

Sweetheart 881

Chapter 881: luo chenxi, you'll be going back with me after i wake up, right?

what was this man thinking?

he actually said she was dirty just now!

however, she noticed mu yichen's earlier words after she calmed down ... he asked her to 'stay by his side obediently' ...

it was apparent that this was what mu yichen truly wanted to say.

luo chenxi fell silent at once. she did not know how to answer him.

today was purely an accident.

if it were not for the little dumpling's matter, she should not have appeared in front of mu yichen at all ...

however, mu yichen's words seemed to imply that they had already made up.

mu yichen squinted his eyes.

he could see luo chenxi's silence.

however, he didn't say anything. he only said, "alright, it's really late. it's time to rest. go to sleep, my good girl."

mu yichen was about to get up, but he felt his sleeve tighten as luo chenxi grabbed him firmly.

he struggled with all his might, but luo chenxi held on to him tightly, so he could not break free.

"no, you must rest, mu yichen!"

"i'm not tired. i want to watch candy ..."

"i'll take care of tang tang, you must rest! 'mu yichen, you said earlier that you'll listen to me no matter what. have you forgotten about it so quickly?' if you go back on your word like this, how can i go back with you without worry?"

he had no choice but to acknowledge that luo chenxi's words had struck mu yichen's weakness.

young master mu frowned at once when he heard that luo chenxi did not wish to return with him.

luo chenxi felt a little guilty under his cold and stern gaze, but she still braced herself and got up from the bed. she then pushed mu yichen onto the bed.

"i'm sleeping! if you don't sleep now, i'll leave!"

mu yichen did not believe that luo chenxi would leave the little dumpling in the hospital and leave on her own.

however, he still followed the force of luo chenxi's hand and lay down on the bed obediently.

luo chenxi tugged at his suit jacket and helped him take it off as if she was taking care of the little dumpling. she even helped him take off his shoes.

then, she spread out the blanket that was folded into a block of tofu and covered mu yichen with it.

mu yichen was just like a little dumpling who obediently listened to her orders.

luo chenxi heaved a sigh of relief when she saw him lying flat with his eyes closed.

however, before she could get up, the man opened his eyes once again. " luo chenxi, you'll go back with me after i wake up, right? "

luo chenxi was stunned for a moment before she lowered her head.

she pulled the blanket up to mu yichen's chin and covered half of his face. the haggardness in his eyes made mu yichen lose his usual cold and domineering demeanor. on the contrary, he appeared rather pitiful ...

she even had the illusion that the little dumpling was pitifully begging her big sister to accompany her.

what kind of nonsense was this!

luo chenxi quickly shook off the distracting thoughts in her mind. " hmm, about that ... we'll talk about it after i wake up! i refuse to talk to someone who hasn't slept for a week!"

mu yichen opened his mouth and was about to say something when luo chenxi covered his eyes. " if you're not going to sleep, i'm really leaving! "

"okay, okay, okay. i'll sleep. i'm really going to sleep."

mu yichen truly did not say a word. he closed his eyes.

he was really sleepy, and he had been holding on just now.

now, as he lay flat on the bed, his little woman's familiar faint scent still lingered in the air ...

this kind of aura instantly soothed the anxiety in his heart.

mu yichen fell asleep in less than a minute.

luo chenxi sat by the bed and looked at his handsome face in deep sleep. her feelings were getting more and more complicated ...

Chapter 882: how did she suddenly end up on the bed?

that night, the little dumpling did not sleep well.

due to her fever and pneumonia, she coughed from time to time in her half-awake state, and her small body rolled back and forth uneasily in the blanket.

luo chenxi's heart was in her throat.

he spent the entire night wiping the little dumpling's body, changing the ice cream stickers, and taking the little dumpling's temperature every hour as dr. wang suggested before he left.

it wasn't until five or six o'clock in the morning that the little furball's body temperature dropped. it no longer turned around and fell asleep on the ground with its mouth pouted.

luo chenxi heaved a sigh of relief, but she dared not feel completely at ease. she continued to sit on the edge of the bed and watch.

however, she had been under too much mental pressure the entire day. now that she could relax, a wave of fatigue hit her, and she could not even open her eyes.

even though luo chenxi had been forcing herself to hold on all this while, she could not hold on any longer gradually. she closed her eyes without realizing it.

the next day, she was woken up by the fragrance of food.

not far away, the little dumpling's childish but slightly hoarse voice seemed to be heard.

