

# Sweetheart 761

Chapter 761: why don't you take a piss and look at yourself!

moreover, all the negative news was targeted at Luo Chenxin. Not a single word was mentioned about Constellation.

The effect was obvious.

The internet was filled with one-sided abuse and denouncement of Luo Chenxin.

"The Luo Corporation is a listed company after all. It's not an exaggeration to say that the young lady of the Luo family is fair, rich, and beautiful, right? You already have so much money, why do you still do such a shameless thing?"

"Who would mind having more money? A woman like Luo Chenxin is a liar! A gown that was sold for millions was stolen! I strongly request that the celebrities who have been deceived step forward to sue her and let her be punished by the law!"

"Luo Chenxin, get out of the fashion industry! Who would want to wear the rags you designed? The culture of our country's fashion industry is ruined by people like this. Outstanding designers have their drafts stolen, and the plagiarists can become famous just because they have money and hype!"

"You're too shameless. You still dare to call yourself Mrs. Mu! How could Young Master Mu marry a woman like her? Why don't you take a piss and look at yourself in the mirror!"

"I'm so disgusted, she actually tried to scam our Prince Charming! Hubby's taste isn't that bad, okay?"

Luo Chenxin was badly criticized. If she dared to go online, she would probably die of anger.

boxn ov el. c o m

Luo Chenxi was scrolling through the comments when she suddenly saw a popular comment with more than a hundred thousand likes.

[@ heartbroken prince charming: please don't attack Xingchen's design. Although Luo Chenxin is a fake, Xingchen, who was the one who stole the manuscript, is a real genius designer. Her work won the first prize in the Chinese style competition and won the favor of celebrities from all walks of life all because of her own strength!] what's disgusting is the imposter!]

Luo Chenxi was stunned for a moment upon reading the message.

Some netizens were so indignant that they could not tell the difference between Xingchen and Luo Chenxin at all. When they scolded people, they also included Xingchen.

Although Young Master Mu had already tried his best to control the reviews, it was inevitable that some fish had slipped through the net.

Luo Chenxi noticed it when she was browsing the comments earlier, but she did not think much of it.

the relationship between her and Luo Chenxin was so complicated that it was normal for outsiders not to know about it.

Even she was too lazy to clarify herself. She didn't expect that someone would specifically jump out and emphasize it for her.

Moreover, the profile picture of this Weibo account looked very familiar. It was Mu Weiwei herself ...

"Wei Wei is quite cute."

Luo Chenxi could not help laughing out loud. She felt rather comforted in her heart.

Ever since Mu Weiwei found out that she was Chen Xiluo, she had not spoken to her and Mu Yichen. Moreover, she had only stayed at home for a few days before she ran back to S City's boarding school.

On the day the truth was revealed, Mu Weiwei's expression was extremely unpleasant. She looked as if she was going to break off all ties with them.

She had worried Luo Chenxi for quite a while.

Mu Weiwei was a very innocent girl. Although she was a little straight, she did not have any bad intentions. She was just a spoiled brat.

She really did not want to fall out with Mu Weiwei.

Besides, she was also at fault for disguising herself as a man.

Later, when she recalled the times when she helped Mu Weiwei, it was indeed a little ambiguous. It was reasonable for a young girl to have such a crooked thought when she was in love for the first time.

Now, Mu Weiwei had actually taken the initiative to speak up for her and clear her name.

This also meant that although the little girl was as proud as her brother, she probably wanted to reconcile with him ...

There were also articles analyzing the Luo Corporation's stock prices below. Luo Chenxi was not interested in reading them, so she jumped straight to the top topic on the trending searches.

Chapter 762: the scene of young master Mu coming out of the closet

#officially certified that the nation's husband is unmarried #

There was more to this topic.

The first one was a screenshot of young master Mu's household registration certificate.

Luo Chenxi furrowed her brows and pondered for a moment before she recalled that it was printed on the proof provided by the Civil Affairs Bureau.

However, the picture on the document was very small, and the video was very blurry. The camera was only two seconds long.

it was then that mu yichen's wife's fans took screenshots of it. they zoomed in and zoomed in with all their might before they posted it.

anything about young master mu's privacy, such as his id number, address, and so on, had been censored by the civil affairs bureau.

all she could see was mu yichen's name, his date of birth, and his identification photo.

there were countless wife fans below.

boxn ov el. c o m

"my husband is so handsome!"

