

Chapter 13 Galen's sake

Galen appeared in front of them.

The figure exuded a kind of majesty and inviolability.

Everyone froze.

At the moment Jason immediately smiled: "Mr. Galen! I haven't seen you for a long time. See you here!"

Bena was completely stunned.

Why is Galen here? Isn't he staying at her house?

...

Did Galen follow her?

Galen came forward and said in a low voice in spite of Bena's constant stare at him, "Mr. Jason, Miss Bena is my friend. You must have known the importance of this hairpin to her. Why don't you sell her for my sake?"

Galen's sake!

This can't be bought with money!

Jason used to work as a medic in the United Nations force for some time, and it was there that he met Galen.

Galen is an eternal legend of the United Nations troops!

He once had won hundreds of victories on the battlefield. He killed people without blinking an eye, broke into the forbidden area alone and annihilated more than 300 terrorists, and then came out unscathed.

Like such a legend, Jason is just fortunate to be able to talk a little!

Jason's eyes flashed and he immediately replied, "No problem! I will give up my one favour and give this hairpin to Miss Bena."

"Eh?"

What's going on!

The man who refused to sell the hairpin before agreed to give it to her now?

She knew Galen is very powerful, but what she didn't know was that Galen had the power to solve almost anything.

Bena was surprised. She looked up at Galen.

Galen also just looked down at her, then leaned slightly and enveloped her petite body perfectly into his tall figure.

Bena's heart trembled, and for the first time she felt that she was being protected.

Isolated in past lives, and moved by Galen's protection at this moment, she suddenly felt at a loss.

Pretending to be calm, she didn't find her ears slightly red.

After successfully getting the hairpin, Bena held it excitedly and almost could not speak.

However, she did not forget to thank Galen. She bowed her head and said, "Thank you very much for this!"

Bena decided not to pursue the matter of being kicked into the water.

In fact, this man doesn't seem so bad?

Galen looked at her pink ears, his throat moved close to her, "Only a thank you?"

Bena receded subconsciously, leaning against the wall with her whole body in a position of being circled by Galen.

So close to Galen, the man's resolute face, angular facial lines, sexy lips, and deep eyes... Bena's heart thumped wildly.

What's going on!

Didn't she plan to seduce Galen?

She was attracted to him instead...

Bena thought that she was a woman who had lived again and could not be pulled so easily. She stretched out her hands and pushed him away and escaped from his arms.

"Sorry, Mr.Galen, I'll go to the toilet."

Looking at Bena's back, Galen's mouth floated with a smile that he didn't even notice.

Chapter 14 The Eightieth Birthday

Time passed quickly, and Smith's eightieth birthday arrived.

At the banquet that night, most of the upper-class celebrities in A city came up, and there were also many businessmen who had business dealings with T's family.

Bena and Tiana showed up at the party together.

Tiana appeared in a sapphire luminous dress, which was covered with blue gauze and Swarovski gems. The glow dimmed Bena, who was wearing an ordinary black evening dress.

Tiana's dress attracted many people's eyes and praise, as if she was the most popular lady of T's family.

Tiana looked triumphantly at Bena, with disdain in her eyes.

It took her a great deal of effort to get this dress, in order to completely beat Bena tonight!

But Bena only glanced at her faintly and said nothing.

It's just that she got a little more strength to pinch the the glass, and her eyes were infected with some hatred.

She will never forget the misery brought to her by this party.

In the last life, at this banquet, she was trapped by Tiana and gang-raped, However Tiana said to everyone that Bena's behavior was dissolute.

So she was expelled from the T's family by Grandpa that night!

And this time, she will never let history repeat itself!

Just when she was lost in thought, a luxury car and a military jeep stopped at the gate of the banquet.

Two men got off the cars.

One was Bena's fiance Robinson, and the other man was Galen!

The audience was in uproar, and all eyes were turned to Galen, Robinson, who followed behind Galen was useless by contrast.

Why Galen is here? When did this T's family contact the G's family?

People are talking in succession!

Galen pursed his lips, and his eagle eyes swept around the banquet hall and locked on someone.

He smiled, walked in the direction of the woman.

Ladies in that direction watched Galen walk towards them, their hearts beating fast and their cheeks flushed.

They all thought Galen was looking for herself.

Tiana held out her chest proudly. She came to the birthday party dressed like this today. She had no doubt that she was the most beautiful in the audience tonight. Even Galen had to be conquered by her luminous skirt.

She looked up at Galen walking slowly towards her, and all the voices in her ears were talking, all of which were envious of her.

Tiana became more and more proud.

She watched Galen come up to her and stopped. She bowed her

head and said shyly, "Mr. Galen..."

But Galen just gave her a cold look and sank: "You are in my way."