"daddy, big sister, why is mi still not awake?"

then, the man's cold and deep voice came, "big sister was frightened yesterday. let her sleep a little longer. tang tang, eat first. this century egg porridge was specially sent by grandma. is it good?"

"it's good. daddy, don't drink it, leave it for big sister. i can't let big sister go hungry."

after the little dumpling finished speaking, young master mu didn't say anything for a long time.

luo chenxi woke up at once. she opened her eyes and sat up on the bed abruptly.

"you guys ...!"

she turned around and saw that the ward was filled with warmth.

the sunlight that shone in from the window told luo chenxi that it was almost noon.

she did not know when the little dumpling and mu yichen had woken up.

young master mu's complexion was much better than last night. however, there was still a faint greenish-black color under his eyes, which hadn't disappeared overnight.

the little ball's face was still a little pale, but after a night's recovery, it was much better.

mu yichen was sitting by the bed with a bowl of porridge in his hand. he was using the little dumpling's rabbit ear spoon to feed her.

the little dumpling held the spoon in its mouth. it glanced at luo chenxi from the corner of its eyes and immediately cried out in excitement.

“big sister, big sister, are you awake? the sun is already shining on your butt and you’re still not up, shame on you! daddi didn’t wake big sister up, he’s biased!”

luo chenxi blushed. she lifted the blanket and got out of bed immediately.

last night, i was clearly by the little dumpling’s bedside. why was she suddenly on the bed?

could it be ...

did mu yichen carry her over?

luo chenxi stole a glance at the man. it just so happened that mu yichen turned his head around and looked at her as well.

the moment their eyes met, luo chenxi suddenly felt guilty. she lowered her head and avoided his gaze.

last night, she could not care less because she was worried that something would happen to the little dumpling. she revealed her true feelings in front of mu yichen.

now that she thought about it, she was the person who was determined to break up with him. not only did she take the initiative to call mu yichen, but she also threw herself into his arms and cried for him to coax her ...

he simply didn’t dare to recall!

seeing that she didn’t speak, the little dumpling tilted her head in confusion.

“big sister, why are you not talking? are you also sick?”

luo chenxi recalled the little dumpling’s condition and hastily said, “ the eldest sister is fine. ” however, you drowned yesterday and were seriously ill. the doctor asked you to speak less. ”

Chapter 883: big sister can’t marry someone else!

“did you realize that your voice is hoarse? does your throat hurt when you speak? be good and try not to talk, understand?” luo chenxi said worriedly.

the little dumpling pouted. “ i don’t know. ” tangtang is not hoarse, tangtang’s voice is nice, and my throat doesn’t hurt.”

three-year-old children were the most curious about the outside world and the most talkative.

luo chenxi did not allow her to speak, so the little dumpling was immediately displeased.

luo chenxi chuckled to herself. she had no choice but to change the topic. ‘by the way, is tang tang having her porridge?’ this was from grandma? did she come in the morning?”

before the little dumpling could say anything, another magnetic voice interrupted, “ mom didn’t come. the porridge was sent by aunt chen. ”

tan yueru had wanted to visit her granddaughter at first, but when she learned that mu yichen had stayed in the ward with luo chenxi yesterday, she expressed that she would not be coming and asked aunt chen to bring the porridge over.

finally, her son was able to share a room with his daughter-in-law.

she didn't want to be a third wheel between the two of them.

luo chenxi was only talking to the little dumpling earlier. she had intentionally neglected the man who was sitting by the bed.

at this moment, mu yichen had already spoken, so she could not ignore him anymore. she could only turn to the man and force herself to speak, "hmm, well ... mu yichen, thank you for yesterday. were you the one who carried me to the bed this morning?"

a wisp of coldness flashed past mu yichen's eyes when he heard her speaking in such a polite tone on purpose. "what else? who else could it be?"

luo chenxi choked. "uh ... that ... thank you ..."