"there's actually someone who can look so handsome in an id photo. how handsome must he be in person!"

"i support young master mu, i support my husband! he's so handsome!"

"hubby, i want to bear your children!"

luo chenxi's teeth ached when she saw that. gastric acid kept flowing out of her stomach.

who are you calling hubby?

who is your husband?

have these love-struck fools ever seen young master mu in person? she dared to call him hubby!

she and mu yichen slept on the same bed every day, but she did not call him hubby every time!

she was going to ask second young master mu to hack all these accounts!

luo chenxi pouted her lips. she was about to close her weibo and call mu yiling.

suddenly, another weibo post popped up.

she almost spurted out the moment she took a glance at it.

"everyone, don't just look at that weirdo luo chenxi. young master mu's real lover is also at the press conference! yesterday's new product launch was clearly young master mu's coming out of the closet!"

luo chenxi was nervous for a moment because she thought that the scene of mu yichen dragging her away had been leaked.

in the end, when she scrolled down to take a look, the screenshots were very ordinary. she was ten meters away from mu yichen, but she did not appear in any of the shots.

however, the post owner claimed to be a "facial expression recognition expert" and managed to analyze a "love and hate mixed together, but not able to get what he wanted" sadistic love scene from these blurry screenshots.

the corners of luo chenxi's lips were twitching continuously as she watched.

tong yue, does your mother know that you're so smart?

just as luo chenxi was engrossed in watching the video, there was a sudden knock on the bedroom door.

“come in.”

“big sister, open the door ... tang tang wants to come in.”

luo chenxi quickly got up and walked to the door when she heard the little dumpling’s soft and sweet voice.

when she opened the door, she saw the little dumpling bouncing up and down while holding the doorknob.

however, her legs were too short and she couldn’t reach it no matter how hard she tried. her little face was puffed out.

luo chenxi bent over and picked her up before she gave her a kiss on the cheek.

” tang tang, didn’t you go to kindergarten today? ”

the little dumpling shook her head. ” no, daddy said that tang tang has to stay at home these two days. she can’t go to kindergarten or go out. ” why rice? i want to play with brother shaoxuan ...”

as the little dumpling spoke, she pouted her little mouth, feeling a little disheartened.

luo chenxi was stunned for a moment before she came to a realization.

mu yichen must have done this because he was worried that the little dumpling might be affected by the rumors when she went to kindergarten.

after all, the matter of luo chenxin impersonating mrs. mu had caused such a huge commotion.

many of the teachers and parents at yinyan kindergarten knew that xiao tuanzi was young master mu’s daughter. they were definitely more confused than the ordinary onlookers, and they didn’t know what kind of rumors would spread.

Chapter 763: the perfect proposal scene

it would not be good if it affected the little dumpling’s physical and mental health.

luo chenxi hugged her and sat on the sofa. she said with a smile, ” “if you don’t have brother shaoxuan, do you have big sister to keep you company at home? besides, we can also bring shaoxuan over to play with you.”

anyway, looking at the situation now, she could not go to work at SL holdings anymore.

he was at home with the little dumpling.

he just had to call sheng yu to let him know.

“really?”

the little furball’s eyes lit up.

his chubby little hand tugged at luo chenxi's clothes while his fair and tender little face came close to her. " can i bring brother shaoxuan along to the amusement park too? "

luo chenxi raised her brows in surprise. " an amusement park? "

boxn ov el. c o m

the little ball blinked its big eyes and looked at her expectantly.

" big sister, i want to go to the amusement park. can you go with me? "

the little dumpling wriggled its body and wrapped its arms around luo chenxi's neck in a coquettish manner.

luo chenxi's heart was about to melt. she could not refuse any of his requests at all. she quickly nodded. " alright, alright, alright. i'll bring you there. i'll accompany you to play whatever you want, alright? "

"big sister is the easiest to mess with, i love to mess with big sister the most!"

the little dumpling pouted and gave her a mua kiss on the face, making a sound.

luo chenxi was about to return the kiss when her chest was suddenly pushed softly.

she subconsciously let go, and the little dumpling jumped down from her leg.

