

Sweetheart 701

Chapter 701: people who didn't know better would think that he was your wife!

mu yichen cast him a sidelong glance. " yes, of course, i can! who doesn't know that you, second young master bai, are a regular at all major film festivals! if you don't come, the female celebrities here will have no target."

the mu family's main businesses were in finance and heavy industry, and they rarely involved themselves in the entertainment industry.

however, the bai clan was different.

the biggest film and television company in the country was owned by the bai family.

second young master bai's actual status in the entertainment industry was much higher than mu yichen's.

every time bai shixun appeared at such an event, he would be chased by countless female celebrities.

although second young master bai was famous for being a playboy, he had a lot of money!

there weren't many young, handsome, and rich men, so what if he was a playboy? as long as she could date him for a period of time, she would at least be able to make the entertainment headlines once. she would also be able to get a lot of good resources and might even become famous overnight.

usually, bai shixun would be proud of himself when he heard mu yichen saying such things. he was not ashamed of it. on the contrary, he was proud of it.

boxn ov el. c o m

however, today, his face was filled with fear.

"i'll go! yichen, don't talk nonsense! if other people heard this, they would think that i'm a playboy!"

"what's wrong? aren't you fickle enough?"

mu yichen raised his eyebrows in confusion when he noticed bai shixun looking around nervously. " shixun, what are you looking at? you don't look right today."

"what's wrong? i just don't want people to misunderstand!"

" i'm here with fang ziqian today, " bai shixun said sternly. " she's already been prejudiced against me, so you can't make fun of me today. "

as soon as he said that, luo chenxi, who had been sitting silently by the side, could not help but exclaim in surprise.

"what? did you come here with little ... ahem, fang ziqian?"

luo chenxi was sitting on the inner seat. mu yichen happened to block most of her figure.

that was why bai shixun noticed her.

she immediately frowned. "you ... aren't you the pretty boy who attended the charity banquet with qianqian the other time? what are you doing here?"

bai shixun did not recognize luo chenxi who was dressed in men's clothing.

the moment he saw chen xiluo, the image of fang ziqian and chen xiluo hugging on the day of the charity banquet immediately appeared in his mind.

for a moment, anger rose in his heart.

"this is a film festival. a pretty boy like you, who has no works or qualifications and makes a living by selling your face, has no right to stay here!"

he scorned luo chenxi in disdain. he turned around and was about to call for someone to chase her out.

mu yichen furrowed his straight brows and interrupted him in a displeased tone, "bai shixun, what are you doing?!" hilo came here with me. if you want to chase him out, why don't you chase me out as well!"

bai shixun's body suddenly stiffened.

he could only swallow the shouts that had already reached his mouth.

"what? did this pretty boy come with you? yichen, do you know what he does for a living? why are you in a relationship with someone like him?"

mu yichen's expression turned even uglier. he shouted in a low voice, "what pretty boy? who are you calling a pretty boy? hilo is a friend of my family. even my parents like her a lot. you have to respect her! otherwise, i won't acknowledge you as my brother!"

"w-what? you ... you're actually going to break off relations with me, your brother, for a pretty boy? are you serious?"

bai shixun looked as if he was doubting his life. "people who don't know him might think that he's your wife!"

Chapter 702: she still dared to "discipline" her little qianqian!

mu yichen's face darkened. "why do you care what his relationship with me is? in any case, just be polite to him!"

bai shixun widened his eyes and pointed at luo chenxi's nose.

"yichen, do you know what this guy has done? he's a bad person, and he'll hook up with any pretty girl he sees. he even seduced my girlfriend!"

luo chenxi noticed the key point in his words and immediately raised her hand to interrupt him.

