt as her sister-in-law.

however, she was chen xiluo now ...

this did not seem appropriate.

however, she was already here, and mu weiwei was in such a bad mood ...

in the end, luo chenxi walked over and took a seat beside mu weiwei.

“i just happened to see it when i came out for a walk. i didn’t expect you to already have a boyfriend.”

young master mu strictly guarded and forbade his sister from dating at such a young age. if he knew about this, he would probably be furious ...

boxn ov el. c o m

mu weiwei raised her head when she heard this. “ no, that’s not it! lu zheqing is not my boyfriend! i ... i won’t fall in love with this kind of scumbag!”

she shook her head in denial, but after a moment, she said, “ ” o-okay, i admit that we almost became a couple. if i hadn’t found out that he was on a date with my bff ... no, with my ex-bff at star dream restaurant and even saw them kissing ... ”

mu weiwei had a dejected expression on her face. she had long lost her usual unbridled arrogance.

luo chenxi’s heart ached a little when she saw that.

come to think of it, mu weiwei did not have any other major shortcomings other than being a little naive and straightforward.

from another point of view, being innocent and straightforward was being righteous.

ever since the fire incident, mu weiwei had accepted her as her sister-in-law and treated her with all her heart and soul. even though she had made the little dumpling cry, mu weiwei had always stood in her position and expressed her understanding.

usually, whenever there was something good to eat or fun to do, she would always think of her sister-in-law.

it made luo chenxi feel as if she had a younger sister.

luo chenxi did not speak. she stayed by mu weiwei’s side quietly.

mu weiwei’s eyes were a little red, but she pretended not to notice.

mu weiwei only spoke after a long while.

“actually, actually, i’m not that sad. i’m just ... just very angry! lu zheqing grew up with me and we were classmates in kindergarten. i’ve always treated him as a brother, but i didn’t expect him to suddenly confess to me when we entered high school.”

“i ... big brother didn't allow me to date in high school. i didn't think about it, but lu zheqing kept insisting that he liked me a lot and even pursued me for three years. everyone in school knew that he liked me, so i was a little moved. brother hilow, don't you think i'm being too casual?”

luo chenxi shook her head. “ of course not. what are you thinking? ”

although the lu family could not be compared to the mu family, they were still considered a first-class wealthy family in china.

in school, lu zheqing's grades were the top every year. he was also good at sports and was the school hunk that all the girls yearned for.

although it was a little too much to pursue mu weiwei.

however, in a school environment like this, and considering that mu weiwei was a slacker, being pursued by lu zheqing would definitely feel good.

“he invited me to be his dance partner for this graduation ball. i know that usually, if we attend the graduation ball together, it's equivalent to admitting that we're a couple. i hesitated for a long time ... then i felt that i shouldn't let her down. i've already graduated from high school anyway, and my brother can't stop me from dating, so i agreed ...”

luo chenxi suddenly recalled that mu weiwei had come looking for her earlier to ask her to design a gown for her graduation party.

it seemed like it was all for this lu zheqing.

Chapter 523: how could you bully such a cute girl!

although mu weiwei said that she had only reluctantly agreed to it because lu zheqing had pestered her, she still felt that it was a pity.

however, he might still have feelings for the young master of the lu family.

otherwise, mu weiwei, who had always been carefree, wouldn't have specially asked her to design a gown just because she was going to attend the graduation party with lu zheqing.

furthermore, he had specifically come to talk to her a few times and had been paying attention to the progress of the gown ...

a wisp of coldness flashed past luo chenxi's eyes at the thought of this.

mu weiwei did not notice anything wrong with her and continued to speak.

“just now, when we came in from the entrance of the restaurant, i saw lu zheqing and xu mengya. i thought i was seeing things. but after thinking about it, i still felt a little uneasy, so i lied to you guys and said that i was going to the washroom, but i sneaked out to take a look.”

