

Swordsman 1521

Chapter 1521: Satisfied

Indeed.

If he hadn't come across Duan Lingfeng this time round, Jian Wushuang would be in big trouble.

Perhaps he could think of a way to survive in the hands of Zi Dongwang, Xin Zhu and Universe God Liu Ying. However, he would definitely need to give up his White Blaze Fruits.

"Duan Lingfeng, you are completely uninterested in the White Blaze Fruit?" Jian Wushuang looked at Duan Lingfeng.

"That's right," Duan Lingfeng nodded his head indifferently.

"If that's the case, I shall not give you White Blaze Fruits. I have armor here with me and I obtained it from Universe God Xiong Fu previously. Please take it," Jian Wushuang took out some black armor. The black armor was a Real God-level Chaos Unique Treasure and it was Universe God Xiong Fu's treasure to protect his body with.

After seeing the black armor, Duan Lingfeng frowned, "Jian Wushuang, you should know that I helped you not for the White Blaze Fruit, and not for this armor."

"I know," Jian Wushuang laughed, "However, I still need your help from here on. The stronger you are, the greater your help will be to me. This armor should be able to raise your fighting capabilities slightly."

Jian Wushuang could tell long ago that the divine weapons and defensive armors that Duan Lingfeng used were first-rate Universe God-level Chaos Unique Treasures. In spite of that, he was still able to push back Zi Dongwang.

If he had Real God-level armor, his abilities would definitely rise considerably.

"You want me to team up with you?" Duan Lingfeng looked over.

"That's right," Jian Wushuang did not hide the truth, "I have nine White Blaze Fruits with me now. Hence, I am definitely a popular target. Since so many Universe Gods in this cave want to kill me and I'm alone, if I were to come across a situation like just now, I would be unable to deal with it. However, if I were to team up with you, it would be different."

Duan Lingfeng had been ranked third previously. After his match with Zi Dongwang, it proved that he had abilities to rank second on the Universe God ranking list.

In the entire cave, probably only the God Destroying King was superior to him. Hence, if Jian Wushuang were to team up with him, he could move around the cave freely.

"In addition, during my match with Xin Zhu and Universe God Liu Ying just now, I benefited considerably. Next, I have no plans to continue moving around to fight for the White Blaze Fruits. Instead, I want to find a place to train for a period of time. During the process of my training, I will naturally need an expert like you to protect me," Jian Wushuang emphasized the word 'expert' intentionally.

"I see," Duan Lingfeng nodded his head and took the black armor immediately, "I shall accept this armor."

After seeing that, Jian Wushuang revealed a smile.

...

On the second level of the cave, one of the greatest commotions was when a total of eight White Blaze Fruits appeared at the same time.

This piece of news spread through the whole cave in a moment, just like a hurricane.

Other pieces of news that were spread included the shocking match between the five experts Jian Wushuang, the White-robed Swordsman (Duan Lingfeng), Zi Dongwang, Xin Zhu, and Universe God Liu Ying.

These five experts were part of the top ten of the Universe God ranking list. In particular, Zi Dongwang and the White-robed Swordsman were ranked second and third respectively.

However, the end result was...

During the match between Zi Dongwang and the White-robed Swordsman, Zi Dongwang was at a disadvantage.

Xin Zhu and Universe God Liu Ying had teamed up and they hoped to kill Jian Wushuang. However, both of them were unable to do anything to Jian Wushuang at all, even after demonstrating all of their tricks.

As soon as the news got out, countless Universe Gods were astonished.

In the vast hall outside the cave, many Almighties, including the Real Gods from various forces, also got the news before long. After that, all of them gasped in admiration.

"This Jian Wushuang's luck is really good. Since he was targeted by Zi Dongwang and Xin Zhu at the same time, even if he didn't die, he would have to give up quite a number of White Blaze Fruits. That was what I thought at first. However, who could expect him to come across the White-robed Swordsman at that critical moment? Moreover, the White-robed Swordsman is actually good friends with him?"

"Although Jian Wushuang is a disciple of the Lineage of Star, he is good friends with the White-robed Swordsman. Could the White-robed Swordsman be in the Lineage of Star as well?"

"No, no. The White-robed Swordsman is definitely not in the Lineage of Star. This point has already been confirmed. Perhaps the both of them got to know one another while they were travelling in the outside world."

"No matter what, Jian Wushuang has teamed up with the White-robed Swordsman. Hence, it will be difficult to get the White Blaze Fruits from him again."

Many experts who were present understood.

One was ranked fifth in the Universe God ranking list, while the other one was one of the top three. Moreover, at that very moment, he had been acknowledged as the number two. Since the two experts had teamed up, not many people in the cave would dare to provoke them.

“Lei Chao, seems like your Lineage of Star is destined to benefit greatly.”

“I agree. Since Jian Wushuang and the White-robed Swordsman has teamed up, probably no one in the cave will lay their hands on his nine White Blaze Fruits.”

The Real Gods were also chatting and laughing wantonly.

“My Lineage of Star does not wish to have great benefits. However, since luck is at the doorstep, we cannot reject it,” Lei Chao laughed apathetically and he felt more relaxed. After that, he messaged Jian Wushuang and questioned, “Jian Wushuang, what is your status now?”

“I’m all right. The clash with Xin Zhu and Zi Dongwang did not result in any losses,” Jian Wushuang replied immediately.

“How about your good friend, the White-robed Swordsman?” Lei Chao continued asking.

“He’s with me,” Jian Wushuang said.

“That’s great,” Lei Chao continued speaking: “Jian Wushuang, listen up. Now, you have already obtained nine White Blaze Fruits. To the Lineage of Star, this is already enough; don’t hope for too much. After all, you are now the target of everyone. Hence, for the time being, you don’t need to travel around to fight other White Blaze Fruits. Please find a place and stay put until this fight comes to a complete end.”

“Ideally, get your good friend to stay with you the whole way. If there is a need, give him a few White Blaze Fruits.”

“Haha, Lord Lei Chao, don’t worry. That good friend of mine has agreed to team up with me. Moreover, he is not the least bit interested in the White Blaze Fruit. Hence, I gave him the Real God-level armor that I obtained from killing Universe God Xiong Fu previously,” Jian Wushuang giggled.

“That’s for the best,” Lei Chao nodded his head and terminated the transmission.

On the second level of Wu Bei’s cave, Jian Wushuang was sitting down with his legs crossed in the deepest part of a cave, which was situated halfway up a mountain, and was storing Lei Chao’s transmission token slowly.

“Even without Lord Lei Chao saying so, I have no plans to participate in the upcoming fights for the White Blaze Fruits,” Jian Wushuang laughed indifferently.

Since the moment of the opening of the second level of the cave to the current point in time, thirty-seven White Blaze Fruits had appeared. Hence, there were thirteen fruits that had not appeared yet.

Therefore, the fight was still ongoing. However, Jian Wushuang had no plans to participate.

He had already obtained a total of nine White Blaze Fruits and was satisfied with that.

For the remaining time, he would allow the Universe Gods to continue fighting for the White Blaze Fruits. He himself had planned to stay in the mountain all along. As for Duan Lingfeng, he was inside a neighboring cave, refining the Real God-level armor.

Chapter 1522: Zi Dongwang Who Was Unwilling To Accept Defeat

On the second level of Wu Bei's cave.

Zi Dongwang stood side by side with Zin Zhu. As for Universe God Liu Ying, he wasn't in the same troop as Zi Dongwang and Xin Zhu originally. Hence, after fighting a battle against Jian Wushuang, he left on his own.

"Zi Dongwang, did you know you would be defeated by the white-robed swordsman?" Xin Zhu asked with his eyebrows tightly knitted.

"He has the upper hand just by a slight bit. To really defeat me, he doesn't have the ability!" Zi Dongwang bellowed.

Xin Zhu raised his eyebrows but didn't comment further. However, he sneered in his head.

Regardless of if Zi Dongwang was willing to admit it, he wasn't the white-robed swordsman's match. That was a fact. If the new Universe God ranking list were to be released, the white-robed swordsman's ranking would definitely be before Zi Dongwang's.

"Humph, this won't end so easily," Zi Dongwang harumphed coldly.

"What are you planning to do?" Xin Zhu looked at him.

"Isn't the white-robed swordsman strong? I can do nothing about him, but someone else can. When I was fighting against him, I left a tracing mark on him. He can't escape so easily!" There was a gleam of light in Zi Dongwang's eyes. The very next moment, he plunged towards the void on the other side.

Although Xin Zhu was confused, he followed anyway.

The fight for the White Blaze Fruits continued.

Occasionally, there'd be births of White Blaze Fruits. There were only two pieces to three pieces at one goal, not like the previous time when eight White Blaze Fruits had come to the world at the same time.