“wait a minute, second young master bai, what did you just say? i seduced your girlfriend? who’s your girlfriend?”

i swear to the heavens!

she was now very careful every day. she did not dare to release her electricity when she wore men’s clothes, for fear of another accident like mu weiwei’s.

bai shixun had actually accused her without thinking.

didn’t you see that the king of jealousy’s face had darkened again?

boxn ov el. c o m

“what?” bai shixun sneered. you don’t even know who you’ve seduced? could it be that you’ve seduced so many women that you can’t remember?”

the corners of luo chenxi’s lips twitched as she mumbled to herself, ‘who’s seducing other men? who has a bad character? how can you have the face to talk about others? why don’t you go home and look at yourself in the mirror?’

mu yichen said calmly, “the girlfriend you were talking about ... is fang ziqian?” you’ve already won her heart?”

bai shixun lifted his chin proudly. “ of course! i’ve said it before, with my ability, it’s as easy as lifting a finger to get a woman like her, who obviously has no love experience!”

as soon as he finished speaking, luo chenxi voiced out her objection in puzzlement.

“really? are you sure? have you confessed to fang ziqian? did she personally agree to date you?”

no matter how she thought about it, it didn’t seem possible.

the last time she left B city’s welfare home, her little qianqian had clearly said that she hated bai shixun and would never associate with this kind of playboy.

even though fang ziqian had no experience in love, she was not the kind of woman who would be moved by a few sweet words.

how could she become bai shixun’s girlfriend in just a few days?

bai shixun’s face darkened when he heard that she was the one who spoke. he snorted coldly. “ what else? ” do you think i’m like you? other than my face, i’m useless? how could fang ziqian not make good use of a rich husband like me?”

“in that case, second young master bai’s charm is really boundless? i should find time to celebrate with you.” mu yichen did not make a sound.

bai shixun was proud of himself again. “ it’s indeed worth celebrating! oh right, didn’t i tell you last time that you’re spoiling sister-in-law too much? you can’t do this! her status in the family would be very low in the future! women needed to be taught well. i’ll let you see how considerate fang ziqian is to me later.”

luo chenxi almost lost control of the desolation force in her body. she wanted to give bai shixun a good beating.

what did he mean by 'spoiling sister-in-law'?

so what if her husband was a standard good man?

what right did a playboy like him have to meddle in their family's business?

she even dared to "discipline" her little qianqian!

on the other hand, mu yichen did not have much of a reaction. the corners of his lips curled up ever so slightly. " is he really that powerful? alright, then i'll be looking forward to it. "

"heh, just you wait!"

bai shixun was full of confidence.

at this moment, the sound of high heels clicking on the ground came from behind.

then, a tall and slender figure appeared in front of them.

luo chenxi's eyes lit up. " little ... fang ziqian! "

Chapter 703: do you know about contact lenses?

bai shixun turned around immediately when he heard the commotion.

fang ziqian strode toward them in a dark red dress and a pair of high heels of the same color.

her skin was contrasted by the deep red, making it look even fairer.

the dress was only half the length of her thighs, completely revealing her long legs.

even at the film festival, where beautiful women were everywhere, she was still a striking beauty.

many men's eyes followed fang ziqian's back.

bai shixun's expression turned sour. he took a step forward subconsciously, trying to pull fang ziqian into his arms to declare his sovereignty.

however, the moment he moved, mu yichen's gaze swept toward him with a hint of mockery.

bai shixun came to his senses and immediately pulled his leg back.

boxn ov el. c o m

"ahem, fang ziqian, didn't you say you were going to the washroom?" he coughed heavily. why did he only return after such a long time? don't you know i'm waiting for you here?"

fang ziqian heard the sound and looked over.

bai shixun deliberately put on a straight face and put on a cold and arrogant look.

he even stretched out a finger and beckoned at her.

“why aren’t you coming over?”

fang ziqian’s face was filled with excitement and surprise, her big beautiful eyes suddenly shining.

bai shixun could not help but feel smug. he even glanced at mu yichen on purpose.

in other words, look at how charming i am! my woman’s eyes light up the moment she sees me!

fang ziqian quickened her pace and walked towards them. in the end, she was practically jogging.

bai shixun crossed his arms in front of his chest and deliberately put on a cold expression, waiting for fang ziqian to throw herself into his arms.