” in the end ... as expected, i saw the two of them hugging each other. ”

mu weiwei paused for a moment. then, she suddenly punched the long bench hard with her fist.

boxnovel.com

“xu mengya even said hypocritically that she felt sorry for me and that lu zheqing and i are more compatible. in order to comfort her, lu zheqing revealed all his motives for pursuing me. it turns out that the lu family’s business has been going downhill in the past few years, and it’s all because of my brother’s remembrance of the old days and often giving them some projects. lu zheqing only came to pursue me because of my parents ‘instructions. the one he really likes is xu mengya!”

mu weiwei was so angry that her stomach ached when she recalled the conversation between the two of them while they were kissing.

as the young lady of the mu family, mu weiwei had many suitors since she was young.

however, she was not stupid. she would keep a respectful distance from those suitors who had ulterior motives and wanted to climb up to the rich and powerful.

however, lu zheqing was her childhood friend who had grown up with her. she trusted him and had never doubted his motives.

she even felt inferior because her grades were not good enough.

the result ... was like this.

“oh, and that xu mengya, she’s my best friend! her family’s financial situation is one of the worst in our school. many people bullied her in the past, but i couldn’t stand it and spoke up for her. every time the school holds a ball or a study trip, i’m the one who gives her money when she can’t afford to buy a dress.”

“now, is she hoping that i’ll sponsor her boyfriend as well? isn’t that funny?”

mu weiwei turned around and looked at lu chenxi after she finished speaking.

“i think i’m probably really stupid ...”

“no, you’re not stupid! big miss mu, you’re too upright! it’s the scumbag and the mistress who are too cheap!”

luo chenxi was so infuriated that she stood up at once.

mu weiwei was startled by her actions. “brother xiluo, you ... where are you going? ”

“take care of those two b \* tches!”

due to her scumbag father, luo anguo, luo chenxi could not bear to see scumbags and mistresses.

moreover, lu zheqing and xu mengya had even bullied mu weiwei. she couldn’t stand it!

upon seeing this, mu weiwei quickly stood up and hugged her waist.

“wait, brother hilo! don’t be rash! you can’t hit people here! you’re a public figure, if someone takes a picture of you, you’ll be in the headlines tomorrow!”

“but those two scumbags are too much! how can you bully such a cute girl!”

luo chenxi was filled with righteous indignation.

mu weiwei's cheeks blushed instantly when she heard this.

her idol actually called her cute!

luo chenxi struggled for a moment before she snapped back to her senses.

"brother hiiow, there's really no need!" he hurriedly said. if people see this, they'll think that i care about those two scumbags. wouldn't i lose even more face?"

Chapter 524: like a rat crossing the street

luo chenxi thought about it and realized that it made sense. she then stopped walking.

mu weiwei heaved a sigh of relief.

when he lowered his head, he realized that he was hugging chen xiluo's waist. his face instantly turned even redder.

she quickly let go of him. "ahem, that ... brother hilo, thank you for listening to my complaints. i ... i feel much better. we can go back now."

luo chenxi frowned. she was still a little worried.

"are you sure you're really fine?"

"i'm really fine, really!"

mu weiwei nodded repeatedly.

luo chenxi had a feeling that mu weiwei was not in a good state. however, she was afraid that a girl would be shy, so she did not say anything after some thought.

boxn ov el. c o m

the two of them returned to the dining table.

luo chenxi discovered in astonishment that luo chenxin had disappeared.

mu yichen was the only one sitting at the table with the little dumpling in his arms.

the little ball struggled and wriggled on its father's legs, insisting on jumping down. it twisted young master mu's suit pants and shirt into dried salted vegetables.

luo chenxi ran over in a hurry and picked up the little dumpling. "tang tang, what's going on?"

the little dumpling hugged her neck and kissed her on the cheek. "big brother, you're finally back!" tang tang really misses you! why didn't you bring tang tang along to play?"

"uhm ... because ... because i have something to attend to ... " luo chenxi was embarrassed.

she couldn't possibly tell the truth and say that she was going to beat someone up just now, right?

mu yichen scoffed coldly. his icy-cold gaze swept past her face.

luo chenxi's entire body stiffened. she hugged the little dumpling even more tightly.

" well, where's ... luo chenxin? "

in order to divert young master mu's attention, she quickly found a topic.

"she was splashed by the noodle soup, so she went to the washroom to clean it up," mu yichen said coldly.