"what are you thanking me for? why don't you try saying thank you again? luo chenxi, do you have to talk to me like that?"

young master mu's face was filled with obvious anger as he stared at her coldly.

luo chenxi was aware that it was a sign that he was about to lose his temper. she stood up hastily. "well ... i'll go and wash up first ..."

as she spoke, she immediately turned around and walked to the bathroom attached to the first-class ward.

when luo chenxi closed the door, mu yichen's expression turned cold.

judging from luo chenxi's embarrassed expression and her tone of speaking earlier, he knew that this stupid woman still did not want to go back with him!

the little woman who was so gentle and so dependent on him yesterday felt like she was living in his dream.

the moment she woke up, she had disappeared.

fortunately, he knew that this stupid woman would change her mind when she woke up, so he had made early preparations.

thinking of this, he lowered his head and looked at the little dumpling on the bed.

"tang tang, do you remember what i told you this morning?"

the little dumpling put down her spoon. she pouted her little mouth and glanced at mu yichen with a reluctant expression.

mu yichen squinted his eyes. you don't welcome me to live with you? then do you still want big sister to stay in our house forever and keep you company? if big sister doesn't want me anymore and marries someone else, she definitely won't come to see you again!"

he knew that the little dumpling liked her big sister the most and was most afraid that her big sister would abandon her.

that was why he had said that to scare her.

the effect was obvious.

the little furball's expression changed on the spot. its pair of cat-like eyes widened and its small mouth opened slightly, looking like it was shocked.

she sucked in a cold breath. "no, tang tang, don't let big sister leave! big sister can't marry anyone else!"

mu yichen's eyes flickered and the corners of his lips curled up. "that's right. then, do you know what to say when big sister comes out later?"

the little dumpling nodded unwillingly. "you know how to provoke ..."

Chapter 884: big sister can only sleep with tang tang!

"that's daddy's good daughter."

mu yichen stretched out his large palm and patted the little dumpling's head.

the little dumpling tilted her head and pondered for a while. she suddenly grabbed mu yichen's sleeve.

"daddy, then you have to promise tang tang one condition!"

"conditions? what's the condition?"

"promise tang tang first!"

mu yichen raised his eyebrows and looked at the young woman on the bed with a serious expression in puzzlement.

since when did their little dumpling know how to negotiate with adults?

how old was she?

boxn ov el. c o m

"sure, as long as you can get big sister, i'll agree to any condition."

xiao tuanzi immediately looked happy and said loudly, "big sister is sweet! so, big sister could only sleep with tang tang! daddy, you're not allowed to take big sister away!"

she puffed out her chest and stared at mu yichen with widened eyes. she was determined to defend her rights!

mu yichen was at a loss for words.

he didn't expect that the little dumpling's condition would be like this!

for a moment, he wished he could bite off his own tongue!

if he had known that the little dumpling's request was so outrageous, he would never have agreed to it.

"cough, cough, tang tang, isn't your request unreasonable? don't the parents of other families sleep together? our family can't be different from others. besides, you're all grown up now, you should learn to be independent ..."

"don't! tang tang wants to sleep with big sister! daddi is lying, i'm not speaking up for daddi!"

the little dumpling could tell that he was going back on his word. his little face puffed up in anger and he glared at him.

mu yichen lost his temper at once upon hearing that.

as expected of mu yichen's son, he had been so two-faced since he was young. he managed to grasp his weakness in an instant.

if the little dumpling refused to cooperate with him, luo chenxi would never agree to live with him ...

in order to win his wife back, he could only compromise.

"alright, then ... i'll let you have big sister." it was temporary. " then you have to do what dad just said, understand? "

when the little dumpling heard this, her anger immediately disappeared. she immediately put on a smile and said, " okay! don't worry daddi, tang tang is a good baby, she's the most obedient."

who's the obedient baby?

mu yichen expressed that he did not know her ...

ten minutes later, the bathroom door made a soft noise. luo chenxi pushed the door open and came out.

the little dumpling was sick and she was not in the mood to take care of herself.

she casually washed her face, tied her hair into a ponytail, and walked out.

mu yichen's gaze fell on her at once. he was slightly dazed.

as expected of his little woman, her casual outfit made her look pure and lovely, like a high school student who had yet to reach adulthood.

he lowered his head and glanced at the little dumpling.

the little dumpling got the hint and immediately shouted, " big sister, come and have some century egg congee. grandma makes it so delicious! "

luo chenxi had been hungry for a long time. she had no intention of being pretentious. she walked over immediately and sat down next to the little dumpling.

she stretched out her hand in an attempt to scoop some porridge for herself. who knew that mu yichen had already scooped some for her and handed it to her in a timely manner.