“fang ziqian, i’ve told you before, you ...”

he suddenly stopped.

that was because fang ziqian had indeed walked up to him, but she didn’t throw herself into his arms.

she didn’t even look at him and just ran past him as if he was just an unimportant decoration on the side of the road.

bai shixun was about to flip out when he saw fang ziqian suddenly throw herself into chen xiluo’s arms.

“wow, little xi ... cough, cough, hilo! i miss you so much! we haven’t seen each other for days! why did you come to the film festival? did young master mu bring you here?”

luo chenxi was also surprised. she shook her head. “ no, i received an invitation from the film festival. young master mu is the one who accompanied me here. ”

“wow, young master mu is so good to you! oh right, where’s the little cutie tang? was she alone at home? i miss her so much. did she miss aunt fang?”

luo chenxi nodded continuously. “ she even mentioned aunt fang yesterday! when are you coming to the mu family to play?”

“then i’ll go this saturday!”

the two of them chatted happily, completely ignoring the dark expression of a certain man behind them.

“cough, cough, cough! cough, cough, cough, cough!”

bai shixun coughed a few times, but no one paid him any attention.

there was only a sneer from his right.

bai shixun’s face immediately turned red from embarrassment. “ yichen, you ... what are you laughing at? this was just ... just an accident! i forgot to tell you that fang ziqian is a little short-sighted and didn’t wear her glasses today. we were so far away just now, i don’t think we could have seen it clearly.”

mu yichen chuckled. “ do you want to know more about contact lenses? ”

he didn’t even have his glasses on, so how could fang ziqian see his little woman?

bai shixun felt embarrassed and immediately shouted, "fang ziqian!" he called.

Chapter 704: he deserved to die from anger!

bai shixun called out to her a few times before fang ziqian turned around.

moreover, he had an impatient expression.

"bai shixun, were you calling me just now?"

"of course," bai shixun replied coldly. "i called you a few times. did you not hear me?"

fang ziqian frowned. "what did you call me for? what's up? can't you see that i'm chatting with hilo?"

bai shixun choked and could not say anything.

fang ziqian was chatting so happily with another man in front of him, and she even acted as if it was only natural!

it was fine if he was depressed, but there were still people who didn't forget to add fuel to the fire.

mu yichen lifted his lips indifferently. "is this what you meant by 'well-disciplined'?"

boxn ov el. c o m

bai shixun gritted his teeth in anger and turned to fang ziqian, "i called you when you walked over just now, but you didn't even look at me. instead, you went to talk to that pretty boy chen xiluo. do you even have any manners?"

fang ziqian's eyes were filled with confusion. "did you just call me?" that's impossible! how come i didn't know about it?"

"how could you not know? i even waved at you! i saw it with my own eyes. don't even think about pretending to be blind!"

fang ziqian frowned and thought for a while before opening her mouth. "oh, i think you did beckon me with your finger just now ..."

"that's right! it seems that you really saw it! why didn't you respond to me?"

bai shixun felt even more confident when he saw that she remembered. he stood up and looked down at her.

fang ziqian glanced at him. "what did i just see? didn't you just hook your finger a few times just now? i thought you saw some stray cats and dogs on the side of the road and wanted to lure them over! i'm a living person, i don't think i'm someone you can hook with your finger, right? could it be that your brain isn't working well?"

bai shixun almost could not catch his breath.

he was genuinely looking down on mu yichen when he made that move earlier. his main purpose was to show mu yichen his skills in 'taming' his girlfriend!

not only did fang ziqian not fall for his tricks, she even ignored him and mocked him for having a “brain problem”!

no matter how thick-skinned he was, he couldn't say that he had fang ziqian in the palm of his hand.

luo chenxi could not help laughing out loud upon seeing that.

she knew that fang ziqian wouldn't be easily won over by a playboy like him.

bai shixun had always found chen xiluo an eyesore. now that he heard that chen xiluo actually dared to laugh, he was even more furious.

she turned around and glared at him. “ pretty boy, you still dare to laugh? you're just a toad, yet you want to eat swan meat?”