Even so, the massacre was still mad and there were more deaths that followed.

In the blink of an eye, a few days passed .

The fifty pieces of White Blaze Fruits on the second level of the cave came to the world and they had their respective owners too.

Vroom. In the void, Real God Wu Bei's blurry image, which was formed by his consciousness, reappeared.

"The fight for White Blaze Fruits on the second level of the cave has already ended, I will give you another one month's time. A month later, the third level will be opened!"

“On the third level, which is also the last level, there isn’t any White Blaze Fruit but... there’s a White Blaze Fruit Tree!”

Then, the blurry image that had been formed by Real God Wu Bei’s consciousness vanished into thin air again.

In the lofty palace in the cave, there was a great commotion.

“As expected, there is really a third level!”

“This mad man... He saved the White Blaze Fruit Tree for the last level?”

“White Blaze Fruit Tree, that is the most precious thing in the cave. Those White Blaze Fruits were just fruits that were grown on the White Blaze Fruit Tree.”

Various experts, including Almighties were all hot with excitement.

White Blaze Fruit made various Almighties drool, but a White Blaze Fruit tree made all the Almighties go insane.

Many years ago, many Almighties had gotten into a crazy fight and bloody massacre to get the saplings of the White Blaze Fruit Tree. However, it fell into the hands of Real God Wu Bei in the end.

But it was a mature White Blaze Fruit Tree this time and it was even more precious.

One month...

The Universe Gods in the cave started preparing themselves.

The air was filled with the atmosphere of massacre. The chilliness in the void was bone-piercing. A scrawny, pale-looking young man who looked like a sickly person walked forward slowly.

His appearance was extremely frail but when he walked and passed by the countless Universe Gods, whoever saw him wanted to immediately run away without hesitation in shock.

No one dared to be within a thousand mile range of him, let alone block his way or challenge to for a fight.

Ever since the young man had come to Wu Bei’s cave. He almost never took action but he had got three White Blaze Fruits.

Just then...

“Huh?” The pale young man lifted his head.

In the void before him, there were two figures charging towards him. Very soon, they stopped before him.

The two figures that descended were Zi Dongwang and Xin Zhu. However, Zi Dongwang, who normally assumed a haughty air, looked rather humble. The way he looked at the young man seemed to have a tinge of reverence too.

“God Destroying King, long time no see,” Zi Dongwang greeted.

“God Destroying King,” Xin Zhu greeted too.

God Destroying King!

The young man who looked pale and extremely frail was the one in the first place on Universe God ranking list, God Destroying King!

He was the number one among Universe Gods without a doubt in Eternal Chaotic World.

“Zi Dongwang, Xin Zhu, what’s up?” God Destroying King glanced at both of them.

“Something’s up,” Zi Dongwang replied, “I know that you came to Wu Bei’s cave because of the Almighty behind incited you to, and the Almighty promised you something too on the premise that you would get sufficient White Blaze Fruits. But you only have three White Blaze Fruits on hand. It should have yet to reach the criteria that the Almighty requested, right?”

“True,” God Destroying King nodded, “However, as long as I can get the White Blaze Fruit Tree on the third level, it’ll do.”

“White Blaze Fruit Tree?” Zi Dongwang smiled faintly, “There’s only one White Blaze Fruit Tree but there are so many Universe Gods who want to fight for it. God Destroying King, although you are powerful and you are the number one among all Universe Gods, the other Universe Gods will not be passive. Most likely, the Universe Gods will join forces to force you out. Hence, the possibility of you getting the White Blaze Fruit Tree, in the end, isn’t high either.”

“Don’t beat around the bush. Get straight to the point,” God Destroying King’s gaze was cold.

“Let me be frank with you then. I’d like to invite you to join forces with the two of us to fight against Jian Wushuang and the white-robed swordsman. You only need to kill the white-robed swordsman. If you really can’t kill him, just tie him down. As for Jian Wushuang, Xin Zhu and I will take care of him. Jian Wushuang has a total of nine White Blaze Fruits to hand,” Zi Dongwang said.

“You lost to the white-robed swordsman and you want to get rid of him with my hands?” God Destroying King glanced at Zi Dongwang.

Zi Dongwan’s gaze faltered but he didn’t deny it.

He had the intention of killing Duan Lingfeng.

He was arrogant and boastful. He had no choice before God Destroying King. He could only submit to him.

But besides God Destroying King, he wasn’t willing to accept that there was another Universe God who was stronger than him.

“Nine White Blaze Fruits... I want five of them,” God Destroying King said straightforwardly.

“Five pieces?” Zi Dongwang’s facial expression changed but he nodded anyway, “Deal.”

“Do you know Jian Wushuang and the white-robed swordsman’s current location?” God Destroying King asked.

"Of course I know. We can get there in one day with our traveling speed," Zi Dongwang replied.

"If so, let's depart," God Destroying King sounded cool.

Very soon, the strongest formation, made up of God Destroying King, Zi Dongwang and Xin Zhu, was charging in the direction where Jian Wushuang and Duan Lingfeng were at.

However, Jian Wushuang and Duan Lingfeng had no idea about it.

Duan Lingfeng knew that Zi Dongwang left a tracing mark on him and he started to remove it but he still needed more time.

As for Jian Wushuang, he was at his most critical period.

Chapter 1523: Real God Level!

Halfway up a mountain, inside a provisional cave which had been opened up.

Jian Wushuang was sitting down alone with his legs crossed. On the surface, he looked impervious to desires and passions. However, within the sea of consciousness, his Soul Fire was burning furiously.

The soul and consciousness were different from a cultivator's realm.

A cultivator could be in the realm of a Universe God. However, his consciousness could have reached the level of a Real God's.

As for Jian Wushuang just then, his Force of Soul was trying to break past the bottleneck to the Real God's level.

During his early days in the Sky Sword Prison, his Force of Soul had reached the limit of a Universe God's. After honing it for another thousand years, his soul had achieved the critical stage of making a breakthrough. However, he lacked an opportunity to make a breakthrough. However, a few days ago, during the match between Xin Zhu and Universe God Liu Ying...

The strongest attack, Nine Weight Destruction, that Xin Zhu had used, had given his soul an impact that he had never felt before.

This impact had caused his Soul Fire to almost fall apart. However, it was such an instant of life and death that gave rise to an opportunity for him to make a breakthrough.

After that fight subsided, he immediately started to meditate in seclusion in the provisional cave that had opened up.

After a few days, he reached the critical moment.

"Whether I fail or succeed will depend on this moment!"

Jian Wushuang's eyes glowed with a brilliant light. The Soul Fire in his sea of consciousness was also burning furiously and the Soul Power that had accumulated to the limit a long time ago started to try to go past its limit.

Boom!

With a fierce impact, the bottleneck was destroyed. With that, the Soul Fire in Jian Wushuang's sea of consciousness started to increase madly at once.

"I have made a breakthrough!"

Jian Wushuang was extremely delighted. The flowing Soul Power in his sea of consciousness also started to rise at an amazing speed.

In no time, his transformation ended.

"Force of Soul, Real God level!" Jian Wushuang clenched his fists tightly.

It was not just the Force of Soul that had risen. It should be known that Jian Wushuang had always been proficient in soul attacks.

When he had used his soul attacks previously, his consciousness had not achieved the level of a Real God's. However, almost no one could block them.

At that very moment, his Force of Soul had achieved the level of a Real God's. If he were to unleash soul attacks again...

"Let's try it."

Jian Wushuang laughed nonchalantly and his Soul Power surged at once.

Roar!

A furious roar that seemed to appear from an Abysmal Hell could be heard. A black and big Demonic Dragon, which released shocking murderous aura, appeared fiercely.

This Demonic Dragon was very powerful. When its body flew past the void, it ripped open the void easily.

"This power..." Jian Wushuang's eyes glowed brilliantly, "Haha. That Xin Zhu can use his consciousness to create headless soldiers which have the fighting capabilities of Real Gods. However, the power of the Demonic Dragon that I can create using my Soul Power now is also similar to that of a Real God!"

"As for the soul attacks, I have the Eighteen Asura Hell and Secret Skill of Tian Yuan. In particular, if I use the Secret Skill of Tian Yuan with my full power, the soul attack would definitely not be weaker than Xin Zhu's Nine Weight Destruction. It might even be slightly stronger."

Jian Wushuang was over the moon.

Among the Universe Gods, Xin Zhu was recognized by the Eternal Chaotic World as the Universe God with the strongest consciousness attacks.

However, at that very moment, Jian Wushuang believed that his own soul attacks were not weaker than Xin Zhu's. In fact, they might even be stronger.