" tang tang, go and tell daddi that we can go to the amusement park to mess with them!! "

the little dumpling cheered and ran out of the door.

luo chenxi was left behind with a dumbfounded look on her face. she could not come to her senses for a long time.

what was going on?

her little dumpling actually stopped sticking to her and turned around to look for her father?

didn't he love big sister the most?

.....

the little dumpling ran all the way to the door of the study room with its short legs.

the door to the study was left ajar, but she rushed in without hesitation and shouted, " daddi! big sister agreed to go to the amusement park!"

the two brothers, mu yichen and mu yiling, who were sitting on the sofa and discussing matters, turned their heads at the same time.

mu yichen could not conceal the smile in his eyes. he got up and went forward to carry the little dumpling.

"what did you tell big sister?"

the little dumpling repeated what she had just said in a soft voice.

mu yichen's face revealed a gratified expression. "tang tang's such a good girl. you've done a great job."  
"

the little dumpling blinked her big eyes. "daddy, when are we going to the amusement park?"

she couldn't wait to go over and play.

ever since luo chenxi and mu yichen brought her there previously, the little dumpling could not forget about it. other than her favorite ferris wheel, there were a few other attractions that she liked.

however, mu yichen did not bring her along all this while out of consideration for her safety.

mu yichen did not answer immediately. instead, he shifted his gaze to mu yiling.

"big brother, don't worry. i've arranged everything. i'm only missing the last detail." mu yiling quickly said. in five days ..."

meeting his brother's cold eyes, he shivered and quickly changed his words. "no, no, it's three days ... i only need three days to set up a perfect proposal scene. i guarantee that you'll be able to successfully carry the beauty home and let sister-in-law jump into your arms, crying and screaming to marry you!"

mu yiling patted his chest and promised.

mu yichen nodded. "we'll go to the amusement park in three days then."

"too easy to provoke!" the little dumpling cheered and pushed young master mu's shoulder, wanting to get off the bed. "papa, let me down. i'm going to call brother shaoxuan!"

mu yichen's face darkened instantly. "what does it have to do with bo shaoxuan?"

Chapter 764: his last name isn't mu!

the little dumpling had an innocent expression on her face. "brother shaoxuan has never been to an amusement park before. tang tang promised to take him there!"

mu yichen's face darkened even more.

bo shaoxuan, this brat!

he had long felt that there was a problem.

originally, the little dumpling was not willing to go to kindergarten. however, ever since bo tingyuan brought his son to their house as a guest, the little dumpling suddenly became very fond of going to school.

mu yichen was very busy. tan yueru and mu weiwei were the ones who picked up the little dumpling most of the time, so he did not notice anything unusual in the beginning.

however, luo chenxi's job was to pick up the little dumpling after she got married.

in order to spend more time with her, young master mu often went to yinyan kindergarten to wait for "rabbits."

this way, he realized that something was wrong.

boxn ov el. c o m

why was his little princess with that brat bo every day?

mu yichen's expression was hostile. he stared at the little dumpling for a while. "no, you're not allowed to bring him along!"

the little dumpling pouted her little mouth, puffed up her little chest, and said with a righteous expression, "big sister promised tang tang to provoke! big sister said she can bring brother shaoxuan!"

"pfft ..."

mu yiling could not help but laugh as he listened on the side.

his big brother had no status at home, right?

even the little dumpling knew that her father's words had no reference value. only her elder sister's words counted!

second young master mu's smug smile was still on his face, but the next second, his entire body suddenly stiffened.

mu yichen swept a glance at him and spoke in a chilly tone, "what's so funny? tell me, let your big brother hear it."

"hehe ... " mu yiling laughed drily. "brother, you heard wrong. i wasn't laughing just now. i was crying!" wuwuwuwu ... sob sob sob sob ..."

the corners of mu yichen's lips twitched. he simply did not want to admit that this fool was his younger brother.

"ouch!" mu yiling suddenly screamed in pain.