“who are you calling a pretty boy?”

upon hearing bai shixun's words, the three of them did not look too good.

fang ziqian was the first to speak up to defend her best friend. “ bai shixun, if you dare to slander chen xiluo like this again, don't even think about me attending any activities with you! ”

as she was saying that, she grabbed luo chenxi's hand and sat next to her.

“how have you been? and what about tang tang? quickly tell me!”

bai shixun's eyes fell on their hands, and his eyes were almost spitting fire.

luo chenxi noticed his gaze but she was not afraid at all. on the contrary, she moved closer to fang ziqian until their heads were almost touching.

seeing that bai shixun's expression was getting uglier, she curled her lips slightly.

he deserved to die of anger!

he actually wanted to teach little qianqian a lesson!

Chapter 705: if you want to find another boyfriend, maybe in your next life!

“chen xiluo, i ...”

bai shixun could not take it anymore and was about to flip out.

at this moment, mu yichen spoke in a timely manner and interrupted him, “ that's enough. the award ceremony is about to begin, yet you're still making a big fuss here. are you trying to make tomorrow's headlines? although you're a regular on the headlines, it doesn't look good to fight over a woman, right? if your grandfather knew, he might be so angry that he would be hospitalized.”

bai shixun's body stiffened.

of course, he understood that, but seeing how intimate fang ziqian was with another man, he was so angry that he wanted to kill the man on the spot!

mu yichen continued to speak at a steady pace, "besides, are you ... jealous? i remember you saying that you're just playing with women, and that no one can make you jealous. if any woman dares to flirt with another man, you'll just dump her!"

"b ... nonsense, of course i'm not jealous!" bai shixun suppressed his anger and tried his best to act as if nothing had happened.

"which eye of yours saw me being jealous? i just can't stand that brat's arrogant look! do you think everyone is like you, the king of jealousy in east asia?"

bai shixun expressed his deep disdain for young master mu.

boxn ov el. c o m

mu yichen's behavior in front of luo chenxi was truly an embarrassment to men!

bai shixun had seen the host interviewing mu yichen when they were walking the red carpet earlier.

from an outsider's point of view, mu yichen was only advertising for the designer he liked.

only bai shixun knew that this man was clearly showing off his love in secret.

wearing a suit personally designed by his wife to attend an event, was that something to be proud of? was it worth being so proud of?

these two people didn't appear together, but they could still spread dog food all over the world.

that was really enough!

luo chenxi was talking to fang ziqian for a while when she noticed that bai shixun was still glaring at her. she could not help but chuckle to herself.

she lifted her chin and deliberately raised her voice to ask, " "by the way, mr. bai said that he's your boyfriend. is this for real?"

fang ziqian was stunned for a moment, and then she looked shocked.

"hi ... hilo, don't scare me! how could i ... how could i be together with second young master bai? this kind of man, i ..."

she had wanted to look down on this playboy as usual.

but halfway through her sentence, she realized that bai shixun was right beside her and quickly changed her words. " cough, cough. second young master bai is such a handsome and suave man. there are too many people who like him. what am i? it's better not to join in the fun! hilo, don't say things like that in the future. it'll affect my market!"

bai shixun gritted his teeth. " you ...! "

he could tell that fang ziqian's words were beautiful, but she had no feelings for him at all.

even now, he was still considering her market price!

who else would dare to covet his target? he would definitely eliminate them one by one without mercy!

if fang ziqian wanted to find another boyfriend, maybe in her next life!

he had the intention to grab fang ziqian and teach her a lesson, but luo chenxi and mu yichen were still between them.

just as bai shixun was about to stand up, he heard the host announce the official start of the award ceremony.

he could only sit back down.

however, she felt as if she was sitting on pins and needles the entire time. her eyes were fixed on chen xiluo and fang ziqian, who were acting intimately, and she did not hear what the emcee had said at all.