Moreover, among his soul attacks, if he were to use the Divine Ape from the Five Beast Soul Manipulation Knack, he could combine his Soul Power with his Divine Power beautifully.

Real God-level Soul Power combined with his Divine Power. Jian Wushuang's abilities had definitely increased greatly compared to the past.

"If I were to fight against Xin Zhu and Universe God Liu Ying again, I would definitely not be in a difficult situation. Moreover, I might even be able to break both of them one by one!" Jian Wushuang laughed apathetically.

...

Jian Wushuang and Duan Lingfeng were sitting by a stone table and drinking wine.

"Duan Lingfeng, what is the power of this black armor?" Jian Wushuang asked casually.

"Not bad. With this armor, my abilities have risen considerably compared to the past. Especially in the aspect of my Divine Power," Duan Lingfeng said.

The black armor that Duan Lingfeng had obtained was a Real God-level Chaos Unique Treasure and it was similar to Jian Wushuang's Blood Feather Reincarnation Armor. It also contained a secret skill which could allow one's Divine Power to rise.

"Previously, you were able to push back Zi Dongwang even without this piece of armor. But now... I am curious as to whether you have the right to compete with the God Destroying King who is ranked first in the Universe God ranking list," Jian Wushuang jeered.

"No idea," Duan Lingfeng shook his head, "I have heard that there is a huge gap between the first and second of the Universe God ranking list. However, I have never come across the God Destroying King. If I don't fight with him personally, I will be unable to judge."

"That's true," Jian Wushuang laughed indifferently and he lifted his wine cup up.

"Oh?" Jian Wushuang frowned abruptly. He had already sensed the three shadows which were within the range of his Soul Power.

"Duan Lingfeng, our old friend is here," Jian Wushuang giggled.

"Old friend? Zi Dongwang?" Duan Lingfeng shot a glance toward Jian Wushuang. He then had a dull expression.

Duan Lingfeng could no longer feel interested in Zi Dongwang just then.

"It's him. However, he has brought us a big surprise this time round," Jian Wushuang chuckled. His Soul Power had already locked on to one person.

That was a pale-looking young man who looked fragile.

However, it was this young man that had given Jian Wushuang a great amount of pressure.

Swoosh! Swoosh!

Jian Wushuang and Duan Lingfeng plunged out from the cave immediately. They then appeared in the void on the upper end.

In front of them, three shadows descended.

Among the three shadows, there was Zi Dongwang and Xin Zhu, who Jian Wushuang was familiar with.

There was also that fragile young man... God Destroying King!

"Both of us were still talking about the God Destroying King just now. However, who would expect him to appear in front of us straight away," Jian Wushuang had an indifferent expression and he glanced at Duan Lingfeng, "Looks like you have an opportunity to fight him."

"Yes," Duan Lingfeng nodded his head and his eyes shone brilliantly like never before.

He had come to Wu Bei's cave in order to fight against experts.

At the beginning, he had defeated Demon Girl Ling Luo, who was ranked third in the Universe God ranking list. Previously, he had also fought with Zi Dongwang and managed to push him back.

At that very moment, he had obtained a Real God-level Chaos Unique Treasure and his abilities rose again. Hence, what he yearned for at the moment was to fight with the God Destroying King, the Universe God who had been recognized as the number one among Universe Gods!

Duan Lingfeng was filled with fighting intention.

Jian Wushuang was the same as well.

"My Force of Soul has just made a breakthrough and my abilities have increased greatly. Thus, I am just about to find someone to test out my abilities. Just then, the three of you came. What a coincidence," Jian Wushuang stuck his tongue out and licked his lips. His eyes were also unusually cold.

On the battlefield, swords were drawn and the battle was about to begin!

Chapter 1524: Duan Lingfeng, All Out!

In the void, there was a purple-haired elderly casually traveling forward casually and he happened to pass the nearby void where Jian Wushuang and the others were at.

"That's it..."

The purple-haired elderly noticed the five figures in the void and suddenly looked surprised.

"Zi Dongwang, Xin Zhu, White-robed Swordsman, Jian Wushuang... The last one is, it's God Destroying King!

"My God!"

The purple-haired elderly was astonished at the sight. He could tell that the five people in the void before him were obviously in two teams.

God Destroying King, Zi Dongwang and Xin Zhu were in one.

Jian Wushuang and White-robed Swordsman were in another one.

"Breaking news! Breaking news!"

“This is definitely the pinnacle of all the fights in Wu Bei’s cave!”

The purple-haired elderly was excited and he instantly spread the news.

In an instant, the entirety of Wu Bei’s cave was astonished.

In the lofty palace in the outside world.

“I knew it. I knew Zi Dongwang would just give up easily. As expected!”

“Zi Dongwang even invited God Destroying King?”

“God Destroying King, he is widely recognized as the number one Universe God. He’s... supernatural!”

“God Destroying King, Zi Dongwang, Xin Zhu teamed up. It is definitely the strongest team in Wu Bei’s cave. White-robed Swordsman and Jian Wushuang are really in danger this time.”

The experts gasped with admiration yet sighed emotionally.

In the cave, countless Universe Gods received the news and were filled with all kinds of thoughts and emotions.

Those who were near to the battlefield immediately rushed over at their fastest speeds.

A team made of God Destroying King, Zi Dongwang and Xin Zhu against Jian Wushuang and Duan Lingfeng, both could be known as the strongest team in Wu Bei’s cave.

Naturally, everyone was dying to witness the clash of the two strongest teams with their own eyes.

In the void, the air was still and frozen entirely.

After God Destroying King, Zi Dongwang and Zin Zhu appeared, they didn’t speak. However, Jian Wushuang and Duan Lingfeng knew their purpose of their visit.

“Duan Lingfeng, as you are looking forward to fight against God Destroying King, I shall leave the chance to you,” Jian Wushuang looked at Duan Lingfeng, “Are you confident?”

“No, but I can give it a try,” Duan Lingfeng looked cold as he withdrew the saber from the scabbard behind his back. A terrifying Sword Intention spread instantly and it was growing more and more intense.

Duan Lingfeng locked his gaze onto God Destroying King.

“You want to challenge me? Come on, let’s do it.”

God Destroying King looked cold too. As he spoke, he took a huge stride forward and his aura instantly soared to the peak.

Just like a primeval beast, he pounded Jian Wushuang and Duan Lingfeng.

“This aura is pretty impressive,” Jian Wushuang squinted his eyes.

As the aura burst out, a golden long spear appeared in God Destroying King's hands. The golden long spear was covered in unique golden dragon print. As he wielded it, there was a faint roar of the dragon that reverberated. The entire heaven and earth seemed to be under his feet.

The golden long spear was called Bellicose Spear.

God Destroying King had an overbearing manner.

"Fight!"

Duan Lingfeng's eyes were glistening with sharpness. He roared and took a sudden step. The void under his foot instantly cracked.

"The thirteenth!"

Duan Lingfeng gripped the saber in his hands tightly. Under the flow of divine power, vroom. One towering crimson shadow appeared in the void.

A total of thirteen crimson blade shadows appeared and every one of them was ferocious. They were strong enough to strike fear into the experts in the top thirty on Universe God ranking list.

But at that very moment, after the thirteen crimson blade shadows appeared, they suddenly condensed and blended together. They formed a bright, glaring crimson moon.

The crimson moon suddenly swung out in silence.

Instantly, it spurred the entire heaven and earth to pressure God Destroying King.

God Destroying King saw the scene but his gaze was still as cold as before. Just as the crimson moon was slashing down against his body, the golden Bellicose Spear in his hands suddenly stabbed.

It was a casual stab, but it was earth-shattering.

Bellicose Spear contained an extermination aura. Even Jian Wushuang, Zi Dongwang and Xin Zhu who were standing far away were palpitating.

"This is God Destroying King!"

"Any casual move or technique brings about boundless Extermination Intention. His level of comprehension of Extermination Doctrine is too high.

Zi Dongwang and Xin Zhu saw the scene and gasped in admiration, especially Zi Dongwang.

He was arrogant and boastful and he was never willing to admit defeat. However, before God Destroying King, he had no courage to compete at all.

It wasn't because he didn't want to challenge God Destroying King, but because their difference was just too vast.

Bang!

A loud thud.

The void where the vigorous battle was happening instantly shattered and formed a scary void storm.

In the void storm, Duan Lingfeng shook his body and at that moment, it was as though he became three people and the three Duan Lingfengs were wielding his saber all at the same time.

God Destroying King was still standing there coldly but he gripped and the Bellicose Spear instantly turned into a cyclone and flew out like lightning.

Dang! Dang! Dang!