"tang tang, why did you hit uncle? uncle is so good to you!"

the little ball retracted its little fist.

she puffed up her little face. "big sister said that whoever whines and whines are all bad people. one punch to kill one!"

mu yiling clutched his chest and was heartbroken. "tang tang, how could you say that uncle is a bad person? my heart is broken!"

mu yichen kissed the little dumpling. "tang tang, you did well!"

this kind of idiotic younger brother needed to be taught a lesson.

the little dumpling blinked her eyes. "then, can i call brother shaoxuan now?"

"no!" mu yichen's expression darkened again.

the little dumpling's eyes turned red after being yelled at by her father. she pouted and looked like she was about to cry.

"daddy is bad, i want to tell big sister ..."

upon hearing this, mu yichen immediately became anxious. he quickly hugged his daughter. " no, you're not allowed to go! "

if this little woman knew about his plan, what kind of surprise would he have?

however, the little dumpling was wriggling around with all its might. when it saw that mu yichen was not letting go, it simply burst into tears.

mu yichen was flustered. he hugged the little dumpling and coaxed her for a while, but he could not manage to coax her.

mu yichen was so anxious that the blue veins on his forehead popped.

luo chenxi had already woken up. she could pass by the door at any time.

if they heard the little dumpling's cries and walked in, it wouldn't just be a problem of the secret plan being exposed.

the little dumpling wiped her tears and sniffled. " tangtang wants brother shaoxuan ... "

" you can have anything you want, but you can't let bo shaoxuan go to the amusement park! "

what a joke. why did he bring bo shaoxuan along when he proposed?

his last name wasn't mu!

Chapter 765: there's no brother shaoxuan, but there are many other little brothers

the little dumpling was about to start a new round of crying.

mu yiling came over.

" tang tang, do you want a younger brother or sister? "

when the little dumpling heard this, she was stunned for a moment. then, she pouted her little mouth. " ... i do. "

"then, do you wish for big sister to stay in the mu family forever and play with you?"

the little dumpling interrupted him, " big sister will always be with tang tang ... "

"that might not be the case!" mu yiling said mysteriously, "have you forgotten?" didn't your big sister run away from home last time? did you forget that there's a new auntie?"

when the little dumpling heard this, its eyes immediately widened!

it was obvious that he was recalling the situation.

boxn ov el. c o m

the older sister said that she was going on a business trip and did not return for a long time.

it was so long that she thought that big sister didn't want her anymore and would never come back ...

"wuwuwu, then what should i do? big sister, why don't you want sugar for the rice?" the little dumpling's eyes reddened again as she thought of the sad matter.

mu yiling quickly said,"it's because your eldest sister isn't your father's wife. she'll only stay in the mu family forever if she becomes mrs. mu." three days later, your father is going to propose to big sister and make her mrs. mu. you have to cooperate with your father. you can't bring bo shaoxuan this time. we'll talk about it next time."

the little ball opened its eyes wide and listened attentively to mu yiling's slightly complicated analysis.

she tilted her head and thought for a while. in the end, she nodded. " so, if you don't bring brother shaoxuan with you, big sister will be with you forever? "

"yes, that's what i meant!" mu yiling snapped his fingers.

" alright, then i won't bring brother shaoxuan ... "

the little dumpling thought about it and felt that her big sister was more important.

without brother shaoxuan, there were many other little brothers, but they were not as good-looking as brother shaoxuan.

however, there was only one big sister!

mu yiling coaxed the little dumpling in a few minutes.

he straightened his back and looked toward mu yichen with an obvious smugness in his eyes.

"big brother, you can't do it! he didn't even know how to coax a child! i really wonder what you can do without sister-in-law? you still have to rely on me ..."

"since you're so capable, why don't you go to africa to develop the mu family's new business?"

mu yiling realized that he had said the wrong thing again when he heard mu yichen's icy cold voice.

"ahem, big brother, i didn't mean it that way ..."

"you can go and set up the scene now!"

.....

three days passed by very quickly.

during that period, luo chenxi made a special trip to SL holdings.

luo chenxin's matter had been a hot topic recently. luo chenxi was worried that she would cause unnecessary trouble if she was mistaken for someone else on the road, so she dressed as a man and went there on purpose.