"broth? how did the broth spill?" luo chenxi blinked in surprise.

the waiters of star dream restaurant were all very professional. they wouldn't spill the broth when they were serving a dish, right?

before mu yichen could answer her, the little dumpling stretched out her chubby little hand and grabbed luo chenxi's collar. she leaned close to her ear and said, " big sister, let me tell you something. that stinky auntie is going to kiss daddi again, so tang tang splashed water on her head. splash! " hua la!"

as she spoke, she waved her chubby little hands, making a gesture of flipping over the soup bowl.

luo chenxi could not refrain herself from bursting into laughter upon seeing her vivid and animated appearance.

luo chenxin was embarrassed today.

she probably regretted coming out to eat with young master mu.

according to young master mu's intention, they could leave luo chenxin here, and the family of four could go back directly.

however, it was not easy for luo chenxi to put on this act today. she insisted on persevering until the end.

they waited until luo chenxin came back from the washroom before they set off to go home.

luo chenxin had come with her head held high, but she had been slapped in the face several times throughout the whole process. now, the clothes she had carefully chosen were covered with soup and water, and she looked extremely embarrassed.

she didn't even dare to raise her head.

he could only follow behind young master mu like a rat crossing the street.

however, even though she kept a low profile, there were still all kinds of discussions and taunts coming from her surroundings from time to time, making her have no choice but to find a hole to hide in!

mu weiwei slowed down her pace on purpose so that she could walk side by side with luo chenxin.

he looked at her with concern. " sister-in-law, are you alright? "

"what's so good about it? that d \* mned b \* stard ..."

luo chenxin was halfway through her sentence when she finally remembered that the person in front of her was young master mu's younger sister, so she swallowed her words.

"i'm fine!" he forced out two words.

Chapter 525: brother hilow, can you accompany me to the ball?

mu weiwei did not suspect anything. "that's good then. tang tang is still young and insensible. sister-in-law, don't get angry with a child!"

luo chenxin gritted her teeth. "i know."

on the other hand, she felt that the damned little girl had done it on purpose!

what insensible? she was clearly very shrewd!

mu weiwei hesitated for a moment before she said, "then ... sister-in-law, there's one more thing ... how's my dress now?" he asked.

upon hearing this, luo chenxin frowned. "a dress? what dress?"

mu weiwei said, "you said that you'd design a gown for me to wear at the graduation party. do you still remember that?" the ball was about to start in three days. sister-in-law, don't tell me you've forgotten?"

luo chen's heart sank.

he was cursing luo chenxi in his heart again.

boxn ov el. c o m

this little b\*tch. when did she promise mu weiwei that she would make a dress for her? she was already so rich, yet she still wanted to design her own clothes. she was really too bored. why didn't she just buy a haute-couture gown directly?

where was she supposed to go to make a gown for mu weiwei?

although luo chenxin also studied design, she did not study well in country F. all she did was indulge in debauchery.

let alone designing, she couldn't even make the most ordinary piece of clothing on her own.

she had no choice but to deny it. "well ... weiwei, i've thought about it, but time is too tight. i didn't have time to make the dress. you'd better just go and buy a haute couture."

"ah? but, you promised me last month ..."

"haven't i been too busy recently? there's really no other way!"

mu weiwei's face was filled with disappointment.

luo chenxi frowned upon seeing that. she walked to mu weiwei's side and asked softly, "miss mu, are you still planning to attend the graduation ball?"

mu weiwei looked to her left and right. when she was sure that no one was paying attention to them, she said, "yes, i'm going, of course i'm going! it was clearly the scumbag couple who had done something wrong, and they should be the ones who should be ashamed! why should i not go? what do i have to hide?"

luo chenxi cracked into a smile at once upon hearing his words.

mu weiwei's personality ... she liked it.

as expected of the mu family!

she nodded. " yes, that's right! not only should you go, but you should also dress up beautifully and stun the audience with your beauty, blinding the eyes of the scumbags and those who are watching the fun!"

mu weiwei's eyes glowed with excitement.

however, after a while, her eyes dimmed again.

"but my sister-in-law promised to make me a gown, but she didn't do it. how did this happen? all the high-end gowns from big brands need to be booked in advance. even if i order now, i won't be able to pick a nice gown ..."

"no, there's no such thing! actually, xingchen did make a gown for you, and it's an especially beautiful and dreamy dress! however, she wanted to give you a surprise, so she said she didn't do it. "

luo chenxi quickly consoled her.

she had put in a lot of effort to make this dress for mu weiwei.