Duan Lingfeng moved backwards but the power in his bladelight also made God Destroying King take a step back.

“You can make me move backwards? With that alone, you are much stronger than Zi Dongwang,” God Destroying King said coldly.

Duan Lingfeng didn’t talk nonsense but looked at God Destroying King solemnly.

Suddenly, vroom. A boundless divine power revolved and suddenly exploded from Duan Lingfeng’s body. His body increased in size twofold. He was three meters tall and there were faint black ripples spreading from him. The entire universe was engulfed in darkness.

The originally ferocious aura in Duan Lingfeng went more intense by a notch at that very moment.

Zi Dongwang was shocked by the sight.

“Bastard. When he was fighting with me previously, he never performed these techniques!” Zi Dongwang’s face was distorted in anger.

When Duan Lingfeng was fighting against him, he suppressed him with only swordsmanship and his comprehension towards doctrines.

He never performed the secret skills that he was seeing then.

It was obvious that Duan Lingfeng held back some power when he fought with him

Swoosh!

Duan Lingfeng launched another attack.

“The Fourteenth!”

Vroom. In the void covered in darkness, there was a total of fourteen crimson blade shadows that appeared from nowhere.

The fourteen crimson blade shadows suddenly overlapped one another and straightaway slashed.

With the flawless combination of Massacre Doctrine and Darkness Doctrine among the Nine Heaven God Doctrines, Duan Lingfeng already burst out his strongest fighting power.

“Duan Lingfeng, he is really powerful.”

Jian Wushuang looked at Duan Lingfeng who was going all out and gasped with admiration. Then, he immediately glanced at Zi Dongwang and Xin Zhu before him.

“Duan Lingfeng and God Destroying King are fighting so ferociously. I can’t be so relaxed.”

Jian Wushuang slightly lifted the corners of his lips. Blood Mountain Sword had already appeared in his hands.

Chapter 1525: Jian Wushuang's Battle

"Shall we begin?"

At that moment, Zi Dongwang and Xin Zhu looked toward Jian Wushuang.

"Let's not waste time and kill him now," Xin Zhu spoke coldly.

"Of course," Zi Dongwang laughed ruthlessly. He then released thick purple light from the purple gloves that he wore.

"Let's fight," Jian Wushuang giggled and changed his body.

Swoosh! Eighteen shadows appeared at the same time.

"Kill!" Zi Dongwang's eyes glowed with murderous aura and his body moved instantly.

As for Xin Zhu, although he was standing in his original position, he was releasing his Power of Consciousness. In no time, three big headless soldiers formed in front of him.

Swish! Swish! Swish!

As the shadows glowed continuously, Jian Wushuang appeared in front of Zi Dongwang.

"Ninth Heaven Stroke!"

A great amount of sword essence materialized and a Nemesis Sword descended abruptly.

As for Zi Dongwang, with a wave of his big hand, purple light burst forth and before it collided with the Nemesis Sword, he clenched his right fist fiercely.

"Break!"

An unreasonable amount of power was released and the Nemesis Sword which carried an enormous amount of sword essence was dissipated at that moment. The absurd power also forced Jian Wushuang to retreat by a few steps.

When Jian Wushuang's body had just regained its posture.

Rustle! Rustle! Rustle!

Three ear-piercing sounds could be heard and three dim lights appeared in Jian Wushuang's line of sight.

The three dim lights were the long spears thrown by the three headless soldiers.

The speed of the three headless soldiers was not fast. However, the speed of the spears that they tossed with their full power was shocking.

"Hmph!"

Jian Wushuang gave a cold shout and with a strange change of his body, the three spears passed his body. However, they did not touch any part of him. After that, Jian Wushuang's body turned back to normal in its original position.

"Jian Wushuang!"

A loud cry could be heard. Afterward, black mist filled the sky and headed toward Jian Wushuang like the ferocious mouth of a beast.

The black mist also contained many consciousness attacks like big millstones with the intention of crushing Jian Wushuang completely.

"This move again?"

Jian Wushuang's eyes turned serious. However, he stood still in his position and allowed the nine consciousnesses to attack him.

After the nine consciousnesses struck Jian Wushuang, he gave a groan and the black mist which filled the sky dissipated soon after.

"What?" Xin Zhu was shocked.

Previously, when he had teamed up with Universe God Liu Ying to fight Jian Wushuang, he also used this strongest move of his. In the end, Jian Wushuang was affected greatly and almost killed.

However, when he used it again at that moment, Jian Wushuang had actually managed to block it so easily?

"Do you think that I will suffer under the same move twice?" Jian Wushuang laughed coldly.

This move of Xin Zhu was indeed fearsome. Previously, Jian Wushuang's Force of Soul was only at the peak of a Universe God. Hence, it would be very difficult for him to block such an attack.

However, at that moment, Jian Wushuang's Force of Soul had already achieved the level of a Real Gods'. If he were to come across the same attack, he could block it easily.

"So what if you blocked it? You still need to die!" Xin Zhu was filled with murderous intent. The three giant headless soldiers then stepped into the void and headed straight for Jian Wushuang.

"I am not interested in you." After shooting a glance at Xin Zhu, Jian Wushuang's Soul Power surged.

"Roar!" "Roar!" "Roar!"

Three furious roars which shook the heavens could be heard. Three black Demonic Dragons shrouded in murderous aura then appeared fiercely.

The power of the three Demonic Dragons were astonishing. In an instant, they clashed with the three headless soldiers.

"I shall let them have fun with you."

Jian Wushuang chuckled and his eyes locked onto Zi Dongwang, who was in front of him.

“Zi Dongwang, I heard that you are proficient in close combat fights. Today, let me have a showdown with you.”

As soon as the words left his mouth, a giant golden Divine Ape appeared from Jian Wushuang’s body. At the same time, a tremendous amount of flames was released, forming a crimson sea of fire and Jian Wushuang was the emperor of the crimson sea of fire.

Five Beast Soul Manipulation Knack’s strongest Divine Ape and the Scarlet Kingdom were used at the same time.

What was different from before was that Jian Wushuang’s Force of Soul had achieved the Real God-level. Hence, when he unleashed the Divine Ape move, its power was a lot greater than before.

At that moment, Jian Wushuang’s Divine Power and Soul Power combined beautifully. Hence, his fighting capabilities were a lot greater compared to when he had fought Universe God Liu Ying and Xin Zhu.

“Kill!”

Jian Wushuang’s body moved like lightning.

As Zi Dongwang was clad in armor, his body became slightly bigger and his aura was raised to its peak as well.

At that moment, the two of them did not hold back. Both of them had unleashed their full power.

In no time, both of them clashed head-on.

“Boom!”

It was another direct clash. However, Zi Dongwang did not gain the upper hand this time around.

“His power has risen?”

“Just now, he was inferior to me and I annihilated his Sword Principles with one palm. However, now, his power is actually equal to mine?”

Zi Dongwang’s expression turned grave. However, his face was glowing with madness.

“Jian Wushuang, didn’t you want to compete with me in a close combat fight? Today, I shall grant you your wish!” Zi Dongwang bellowed.

“Haha, bring it on!” Jian Wushuang’s eyes were burning with excitement.

In no time, both of them fought again. However, this time around, it was a close combat fight.

Bump! Bump! Bump! Bump! Bump!

Shocking sounds of collision echoed across the universe.

Jian Wushuang’s Sword Principles, Zi Dongwang’s palm skills and fist skills, as well as both of their close combat abilities, were completely unleashed.

As for their speeds, they were so fast that no one could keep their eyes on their figures.

Boom!

A lofty mountain at the side was split open. What followed that was a void that was collapsing a thousand miles away. Next, many giant sword marks, which covered hundreds of miles, appeared on the ground.

Intense!

Exciting!

Earth-shaking!

Their intense fight had reached the climax.

Such a crazy clash continued for ten breaths' time. With the sound of an explosion, the two shadows separated again. Both of them then stood in their respective positions with thousands of miles in between them.

As for both of them at that very moment, Jian Wushuang's hair was slightly messy and there were two clear palm prints on his Blood Feather Reincarnation Armor which were left behind by Zi Dongwang.

Zi Dongwang was no better off.

The armor on his body had two sword marks. Moreover, there was a bit of blood at the corners of his mouth.

"Haha, Zi Dongwang, is your close combat ability only like this?" Jian Wushuang's hearty laughter could be heard.

"Hmph, you left two sword marks on my body and I have also left two palm prints on your body. Hence, we are the same. What is it that you are proud of?" Zi Dongwang bellowed coldly.

"Indeed. However, my body defense is stronger than yours. Even though I have taken the full force of your two palms, my injuries are not obvious. But what about you?" Jian Wushuang sneered.