” eat it. be careful, the porridge is hot. ”

when she was passing the bowl to him, the man’s warm and dry fingers brushed across the back of her hand. the slight itch made her hand tremble, and she almost spilled the hot porridge.

“thank ... thank you.”

luo chenxi immediately buried her head in her food to conceal her embarrassment.

at that moment, a doctor appeared at the door of the ward.

Chapter 885: i’m going to be separated from the little dumpling?

“young master mu, mrs. mu, i’m here to make a ward round.”

the doctor seemed a little nervous.

originally, he wasn’t the doctor on duty in the first class ward. however, the attending doctor from yesterday had given a passive treatment plan and almost delayed the little dumpling’s condition. he was directly fired by the director.

the hospital director had transferred him over at the last minute today.

he felt uneasy when he thought about the fact that he was going to treat the little princess of the richest family in T city.

mu yichen did not find it odd at all that the doctor-in-charge had changed.

he nodded and said indifferently, ” come and take a look. my daughter’s fever has gone down, and she seems to be in good condition.”

the doctor quickly walked over, picked up the stethoscope, and gave the little dumpling a detailed examination.

luo chenxi put down her bowl and stared at his every move with a nervous expression.

being stared at by the legendary powerful young master mu, the doctor didn’t dare to be negligent. he carefully examined the little dumpling’s body.

finally, he said, ” young master mu, mrs. mu, you can rest assured. little miss’s body is in good condition. although she looked more serious when she drowned yesterday, she has recovered a lot after the medical treatment. ” however, little miss’s lungs are a little infected and she needs to be treated well. it

is recommended that she stay in the hospital for about a week and wait for the inflammation to subside before being discharged ...”

“no, my daughter is timid and can’t get used to living outside. since there’s no major problem, we’ll be getting ready to be discharged today.”

mu yichen spoke and interrupted the doctor.

the doctor was stunned for a moment. “ young master mu, you want to ... be discharged today? however, little miss has to be put on several iv drips every day and she needs to be checked every day ...”

“that’s not a problem,” mu yichen did not take it to heart. “ i’ll invite the doctor home every day to treat my daughter. it’s just a matter of getting a few bottles of iv drips. prescribe me the medicine that i need, then go and settle the discharge procedures for me. ”

luo chenxi felt a little uneasy, so she tugged at mu yichen’s sleeve secretly.

“mu yichen, is this a good idea? we can recruit doctors at any time in the hospital, compared to our family ...”

“ the medical standard of ruixin hospital is a problem. the family doctor of the mu family has better medical skills than the one here. ” mu yichen took a glance at her.

the little dumpling blinked her eyes. “ big sister, i want to go home. i don’t like the hospital! ”

she could reject mu yichen, but she could not reject the little dumpling.

“alright, i’ll be discharged,” he could only say.

with young master mu’s order, the discharge procedures were completed in a few minutes.

luo chenxi walked out of the hospital with the little dumpling in her arms. she stopped in her tracks when she saw the mu family’s maybach parked at the entrance.

she suddenly thought that if the little dumpling returned to the mu family, she would not follow.

in this case, wouldn’t she have to be separated from the little dumpling?

mu yichen had already gotten into the car. when he saw her in a daze at the entrance, he stuck his head out and looked at her with a frown. “ what are you daydreaming about? quickly get in the car, tang tang can’t be exposed to the wind!”

luo chenxi had no choice but to get into the car.

a few minutes after the sports car started, luo chenxi had a surprised expression on her face.

the car wasn’t heading towards cloud lake elegant court, but to tian he road, the apartment she lived in!

she turned around in surprise and looked at young master mu. “ you ... ”

“i know you don’t want to see me,” mu yichen said calmly. so, i won’t be seeing you guys up. the family doctor comes every morning and night. if there’s anything, call me. ”