"really?" mu weiwei became excited again. " that's right, you know my sister-in-law, right? you've walked on the runway for her before, so you're definitely right."

she did not notice at all that luo chenxi was referring to 'stars' and not her sister-in-law's gowns.

luo chenxi did not deny it either. " you'll be able to see the dress on the day of the graduation ball. "

mu weiwei suddenly looked at her and said cautiously, " oh right, brother xiluo, i have a presumptuous request ... "

luo chenxi was stunned for a moment. " what's the matter? "

"brother xiluo, can you act as my boyfriend and accompany me to the ball?" he asked.

Chapter 526: don't worry, i'm here

"what?"

luo chenxi widened her eyes. she did not expect mu weiwei to make such a request at all.

the little girl's face was obviously red. she lowered her head and looked at her fingers.

“um ... i know that this request isn't very appropriate ... but if i go to the ball alone, no matter how pretty i dress up, people will definitely point fingers at me and say that i was dumped by lu zheqing. i must find a man more outstanding than him so that i can slap his face!”

“then why don't you look for second young master bai and the others? they're your brother's childhood friends, so they'll definitely be happy to be his protectors.” luo chenxi said.

mu weiwei said awkwardly, “ this ... it's not that i don't want to, but brother bo is already married. third brother he isn't in T city. second brother bai is free, but he's a playboy. there's always gossip about him in the newspapers every day. ” at that time, people will still laugh at me ...”

luo chenxi could not help feeling amused.

bai shixun ... even his best friend's sister despised him.

why is he doing so badly?

boxn ov el. c o m

when mu weiwei saw that she was in a daze, she thought that she was unwilling to agree. she quickly said, “ brother hilow, you don't have to feel burdened. if it's really inconvenient, then forget it... i was just saying it casually ... ”

luo chenxi had seen mu weiwei almost cry by the lakeside earlier. how could she bear to disappoint her at this moment?

“it's alright, it's not inconvenient at all.” isn't it just acting as your boyfriend for a day? don't worry, i'm here. i'll definitely make that scumbag couple regret it!”

this group of high school students did not learn well at such a young age and actually bullied her weiwei.

he really needed to be taught a lesson!

mu weiwei was so excited that she clasped her hands to her heart. “ r-really? brother hilow, are you really going to agree to it?”

the two of them were whispering behind him.

mu yichen was already impatient from waiting. he urged her.

“why are you guys walking so slowly? do you still want to go home?”

mu weiwei stuck out her tongue. “ brother, why are you so anxious? ” i'll be there immediately!”

she turned her head and took a glance at luo chenxi. “ so, brother xiluo, are we ... going to do this? ”

luo chenxi nodded. “ i'll pick you up at the mu family's residence on the day of the ball. ”

mu weiwei's face was filled with excitement. she had long forgotten the pain of her broken heart.

the only thought in her mind was that her idol was going to act as her boyfriend! even if it was fake, even if it was just for one day, she would be the envy of all the girls in the school!

mu weiwei practically floated all the way to the back seat of the sports car.

mu yichen asked zhao feng to drive mu weiwei and luo chenxin home.

luo chenxin was reluctant, but she was still wearing a wet and stinky shirt. she was afraid of leaving a bad impression on young master mu, so she had to leave.

mu yichen drove luo chenxi and the little dumpling home personally.

the car had just come to a stop when luo chenxi hugged the little dumpling tightly. she pulled open the car door and dashed out of the car with a whoosh.

” that ... tang tang is already very sleepy. i'll carry her back first and let her sleep early! ”

however, mu yichen was well-prepared. he stretched out his arm and wrapped it around her slender waist.

he held her and the little dumpling in his arms.

“what are you running for? research shows that the baby can only grow up healthily if the father is involved in the parenting process. how can i let you do something as troublesome as coaxing the child to sleep alone? let's go together!”

“it's no trouble, it's really no trouble! you've been working hard, let me take care of the child!” luo chenxi felt as if she was basking in the glory of the holy mother.

Chapter 527: go outside and get a durian first, then kneel down and explain slowly!

however, young master mu was still unmoved.

“hard work is not an excuse for not taking care of children. let's go, together!”

he wrapped his arm around luo chenxi's waist and brought the two of them back to the apartment.

while luo chenxi was coaxing the little dumpling to sleep, mu yichen was sitting on the sofa and glaring at her like a tiger watching its prey.

a chill ran down luo chenxi's spine. she had been praying for the little dumpling to sleep a little later.

however, the little dumpling was already tired from beating people up and splashing noodle soup today.

lying on the princess bed, he fell asleep without even listening to a story.

luo chenxi did not seem to have noticed that. she continued to read the story.