Chapter 1526: Terrifying Consciousness Attack

Zi Dongwang's face changed.

The intense battle between him and Jian Wushuang earlier was actually too close to call. However, due to the difference in their defensive powers, he was injured but Jian Wushuang was totally fine. It was something he couldn't accept.

"Previously, the white-robed swordsman. Now, Jian Wushuang?"

"No, no!"

"There's already God Destroying King above me. I definitely can't stand a second person above me, let alone a third!"

"Jian Wushuang, you have to die!"

There was an unprecedented insanity twinkling in Zi Dongwang's eyes. The moment he roared, hong! A boundless purple divine light flowed out from Zi Dongwang. He clasped his hands together and fathomless divine power flowed into his palms.

A terrifying power slowly condensed in his hands.

"Want to go all out now?" Jian Wushuang concentrated.

He could tell that the next move that Zi Dongwang was going to take wouldn't be insignificant.

If not mistaken, it should be Zi Dongwang's strongest unique skill.

"Unique skill!" Jian Wushuang shook his head in silence.

He knew that Zi Dongwang was going to perform his strongest unique skill but Jian Wushuang couldn't give play to a matching sword principle to fight evenly.

In terms of unique skill, he was really at an absolute disadvantage.

No choice. He was only a Universe God in the Second Heaven after all. Even if he were to have the ability to create a unique skill of a higher level, he still couldn't create one.

He couldn't match evenly with his sword principle, but Jian Wushuang had another technique.

Rumble. There was boundless divine power flowing in Jian Wushuang's body along with the Ancient God power that he possessed.

At that very moment, they were all flowing into his right index finger intensely.

His index finger gave out an intense golden light and a bolt of earth-shattering power continued to accumulate.

After a good while, Jian Wushuang and Zi Dongwang were done preparing to launch their moves.

"Jian Wushuang!!!"

Zi Dongwang let out a roar and his voice soared to the Ninth Heaven.

"Come on!" Jian Wushuang let out a chilly glare.

The next moment, both of them launched attacks at one another at the same time.

Hong!

A towering hand that was formed by purple divine power appeared in the universe. The huge purple hand almost formed a substantiated purple crystal and covered the vast void. It slowly patted and the space it passed constantly made explosive sounds. In the end, it shattered like a pane of glass.

Before the huge purple hand, there was an ancient hand that extended. The ancient hand was dark gold and an enormous amount of divine power concentrated in one huge finger in the end. The finger in dark gold poked through the void.

Zi Dongwang's strongest unique skill.

Jian Wushuang also went all out to perform his strongest attack technique, Ancient God Fourth Finger!

The power of both techniques shook heaven and earth.

Suddenly, they collided head on.

At the beginning, there wasn't any vigorous noise, only two bolts of boundless divine power constantly compressing and clashing, as though there were two worlds constantly melting.

But the melting only lasted for a short while.

Vroom. A shapeless shockwave suddenly soared up from the middle where the two bolts of power collided. Then, it swept out with no mercy.

Within the one-hundred mile range, Xin Zhu was still standing there as he manipulated the three headless warriors to fight against the three demonic dragons.

However, even with him manipulating the three headless warriors personally, they were only evenly matched with the three demonic dragons.

Then, the shockwave swept out and glided against the three headless warriors and three demonic dragons like breaking dead wood.

In silence, the three headless warriors and the three demonic dragons dispersed straightaway.

One should know that the three headless warriors and three demonic dragons possessed the fighting powers of an ordinary Real God. They were merely hit by the shockwave caused by the collision of the two bolts of power and they disappeared.

"It is that strong?"

Xin Zhu, who was swept by the shockwave, was then gawking with his eyes wide-open.

In the divine power storm that was formed by the two bolts of power.

Wow!

A sharp swordlight forcefully tore all the obstacles before him. Jian Wushuang's figure directly pierced the divine power storm and appeared before Zi Dongwang.

"Zi Dongwang, take this!" There was a chilly gleam in Jian Wushuang's eyes and there was suddenly a black longspear that gave out unique aura in his hands.

As his Soul Power flowed and covered the black longspear, it instantly turned into a bunch of black lights and suddenly shot out.

The longspear didn't look very powerful but in actual fact, the longspear contained the strongest Soul Attack that Jian Wushuang had performed with his all. The second stage of the secret skill of Tian Yuan... Inextinguishable Light!

The inextinguishable light with the support of divine spear was a divine power that was terrifying.

Suddenly, the bunch of black light came before Zi Dongwang.

“Humph!”

Zi Dongwang harrumphed coldly and slapped. The black longspear was immediately slapped away.

However, the Soul Attack contained in the black longspear wasn't hindered but immersed itself into Zi Dongwang's body like lightning.

A terrifying Soul Power suddenly descended!

“It's a consciousness attack!” Zi Dongwang instantly alerted and immediately started a consciousness defense.

However, the consciousness attack was like a sharp blade and forcefully tore his consciousness defense apart. In the end, it hit his consciousness without scruples.

“Ahhh!!!!”

A shrill roar was heard from Zi Dongwang. Zi Dongwang couldn't stand the sharp pain in his consciousness and he immediately knelt down. His face was flushed red and distorted in agony.

The moment where Zi Dongwang drown in acute pain, Jian Wushuang appeared before him and his Blood Mountain Sword showed no mercy but turned into a crimson streak of lightning and slammed down at Zi Dongwang's head.

The acute pain in Zi Dongwang's consciousness had yet to subside and he couldn't withstand the stroke but the armor on his body covered his entire body.

Clang!

Blood Mountain Sword slashed at Zi Dongwang's head and a fierce divine power exploded. Even though Zi Dongwang's head didn't break apart because of the protection of his armor, the fierce power spread into Zi Dongwang's body through the armor. Then, it hit the internal organs of his body insanely.

“Poof!”

Zi Dongwang spat a mouthful of fresh blood and his face instantly grew pale. He was dispirited by half and his body started falling down after the hit.

However, Zi Dongwang's body had yet to fall on the ground but it suddenly stopped. His bloodshot eyes stared at Jian Wushuang and there was fear in his eyes.

“So scary. Such a terrifying consciousness attack!”

“Compared to Xin Zhu's Nine Weight Destruction, it was much stronger.”

“A consciousness attack like this... I can't block it. I definitely can't block it!”

“Run, run!!!”

...

Chapter 1527: God Destroying King

Zi Dongwang escaped straight away.

Although he was seriously injured, he still had the strength to escape. In an instant, he had completely disappeared from Jian Wushuang's line of vision.

When Xin Zhu witnessed such a scene, he was completely stunned at his position.

"How is this possible?" Xin Zhu's eyes were filled with dullness, "The proud and ambitious Zi Dongwang has actually run away?"

He found it unbelievable.

However, at that moment, Jian Wushuang looked at him.

Xin Zhu felt fearful.

Since Zi Dongwang had escaped, what was going to happen to him?

"Run!" Xin Zhu did not hesitate and he chose to escape at once.

"Hmph, you have brought me inconvenience twice and yet you wish to leave without paying the price for it?" Jian Wushuang's eyes turned cold. Although he was quite a distance away, he still used the same move. With the aid of the God Destroying Lance, a light beam was shot and it entered Xin Zhu from the back of his body.

When Zi Dongwang had been struck by this Soul Attack previously, he had ended up in a very tragic state and Jian Wushuang had taken advantage of the opportunity to wound him fatally.

However, as Xin Zhu was proficient in Soul Attacks to begin with, his consciousness defense was stronger than Zi Dongwang.

After taking Jian Wushuang's Soul Attack, Xin Zhu's body paused and his expression turned pale. However, he managed to withstand the attack and he disappeared from in front of Jian Wushuang quickly.

Jian Wushuang had a cold expression. Even though he looked on as Zi Dongwang and Xin Zhu left one after the other, he did not give chase. Instead, he looked toward a distant battlefield.

On that battlefield, Duan Lingfeng was still fighting the God Destroying King.

Whoosh!

Jian Wushuang's body moved and he appeared on the battlefield in a split second.

When he arrived at the battlefield for real, he could not help but gasp in surprise as he looked at the battlefield.

The big battlefield covered tens of thousands of miles. However, the ground below the battlefield had completely disappeared. What was left behind was a bottomless pit with a large circumference, as well as giant, boundless saber markings. Even the void was utterly dilapidated by the two frightening Divine Powers and looked as if it were the end of the world.

Bam!

A violent sound of collision could be heard from a part of the battlefield. Strong wind was also created from the power generated from the clash between the both of them and it swept past the area. Jian Wushuang was hit by the strong wind and this caused his hair and robe to be blown up.

"This is really intense," Jian Wushuang stuck out his tongue and licked his lips. His eyes were glowing brilliantly.