” chief sheng, i’m sorry. i can’t continue working at SL holdings ... ”

luo chenxi apologized to sheng yu as soon as she entered the office.

he felt guilty from the bottom of his heart.

ever since sheng yu recruited her into SL holdings, this was the second time she had resigned.

last time, when she left the mu family, she thought that she would never come back, so she could only hand in her resignation.

she had finally returned to work recently, but luo chenxin had impersonated xingchen in just a few days.

if she showed up in SL holdings with her real face, everyone would probably think that she was luo chenxin, the fake luo chenxin. she would be beaten up and thrown out of the company ...

therefore, he had no choice but to resign.

sheng xiao snorted coldly, his face expressionless.

Chapter 766: he was my idol in college

“what’s wrong? are you really that irresponsible? FADE’s new series has just been completed, and there’s still publicity work that needs your cooperation, and you’re just going to leave?”

” chief sheng, i didn’t want this to happen. but how am i going to work in the company now? ” luo chenxi wiped the cold sweat on her forehead.

although sheng yu’s tone was not good, she was indeed at fault.

from the day she started work until today, she had only worked for a total of ten days.

if she was the boss, she would have fired this kind of top-notch employee long ago.

sheng xiao frowned and looked at her unhappily. he was silent for a moment.

“i can’t accept your resignation. it’s luo chenxin who impersonated xingchen, not you. are you trying to find an excuse for your irresponsibility by using such words to brush me off?”

luo chenxi quickly defended herself, ‘chief sheng, that’s not an excuse! think about it, if i were to appear in the company ...”

“alright, i know what you mean. it’s fine if you don’t come to work, but as a designer, it doesn’t matter if you work from home. i heard that young master mu even set up a studio for you at home, and it’s even bigger than the studio SL group gave you, right?”

boxn ov el. c o m

“uh, right ...”

“then you should stay at home and do your work. you’re not allowed to say anything about resigning!”

luo chenxi did not expect sheng yu to say that. his attitude was so firm that she hesitated for a moment.

she originally wanted to free up this time to spend more time with tang tang ...

“then ... alright, i’ll do my best.”

finally, she gritted her teeth and agreed.

sheng xiao’s eyes flickered, and he heaved a sigh of relief.

when he saw that luo chenxi was about to turn around and leave, he spoke again and called out to her, “by the way, little cutie, there’s one more thing i need to tell you.”

“what is it?” luo chenxi turned around.

“ the famous director yan heng is going to film an urban romance film, ‘gorgeous turn’. i heard that it’s a big ip production adapted from a best-selling book of the same name. the he family and the bai family have invested one billion yuan in it, and the leading actors and actresses they’ve contacted are all top-tier big names in the country. ”

luo chenxi was slightly stunned. soon after, she revealed a surprised expression.

“ah, chief sheng, you know about this movie too? i’ve read this book before, it’s really popular and has a lot of hardcore fans! i heard that the male lead has already been decided. it’s the best actor, han litong! he was my idol in college, my favorite male movie star! with the strong working together, this movie will definitely be a hit!”

at this point, she seemed a little confused. “ by the way, chief sheng, why are you saying this? ” does it have anything to do with me?”

“of course it’s related,” sheng yu said indifferently, “ i heard that the female lead of ‘gorgeous turn’ is a fashion magazine editor and the male lead is a famous designer. the whole story takes place in the background of the fashion industry. the novel also depicts many scenes of fashion week. ”

“yes, yes, you’re right!” luo chenxi nodded continuously.

“ so, ” sheng xiao said, “ the costumes are crucial if we want to restore the original work perfectly. if there’s a mistake in the costume, the style of the film will drop by several levels. “yan heng places a lot of importance on this transition work and specially came to me, wanting me to be the fashion design director. however, after some consideration, once i accept this job, i’ll have to stay with the crew for a long time, and i don’t have that much time.”

at this point, he paused for a moment and raised his eyes to look at luo chenxi.

“ that’s why i recommended you to director yan. ”

“ah? what ... what? you’re recommending me?”

Chapter 767: she was so dazzling, but she could not belong to him ...

luo chenxi pointed at her own nose with a surprised expression.

sheng xiao nodded. "that's right. but don't think that you'll get the job just because i recommended you." you're still a newcomer after all. although the recent new product launch was organized by luochenxin, it has also affected you. director yan will definitely not use you directly, but he'll inspect you first."

