

Chapter 6 This Woman Is Interesting

On Saturday, the Camellia Party.

The well-dressed Bena was particularly eye-catching, but few people recognized her as T's family, and some people whispered about her origin.

Bena would attend the high-class parties like this before she was ten years old, and she rarely showed up after her mother died.

Bena didn't care about other people's comment at all. She sat by and tasted this year's new tea. It is sweet and refreshing.

Every year, the G's family holds camellia parties in spring, and the old lady invites some nobles to attend.

She didn't believe that she would be invited to here this year.

This year's Camellia Party is different from previous years. This time, only some famous ladies were invited. Bena thought that this Camellia Party seemed to be planned for Galen to choose a wife!

After a while, the waiter on the side reminded aloud: "Mrs.G is coming."

Bena stood up quickly with the ladies around her and looked in the direction of the old lady.

Mrs.G was in a a Chinese cheongsam, with precious pearls on it and a small white waistcoat on her shoulders .

She was accompanied by a woman in white.

The old lady looked at her with a loving smile.

This woman is Cherry, the youngest daughter of Z's family.

Her appearance surprised Bena!

She was Galen's wife in her previous life and later became the top designer in jewelry field!

Bena suppressed her inner shock and tried to keep her smile flawless.

She didn't believe Cherry would come to this camellia party. It seems that history will repeat itself.

This battle is really harder than she thought!

After seeing them, the old lady smiled lovingly and said softly, "Sit down and make yourself at home."

Bena sat down.

As soon as the old lady came over, she saw Bena. She waved to Bena. "Bena, come and sit here with Grandma."

After hearing this, the ladies on the side were shocked.

Who is this woman? The old lady treated her softly.

Bena kept smiling and sat cleverly beside the old lady.

She and Cherry, left and right, sat around the old lady.

With the presence of the old lady, the atmosphere was once very harmonious.

But everyone knows the true purpose of this tea party!

Cherry, who has been quiet and docile, frowned with pride.

Where's Bena from?

Just as they were guessing, Galen, the most important person of this camellia meeting, finally appeared!

The man, dressed in a formal military uniform, walked steadily towards here.

He seemed to have just returned from the army. After glancing coldly at this group of women in front of him, he took off his coat and exposed his lean chest wrapped only in a white shirt.

Ignoring the shy and timid eyes of the famous ladies, he slowly walked to the old lady and greeted in a gentle voice: "Grandma, I am back."

"Dear grandson, you're finally back." Mrs.G held Galen's hand with relief and asked him to sit beside her.

Galen stood still, and his eyes stopped on Bena after sweeping Cherry coldly.

This woman ...

He stared at Bena with a pair of sharp eyes.

Isn't the little wildcat he slept with that night?

Galen's eyes flashed with interest.

Interesting!

Chapter 7 Miss Bena is really noble and forgetful

The purpose of Bena's coming here is to attract Galen's attention and marry to him.

But she felt a little panicked after facing to him.

Can she conquer such a man who is very arrogant?

Bena subconsciously avoided Galen's eyes.

When Cherry saw Galen ,her eyes were shining!

She said to Galen in a sweet voice, "Hay,Galen."

Galen turned a deaf ear to Cherry's greeting. He took his eyes back from Bena and said to the old lady, "Grandma, what can I do for you?"

After the old lady looked at her grandson cunningly, she smiled, "Nothing, I'll let you young people have a good chat."

Then she let the servants help her left.

She thought there are so many famous ladies,one of them must be the cup of tea to her grandson!

As soon as the old lady left, the ladies didn't want to be reserved, and they all came forward to please Galen.

But one by one was beaten back by Galen's eyes.

He is a soldier, with rage on his body, and these ladies naturally dare not approach his again.

"Come here!" Just as the atmosphere cooled down, Galen looked at Bena sitting on one side.

Everyone else was rushing to talk to him, but she wasn't!

Was she trying to play hard to get?

Bena was surprised. She looked at Galen in shock.

"Come with me." In spite of everyone's eyes, Galen walked to secluded swimming pool in the garden.

Although Bena had not yet figured out what was going on, she naturally did not dare to neglect. She stared at everyone and followed Galen's ass.

As soon as everyone saw it, they knew that they was out, so they chatted and left one after another.

But Cherry, who was left out in the cold from start to finish, gnashed and severely pedaled her feet.

How dare this woman steal her thunder!

Galen stood by the pool and turned to look at Bena who was in confuse.

Nobody could not to know what he thought.

His gold eyes frightening.

Bena was stared at some embarrassed, did Galen have a crush on her?

She hasn't started performing yet!

After a short silence, Bena decided to greet Galen first. She forcibly smiled. "Hello, this is our first meeting, I am Bena."

In her bright eyes, there is no familiarity with him.

Galen pondered a smile. "First meeting? Miss Bena is really noble and forgetful."

Chapter 8 I have big breasts!

"Ah? What do you mean?" Galen's words puzzled Bena.

Seeing Bena's confused appearance, Galen realized that Bena had not recognized him.

He couldn't help but think of the ecstasy of that night, and of course, the three dollars and eighty cents he threw at the bedside!

Galen is not a good kind. He would fight back after being humiliated!

Then, a smile appeared on his face. " Miss Bena, how did you get into the camellia party with your small chest and thick waist?"

Although the tone is plain, it is full of ridicule!

After hearing this, Bena's face turned cold in seconds.

She is obviously a great beauty, how can she be so terrible as he said!

Galen must call her here to humiliate her deliberately.

Being humiliated for no reason, Bena couldn't swallow her breath and held out her chest. "Look, I have big breasts!"

And she isn't short or fat.

She is 1.7 meters tall.This kind of figure is very slim.

She also weighs very little.

Galen looked at Bena with great interest and was in a good mood.

Her angry look is somewhat similar to that of the British royal cat

raised in his family.

But he still preferred her amorous feelings that night.

He couldn't help but tease again. "Miss Bena, have you put a lot of sponges on your chests?"

"What..."

Bena's cheeks flushed with anger. She looked at the swimming pool behind her eyes. Without thinking about it, she raised her legs and kicked Galen.

However, she forgot that Galen was a soldier and a trainer.

She was asking for a death!

Galen buckled Bena's legs, raised his hands and pushed forward gently, and Bena's body fell back uncontrollably.

When Bena looked frightened, he let it go!

"Ah", Bena fell into the pool and made a splash.

Bena drank a lot of water off guard. Fortunately, she could swim. After sinking for a while, she floated up.

She soaked in the water and looked at Galen's shallow smile on the shore.

She was indignant and stared at Galen angrily.

Galen is really not a gentleman!

She suspected that all this was Galen's deliberate action. He took her to the pool deliberately for seeing her make a fool of herself!

The movement of her drowning attracted the people at the camellia party, who looked this way and laughed at Bena.

Seeing that the purpose was achieved, Galen deliberately picked his eyebrows and said, "You don't have the strength to fight me right now."

Then Galen ignored Bena's reaction and lifted his leg to leave.

Bena kept slapping the water with anger.

Cherry has been staring at every move by the pool. Although she is dissatisfied with Galen calling Bena away alone, she is still very happy when she saw Galen's indifference toward Bena falling into the pool.

She caught up with Galen, "Galen, wait for me, let's go together."

When Galen heard this, he turned around and said to Cherry coldly, "Miss Cherry, although our two families have a good relationship, it doesn't mean that I will tolerate you infinitely. You know what you have done, so please behave yourself."

Then he strode away.

Cherry was shocked.

What did Galen mean?

He knew that she was the one who drugged Bena that night?