Chapter 706: with the dress she was wearing, she easily became the center of attention

mu yichen shook his head in secret as he watched from the side.

and you say you're not jealous?

bai shixun was afraid that not only did he fail to turn fang ziqian into a woman who regarded her husband as the sky, but he had also unknowingly become his wife's slave and a jealous vat.

yet, he did not feel anything at all.

when luo chenxi saw bai shixun's expression, an evil thought came to her mind. she deliberately kept talking to fang ziqian.

he wanted to make second young master bai jealous.

mu yichen could not help shaking his head as he watched.

his little woman was really too mischievous!

at this time, the song and dance performance on stage had ended, and the host began to announce the winner list for today.

boxn ov el. c o m

"... the best supporting female lead award at this year's angel film festival goes to deng zhihan-who played lin cuicui in wanwan's" life like summer flowers "!"

in the warm applause, deng zhihan slowly walked to the stage in an elegant velvet evening dress.

as soon as she got up, the audience started to exclaim in admiration.

"look, the dress deng zhihan is wearing today ... she's so beautiful! did she already know that she would win the award, so she came prepared?"

" it must be. i don't know which luxury brand this is. i've never seen it before. it's so beautiful! "

"you're late, so you don't know that deng zhihan's outfit caused a sensation when she walked the red carpet today. just now, all the media reporters surrounded her and took photos for a long time in the

middle of the red carpet. if it wasn't for young master mu's sudden appearance today, deng zhihan would definitely be in the headlines tomorrow!"

"deng zhihan is so capable. how did you get this gown? for this film festival, i've gone through a few luxury brands 'haute couture pieces, but i didn't see this one."

hearing these comments, deng zhihan's red lips couldn't help but curve up.

the way she looked when attending the film festival had always been the most important thing for all female celebrities.

if she could stand out in terms of her appearance and attract attention, even a nameless female star could become famous overnight.

when deng zhihan attended these events in the past, she had also spent a lot of effort on her styling. unfortunately, everyone attached great importance to her styling. every female star was dressed up gorgeously. it was really too difficult to stand out from the crowd!

only this once!

with the gown she was wearing, she easily became the focus of the audience.

at this moment, deng zhihan was full of gratitude to xingchen.

he was already thinking about how to thank luo chenxin after the award ceremony.

luo chenxi did not pay much attention to the commotion on the stage.

fang ziqian, on the other hand, raised her head subconsciously after hearing the words "as beautiful as a summer flower."

"eh? deng zhihan, who played lin cuicui, won an award! that's great! "flowers in summer" is my favorite movie this year. deng zhihan's performance was excellent!"

fang ziqian said as she looked up at the stage.

the next second, he also exclaimed in admiration, " oh my god! the gown she was wearing was so beautiful! i really don't know which designer designed it, it's almost as good as you! but ... why does he look so familiar?"

luo chenxi's curiosity was piqued upon hearing his words.

she turned around and was stunned.

" this ... this gown ... impossible ... how could it be like this? "

fang ziqian turned her head in confusion and asked, "what's wrong? is there something wrong?"

luo chenxi's expression darkened. " this gown ... i designed it! "

Chapter 707: i still have someone i really want to thank ...

“what? you designed it?”

fang ziqian’s eyes widened in surprise, but she quickly calmed down.

she stole a glance at bai shixun before she moved closer to luo chenxi and lowered her voice.

“i knew it. the design style of this dress is very similar to yours. also, when i visited the mu family last time, i seemed to have seen a semi-finished product, right? no wonder he looked so familiar. right, i remember you said you wanted to create your own brand. now ... have you started to attract customers?”

luo chenxi, on the other hand, was frowning deeply. she shook her head slowly. “ no, i didn’t sell this gown! ”

“eh? how was this possible? if you didn’t sell it, why would deng zhihan wear it?” fang ziqian also felt that something was wrong.

luo chenxi pursed her lips. “ this must be luo chenxin’s doing! ”

“luo chenxin?”