"ah? but ... but ..."

luochenxi was still in a daze. she had yet to react to the situation completely.

"chief sheng, why did you recommend me? there are many designers in SL holdings who are more experienced than me, right? moreover, it's a great opportunity to design costumes for director yan's film. i believe they'll be willing to take it."

yanheng was one of the best directors in china and was famous internationally.

it was said that he was the most promising director in the country to win an oscar.

joining his crew and becoming the fashion design director was an irresistible temptation for famous designers.

that was because once the movie was released, the designer would definitely become famous!

boxnovel.com

of course, whether it was a good reputation or a bad reputation depended on the designer's own level.

but no matter what, this was an opportunity to make a name for himself. moreover, yanheng had pulled in a billion-dollar investment, and the clothing was the key to this movie. the salary of the designer must be very impressive.

sheng xiao glanced at her. he did not know what to say.

he naturally had his own selfish motives.

even so, he understood that it was most likely impossible for him to snatch luochenxi from muyichen's hands.

however, he could at least protect luochenxi by her side as her senior.

his gaze swept past luochenxi's face. he cleared his throat and explained as if it was a casual remark.

"because ... the style of these designers doesn't match the requirements that director yan has set. director yan hopes that the costumes in the movie can have both classic and popular elements, and also match the development of the plot to bring out the changes in the character's personality ... this is already difficult enough."

"in addition, every character in the movie has a different style of dressing, which requires the costume director to be able to wear different styles at the same time. director yan's requirements are also very strict."

"to be honest, this is a very difficult job. it's not like what you think, where you can easily gain both fame and fortune. maybe you'll be tortured to tears once you join the crew!"

upon hearing sheng yu's words, luo chenxi did not show any signs of cowering. on the contrary, she looked excited.

" it sounds interesting. it's a big challenge for the designer. i think i can do it. "

in art, the more difficult something was, the more it could arouse her interest.

initially, luo chenxi was hesitant because she would not be able to pick up the little dumpling every day once she joined the production team. young master mu would certainly object to it firmly.

however, when she heard sheng yu emphasize the difficulty of the design work, she was so excited that she could not control herself.

he immediately nodded in agreement.

sheng yu's heart skipped a beat when he saw her eyes glowing.

he liked the brilliance that luo chenxi displayed when she designed the game.

it was a pity that she, who was so dazzling, could not belong to him ...

he let out a long breath. " that's good. director yan will be back in T city in about two weeks. i'll arrange for you to meet him then. " read the original novel again and make some preparations. if possible, draw a few design drafts first."

Chapter 768: the little dumpling has grown up and is starting to have little secrets?

luo chenxi agreed.

on the way home, she sat in the car and pondered over sheng yu's words.

joining the crew of " gorgeous turn " was a very important opportunity for her career.

however, she had two children at home now, and she was afraid that they would object.

as soon as she got home, the little dumpling rushed over and hugged her thigh, looking very excited.

"big sister, you've come back to provoke us! i miss you so much!"

luo chenxi recalled something at the corner of her lips. " by the way, we're going to the amusement park tomorrow. have you called shaoxuan to tell him? what time are we going to pick him up from the bo family tomorrow?"

the little dumpling turned her head and waved her little hand, indicating for her to squat down.

when luo chenxi squatted down and was as tall as her, she leaned close to luo chenxi's ear and whispered, " big sister, we won't be bringing brother shaoxuan tomorrow! "

boxn ov el. c o m

luo chenxi was stunned for a moment. " haven't you always wanted to play with brother shaoxuan? "

the little dumpling shook her head with a mysterious expression. "daddy said that we can't bring brother shaoxuan this time!"

"why?" luochenxi asked subconsciously.

the little dumpling did not usually listen to mu yichen. since when did he say 'papa said'?

the little dumpling blinked. "i'm not telling you!"