Chapter 886: the father and daughter secretly exchanged a look

luo chenxi thought that mu yichen would take the opportunity to bring the little dumpling back to the mu family while she was sick.

he might even use this as a reason to ask her to move back to the mu family and take care of the little dumpling.

whoever knew that he didn't have any intention of forcing her.

instead, she took the initiative to let the little dumpling stay by her side.

he even respected her decision to break up with him and took the initiative to keep a distance from her.

luo chenxi widened her eyes as she stared at mu yichen's cold and perfect side profile in a daze. her heart trembled and she was at a loss for words.

she knew that it was not that mu yichen did not want her to go home. after all, he had hinted to her last night that he would not be able to fall asleep without her at home. he had even requested in a low voice for her to go home with him when she woke up today ...

however, these words seemed to have stopped yesterday.

today, he did not mention a single word.

boxn ov el. c o m

luo chenxi's heart ached. she was afraid that mu yichen would notice her uneasy expression, so she lowered her head and hugged the little dumpling tightly.

"then we'll take our leave first. thank you for yesterday. if it wasn't for you, i wouldn't know what to do ..."

she said quickly and opened the car door to get out.

she did not notice at all that mu yichen and the father-daughter duo, xiao tuanzi, had secretly exchanged a glance.

just as luo chenxi's foot stepped out of the car door, the little dumpling in her arms suddenly pounced forward.

luo chenxi did not expect her to move at all. she almost lost her grip on her.

she quickly tightened her arms around him. "tang tang, what's wrong with you? don't move!"

however, the little dumpling seemed to have not heard her voice. her entire body pounced toward mu yichen.

at the same time, she cried out in a hoarse voice, "don't leave daddy! tang tang wants daddy! wuwuwu, daddy will stay with tang tang!"

luo chenxi was stunned for a moment upon hearing his words.

these words sounded very familiar.

however, the person that the little dumpling usually called out to and didn't want to leave was "big sister."

today, it was suddenly changed to 'daddi'.

luo chenxi's heart ached for him after the momentary surprise.

the little dumpling was mu yichen's biological daughter after all. moreover, mu yichen doted on the little princess so much. how could the little dumpling not miss her father?

some time ago, she had taken xiao tuanzi away from the mu family, which was actually a very selfish act.

the little dumpling was with her, but she couldn't see her father. she would definitely miss her father ...

luo chenxi hesitated for a moment before she loosened her arms.

the little dumpling immediately jumped onto the seat of the sports car and crawled into mu yichen's arms. "daddi, daddi, come home with tang tang! the teacher said that a family of three should live together!"

mu yichen stretched out his hand to hold the little dumpling's swaying little body.

he raised his head and took a glance at luo chenxi on purpose before he shook his head.

"no, tang tang, i can't live with you. your big sister will be unhappy. how about this, you go home with big sister first, and when you're better, dad will come and pick you up, okay?"

"waa ...! don't! tang tang wants daddi to stay!"

the little dumpling burst into tears.

luo chenxi's heart ached when she heard that.

even though the little dumpling was always at odds with mu yichen, she still loved her father very much in her heart.

how could she forcefully separate the father and daughter?

luo chenxi spoke hesitantly, "why don't you let tang tang go back with you? i'll ..."

"wow ... big sister doesn't want tang tang anymore? i also want big sister to accompany me!"

Chapter 887: it's all for tangtang

the little ball blinked its big eyes and pouted its little mouth, looking pitiful.

anyone who saw it would be soft-hearted.

luo chenxi was in a difficult position. "tang tang, is this alright? you go back to dad's house first, big sister will visit you in a few days ..."

“waa ... no, i want big sister! tang tang is so pitiful, she’s already sick and big sister still doesn’t accompany tang tang ...”

the little ball immediately cried harder and even began to pant.

luo chenxi suddenly recalled that the little dumpling’s lung infection had not yet recovered. it would certainly affect her body if she cried like that.

she quickly hugged the little dumpling and kissed her on the cheek. “tang tang, be good. don’t cry, don’t cry. big sister will accompany you, alright? don’t cry anymore, okay?”