“alright, stop reading. tang tang is asleep. we ... it's time to settle our scores ...”

boxnovel.com

the man's deep voice suddenly rang in her ear.

his magnetic and sexy voice made her tremble.

she remembered the voice of young master mu in her ear during those seven days.

“mu ... mu yichen ... tang tang hasn't been feeling safe lately. i think it's better for me to sleep with her at night ... hey! what are you doing?”

mu yichen carried her into the master bedroom and threw her on the bed.

“settle the score!”

luo chenxi sat up and rubbed her butt against the bed a few times until her back was against the headboard.

seeing that there was no way out, she suddenly had an idea.

“yes, that's right, settle the score!”

luo chenxi straightened her petite face and straightened her back. she had the aura of a strong woman at once.

“mu yichen, when it comes to settling scores, i'm the one who's going to settle it with you! 'luo chenxi stuck herself to you twelve times today ... that's what i saw. i don't know how many times she did it when i was not around!' where did she touch you? you better explain it clearly!”

mu yichen was stunned for a moment. he did not expect the little woman to bring up this matter.

she suddenly felt a little guilty. “ this ... i didn't let her touch it ... ”

“do you think it's not just because you say so? i don't believe it! she must have touched it, so tell me the truth! go outside and get a durian, then kneel down and slowly explain!”

the corners of luo chenxi's lips were curled into a faint smile as she gave herself a thumbs-up for her quick-wittedness.

this time, young master mu had no time to pursue the matter of her drinking and abandoning him.

however, luo chenxi had not laughed for long when a shirt was thrown in front of her.

when she looked up, she saw that young master mu had already taken off his shirt and was unbuckling his belt.

luo chenxi widened her eyes. “ what ... what are you doing? didn't i tell you to reflect on your actions?”

“i'm reflecting on my actions.”

“self-reflection? if you want to reflect on yourself, then so be it. why are you taking off your clothes?”

mu yichen curled his lips devilishly. “ i'm doing this for the convenience of your examination. come and see for yourself where that disgusting woman touched me ... ”

“i'm not looking, i'm not looking! you can explain yourself!”

“ that won't do. only by letting you see it with your own eyes will i be able to show my sincerity in reflecting ... ”

mu yichen kicked off the suit pants by his feet.

.....

three days later.

luo chenxi woke up early in the morning. she went to the cloakroom to check mu weiwei's gown first.

then, she put on a white tuxedo with black edges and carefully decorated it in front of the mirror.

in the living room, the little dumpling's eyes widened when she saw her. "wow ... big brother is so handsome!"

mu yichen suddenly had a bad premonition. he squinted his eyes. "stupid woman, where are you going today? why are you dressed like this?"

even though luo chenxi was dressed as a man every day when she went out, her dressing today ... was a little too grand!

luo chenxi said casually, "oh, by the way, i forgot to tell you. today's weiwei's graduation ball. she's lacking a male companion. i'm going to accompany her, so i won't be back for dinner."

Chapter 528: this woman ... is she complaining that i didn't work hard enough last night?

mu yichen's hand paused for a moment. he frowned.

"stupid woman, what did you just say?"

before luo chenxi could answer, the little dumpling had already raised her rabbit-eared spoon and cut in.

"big brother said that he's going to accompany aunty to the graduation ball! big brother, what's the graduation ball? tang tang is going too ..."

the little dumpling blinked its large eyes and looked at luo chenxi with a hopeful expression.

luo chenxi patted her little head.

"no, only adults can attend the ball. when you grow up, big sister will take you there, okay?"

the little dumpling was not very happy. "when will you grow up?"

"when i grow up, i'll be fifteen ..."

boxn ov el. c o m

luo chenxi was halfway through her sentence when she noticed that young master mu was glaring at her. she quickly corrected herself, "ahem, in another twenty years!"

"it's going to take so long ..." the little dumpling pouted, and her little face fell.

luo chenxi quickly lowered her head and kissed her. "be good and listen to your father when you're at home today. i'll make you fish in tomato sauce tomorrow."

only then did the little dumpling turn its head away unwillingly.