"you won't tell me?"

luochenxi's eyes were about to pop out of their sockets.

meow meow meow?

was this still their little princess?

he actually had a secret that he was not willing to tell her? had she, the big sister, fallen out of favor?

or was it that the little dumpling had grown up and was starting to have little secrets?

luochenxi was about to ask more questions when she heard the sound of footsteps. mu yichen walked out of the study room.

the little furball took the opportunity to run away.

after dinner, luochenxi coaxed the little dumpling to sleep as usual.

then, he got up and went to the studio, wanting to perfect the design that he had not finished.

at this very moment, someone knocked on the door twice. mu yichen pushed the door open and entered the room.

the man looked at the petite woman who was holding the laptop and strode over to her.

luochenxi only noticed his presence when he was approaching her.

"ah? mu yichen, when did you come in?"

mu yichen frowned slightly. "didn't you hear me when i called you just now? it's getting late, you can rest."

"but, it's only nine o'clock. why did you sleep so early today? i'll draw for a while more, and then ..."

"i said, you can rest now."

mu yichen's tone became more serious. "don't forget that we're going to the amusement park tomorrow. if you can't rest well, how are you going to play with tang tang? this little fellow's physical strength is really good!"

luochenxi thought that it made sense, so she got up as told.

when she returned to the master bedroom, she recalled what sheng yu told her in the afternoon. she hesitated for a moment before she decided to tell mu yichen about joining the production team so that he could be mentally prepared.

however, mu yichen's expression turned sour as soon as he heard her words.

"no, you can't go!"

luo chenxi glared at him. " why won't you let me go? this is a good opportunity for me! i must go!"

mu yichen gritted his teeth in secret as he looked at the stubborn expression on her fair little face.

his little woman was good at everything, but she was too career-minded.

"i don't object to you having your own career, but you can't take up a job that's in two different places. what will happen to tang tang after you leave? who would take her? don't tell me you're not going to care about her?"

Chapter 769: a man who can make you cry

luo chenxi said, 'what do you mean by not caring about her? when i came back in the afternoon, i asked mom and she said she could bring tang tang for me. he even said that he hoped to see my designs on the big screen as soon as possible! besides, even if i'm with the crew, i can't stay away forever, right? he could at least take a few days off and come back to see her, right? you can even bring her to the production team to play."

mu yichen was rendered speechless.

he did not expect that madam tan would drag him down again!

whose side was she on?

why did he always side with outsiders?

he stared at luo chenxi. "what about me?"

"you?"

"that's right, what about me? are you planning to leave your man and go out to have fun?"

luo chenxi looked at him in shock. " mu yichen, you're already an adult. do you still need me to care about you? " are you only three years old?"

boxn ov el. c o m

"who did you say was three years old? can a three-year-old boy look like me? hmm?"

mu yichen's expression darkened. he grabbed luo chenxi's wrist and yanked it abruptly.

luo chenxi's palm was burning hot while her face suddenly turned red.

"m-mu yichen! what are you doing? what was he thinking about? let me go!"

"didn't you say i was three years old? do you want to experience if i'm a three-year-old child or ... a man who can make you cry?"

he took the opportunity to hook his arm around luochenxi's slender waist and was about to pull her onto the bed.

luochenxi's legs felt weak subconsciously. she quickly said, "ahem, m-mu yichen, don't be like this. you forgot, my ... my period is still here!"

she took out her protective magic treasure.

however, mu yichen was unmoved. he pushed her onto the bed.

luochenxi had no choice but to call out, 'mu yichen, you've misunderstood. i really didn't mean to call you childish! 'besides, things aren't even set in stone yet. i don't even know if director yan will use me. maybe i won't even pass the assessment.' why don't we wait until we see him in two weeks?"

mu yichen's movements finally stopped.

luochenxi seized the opportunity when he was distracted to jump off the bed and escape into the bathroom.

mu yichen stared at the tightly shut bathroom door with a slight frown.

two weeks later?

after the proposal was successful tomorrow, he would take her on a honeymoon and see how she would meet yan heng in two weeks!

what? the honeymoon should be after the wedding?

what did that have to do with him?

he, mu yichen, liked to go on a honeymoon with his proposal, go on a honeymoon with his marriage certificate, and go on another honeymoon with his wedding. who would dare to have any objections?

.....

the little dumpling shook luochenxi awake the next morning.