Swoosh! Swoosh!

Two shadows finally separated from one another again and the battlefield regained its peace for once.

Jian Wushuang then looked toward the both of them, starting with Duan Lingfeng.

The Duan Lingfeng of the very moment did not have his unyielding attitude and he even looked a bit miserable. In addition, the corners of his mouth and his body had a few bloodstains. Even if this were the case, Duan Lingfeng's fighting spirit did not become any weaker.

As for the God Destroying King, he remained powerful and unrivalled.

"Seems like Duan Lingfeng is the one in a slightly disadvantageous position. The first of the Universe God ranking list really lives up to his reputation," Jian Wushuang gasped in admiration.

In the void, the God Destroying King wore a nonchalant smile and the intimidating golden long spear in his hands pointed toward Duan Lingfeng, "To be able to force me to this stage, you are indeed strong. However, if you wish to fight for my position, you are still not good enough."

Duan Lingfeng's expression turned grave.

Swoosh!

Jian Wushuang appeared beside Duan Lingfeng.

"Duan Lingfeng, this is the first time I have seen you in such a miserable state," Jian Wushuang chuckled.

Duan Lingfeng glanced at Jian Wushuang and nodded his head, "Can't help it. This God Destroying King is really powerful. He is more powerful than any of the Universe Gods that I have met as well as a few of the Real Gods. I have already done my best. However, I was still pushed back by him easily."

"Pushed back easily?" Jian Wushuang's eyes squinted.

The word 'easy' could mean that the God Destroying King had not shown his true power yet.

The God Destroying King, who was in a distant void, also noticed Jian Wushuang's arrival.

"Jian Wushuang? What about Zi Dongwang and Xin Zhu?" the God Destroying King questioned with a deep voice.

He had been fighting with Duan Lingfeng all the way and he could not pay attention to the other battlefield.

"The both of them ran away a long time ago," Jian Wushuang giggled.

“Ran away?” God Destroying King’s expression changed slightly, “Zi Dongwang is known as the second of the Universe God ranking list. Even with Xin Zhu, they are still unable to do anything to you. To make matters worse, they even had to escape from you? What trash!”

“Since the both of them have escaped, why aren’t you leaving as well? Could it be that you want the both of us to send you off personally?” Jian Wushuang stared at the God Destroying King.

“I, the God Destroying King, can come and go anytime I want. Since when is it up to other people to decide for me?” the God Destroying King bellowed coldly.

“Seems like we really will have to send you off,” Jian Wushuang chuckled and looked toward Duan Lingfeng who was beside him, “Let’s team up and fight the God Destroying King. Deal?”

“Two against one?” After muttering to himself for some time, Duan Lingfeng nodded his head, “No problem.”

Duan Lingfeng was also certain that it would be very difficult for him to fight against the God Destroying King alone. Hence, it would be impossible to force the God Destroying King to leave.

Therefore, both of them had no choice but to team up.

“Comparing attack power, I am inferior to you. However, your martial art motion and speed are inferior to mine. Hence, I will fight with him in close combat and you will take advantage of any openings to put pressure on him!”

“With the both of us teaming up, we can teach this God Destroying King a lesson,” Jian Wushuang laughed.

“Alright,” Duan Lingfeng nodded his head earnestly.

Immediately... Whoosh!

Jian Wushuang unleashed his martial art motion and eighteen shadows swept past the area. In no time, they appeared beside the God Destroying King and did not give him any time to use his Sword Principles.

Buzz!

An icy-cold golden light appeared abruptly. It was a golden long spear.

The golden long spear was like a golden giant dragon and it materialized in the void that Jian Wushuang’s body had appeared from with lightning speed. A frightening destructive aura was also released at the same time.

At that moment, Jian Wushuang only felt that he, as well as the void that he came out of, were about to be completely annihilated.

“What fast reactions!”

Jian Wushuang was surprised. With a change of his body again, he bypassed the intimidating golden long spear. After that, his body changed into a sharp sword and the golden Divine Ape which shrouded his body also held the longsword in its hand tightly. Sword light then whistled.

“Ten Thousand Shadows!”

Rustle! A great amount of sword light burst forth abruptly.

However, the God Destroying King’s eyes were filled with a layer of coldness. The golden long spear in his hands swept across the area in an intimidating manner which could destroy the world.

The numerous Sword Principles that Jian Wushuang attacked with were all dissipated without exception, and even he himself was forced to retreat.

“The fifteenth!”

In the void, fifteen crimson saber shadows appeared abruptly. They were superimposed onto one another and released.

“Hmph!”

The God Destroying King bellowed coldly and he simply extended his terrifying golden long spear forward.

Boom!

All of a sudden, the thousands of miles of void in front of him exploded and collapsed. As for the giant crimson saber light that was within the void, it dissipated instantly.

...

Chapter 1528: The Strongest Team, Battle Of The Pinnacle!

Roar!

The dispelled divine power filled the sky. Jian Wushuang and Duan Lingfeng’s figures retreated from the hit.

“Jian Wushuang, don’t act recklessly. God Destroying King’s reflexes are very shocking. Although your martial art motion is creepy, it’d be too forceful to create an opportunity relying only on your martial art motion. Plus, he is highly skilled in using his spear. He’s fast and accurate, and he was unbelievably strong. If one were to be careless and got shot, he might lose his life instantly,” Duan Lingfeng said solemnly.

“Mm, I can tell,” Jian Wushuang squinted his eyes.

With only an instant of exchange, Jian Wushuang already knew why God Destroying King would be looked up to by countless Universe Gods.

His strength wasn’t merely on his absolute power of Extermination, it also included his skill in using a spear and his terrifying insight and reflexes.

God Destroying King’s insight enabled him to lock Jian Wushuang’s principal self among the eighteen shadows in an instant and his immediate reflexes allowed him to take action before Jian Wushuang.

In other words, his martial art motion against God Destroying King was totally useless.

"The two of you, come on and bring it up," God Destroying King's face was cold as he held the sword with one hand and looked at Jian Wushuang and Duan Lingfeng arrogantly. He had an overbearing manner.

"This is crazy," Jian Wushuang's face was cold, "I'd like to see if you really have no weakness!"

Vroom. There was a crimson light that suddenly burst out of Jian Wushuang's eyes like a crimson sun.

Eighteen Asura Hell descended!

"Dreamland?" God Destroying King's eyes contracted and his body shivered as he roared, "Break! Break! Break!"

He uttered the word thrice.

God Destroying King had already shaken off the phantasmagoria.

But Jian Wushuang revealed a smile at the sight.

"God Destroying King's consciousness strength is quite shocking. At least he is much stronger than Zi Dongwang, but he is at most about Xin Zhou's standards. If I were to perform the secret skill of Tian Yuan with my all, I could definitely affect him," Jian Wushuang quickly made up his mind.

"Let me try."

Jian Wushuang's figure moves and boundless divine power suddenly flowed towards his right index finger.

"Ancient God Fourth Finger... God's Test!"

Jian Wushuang performed his strongest move again.

When he performed the same move earlier to fight against Zi Dongwang's strongest unique skill, it was evenly matched.

Rumble. The dark gold hand appeared again. A dark gold finger that looked like it had extended from ancient times was pointing towards God Destroying King.

The power was earth-shattering.

"Humph, how can the light of a spark compete with the sun and the moon!"

God Destroying King looked at him in disdain. Then, the longspear in his hand suddenly let out a dragon roar. He waved and a total of nine golden dragon that contained extermination auras plunged out. The nine golden dragon almost instantly shattered the gold finger.

However, right at the moment when the gold finger collapsed completely, a ray of light burst out through the void.

The light was transformed from the God Killing Spear.

In God Killing Spear, it contained the secret of Tian Yuan which Jian Wushuang performed with his all.

Dang!

God Destroying King waved God Killing Spear casually and it flew aside. However, the soul attack hidden in the God Killing Spear heavily hit his consciousness.

“Huh?” God Destroying King’s facial expression suddenly changed.

“As expected,” Jian Wushuang’s eyes were twinkling with joy. He could clearly feel that God Destroying King’s aura had diminished sharply at that moment.

“Darkness Region.”

Boundless darkness suddenly enveloped him while Duan Lingfeng was the King of the darkness. His eyes had a chilly gleam. As his figure turned illusionary, he pierced through the void and appeared next to God Destroying King. On the crimson saber in his hand, there was a flow of crimson light.

“Massacre Shadow!”

Wow!

The swordlight glistened.

It was different from any other techniques that Duan Lingfeng had performed.

Not only was that stroke fast, but most importantly, the sharpness contained in the stroke as though it could cut through the entire heaven and earth.