“yes, it should be her. ” when i returned to the mu family’s house this time, i found that many of the gowns i kept in the cloakroom were missing. i don’t have to guess. luo chenxin must have stolen them. however, i still don’t understand why she would steal the clothes i designed.”

boxn ov el. c o m

” luo chenxin has always only worn branded haute couture from big brands and only wore the latest season’s. she can’t wait to engrave the brand’s logo on her forehead as she’s afraid that people don’t know that she’s rich. i don’t think she’ll be interested in my branded clothes.”

as a result, luo chenxi thought that luo chenxin had destroyed her clothes on purpose out of jealousy.

he even felt heartache for a few days because of this.

however, after thinking about it, she realized that the design plan was still in her computer. as long as she bought another set of the same fabric and spent some time, she could still make it again. thus, she calmed down.

he did not expect luo chenxin to have a change of heart this time.

instead of cutting the clothes, she sneaked back to the luo family and hid them.

now, he even gave the clothes to deng zhihan!

deng zhihan had a good reputation in the entertainment industry. she was not the kind of gold-digger who would rack her brains to marry into a rich family. how could she hang out with someone like luo chenxin?

deng zhihan was already standing on the stage just as luo chenxi was filled with doubts.

he took the trophy from the hands of the guest.

the emcee was all smiles. " zhihan, i really have to congratulate you today! this should be the first international film award you've won?"

"yes, i've always dreamed of winning an award at the angel film festival. i'm so happy that i got my wish today!"

deng zhihan nodded. the smile on her mouth was just right. coupled with her elegant dress, she looked even more elegant and outstanding.

the flashing lights from the audience lit up again.

"then ... zhihan, do you have anything to say to everyone?" the emcee said with a smile.

these were all fixed tactics.

deng zhihan was well prepared. she took the microphone and said, " i would like to thank all the fans who have supported me, loved me, and encouraged me ... "

just like the other winners, she went to thank her fans, her company, her parents, and her friends.

the emcee smiled as she finished her sentence, then continued, " zhihan is really a gentle and careful person. you must be very happy to have so many people love you. thank you for your speech. next ..."

as he spoke, he wanted to bring out the next winner.

however, to his surprise, deng zhihan didn't get off the stage immediately like she had in the rehearsal.

she stood in the same place and picked up the microphone again. " today, i have another person i really want to thank ... "

Chapter 708: after today, the name "xingchen" will definitely become a household name

" that's the designer who designed this gown for me, miss qianqian stars! "

"without her support, i wouldn't have been able to attract the attention of so many media friends today. after all, even though i won the award, i'm still just a 'supporting role'. "

the reporters below the stage let out a burst of friendly laughter.

the emcee was stunned for a moment, but then he became excited.

"what? zhihan, do you mean ... the dress you're wearing today was also designed by xing chen?"

deng zhihan nodded. " yes. "

the host said, " if i remember correctly, young master mu said the same thing on the red carpet just now. the suits that he and chen xiluo were wearing today were also made by this young designer, stars! "

luo chenxi reacted quickly when she heard the name 'chen xiluo'. she immediately shifted her butt backward and sat upright.

as expected, the camera turned toward her and mu yichen in the next second.

boxn ov el. c o m

the two of them were dressed in black and white gowns from the same series. they looked elegant and had an outstanding temperament.

as the handsome figures of the two male gods appeared on the big screen, the exclamations sounded again.

“i remember now, the designer that young master mu was talking about is indeed xingchen! these two suits are also designed by stars!”

” so handsome that i can’t close my legs! the clothes he’s wearing are also super nice!”

” tsk tsk, this xingchen is really amazing. she can design both men’s and women’s clothing so beautifully. she’s going to be popular!! ”

“i wonder what her personal brand is called? i also want to buy one!”