“stupid woman ...”

mu yichen could not hold himself back anymore.

luo chenxi swept a glance at him. “ what’s wrong with you today? did you not sleep well last night? i’ve made it clear that i’m going to the graduation ball with weiwei.”

mu yichen’s face darkened completely.

this woman ... was she complaining that he didn’t work hard enough last night?

she wanted to leave her husband again without any guilt and even despised him!

he gritted his teeth. “ you’re not allowed to go! ”

“why? you say no and it’s not allowed? i’ve already promised wei wei. they had to bring a partner to their graduation party, and it would be embarrassing for her to go alone. you only graduate from high school once in a lifetime. do you have the heart to let your sister have a lifelong regret?”

luo chenxi did not tell him about lu zheqing’s matter.

originally, she had also thought about talking to young master mu and asking him to teach the lu family a lesson.

however, mu weiwei had sent her a wechat message later, begging her not to tell young master mu.

after all, mu yichen did not allow his younger sister to date in high school. mu weiwei had always been afraid of her older brother, so she did not dare to admit it.

mu yichen’s face was filled with displeasure. “ you’re going to regret it for the rest of your life just because of this? when i graduated from high school, i didn’t bring a dance partner with me. why don’t i feel any regret?”

“you’re so thick-skinned, who can compare to you? in any case, i can’t go back on my word. i’m definitely going to this ball!”

luo chenxi softened her tone when she saw that young master mu was still reluctant. “ think about it. i can help weiwei ward off the rotten peach blossoms if i accompany her there. otherwise, our wei wei is so cute, what if she’s taken away by some rascal? don’t you agree?”

what he said made so much sense that there was no way to refute it!

however, young master mu still felt that there was something wrong with these words.

it was true that mu weiwei was safe when luo chenxi accompanied her to the ball, but what about her?

this little woman was alluring to both men and women. she wouldn’t hook up with a bunch of girls for him, right?

“no! luo chenxi, as your husband, i’m asking you to ...”

before he could finish, he suddenly felt an itch on the side of his lips.

luo chenxi had moved closer to him without his notice and kissed the corner of his lips.

"hubby, you're the best. just let me go," she said in a soft and sweet voice.

the tone she used when she said "hubby is the best" was exactly the same as when the little dumpling said "daddy is the best".

mu yichen was exasperated.

Chapter 529: was his wife ... planning to hit on his sister in his sports car?

these two, one big and one small, were determined to eat him up, right?

however, he really couldn't do anything to them!

mu yichen glanced coldly at the petite woman whose face was filled with anticipation.

his thin lips lifted. "if you insist on going, it's not impossible ..."

"really? hubby, you're the best!"

luo chenxi cheered.

mu yichen coughed again, "but i have a request ..."

luo chenxi nodded her head vigorously. "yes, yes. tell me, hubby. just tell me!"

"first, you must return home before 10 pm. second, you're not allowed to attract bees and butterflies! did you hear me?"

luo chenxi blinked her eyes.

young master mu's two requests ...

the first option was obviously unrealistic.

just thinking about it, this kind of graduation party wouldn't end until midnight. it might even take an all-nighter.

return home before 10 pm ... how was that possible?

the second one was simply ridiculous.

she was such an upright person and had never attracted any attention!

luo chenxi took a glance at young master mu and said with a smile, "alright, i'll definitely do it!"

'i don't care, i'll agree to it first.'

mu yichen snorted coldly. he agreed reluctantly.

however, luo chenxi did not leave immediately as he had expected after she received his approval. instead, she continued to sit at the dining table as if she had something to say but was hesitant to do so.

mu yichen could not hold it in anymore after being stared at by her for a while. " is there anything else?  
"

luo chenxi put on an ingratiating smile. " ahem, well ... my dear husband, there's something i need your help with. " you have so many sports cars in your garage, lend one to me!"

mu yichen was stunned. he frowned subconsciously. " you're still driving?!" "

his car was his wife's car, and it was no problem for his little woman to use it.

however, luo chenxi would usually bring the little dumpling along when she went out. as a result, she had almost never driven her own car.

to suddenly make such a request today ...

he felt that things were not that simple.

as expected, luo chenxi said with a smile, " "that's right, since i'm going to support weiwei, i can't take a taxi, can i? hurry up and bring me the key to your most expensive car! it's getting late, i still have to take wei wei to get her styling done, so we have to hurry."

mu yichen's breath was stuck in his chest. he was almost angered to death by her.

was his wife ... planning to hit on his sister with his sports car?