“and daddi!”

the little dumpling wrapped her arms around luo chenxi’s neck and buried her face in the crook of her neck as she mumbled in a muffled voice.

boxn ov el. c o m

“okay, okay, okay, and your father!”

luo chenxi gritted her teeth and turned to look at the man who was still sitting in the sports car.

mu yichen was shocked by the little dumpling’s acting skills earlier. he was astonished for a moment at first, but the corners of his lips could not help curling up when he saw luo chenxi’s flustered manner.

all of a sudden, luo chenxi turned her head around and looked toward him.

he almost couldn’t keep the smug smile on his face in time.

mu yichen raised his hand to cover his mouth and coughed twice to conceal his unnatural expression.

“ahem, chenxi, what do you think we should do now?”

luo chenxi pursed her lips and said, “mu yichen, can i trouble you to ... stay at my place for a few days?”

mu yichen had been waiting for this sentence. he nodded immediately. “alright, no problem!”

luo chenxi was stunned for a moment upon hearing his answer.

she didn’t expect him to agree so quickly!

mu yichen also realized that he was being too enthusiastic. he quickly lowered his head and coughed once again. “don’t think too much. i’m doing this for ... for tangtang.”

luo chenxi’s expression was slightly dejected. “yes, that’s right. it’s all for tangtang.”

it must be a good thing for mu yichen to have such thoughts.

it was only then that the little dumpling broke into a smile and hugged luo chenxi’s thigh. “she’s too pushy! big sister, daddi, let’s go home quickly!”

luo chenxi suppressed the distracting thoughts in her heart. she picked up the little dumpling and walked toward the apartment.

mu yichen strode with his long legs and followed behind them.

the corners of his mouth rose slightly.

the moment he rushed into the hospital ward yesterday and saw luo chenxi and the little dumpling, he suddenly figured it out.

although this stupid woman was detestable, he could not leave her.

since that was the case, he could only continue to pester her.

this stupid woman wanted to break up with him. she was simply daydreaming!

the family of three walked towards the apartment. on the way, they met grandpa li, who had just finished lunch and was out for a walk.

grandpa li appeared to be a little embarrassed when he saw mu yichen.

“hehe, chenxi, are you taking a walk with your husband? i don’t think i’ve seen him these few days.”

ever since he mistook mu yichen for a hooligan the other day, grandpa li was embarrassed to greet luo chenxi for a few days.

before luo chenxi could read her lips, mu yichen had already caught up from behind. he spoke first, “i went on a business trip a few days ago and just came back today. thank you for taking care of my wife these past few days.”

as he spoke, he reached out to carry the little dumpling. “chenxi, let me carry tangtang. don’t tire yourself out. ” didn’t you say you were going to the supermarket to buy groceries? i’ll go with you.”

grandpa li heard their conversation and nodded to himself.

the husband that luo chenxi married seemed to be rather considerate.

Chapter 888: you’re the one who invited me to stay at your house

mu yichen did not show up for the past few days. luo chenxi brought the little dumpling in and out of the house every day.

the people in the estate noticed that. many of them even thought that luo chenxi’s husband was a scumbag.

not only did he kick the door in the middle of the night and disturb the people, but he also ran off to god knows where and left his wife at home.

looking at it now, he had only spoken two sentences, yet grandpa li’s impression of mu yichen had completely changed.

mu yichen was dressed in a suit and leather shoes. she could tell at a glance that he was a social elite with a good income. he was handsome and was so gentle and considerate to his wife ...

“young man, you’re not bad! from now on, our chenxi will be handed over to you. she’s a very good girl, you must cherish her!”

grandpa li patted mu yichen's shoulder and reminded him.

mu yichen nodded solemnly. " grandpa li, don't worry. i know what i'm doing. "

as he spoke, he held the little dumpling with one hand while his other hand wrapped around luo chenxi's slender waist. he pulled her into his arms and lowered his head to plant a kiss on her cheek.

boxn ov el. c o m

luo chenxi did not expect him to be so arrogant and bold.

there were many people on the lawn in the neighborhood, but he didn't even try to avoid it and directly kissed her!

the two of them walked to the corridor. when they made sure that no one was around, luo chenxi could not help but grumble, " "mu yichen, you ... how could you kiss me just now? we are no longer ... in that kind of relationship!"