“me too! if i had known earlier, i would have gone to xing chen to buy a dress, and i wouldn’t have let deng zhihan be in the limelight today!”

everyone’s words were filled with excitement.

they could not wait to rush into xing chen’s personal brand stores to buy them.

mu yichen, chen xiluo, and deng zhihan were three living advertisement boards!

after seeing the effect of the clothes on them, there was no doubt about the standard of xingchen’s design.

the people present were all celebrities and celebrities from all walks of life. no one was short of money and could afford any expensive haute couture.

however, a truly outstanding design could not be bought with money.

a designer of this level was actually a rare resource.

after all, there were too many people who needed gowns to attend various events, and there were too few outstanding designers. moreover, it took a lot of time and effort to make haute couture gowns, and the production rate was very low.

these factors made it so that a truly talented designer would be sought after by all the celebrities.

in the most remote corner below the stage, luo chenxin was already grinning from ear to ear.

although she had snuck in as deng zhihan’s assistant and didn’t even have a proper seat, she had now become the biggest winner of this film festival!

one could imagine that after today, the name ‘xingchen’ would definitely become a household name.

at that time, she could make use of this popularity to open her personal studio, and who knew how much money she could make!

this time ... he was really rich!

luo chenxin was right. almost everyone in the venue was talking about stars.

no one even noticed how deng zhihan got off the stage.

it took the host a lot of effort to calm everyone down, and the award ceremony continued.

Chapter 709: luo chenxin is doing good deeds like lei feng!

luo chenxi frowned once again as soon as the camera turned away.

mu yichen knew that something was amiss too. he moved closer to her.

“what happened?” he asked in a low voice.

“this must be luo chenxin’s doing. i don’t know if she gave the gown away or sold it.”

young master mu’s sword-like eyebrows furrowed. what the hell was this woman doing? he had already chased her out, but she still didn’t stop? what were liang and the others doing? didn’t he ask them to monitor luo chenxin? were they all slacking off? you simply don’t want to live!”

in fact, he had wronged brother liang and the others.

the bodyguards reported luo chenxin’s movements every day. they had also reported about reese blackmailing luo chenxin.

however, these people were all straight men. how could they know which gowns were personally designed by their young madam?

when they saw luo chenxin selling clothes on the internet, they thought that she was so poor that she was about to pawn her pants because of reese.

boxn ov el. c o m

he was only gloating and didn’t think about anything else.

” what a good luo chenxin! you won’t shed tears until you see the coffin! ”

the corners of mu yichen’s lips curled into a sneer. he pressed on the armrest and was about to get up.

luo chenxi was quick to react. she grabbed the hem of his shirt and stopped him. ” wait a minute, mu yichen. what are you trying to do? ”

” luo chenxin actually used your name to cheat money outside. she’s clearly looking for death! ”

“you’re not thinking of revealing the truth, are you?”

mu yichen did not say anything. he only glanced at her indifferently. his answer was self-evident.

luo chenxi could not help facepalming. ” well ... i know you mean well, but you can’t just stand up now, right? ” what did you want to clarify on stage? deng zhihan had just said that she was wearing a dress designed by xingchen and was very grateful to xingchen. was that wrong? where did i go wrong?”

mu yichen was stunned for a moment. he frowned even more.

luo chenxi hastily added, 'deng zhihan said all these on the stage just now. to put it bluntly, she's also advertising for stars, right? no matter what luo chenxin's purpose is, i'm actually the one who benefits now!'

luo chenxin would not be jumping around for much longer. she was the only one who thought that mu yichen was clueless about what was going on behind the scenes.

after dealing with luo chenxin, xing chen's personal brand store would definitely have to be opened.

what deng zhihan had just said was actually free advertisement for her, and there was nothing to clarify.

mu yichen had already recovered from his rage by now. he slowly returned to his seat.