There was a layer of crimson shadow in the void that was cut open.

God Destroying King’s eyes contracted. A terrifying aura condensed and he wanted to wield his spear.

Another dark light hit again and the soul attack within the dark light hit God Destroying King’s consciousness. It caused a pause in God Destroying King’s action and he couldn’t wield his spear in time. He could barely hold his spear before his body.

Dang!

The crimson shadow descended and a fierce power spread. God Destroying King’s body slouched and fell lower by a dozen zhang.

However, before he steadied himself, there were two figures that appeared on each of his sides.

“Crimson Night Arc Light!” Duan Lingfeng was like a statue of crimson rock. He wielded the saber in his hands and swung.

“Ten Thousand Shadows!” Jian Wushuang gave full play to his Sword Principle. Among this Sword Principle, it contained a strong soul attack.

The two of them, one on the left and one on the right, charged towards God Destroying King who was still falling.

They continued to press him.

The golden Bellicose Spear in God Destroying King's hand was moving crazily. It swept, it stabbed, it slashed, and ferocious power swept across and fought against Jian Wushuang and Duan Lingfeng vigorously.

Dang! Dang! Dang! Dang!

Metal clashing sounds were heard continuously as the universe roared.

In the insane massacre, the three of their powers exploded almost perfectly. Although God Destroying King was powerful, he seemed to be at a disadvantage as he endured the attack from both of them simultaneously at such a close distance.

In a few breaths, he was hit multiple times by both Jian Wushuang and Duan Lingfeng's remaining swordlight.

God Destroying King's gaze was cold but there was anger raging in his heart.

"Go away!"

Hong!

A terrifying extermination aura erupted, just like a war beast that could ruin heaven and earth. The power struck fear in both Jian Wushuang and Duan Lingfeng. They had no choice and they could only retreat. But as they retreated...

"Go!"

Jian Wushuang controlled his willpower and shot out God Killing Spear at lightning speed again.

God Destroying King blocked the attack of the divine spear easily but he couldn't do anything about the soul attack contained in God Killing Spear.

Since the beginning of the fight, it was the fourth time he had been hit by Jian Wushuang's secret skill of Tian Yuan.

Even though his consciousness was extremely strong, he couldn't stand it but let out a groan. His face grew pale and his aura grew spiritless.

"Humph, I thought you'll be able to endure it forever."

Jian Wushuang's gaze was cold but he scoffed, "God Destroying King is ridiculously strong. Regardless of attack, defense, speed, as well as his skill of using a spear, his insight and reflexes, they could be described as terrifying!"

"However, in terms of consciousness... although his consciousness is extremely strong, even if Xin Zhu were to give his all, he wouldn't be able to do anything to him. However, my consciousness attack is much stronger than Xin Zhu's!"

"Using his consciousness as a breaching point, we can fight against him with the two of us joining forces."

"Duan Lingfeng, let's go!"

...

Chapter 1529: Defeat The God Destroying King!

Boom! Boom!

Jian Wushuang and Duan Lingfeng attacked again.

Two experts standing at the top of countless Universe Gods had teamed up to fight the God Destroying King!

Duan Lingfeng had already displayed his comprehension of the Massacre Doctrine and Darkness Doctrine completely.

His comprehension of the Massacre Doctrine and Darkness Doctrine already had the ability to clear the first level of the Doctrine Palace.

The saber skills that he had created were so powerful that it was absurd. Combined with many secret skills, his fighting capabilities at that very moment were enough to make a normal Real God despair.

As for Jian Wushuang... His attack power, defense and speed were at the top of the Universe God ranking list. Moreover, his martial art motion was extremely strange.

The most important thing was his Soul Attacks!

His Soul Attacks were a great threat to the God Destroying King.

Afterall, it was impossible to avoid Soul Attacks and one could only defend or block with all their might.

The Soul Attacks that were unleashed time after time had caused the God Destroying King to be under even more pressure.

Take the Secret Skill of Tian Yuan that Jian Wushuang used with his full power as an example. With every attack, the God Destroying King's consciousness would be wounded.

After taking the attack four times, his consciousness was already seriously injured.

From then on... The fifth attack, the sixth attack. It was only when the God Destroying King took the seventh attack of the Secret Skill of Tian Yuan that his expression turned ghastly pale.

"Haha, he won't last for much longer. Duan Lingfeng, let's put in a bit more effort. Today, the both of us shall defeat the God Destroying King!" Jian Wushuang laughed loudly.

"No problem," Duan Lingfeng was filled with murderous intent.

However, at that moment, the God Destroying King's body changed and he retreated to a distant void.

As he stood at the void, the God Destroying King stared at Jian Wushuang and Duan Lingfeng with an ashen expression.

"Jian Wushuang, White-robed Swordsman, today, I admit that I have lost. The days are still long. If there is another opportunity after today, I will fight the two of you again!"

With a roar, the God Destroying King turned his body and left immediately.

Jian Wushuang and Duan Lingfeng stood beside one another and they looked on as the figure of the God Destroying King flew further away. Finally, the God Destroying King disappeared from their field of vision completely.

At that moment, both Jian Wushuang and Duan Lingfeng heaved a sigh of relief.

“The God Destroying King has finally left,” as Jian Wushuang spoke, his whole body almost collapsed.

“He was scared off by you,” Duan Lingfeng glanced at Jian Wushuang.

“Haha,” Jian Wushuang could not help but laugh and he said: “If I didn’t scare him, he might push on and continue fighting with us. At that time, both of us would be the ones escaping tragically.”

Jian Wushuang was very certain that in the match moments ago, his cooperation with Duan Lingfeng had indeed managed to push back the God Destroying King.

However, they did not overpower him easily.

After all, the Secret Skill of Tian Yuan was a secret skill of the Soul Attacks. Hence, it would deplete a huge amount of Soul Power.

Although Jian Wushuang’s Force of Soul had risen greatly, he had used up quite a bit of his Soul Power during his match with Zi Dongwang and Xin Zhu. After that, he had continued fighting against the God Destroying King and he unleashed the Secret Skill of Tian Yuan seven times consecutively. As a result, his Soul Power had been completely exhausted.

He had absolutely no way of using the Secret Skill of Tian Yuan an eighth time.

Without the Secret Skill of Tian Yuan, they would be unable to push back the God Destroying King.

Moreover, not only were Jian Wushuang’s Soul Power depleted, even Duan Lingfeng’s Divine Power would be completely used up as well.

In other words, both of them were unable to continue the fight. As such, Jian Wushuang intentionally said that he would work together with Duan Lingfeng to destroy the God Destroying King at that moment.

He was merely putting up a strong front to scare the God Destroying King.

“The God Destroying King must have depleted a huge amount of energy as well. Moreover, his consciousness should be on the edge of falling apart. Hence, he has no choice. Even if you didn’t scare him, he would probably not want to continue fighting against us,” Duan Lingfeng said.

“Perhaps so,” Jian Wushuang said, “No matter what, the God Destroying King is really frightening.”

“Indeed,” Duan Lingfeng also nodded his head seriously.

Although he had teamed up with Jian Wushuang, they were only barely able to push back the God Destroying King.

Moreover, if the God Destroying King had decided to push on and continue fighting against them, would the end result still be the same?

What kind of power was that?

“As expected of the strongest expert recognized by the Universe God ranking list. Even the proud and ambitious Zi Dongwang could not be compared to any super monsters that were proficient in mental strength. But the abilities of the God Destroying King...” As Jian Wushuang muttered to himself, he had a thought in his mind, “Perhaps after I clear the Inverse Cultivation Test for the Third Heaven and become a Universe God of the Third Heaven for real, I’ll be able to defeat him.”

At the moment where Jian Wushuang and Duan Lingfeng were gasping in surprise with regards to the God Destroying King’s shocking fighting capabilities.

At a void far away from the battlefield, numerous Universe Gods had gathered. Many of them had arrived a long time ago to witness the astonishing battle from afar.

When the pinnacle match concluded for real, everyone was stunned.

“The team consisting of the God Destroying King, Zi Dongwang, Xin Zhu actually... lost?”

“Even though Zi Dongwang and Xin Zhu teamed up, they were still defeated by Jian Wushuang alone? And Zi Dongwang was seriously injured?”

“Jian Wushuang and the White-robed Swordsman teamed up and managed to push back the God Destroying King?”

“The invincible God Destroying King actually lost?”

“Gosh!!!”

Inside the vast hall outside the cave.

Many Almighties, as well as the Real Gods of many big powerhouses, had gathered. In the middle of the big hall, there was a giant video screen.

The video was recorded meticulously by someone who had seen the pinnacle match. It was then sent over after the match had concluded.