"not what kind of relationship?"

mu yichen raised his brows and said expressionlessly, " i'm kissing you not for any other reason but for tang tang. "

luo chenxi was stunned for a moment. " for tang tang? "

mu yichen nodded in all apparent seriousness. " that's right. it's for tangtang. it's for your neighbors to see. i think that we need to act as a loving couple. otherwise, what would others think of tang tang? they might think that you're my mistress and tang tang is an illegitimate daughter."

luo chenxi blinked her eyes.

mu yichen's words seemed to make sense, but there seemed to be something off about them.

young master mu didn't give her a chance to figure it out. he held her waist and walked in the direction of the apartment.

" alright, don't think too much. everything is for tangtang. "

upon hearing his words, luo chenxi was relieved, but she felt a little disappointed at the same time.

after a while, he nodded. " yes, everything for tangtang! "

"yes, that's it!" mu yichen was grinding his teeth when he saw her nodding.

he really wanted to knock this stupid woman out and bring her back!

he really didn't open his apertures!

she didn't even understand which of his words were said out of anger!

mu yichen returned to the apartment with a stomach full of pent-up anger. he looked left and right, but everything he saw was an eyesore.

“isn't this fridge a little too small? you can't put down anything. no wonder you have to buy vegetables every day. just throw it away! how many years had this sofa been used for? can't you see that the leather outside is already worn out? he could also throw it away! and this shower, is it leaking? throw ...”

the veins on luo chenxi's forehead bulged as she listened.

“mu yichen! are you done? my small apartment is very run-down and can't be compared to the mu family's big villa, but even tang tang is living well. you're an adult, can you not be so picky?”

mu yichen glanced at her. “ what's wrong? you're the one who invited me to stay in your house, and i can't even express my personal opinion on the living environment?”

“sure, why not?” “but, what can you do after you're done complaining?” luo chenxi said in an unpleasant tone.

“didn't i just tell you? throw it away and get a new one!”

Chapter 889: chapter 893-kissing randomly!

mu yichen's heart ached to death at the thought of his woman and daughter living in such a dilapidated place recently.

thinking of this, he took out his phone and called liang bro and the others to explain.

luo chenxi initially thought that mu yichen was just acting like a tsundere as per his routine. hence, she did not take it to heart after quarreling with him for a while. she brought the little dumpling to the bathroom to wash her hands and wipe her face.

however, what she didn't expect was that in just half an hour ...

when she and the little dumpling came out of the bathroom, they saw a few people in the living room carrying brand new sofas, furniture, and refrigerator into her house.

luo chenxi's expression changed. she ran out in a hurry. “ mu yichen, you ... what are you doing? ”

mu yichen leaned against the wall in a relaxed manner. “ i'm here to change your furniture. your house doesn't look like it's meant for anyone to live in. it's fine if it's small, but the things here are so run-down. i'll help you renovate it. you don't have to thank me!”

thank him, my ass!

luo chenxi was about to fly into a rage when a rather familiar voice was suddenly heard from the side.

“chenxi, your husband is really ... too rich, right? this set of furniture was all imported, so it would cost at least a million yuan, right? he actually bought it without even blinking! and that set of lighting equipment ...”

“yes, yes, chenxi, you're so blessed! she actually found such a good man!”

“we thought you were tricked by that scumbag, and we thought we had a chance! but now ... sigh!”

luo chenxi took a closer look and almost fainted.

no wonder she found the porters familiar. they were all her neighbors who had grown up with her.

there were even a few who had pursued her.

if mu yichen did not do it on purpose, it would be like seeing a ghost!

on the other hand, mu yichen had a calm expression on his face. he ignored luo chenxi’s sour face on purpose. he walked over and kissed her on the forehead. ” my dear, do you like it? ”

luo chenxi almost wanted to hit him.

he kissed her without thinking!

he even asked her if she liked it!

however, mu yichen lowered his head and whispered into her ear at this moment, ” “for tangtang.”

it was like a spell.

no matter how dissatisfied luo chenxi was, she could not voice it out anymore.

she could only force a smile and say, ” i like it. thank you, hubby. you’ve put in a lot of effort! ”

” it’s too painful for my eyes. it’s too painful! ”

“are they not giving us single dogs a way out?”