"big sister, the sun is shining on your butt, hurry up and get up! tang tang wants to go to the amusement park!"

when she heard the little dumpling's soft voice, she immediately woke up.

he quickly got out of bed and washed up.

when she went downstairs to eat, she found that the mu family was actually all sitting at the dining table today, not a single one was missing.

even mu weiwei, who was studying at the language school in S city, and mu yiling, who lived outside, had arrived.

luochenxi intentionally took a few more glances at mu weiwei.

this was the first time mu weiwei had returned home ever since she had a big fight with her and mu yichen after she found out that she was chen xiluo ...

mu weiwei had her head lowered the entire time as she ate in silence.

after the meal, luo chenxi brought the little dumpling upstairs to change her clothes.

mu yiling immediately stood up and rushed to mu yichen's side in one big stride. he smiled in an especially ambiguous manner. "how was it, big brother? was he nervous? are you excited?"

Chapter 770: how could mu yichen's proposal be rejected by others?

mu yichen cast a sidelong glance at his idiotic younger brother.

his thin lips lifted slightly, and he spat out two words coldly, "idiot!"

wasn't it just a proposal?

it was such a simple matter!

how could he, mu yichen, be rejected by anyone when he proposed?

what was there to be nervous about?

mu yiling was despised by his brother, but he did not believe it. he continued to ask, "big brother, are you really not nervous at all? shouldn't he be feeling uneasy? after all, when you proposed to her last time, she rejected you!"

mu yichen's face turned completely black at this moment. "shut up! if you don't speak, no one will think you're mute! you'd better make sure that today's arrangement is perfect and there are no mistakes, otherwise ..."

mu yiling shuddered. "then i'll ... i'll make a call immediately and get someone to check it ..."

boxn ov el. c o m

mu weiwei, who was sitting on the sofa in the corner, pursed her lips in disdain as she watched her second brother's back as he ran away.

second brother was really asking for trouble!

mu yichen drove mu yiling away and raised his head to look upstairs.

the door was tightly shut. it was apparent that luo chenxi and the little dumpling were still changing their clothes.

he touched his pocket subconsciously.

he carefully kept a small and exquisite jewelry box.

yesterday afternoon, director yu of baoshi jewelry had brought a team of bodyguards and personally delivered the priceless diamond ring to him.

the last time his proposal failed, it was because his little woman complained that he did not prepare a diamond ring.

this time, he had a custom-made ring, so it would definitely not fail ... right?

even though he had a calm and unyielding expression on his face in front of mu yiling earlier, mu yichen was still feeling a little uneasy in his heart.

for some reason, he felt that things would not go so smoothly.

just then, the door to the nursery opened.

luo chenxi held the little dumpling's hand and walked out together.

luo chenxi was dressed in a light beige dress with a simple cut that brought out her petite figure perfectly.

the princess dress that the little dumpling was wearing was of the same color as hers. she even had two small braids with a red silk bow at the end.

it made her little face look especially pink and tender.

mu yichen watched the two of them walking down the stairs slowly. a gentle smile gradually surfaced in his usually cold and indifferent eyes.

he stretched out his right hand to hold luo chenxi's hand when she approached him. "chenxi, let's go out ..."

however, the next second, he was slightly stunned.

a small, soft hand was placed on his palm, but it was not luo chenxi's. it was the little dumpling's!

mu yichen lowered his head and saw the little dumpling jumping around excitedly.

she shouted happily, "papa, let's go!" tang tang wanted to ride the merry-go-round! and that bumper kart! hurry, hurry!"

the little princess held her father's hand in one hand and her elder sister's hand in the other as she skipped out.

she did not realize that her father's face had darkened.

after all, she often saw children's parents come to pick them up in kindergarten. they always held the children's hands on each side. this was the standard posture!

the family of three got into the car and left the villa.

it was only when mu yichen's figure was completely out of sight that mu yiling stuck his head out from his room.

"how is it? has big brother left?"

"let's go, second brother. why are you so stupid now?" mu weiwei said in disdain.

mu yiling felt insulted at once. he scoffed coldly. "mu weiwei, how can you call me stupid? is there anyone more stupid than you? you can't even tell if your idol is a man or a woman!"