"hurry up, hurry up!" luo chenxi urged him, " you've already agreed to let me attend the ball just now. help someone to the end, and help buddha to the west ..."

mu yichen stood up all of a sudden. " come with me to the underground parking lot. "

luo chenxi secretly made a V sign behind his back.

.....

underground parking.

over twenty sports cars belonging to young master mu were lined up in three rows and displayed before luo chenxi's eyes.

even though she knew that mu yichen was frighteningly rich, she was still shocked when she saw the shiny sports cars.

the sports cars here all cost at least ten million.

just these cars alone were worth hundreds of millions ...

"those evil rich people!" luo chenxi mumbled to herself as she walked around the garage.

very quickly, she picked a rolls-royce.

" this one will do. it looks more reserved and suits my elegant and noble image. "

luo chenxi directed the two female servants to pack the gown for mu weiwei and place it in the back seat carefully.

young master mu had his arms crossed in front of his chest, watching coldly.

Chapter 530: sister-in-law's driving skills are so good, so cool!

when everything was ready, luo chenxi sat in the driver's seat and fastened her seat belt.

mu yichen took a step forward and asked the petite woman in the car, "stupid woman, do you even know how to drive? when we go out later, we won't bump into anything, right?"

luo chenxi had an innocent expression on her face. " what's wrong? you're afraid i'll damage your car? don't these cars have insurance?"

"is this a matter of money? i'm afraid you're not safe!"

luo chenxi waved her little hand. " don't worry. i'm very good at driving! "

young master mu felt even more uneasy when he heard this.

he did not seem to have seen luo chenxi drive before. did she have a driver's license?

"stupid woman ..."

he had yet to finish his sentence when he saw luo chenxi stomping on the accelerator.

the silver-white rolls-royce seemed to have turned into a bolt of lightning and shot out.

when it turned a corner at the boulevard in front, it even did a coquettish drift.

"f \* ck! f \* ck! holy shit! sister-in-law's driving skills were so good! i'm better than you, big brother. he was simply too handsome! he's almost as good as a professional driver, isn't he?"

mu yichen was shocked by his wife's driving skills. he was still in a daze when he suddenly heard mu yiling's voice coming from behind him.

he turned around and frowned. " yiling, when did you get here? "

mu yiling shivered in fear when his elder brother glared at him.

he suddenly realized that he had come at the wrong time ...

however, it was too late to pretend that he had never been there.

" ahem, big brother ... that ... it's just ... i have an important event tonight. i ... i want to borrow a car ... "

he coughed.

mu yichen rejected her flatly without even thinking, " no way! "

"ah? big brother? why? didn't i use to drive all the cars in the garage? besides, if sister-in-law can drive such a cool sports car, why would i ..."

mu yichen's expression darkened when he heard the word 'sister-in-law'. he interrupted him, " i said no, so no! "

"but ..."

"no buts! you don't have to go to the event tonight!"

"ah? why is that so?"

" because you're in charge of bringing tang tang. i have something to do. "

mu yichen squinted his eyes. he ignored his younger brother's anguished wailing and turned around to leave.

.....

at the mu family's villa.

mu weiwei had woken up early in the morning. she was standing at the entrance of the villa, looking forward to it.

ever since chen xiluo had promised to accompany her to the graduation ball three days ago, she had been excited.

last night, she couldn't even fall asleep. she only managed to take a short nap in the early hours of the morning.

when aunt chen saw this, she walked over. " young miss, you should wait in the house! " the sun is strong today, don't get sunburnt. when young master chen is here, i'll go in and call you."

mu weiwei shook her head. " no, i'm going to wait here. " brother hilow has helped me so much, i must show him my sincerity!"

"but, young miss ..."

aunt chen tried to persuade him again.

all of a sudden, mu weiwei's eyes lit up. she dashed out of the room and shouted,"brother xiluo!" brother hilo! is that you? you're early!"

the silver sports car stopped.

the car window rolled down, revealing her exquisite and perfect face.

luo chenxi raised her brows. " weiwei, were you waiting for me? " you were even earlier than me!"

"not early, not early! i just ... just came out for a walk this morning and ran into ... brother hilow, come in and have a cup of tea?"

luo chenxi turned her head to the back. " it's fine. get in the car! "