What appeared in the video first was the scene where Jian Wushuang was fighting Zi Dongwang and Xin Zhu.

“Gosh. Jian Wushuang actually dared to have a close combat fight with Zi Dongwang? Moreover, both of them are actually evenly matched?”

“His close combat abilities are actually not weaker than Zi Dongwang’s?”

In the video, after Jian Wushuang and Zi Dongwang clashed with their strongest move, Jian Wushuang used his Soul Attacks at once. This caused Zi Dongwang to give shrill roars. After that, Jian Wushuang wounded Zi Dongwang with a stroke and caused him to escape madly.

“This... this is a consciousness attack?”

“Even Zi Dongwang was unable to block Jian Wushuang’s consciousness attack? Doesn’t that mean that his consciousness attacks are stronger than Xin Zhu’s?”

“His consciousness attacks are stronger than Xin Zhu’s, his martial art motion is more frightening than Universe God Liu Ying’s, and his close combat abilities are not weaker than Zi Dongwang’s. In addition, there are also his defensive abilities. I also feel that he is not inferior to the Ice Feather Demon King, who is ranked eighth in the Universe God ranking list. As such, he can be said to have no weak points at all. The only thing that he is lacking in is probably his Unique Skills!”

“How strange. Even though Jian Wushuang is so powerful, why are his Unique Skills so weak?”

In actual fact, it was already very impressive for a Universe God like Jian Wushuang to create so many Real God Unique Skills.

However, compared to the experts in the top ten of the Universe God ranking list who stood at the peak of the pyramid in the Eternal Chaotic World, it was indeed very inferior.

The intense fight in the video continued. After Zi Dongwang and Xin Zhu escaped from Jian Wushuang, it proceeded to show Jian Wushuang and Duan Lingfeng teaming up to fight against the God Destroying King.

Chapter 1530: The Second And The Third!

Jian Wushuang and Duan Lingfeng teamed up and fought against God Destroying King. Even the top experts in the hall were holding their breath as they watched the battle, as they were afraid that they might miss a detail.

After the battle had ended, everyone in the hall gasped in surprise.

“God Destroying King, lost?”

“Haha, Jian Wushuang and the white-robed swordsman are very impressive!”

“We made a mistake previously. We thought the white-robed swordsman’s Darkness Doctrine had reached the standard to pass the first level of Doctrine Palace. But in actual fact, both his Darkness Doctrine and Massacre Doctrine could pass the first level of Doctrine Palace. The flawless combination of both isn’t any weaker than God Destroying King in terms of comprehension towards Heaven Way. If it wasn’t because God Destroying King was that person’s disciple and acquired skills from the tutelage from him, he might not be the white-robed swordsman’s match.

“That Jian Wushuang, his consciousness attack and martial art motion is number one among all Universe Gods while his defense power and close combat ability could be in the top three among all Universe Gods. With this combination, the threat against God Destroying King is even greater!”

“The two of them teamed up, God Destroying King lost miserably.”

The Almighties discussed among themselves.

As for the Real Gods from various forces, they looked at Lei Chao enviously.

“Lei Chao, the little guy from Lineage of Star is very impressive!”

“Zi Dongwang and Xin Zhu lost to him even though they teamed up. He even fought against and could be considered to have defeated God Destroying King with the white-robed swordsman. Such capability... Tsk tsk!”

“From the looks of it, Lineage of Star is going to give birth to another great expert again. Over the years, he might even stand a chance to step foot in the ranks of Almighty. He has great potential.”

Hearing the surrounding comments, even Lei Chao, who was of a cold disposition, revealed a smile.

He replied to the surrounding Real Gods as he immediately sent the latest news to Hall Master Yuan and the higher ups in Lineage of Star.

In Wu Bei’s cave where God Destroying King had fought earlier, Jian Wushuang and Duan Lingfeng sat down to recover.

They knew that there were countless Universe Gods looking at them but they couldn’t be bothered, nor did they mind.

Even the formation of God Destroying King, Zi Dongwang and Xin Zhu couldn’t do anything to defeat them, there was definitely no one else in Wu Bei’s cave that could pose a threat against both of them.

Just then, a scrawny man plunged into the void from afar and came before Jian Wushuang and Duan Lingfeng.

“Vientiane Tower blackshirt greets both of you.”

The scrawny man was very polite. He bowed at Jian Wushuang and Duan Lingfeng from a hundred miles distance.

“People from Vientiane Tower? How can I help you?” Jian Wushuang lifted his head and glanced at the scrawny man.

“I came here on the command of the higher ups of Vientiane Tower. We’d like to enquire this mister’s real name,” The scrawny man stole a glance at Duan Lingfeng carefully.

“Oh?” Jian Wushuang was surprised, “To ask for his name? Is it for Universe God ranking list?”

“Yes,” the scrawny man smiled, “Misters should know that Universe God ranking list is announced after Vientiane Tower concluded. Previously, Mister White-robed Swordsman defeated Demon Girl Ling Luo, Vientiane Tower naturally listed him in the third place on Universe God ranking list. However, Vientiane Tower never knew his real name. Hence, we could only replace it with White-robed Swordsman. But, we can’t just keep it that way. So, they sent me to enquire.”

“I understand,” Jian Wushuang understood. He looked at Duan Lingfeng and he saw that Duan Lingfeng remained aloof. He immediately smiled and replied, “Return and inform the higher ups in Vientiane Tower that he is called Duan Lingfeng.”

The scrawny man beamed with joy, “Thank you.”

Then, the scrawny sent a message to the higher ups in Vientiane Tower.

In the blink of an eye, a few days passed.

Outside the cave, in the lofty hall.

“Everyone,” Master Tower Qi Fu on the higher place in the hall. The entire hall immediately went quiet.

“Vientiane Tower sorted out the latest Universe God ranking list. Everyone, take a look first.

Tower Master Qi Fu waved and the brand new Universe God ranking list suddenly appeared before everyone again.

Actually, Vientiane Tower sorted and released a Universe God ranking list every once in a while. However, the fight in Wu Bei’s cave and the massacre was too insane, which led to huge changes in the ranking on Universe God ranking list. Hence, whenever there was time, Vientiane Tower would tidy up the ranking list again and release it.

On the huge floating ranking list in the hall, the ranking appeared before the experts.

In the first place on Universe God ranking list was still God Destroying King.

There was no doubt. After all, Jian Wushuang and Duan Lingfeng had teamed up and suppressed God Destroying King. When fighting one-to-one, neither one of them could be God Destroying King’s match.

The second place on Universe God ranking list, Duan Lingfeng (White-robed Swordsman).

The third place on Universe God ranking list, Jian Wushuang.

The fourth place on Universe God ranking list, Zi Dongwang.

The fifth place on Universe God ranking list, Demon Girl Ling Luo.

The sixth place on Universe God ranking list, Xin Zhu.

The seventh place on Universe God ranking list, Tian Tian.

The eighth place on Universe God ranking list, Universe God Liu Ying.

The ninth place on Universe God ranking list, Seven Universe King.

The tenth place on Universe God ranking list, Demon King Ice Feather.

The eleventh place on Universe God ranking list, Universe God Mo Shou.

...

Compared to before, the brand new Universe God ranking list had drastic changes again, especially in the top ten on Universe God ranking list.

Zi Dongwang, who was originally in the second place, fell to the fourth directly.

While Duan Lingfeng and Jian Wushuang took over the second and the third place.

As for Tian Tian... He was an expert who had suddenly risen during the days when the second level of cave opened. He had fought with Universe God Liu Ying once and had the upper hand. He naturally was listed before Universe God Liu Ying.

Demon King Ice Feather And Seven Universe King had fought head on once. In the end, Seven Universe King had had the upper hand by a slight bit. Hence the exchange of their rankings.

Besides that, there wasn't much difference.

The experts in the hall generally agreed with the brand new Universe God ranking list.

If there were to be any discussion, it was about Jian Wushuang and Duan Lingfeng's ranking.

"Jian Wushuang and Duan Lingfeng's Power should be about the same. If we have to differentiate their strengths, I feel that Jian Wushuang is slightly stronger. After all, even God Destroying King can't endure his soul attack. Duan Lingfeng might not be able to endure it either. On top of that, his martial art motion is so creepy. He has almost no weakness. If he were to fight a life and death battle against Duan Lingfeng. He would definitely be the one to have the last laugh.

"I think so too but it's hard to say. If they were to not really have a fight, it'd be difficult to differentiate their power."

"Haha. They are best friends and they don't worry much about Universe God ranking list. Do you think you'll be able to call for a match?"

There were Almighties and Real Gods sparring casually. However, the argument went nowhere. In the end, the brand new Universe God ranking list released.