“you stole our goddess and you’re still so smug?”

the neighbors who came to help finished their work and left while complaining.

luo chenxi clutched her head in depression.

she thought that mu yichen’s stay over for a few days was just a trivial matter.

she did not expect that mu yichen would cause such a huge commotion less than an hour after he moved in.

the neighborhood was only so big. in this kind of old neighborhood that had been around for decades, every household basically knew each other.

she reckoned that before tomorrow, everyone in the neighborhood would know that her husband was a very rich, willful, and clingy man.

in contrast to luo chenxi’s frustration, mu yichen appeared to be rather pleased with himself.

this was the effect he wanted!

he wanted everyone to know that luo chenxi was his wife!

he just wanted this stupid woman to get used to the feeling of being together with him.

by the time luo chenxi got used to it, it would not be easy for her to escape from his embrace anymore.

Chapter 890: i came here to apologize to tang tang and sister-in-law

“ah? you are ...”

as soon as luo chenxi opened the door, she was stunned for a moment when she saw a tall, handsome, and unfamiliar man standing at the doorway.

the man saw her and smiled. “ you must be the mu family’s sister-in-law. you’re as pretty as jingsi said. ”

luo chenxi blinked her eyes. before she could speak, mu yichen’s voice was heard from behind her.

“big brother he, why have you come?”

mu yichen explained when he saw luo chenxi’s astonished expression, “ this is he jinsi’s older brother, the he family’s young master, he jinyan. you should have met his wife, the young lady of the yin family, yin yulan, the current chairman of SL holdings.”

“ah? the big brother of the he family is our chairman’s husband??”

luo chenxi was even more astonished.

the social circle of the rich and powerful was really small, really small.

it was no wonder that mu yichen could easily acquire 10% of SL holdings with just a phone call when he threatened sheng yu the last time ...

he jinyan smiled. “ why are you so surprised, sister-in-law? aren’t you going to invite me in?”

“uh, big brother he, please come in, please come in.”

luo chenxi quickly took a few steps back and invited him into the living room.

then, he went to the kitchen to make tea.

luo chenxi only realized that something was amiss when she came out with a cup of tea in her hand.

she was about to break up with mu yichen and was no longer the “ sister-in-law ” he jinyan had mentioned. why did she still invite mu yichen’s friend in?

he jinyan was obviously very familiar with the little dumpling. as soon as he entered the door, he gave her a rabbit headband.

the little dumpling was extremely excited. she put the hair band on her head and ran to luo chenxi.

he lifted his little head for her to see. “ big sister, is it sweet? ”

it was only then that luo chenxi could see that the headband was fully embedded with pink diamonds. each of them was more than two carats while the bigger ones were even five carats. every single one of them was perfectly colored.

it was very pretty, but wasn't it too expensive?

even between the rich and powerful, they couldn't just give away things worth tens of millions, right?

"this ... isn't this too valuable?"

mu yichen did not seem to mind. "it's fine. just accept it. big brother he must be here to apologize."

"apologize?" luo chenxi was slightly puzzled.

he jinyan sat up straight and said with a serious expression, "that's right, i'm here today to apologize to tang tang and sister-in-law. you probably don't know this, but silver flame academy is the property of our family, and it has been passed down for more than ten generations. T city's yinpi kindergarten is one of yinpi's schools. it's my negligence that caused tang tang to be injured. i'm really sorry."

it was only then that luo chenxi reacted to the situation. she quickly said, "of course, you can't blame big brother he. i've already seen the surveillance video at that time. our tang tang was mischievous and wanted to play by the pond. in addition, it had just rained that day and the ground was wet, so she fell."

he jinyan shook his head. "at the end of the day, it's all because of our lack of management. i've already replaced the head of the kindergarten and re-checked the safety measures. if you have any other requests, you can tell me."

luo chenxi was embarrassed to say anything further when the behind-the-scenes boss apologized personally and even gave the little dumpling such an expensive gift.

however, mu yichen did not hold back at all. he made a bunch of requests.

young master he agreed to all of them.

luo chenxi was about to ask him to stay for lunch when she saw that it was already noon.

however, young master he said that he had something to do in the afternoon and left.

he shot mu yichen a look before he left.

"i'll see big brother he out," mu yichen got the hint and stood up.