"that's right, you're right, i was too impulsive."

he paused for a moment before he continued, 'but luo chenxin has all your clothes. she might have sold them all.' this is all your money!'

although this amount of money was nothing to young master mu.

however, this was the little woman's painstaking effort, and he could not let luo chenxin take advantage of it.

the corners of luo chenxi's lips curled up ever so slightly. "that's nothing. i was planning to sell those clothes at a low price to gain popularity and reputation. luo chenxin had good taste in this aspect. she knew that she was going to sell it to a popular female star like deng zhihan, which saved me a lot of trouble. as for the money from selling the clothes ..."

she smiled slyly. "when luo chenxin gets the money, she'll give it to reese." anyway, reese can't escape from you. isn't this money mine?"

luo chenxin had done a good deed this time!

Chapter 710: did bai shixun take the wrong medicine today?

as soon as the awards ceremony ended, many female celebrities walked over to them.

the wealth and power behind young master mu and bai shixun had always been coveted by others.

all the female celebrities had been paying attention to them and had long been eager to get their attention.

upon seeing that, mu yichen stood up expressionlessly. he even pulled luo chenxi who was by his side.

"get up, we should go back. tang tang must be waiting anxiously at home."

of course, luo chenxi had no objections. she nodded at fang ziqian and left with her husband.

the female stars were a little discouraged when they saw that mu yichen and chen xiluo had left.

“young master mu, why are you walking so fast?”

“after the award ceremony, isn’t there still a cruise party? young master mu is not participating?”

boxn ov el. c o m

“forget it, forget it. young master mu has never liked such lively activities. anyway, there’s still second young master bai! second master always plays all night at the party.”

the female celebrities regained their spirits and walked toward bai shixun.

fang ziqian couldn’t help but sneer as she watched from the side.

then, he got up and prepared to leave.

bai shixun quickly got up and chased after her. “fang ziqian, where are you going?”

fang ziqian stopped in her tracks. “i’ve been working overtime for a few days. i’m a little tired, so i’ll go home first. ” second young master, you have fun here. you probably ... don’t need me to keep you company, right?”

she glanced at the female celebrities and said pointedly.

however, bai shixun did not seem to understand what she was saying at all. his straight brows furrowed together.

“fang ziqian, what do you mean? your boss hasn’t left yet, and you want to leave first? besides, the exhibition center is so remote, you can’t even get a taxi, how are you going to go back?”

“of course i have a way to go back. i can call didi for a ride ...”

fang ziqian’s lips were slightly pursed, her face full of confusion.

did bai shixun take the wrong medicine today?

she had been second young master bai’s secretary for three years. during this period, she had accompanied him to attend such events several times. each time, she would take a taxi home first. she had never seen bai shixun ask her anything. what was going on today?

bai shixun could not help but glare at her. “are you an idiot? he actually dared to ask for a ride in the middle of the night! do you not watch the news? do you know how dangerous this is? follow me!”

he took a step forward, grabbed fang ziqian’s wrist without a word, and dragged her to the exit.

fang ziqian felt the strange looks around her and her head buzzed.

” bai shixun, what are you doing? ” she asked in a low voice. quickly release me!”

bai shixun did not listen to her. instead, he tightened his grip on her hand.

fang ziqian tried her best to pull her hand back, but after a few tries, she couldn’t break free.

” bai shixun, didn’t you hear what i said? ” she was extremely anxious. let me go! hurry up and let go! do you know that many people are looking at us?”

bai shixun did not say a word and dragged her to the parking lot.

he walked to his car and stopped.

she let go of fang ziqian's hand and went to open the car door.

fang ziqian's fair face was flushed with anger.

she glared at bai shixun angrily. "are you crazy again? there were so many people in the venue, and so many reporters! people will definitely misunderstand if you drag me out like this! if someone takes a picture of it, it might even make the headlines!"

as soon as he finished speaking, he felt a strong force on his shoulder.

bai shixun directly pressed her against the back of the chair.
